THIS PLAN CONTAINS SPECIAL RISKS. SEE PAGE V FOR SPECIAL RISKS TO PURCHASERS.

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL UNITS, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO SPONSOR. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

THIS OFFERING PLAN IS SPONSOR'S ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. SPECIAL RISKS

1. PURCHASE AGREEMENT MAY NOT BE ACCEPTED BY SPONSOR UNTIL THE PURCHASER HAS RECEIVED A COPY OF A PROPERTY REPORT WHICH THE SPONSOR HAS FILED WITH THE UNITED STATES CONSUMER FINANCIAL PROTECTION BUREAU.

A PURCHASE AGREEMENT MAY NOT BE EXECUTED UNTIL THE PURCHASER HAS RECEIVED A COPY OF A PROPERTY REPORT APPROVED BY THE UNITED STATES CONSUMER FINANCIAL PROTECTION BUREAU ("CFPB") PURSUANT TO THE FEDERAL INTERSTATE LAND SALES FULL DISCLOSURE ACT. THE UNITED STATES CONSUMER FINANCIAL PROTECTION BUREAU HAS APPROVED A PROPERTY REPORT FOR THE CONDOMINIUM.

2. THE COMMUNITY IS ANTICIPATED TO CONSIST OF TWO DISTINCT CONDOMINIUMS AND TWO DISTINCT CONDOMINIUM BOARDS OF MANAGERS WITH AN UMBRELLA HOMEOWNERS ASSOCIATION TO OPERATE AND MAINTAIN CERTAIN PROPERTY FOR THE BENEFIT OF THE TWO CONDOMINIUM ORGANIZATIONS.

Sponsor will construct one hundred twenty four (124) Units and RXR North Hills Phase II Owner LLC ("Phase II Owner LLC"), an entity which is owned by the same principals as Sponsor, is anticipated to construct one hundred twenty (120) condominium units for a total of two hundred forty four (244) condominium units in two separate condominium organizations. The site plan showing the locations of the Phase I Condominium and the Phase II Condominium is set forth on page 307 of this Plan. **THERE IS NO GUARANTY BY SPONSOR THAT THE PHASE II OWNER WILL BUILD THE UNITS IN OR DEVELOP THE PHASE II CONDOMINIUM.** In addition, there is a homeowners association, which is known as The Residences, North Hills Homeowners Association, Inc. (the "Association").

Sponsor is not presently offering any Condominium Units for sale other than one hundred twenty four (124) Condominium Units in the Phase I Condominium.

The Unit Owners in the Phase I Condominium and in the Phase II Condominium, if developed, will also become automatic mandatory members the Association. The Association will, among other functions described below, own, operate and maintain certain Association Common Areas also described herein.

Subject to Sponsor's right and the Phase II Owner's right to subdivide and combine condominium units and to change the number of condominiums to be developed or the number of condominium units in each condominium and subject to market conditions, Sponsor and the Phase II Owner are anticipated to develop the Community as follows:

It is anticipated that the Community will be developed in two phases. It is anticipated that Sponsor will develop the Phase I Condominium which will be constructed on the Phase I Property and will contain: the one hundred twenty four (124) residential condominium units constructed in buildings known as "Building 7", "Building 8", "Building 9" and "Building 10"; approximately 128 parking spaces on the first level on grade (125 regular parking spaces plus 3 handicapped parking spaces) in Buildings 7 and 8; approximately 124 parking spaces on the first level on grade (121 regular parking spaces plus 3 handicapped parking spaces) in Buildings 9 and 10, the HOA Recreational Facilities, but not including the Exterior Amenities which are anticipated to be developed in Phase II, the northern entry gatehouse from Power House Road into the Community, the western entry gatehouse from New Hyde Park Road into the Community and the roads within the Community, utilities infrastructure, extensions and connections to utilities servicing all of the Units in the Phase I.

It is anticipated that the Phase II Condominium will be developed by the Phase II Owner and is anticipated to contain one hundred twenty (120) residential condominium units constructed on the Phase II Property, parking spaces within such buildings, the common elements in the Phase II Condominium and the Exterior Amenities.

There is no guarantee that Phase II Owner or its affiliates will construct the Phase II Condominium. Sponsor makes no representations or guarantees regarding the number of condominiums or condominium units which will be developed in the Community, other than the one hundred twenty four (124) condominium units in the Phase I Condominium. There is no representations or guarantees what the ultimate design of the Community will be. During the construction of the Phase I Condominium, and if the Phase II Condominium is developed, it will take a number of years for the construction to be completed in the Community and Unit Owners can anticipate that there will be substantial disruptions in the Community, which are inherent in any large-scale development project.

3. PAYMENT OF COMMON CHARGES.

For a period of time in Sponsor's sole discretion, Sponsor may choose to pay the entire actual costs of operation of the Condominium (payment of all items set forth in the Condominium Budget, excluding reserves and contingencies) in which case the Common Charges will be set by the Sponsor controlled Board of Managers at zero and Unit Owners who have closed will not be required to pay Common Charges until such time as Sponsor, in its sole discretion, ceases paying all of the actual condominium expenses (Condominium Budget items) at which time all Unit Owners will begin to pay Common Charges based upon the condominium budget and the Unit Owner's percentage of Common Interest. Once Common Charges are collected by the Board of Managers from any Unit Owner, Sponsor will then pay Common Charges for all of the Unsold Units based upon the condominium budget and the percentage of Common Interest for the Unsold Units.

As real estate taxes are not included in Common Charges, Sponsor will not pay real estate taxes for Units that have been transferred to Purchasers. Unit Owners are responsible for paying their own real estate taxes from the date that they acquire their respective Unit. Sponsor will pay real estate taxes on each Unsold Unit until such time as title is transferred to a Purchaser. Once a Unit is transferred, Purchaser shall pay the real estate taxes for the Unit Owner's Unit.

Common Charges are distinct from Association Common Maintenance Charges. Purchasers will be required to pay Common Charges as set forth above, as well as Association Common Maintenance Charges. Please refer to Schedule B-1 and Schedule A to the Offering Plan for further details.

Sponsor reserves the right to delay the commencement of collection of condominium and Association Common Maintenance Charges. Purchasers should note that (i) the commencement date of the collection of common charges must be previously disclosed in an amendment to the plan; (ii) at such time as the common charges are collected, there will not be a special assessment of unit owners for expenses anticipated in the budget; (iii) during the delay period the Sponsor will continue to update the budget as required pursuant to 13 NYCRR Part 20; and (iv) during the delay period, the Sponsor will fund the contingency fund as set forth in the budget. If Sponsor delays the collection of common charges, Sponsor will pay the insurance premiums together with all other common expenses of the condominium.

4. PAYMENT OF ASSOCIATION COMMON MAINTENANCE CHARGES.

For a period of time in Sponsor's sole discretion, Sponsor may choose to pay the entire actual costs of operation of the Association (payment of all items set forth in the Association Budget) in which case the Association Common Maintenance Charges will be set by the Sponsor controlled Board of Directors at zero and Unit Owners who have closed will not be required to pay Association Common Maintenance Charges until such time as Sponsor, in its sole discretion, ceases paying all of the actual Association expenses (Association Budget items) at which time all Unit Owners will begin to pay Association Common Maintenance Charges based upon the Association budget and the Unit Owner's applicable Association Common Maintenance Charges. Once Association Common Maintenance Charges are collected by the Board of Directors from any Unit Owner, Sponsor will then pay any deficiency, if any, between the actual expenses of the Association (not including reserves) and the actual funds collected by the Board of Directors from Unit Owners.

IF THE PHASE II CONDOMINIUM IS CONSTRUCTED BY THE PHASE II OWNER, THE ASSOCIATION COMMON MAINTENANCE CHARGES ARE ANTICIPATED TO DECREASE ON A PER UNIT BASIS. HOWEVER, (A) THERE IS NO GUARANTY THAT THE PHASE II OWNER WILL CONSTRUCT THE PHASE II CONDOMINIUM AND (B) THERE IS NO GUARANTY THAT ASSOCIATION

COMMON MAINTENANCE CHARGES WILL DECREASE IF THE PHASE II CONDOMINIUM IS CONSTRUCTED.

5. DEFICIENCY CONTRIBUTION TO THE ASSOCIATION BY SPONSOR.

Purchasers should note that Sponsor's obligation for Association Common Maintenance Charges (which Association Common Maintenance Charges are the costs to operate the homeowners association, and not the costs to operate the condominium) on Unsold Units (whether constructed or not yet constructed), pursuant to the Declaration of Covenants, Restrictions, Easements, Charges and Liens will be limited to the difference between the actual operating costs of the Association, excluding reserves, if any applicable to completed improvements as provided in the Association's budget, and the assessments levied against Unit Owners who have closed title to the Unit Owner's Unit based upon the Association budget contained in Schedule B-1 ("Deficiency Contribution").

The amount of any Deficiency Contribution shall not include uncollected Association Common Maintenance Charges from Unit Owners, except that if the Board of Directors imposes additional charges or assessments to cover unpaid Association Common Maintenance Charges of Unit Owners, then Sponsor will also contribute its share. The amount of any Deficiency Contribution shall not include contributions to reserves, if any.

Sponsor will not be required to make a Deficiency Contribution in an amount greater than it would otherwise be liable for if it were paying full pro-rata Association Common Maintenance Charges on Unsold Units. Any surplus funds in the Association budget from prior years, if any, shall first be applied against any Deficiency Contribution obligation of Sponsor. (See Part I, Section "D-1" and Part II, Section "NN-1").

6. SPONSOR'S RIGHT TO LEASE UNITS

Sponsor intends on offering all Units for sale. Notwithstanding the foregoing, Sponsor is reserving the unconditional right to rent rather than sell Units. Because Sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more Units than the fifteen percent (15%) necessary to declare the Plan effective and owner-occupants may never gain effective control and management of the Condominium. Sponsor has the right to control the Board of Managers of the Condominium, by maintaining a majority of the members of the Board of Managers of the Condominium, until the later of (i) a period ending on the date which is five (5) years from the First Closing or (ii) until the last Unit of the one hundred twenty four (124) Units offered for sale under this Offering Plan is sold and closed. The By-Laws do not include a provision that after the Sponsor Control Period, a majority of the Board of Managers must be Owner-Occupants or members of an Owner-Occupant's household who are unrelated to Sponsor or its principals.

Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment. **(See Part I, Section "P")**.

Sponsor has obtained construction loan financing for the construction of the Phase I Condominium and for the construction of most of the Association Common Areas from German American Capital Corporation (the "Phase I Loan") (Certain Association Common Areas, including but not limited to driveways into the Phase II Condominium buildings, landscaping on the Association Common Areas adjacent to the Phase II Property, retention walls in Phase II and the Exterior Amenities will not be constructed with financing from the Phase I Loan). At the present time, German American Capital Corporation is the only lender for Phase I and the only mortgagee of the Phase I Property. Sponsor is obligated to pay to German American Capital Corporation the sum equal to (i) the greater of the Adjusted Minimum Release Price as defined in the loan agreement between Sponsor and German American Capital Corporation and (ii) the Net Sales Proceeds as defined in the loan agreement between Sponsor and German American Capital Corporation for the Unit being conveyed by Sponsor. Sponsor will obtain a partial release from the Phase I Lender prior to conveying a Unit to a Purchaser. In the event that the Phase I Lender assumes the role of Sponsor as a result of Sponsor's default on its loan, Purchasers shall not be granted an automatic right to rescind any Purchase Agreement it has entered into with Sponsor.

Phase II Owner has obtained land financing only from Norddeutsche Landesbank Girozentrale which is the only lender holding a mortgage on the Phase II Property. Norddeutsche Landesbank Girozentrale has not provided construction loan financing and the Phase II Owner has not obtained a construction loan for Phase II. Phase II Owner is required to repay the loans to Norddeutsche Landesbank Girozentrale encumbering the Phase II Property by on or about December 31, 2016. Phase II Owner has the right to extend the loan for two additional one year periods to a final maturity date of December 31, 2018.

There is no guaranty that the Phase II Owner will be able to obtain construction loan financing for the construction of Phase II.

Sponsor will promptly amend this Offering Plan to disclose any additional lenders or new loan terms with existing lenders for loans encumbering the Phase I Property.

In the event that Sponsor becomes aware that Phase II Owner obtains a construction loan, Sponsor will file an amendment to this Plan to apprise Purchasers of such facts.

Sponsor must obtain a release of any mortgage lien on any Unit being conveyed to a Purchaser prior to or at the time of conveyance of a Condominium Unit to Purchaser.

7. MATERIALS, WORKMANSHIP, ETC.

All Units and general and Limited Common Elements offered pursuant to this Offering Plan are sold subject to completion of the work specified in the Description of Property and Specifications. (see Part II, Section "II").

Each Unit Owner will be obligated to heat and cool their Unit so as to maintain the appropriate temperature and humidity in such Unit in order to avoid causing damage to the Common Elements or the Units, including, without limitation, freezing pipes and damage to the wood floors and moldings. Purchasers should note that wood floors as with all wood products (including without limitation, wood furniture and cabinetry) are susceptible to wide variations of temperature and humidity which can lead to shrinkage and expansion of the wood which in turn may cause damage to any such wood product.

WARRANTIES

Because the buildings in which the Units are being offered under this Plan are five (5) stories, Article 36-b of the General Business Law, which pertains to warranties on the sale of certain new homes applies. General Business Law §777, the Housing Merchant Implied Warranty Law is applicable to Units in buildings which are five stories and less. Sponsor will furnish a Limited Warranty as set forth in this Offering Plan in lieu of the Housing Merchant Implied Warranty. (See Part I, Section "JJ").

Pursuant to the terms of the Housing Merchant Implied Warranty Law, Sponsor is giving a Limited Warranty to Purchasers which provides for a Limited Warranty on certain items. Certain limitations contained in the Limited Warranty are noted as follows: (a) the Limited Warranty provides coverage for the First Unit Buyer only; (b) Sponsor's liability is limited to ten (10%) percent of the Purchase Price of the Unit, (c) any claim for damages made by a Purchaser is to be reduced by any insurance proceeds received by Purchaser with respect to that claim; (d) incidental, special, indirect consequential or other similar damages are excluded and; (e) detailed procedures must be followed for giving notice of a warranty claim to Sponsor and for commencing a lawsuit against Sponsor. (See the complete terms of the Limited Warranty contained in Part II, Section "JJ").

8. MANAGEMENT OF THE CONDOMINIUM AND HOMEOWNERS ASSOCIATION

As long as Ritz-Carlton is the licensor and manager of the condominium and Association, the Community may be called "The Ritz-Carlton Residences, Long Island, North Hills". The condominium plan, the Declaration of Condominium, the

Condominium By-Laws, the Association Declaration of Covenants, Restrictions, Easements, Charges and Liens and the Association By-Laws all refer to the condominium as The Residences, North Hills Phase I Condominium and The Residences North Hills Homeowners Association, Inc. In the event that Ritz-Carlton is not the licensor or the manager, the Community will not be referred to as The Ritz-Carlton Residences, Long Island, North Hills. The Condominium and Association documents specifically do not include the name "Ritz-Carlton" as same is prohibited by the Residential Condominium License and Development Agreement (the "License Agreement") between Sponsor and the Licensor.

In the event of the termination of the License Agreement, the Sponsor will still have the capacity to perform its obligations under the Plan. Termination of the License Agreement will not impact the Sponsor's capacity to perform its obligations to the condominium, the Association or to operate the properties.

Although the Condominium and Association will be affiliated with Ritz-Carlton, there will be no hotel constructed in the Condominium or Association. The property is not zoned for a hotel and there will be no hotel constructed on the Condominium Common Element or Association Common Areas.

Sponsor entered into a License Agreement) between Sponsor and MIF, L.L.C. which permits, among other things, the Community to be known as "The Ritz-Carlton Residences, Long Island, North Hills". MIF, L.L.C. is the Licensor of the Ritz Carlton Marks ("Licensor").

Sponsor intends to enter into a Residential Condominium Management Agreement ("Management Agreement") with The Ritz-Carlton Hotel Company, L.L.C. ("Ritz-Carlton"), substantially in the form as set forth in Part I, Section "RR" of this Plan, which provides that Ritz-Carlton will manage the affairs of the Phase I Condominium and The Residences, North Hills Homeowners Association, Inc., and the Phase II Owner will enter into a similar management agreement with Ritz-Carlton if the Phase II Condominium is developed. Ritz-Carlton shall manage the Phase I Condominium and the Association and the Phase II Condominium, if developed, under the Ritz-Carlton Marks pursuant to one or more written management agreements which provides that Ritz-Carlton will be the Manager. Ritz-Carlton is wholly owned by Marriott International Inc. ("Marriott").

MIF, L.L.C. HAS THE RIGHT TO TERMINATE THE LICENSE AGREEMENT AND RITZ-CARLTON HAS RIGHT TO TERMINATE THE MANAGEMENT AGREEMENT FOR A LIMITED NUMBER OF REASONS, AS SET FORTH IN THIS OFFERING PLAN AND AS OTHERWISE SET FORTH IN SUCH AGREEMENTS. IF RITZ-CARLTON OR AN AFFILIATE DOES NOT MANAGE THE PROPERTY, A MANAGEMENT COMPANY OF COMPARABLE QUALITY WILL BE SUBSTITUTED BY AMENDMENT TO MANAGE THE PROPERTY. EXAMPLES OF MANAGEMENT COMPANY BRAND NAMES THAT MAY BE SUBSTITUTED BY SPONSOR IF RITZ-CARLTON DOES NOT MANAGE THE PROPERTY INCLUDE

BUT ARE NOT LIMITED TO FOUR SEASONS HOTELS & RESORTS, CANYON RANCH, ST. REGIS, THE PENINSULA AND MANDARIN ORIENTAL HOTELS. Sponsor has not contacted and has no arrangements with the aforementioned possible substitutes and would only do so if Ritz-Carlton does not manage the Community.

MIF, L.L.C. may terminate the License Agreement: (i) upon thirty (30) days written notice to Licensee upon the occurrence of the failure to: (a) enter into signed contracts with prospective Unit Owners for at least a minimum of fifty (50) Units by June 30, 2018; or (b) enter into signed contracts with prospective Unit Owners for at least a minimum of one hundred (100) Units by December 31, 2019; or (c) close on the sale of one hundred percent (100%) of the Units to third-party purchasers in arm's length transactions on or before the tenth (10th) full Fiscal Year after the Phase I Opening Date; and (ii) upon ninety (90) days written notice to Licensee (and the failure to cure within such ninety (90) day period) upon the occurrence of Licensee's failure to close a construction loan for Phase I and Commencement of Construction of Phase I by December 31, 2014. Licensor, at its option, may terminate the License Agreement at any time during the term of the License Agreement if a circumstance, development or event occurs with respect to the Community or Licensee which would have a material adverse reflection on the Ritz-Carlton Marks which is not cured as provided in the License Agreement. In the event that any circumstance, development or event occurs which would cause a material adverse reflection on the Ritz-Carlton Marks, Licensor shall have the right to send notice thereof to Licensee and in the event that the same is not cured to Licensor's satisfaction within thirty (30) days after the date of such written notice, Licensor shall have the right to terminate the License Agreement by written notice to Licensee at any time thereafter; provided, however, that if such failure is not reasonably capable of being cured within such thirty (30) day period, then so long as Licensee has commenced curative action within such period and thereafter continues to pursue diligently such curative action, such thirty (30) day period shall be extended for the period reasonably necessary to cure such default, up to an additional period of sixty (60) days.

Licensor may terminate the License Agreement upon written notice to Licensee upon (i) termination of the Residential Condominium Management Agreement for the Phase I Condominium, the management agreement for the Phase II Condominium, or the Association, or (ii) upon the failure or refusal of the Board of Directors of the Association or the Board of Managers for the Phase I Condominium to execute the License Agreement or Management Agreement or upon the failure or refusal of the board of managers of the Phase II Condominium to execute the License Agreement or management agreement for the Phase II Condominium. The license to use the Ritz-Carlton Marks will be granted by Licensor to Licensee under the License Agreement so long as Licensor is the manager of the Phase I Condominium, the Phase II Condominium and the Association.

If any Condominium Amenities Operator makes unauthorized use of the Ritz-Carlton Marks or fails to operate the Condominium Amenities in a manner consistent

with Ritz-Carlton Standards, Licensor may terminate the License Agreement by delivery to Licensee with at least five (5) days prior written notice of such unauthorized use or failure, unless such unauthorized use has ceased or such failure has been cured within such 5-day period; provided, however, that if Licensee has notified the Condominium Amenities Operator in writing of a failure so to operate, such failure is incapable of cure within such 5-day period, the Condominium Amenities Operator has commenced to cure such failure and thereafter prosecutes such cure to completion with all due diligence, then such cure period shall be extended for an additional period reasonably necessary to cure such default, up to an additional period of sixty (60) days.

The Residential Condominium Management Agreement provides that Manager shall provide the following services for the Condominium, all of which may be modified by Manager from time to time:

(a) "Base Concierge Services". Manager shall provide hotel-type concierge services (such as arranging for seamstress, laundry, dry cleaning and transportation services by third party providers at additional cost to a Unit Owner), valet, day porter and business center services. Manager shall provide Base Concierge Services to Unit Owners as part of Association Common Maintenance Charges, however, all third party service charges shall be billed directly by the Board of Directors or Board of Managers to the Unit Owner utilizing such services. There will be no reduction in the Management Fees due to the cessation for any reason of any Base Concierge Services, so long as reasonably similar services continue to be provided.

(b) "Valet Service." Manager shall provide valet services for parking of guest's vehicles in the Parking Level. Each Unit will be assigned (i) one parking space, as Limited Common Element in the Parking Level for self-parking of one passenger automobile by the Unit Owner and (ii) one parking space for the parking of one passenger automobile in the Parking Level through the use of valet parking services. The cost of the valet service shall be paid by the Unit Owners through Association Common Maintenance Charges. The Sponsor and/or the Board of Directors may, at their sole discretion, grant permission to a Unit Owner, on a first come, first serve basis, to park one additional passenger automobile in the Parking Level using valet services, at an additional cost to the Unit Owner.

(c) "Additional Services". Manager shall make available to each Unit Owner, on an at-cost basis, certain additional services for which a price list shall be established from time to time, including but not limited to housekeeping services, maintenance and repair services, etc. (collectively "Additional Services"). Each Unit Owner will pay the Manager, the Board of Directors or the Board of Managers, as the case may be for all costs and expenses associated with providing and billing for the Additional Services to the Unit Owner, on a monthly basis. (See Part II, Exhibit "5" to this Plan for a schedule of current prices for Additional Services).

MIF L.L.C. and Ritz-Carlton have no interest in the Condominium or the Association and is hired as an independent manager.

In the event the Management Agreement or License Agreement is terminated for any reason, all use of the Ritz-Carlton Marks shall cease at the Condominium, all indicia of affiliation of the Condominium and Association with Ritz-Carlton, including all signs or other materials bearing any of the Ritz-Carlton Marks, shall be removed from the Condominium Buildings and Community, and all services to be provided by Ritz-Carlton to the Condominium shall cease.

So long as the Management Agreement is in effect, the Condominium shall have the right to be known as "The Ritz-Carlton Residences, Long Island, North Hills" or by any other name as may be approved by Ritz-Carlton. Use of the Ritz-Carlton Marks shall be limited to use of the approved name (i) on signage on or about the Condominium, and (ii) by the Condominium, the Board of Managers, Condominium executive committee, individual Unit Owners, and their agents, solely to identify the address of the Condominium or the Units. No other use will be permitted of the Ritz-Carlton Marks. All uses of the Ritz-Carlton Marks, including the approved name, are subject to removal upon the expiration or termination of the Management Agreement. The Condominium may use the name Ritz-Carlton, however, Ritz-Carlton is not the legal name of the Condominium or the Association.

Sponsor represents to Purchasers that (i) the Units are being sold by Sponsor and not by Ritz-Carlton, and (ii) Ritz-Carlton is not part of or an agent for Sponsor and has not acted as broker, finder or agent in connection with the sale of the Units. A Purchaser, by executing a Purchase Agreement for a Unit agrees that Purchaser shall have no right to use or interest in the Ritz-Carlton Marks. The Purchase Agreement provides that Purchaser waives and releases Ritz-Carlton from and against any liability with respect to any representations or defects or any claim whatsoever, relating to the marketing to Purchaser and Purchaser acknowledges that in the event the Management Agreement with Ritz-Carlton is terminated for any reason, all use of the Ritz-Carlton Marks shall cease at the Condominium, all indicia of connection of the Condominium or the Association with Ritz-Carlton, including all signs or other materials bearing any of the Ritz-Carlton Marks, shall be removed from the Condominium Buildings and Community, and all services to be provided by Ritz-Carlton to the Condominium shall cease.

The Members of the Association may terminate the Management Agreement with Ritz-Carlton upon a vote of seventy-five percent (75%) of all Members to terminate the Management Agreement. See the specific terms and conditions in the Management Agreement.

The term of the Management Agreement shall be for a period commencing on the commencement date as defined in the Management Agreement and for a period of twenty (20) years from the said commencement date.

The approximate fees to Ritz-Carlton shall be \$1,500 per Unit (\$1,200 per Unit paid through common charges and \$300 per unit paid through Association charges) per Unit per year, subject to periodic increases as provided in the Management Agreement, which fees are included in Common Charges and/or Association charges. The fees to be paid to Ritz-Carlton are prevailing rates based on the services that will be performed by Ritz-Carlton. For all specific fees, see the Management Agreement. A complete copy of the proposed Management Agreement is set forth in Part II, Section "RR" of this Offering Plan.

9. CONTRIBUTIONS TO WORKING CAPITAL FUNDS

At the time of closing, each Purchaser will be required to pay a sum equal to two months of Common Charges to the Condominium and two months of Association Common Maintenance Charges to the Association applicable to their Unit as working capital contributions for the Condominium and Association, respectively.

The Condominium Working Capital Contribution paid by each Purchaser may be used to pay Common Expenses of the Condominium and the Association Working Capital Contribution paid by each Purchaser may be used to pay Association Common Maintenance Charges during the time that Sponsor remains in control of the Board of Managers of the Condominium and the Board of Directors of the Association respectively (See Part I, Sections "O"(VII) and "X").

10. BONDING BY SPONSOR

No bond or other security has been posted to secure Sponsor's obligations under this Plan or to complete construction of the Buildings or other obligations under the Plan including the obligation to pay Common Charges or Association Common Maintenance Charges with respect to Unsold Units.

Sponsor, or its affiliates have, or will furnish a surety bond in the sum of Four Million Dollars (\$4,000,000) as such amount as may be amended at the discretion of the Village of North Hills in favor of the Village of North Hills for site improvements.

Sponsor, or its affiliates have, or will furnish a surety bond in the amount of Two Million Five Hundred Thousand Dollars (\$2,500,000) as such amount as may be amended at the discretion of the Village of North Hills, in favor of the Village of North Hills to guarantee Sponsor's completion of landscaping and lighting in the Community.

Sponsor, or its affiliates have, or will furnish a surety bond in the amount of Twelve Million Dollars (\$12,000,000), as such amount as may be amended at the discretion of the Village of North Hills in favor of the Village of North Hills to guarantee Sponsor's completion of the HOA Recreational Facilities.

Purchasers have no right to demand that the bonds provided to the Village of North Hills remain in force as the bond amounts may be reduced or eliminated at the

sole discretion of the Village of North Hills. Sponsor is providing no bonds of any kind in favor of Purchasers.

All bonds as set forth above shall be subdivision bonds in favor of the Village of North Hills. See Special Risk # 34 below for additional details concerning these bonds. In the event that the Village of North Hills accepts a reduction of the bond amounts stated above, Sponsor, or its affiliates have, or will furnish the bonds as are or will be required by the Village of North Hills.

Sponsor's Predecessor has paid to the Village of North Hills the sum of Twenty One Million Dollars (\$21,000,000) in lieu of a contribution to the Village park and recreation capital reserve fund, in accordance with the approval granted by the Village of North Hills to Sponsor on November 15, 2006 (see Part I, Section "K" and "P" and Part II, Section "SS").

11. SPONSOR DECLARING PLAN EFFECTIVE

Pursuant to existing law and regulation, Sponsor may declare the Offering Plan for the Phase I Condominium effective with executed Purchase Agreements for a minimum of fifteen percent (15%) of the Units in the Phase I Condominium, which fifteen percent (15%) is equal to nineteen (19) Condominium Units.

Even if the Plan is declared effective with a minimum number of sales, it is possible that Sponsor may be able to create a Condominium with fewer than the minimum number of sales if Purchasers counted towards effectiveness do not ultimately purchase a Unit. (See Part I, Section "M"),

12. LENDER INFORMATION REGARDING CONDOMINIUMS IN GENERAL

Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of building be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions. (see Part I, Section "L").

13. ESCROW OF PURCHASER'S FUNDS

All funds received by Sponsor for the Purchase Price of the Unit must initially be placed in an escrow account. However, Purchasers shall note that any funds paid

by Purchasers for upgrades and/or extras shall be paid directly to Sponsor at the time of the execution of the Purchase Agreement and not placed into escrow. In the event Purchaser is entitled to rescission of the Purchase Agreement, Purchaser will not receive a refund of any funds used for extras unless the plan is not consummated (see Part I, Section "EE").

Down Payments are anticipated to be deposited by Escrow Agent with JP Morgan Chase Bank, 410 Northern Boulevard, Great Neck, New York 11021 ("Escrow Bank"). All Down Payments will be placed initially in a non-interest bearing checking portion of the Master Escrow Account. Purchaser must deliver the applicable Form W-8 or Form W-9 executed by Purchaser or the designated interest-recipient, as applicable, together with the Purchase Agreement, Down Payment and the interest-recipient designation form, if applicable, before the Down Payment can be deposited into an interest-bearing sub-escrow savings account of the Master Escrow Account established pursuant to this Offering Plan. Subject to the conditions discussed in this paragraph, in accordance with regulations of the Federal Deposit Insurance Corporation ("FDIC"), and pursuant to the terms of the Dodd-Frank Wall Street Reform Act, as amended (the "Dodd-Frank Act"), as of the date of this Plan, deposits at Escrow Bank in a Purchaser's name are anticipated to be covered by FDIC insurance to a maximum of \$250,000. Purchasers are advised that while the Down Payment is in the non-interest bearing checking portion of the Master Escrow Account, the Down Payment may not be fully federally insured even if the Down Payment does not exceed \$250,000. Subject to the foregoing, Sponsor is advised that the FDIC advises consumers that for purpose of computing insurance coverage, all deposits in a party's name in a banking institution are added together and insured to a maximum of \$250,000, in the aggregate. Accrued interest through the date of a financial institution's failure also is included when calculating insurance coverage. Thus, if a Purchaser already has or opens an account at Escrow Bank in the same name in which the Down Payment is deposited, and should the Escrow Bank fail and the FDIC insurance be called upon, the funds in that account will be aggregated with the Down Payment and insured to a maximum of \$250,000. The FDIC further advises consumers that a depositor cannot increase FDIC insurance coverage by dividing funds owned in the same ownership category among different accounts in the same name. No representation is made by Escrow Agent or Sponsor regarding any further amendment of the Dodd-Frank Act after the date of this Plan or that the FDIC will insure depositor's funds, if and when called upon to do so. Neither Escrow Agent nor Sponsor will incur any liability whatsoever under this Plan or otherwise if the FDIC, when and if called upon, fails or refuses to insure the Down Payment (or any other funds maintained by Purchaser in Escrow Bank) or if the FDIC insures only a portion thereof. (See Part I, Section "K").

Sponsor has the right to change the Escrow Agent and the Escrow Bank upon the filing of an amendment to this Plan with the Department of Law.

In the event that the Plan is abandoned, funds paid by a Purchaser for unit upgrade and extras will be returned to the said Purchaser.

14. SPONSOR'S RETAINED VOTING POWERS

The Condominium

There is no limit on the length of time that Sponsor may control the Board of Managers. Sponsor has the right to control the Board of Managers, by maintaining a majority of the members of the Board of Managers, until the later of (i) a period ending on the date which is five (5) years from the First Closing or (ii) until the last Unit of the one hundred twenty four (124) Units offered for sale under this Offering Plan are sold and closed. Accordingly during the period ending on the date which is five (5) years from the First Closing, Sponsor could control the Board of Managers of the Condominium notwithstanding the fact that Sponsor no longer owns Units. Sponsor reserves the right to relinquish and regain voting control of the Board of Managers of the Condominium at any time.

Purchasers should also note that during the period of time that Sponsor retains a majority of the Board of Managers, the Unit Owners individually will be unable to enforce Sponsor's obligations to the Condominium. However, the Board of Managers has a fiduciary duty to the Unit Owners and the Condominium. The Board of Managers is required to enforce the obligations of the Sponsor under the Plan and otherwise.

So long as Sponsor owns as few as one (1) Unit of the one hundred twenty four (124) Units in the Condominium, for however long it may choose to retain ownership of as few as one Unit, financial and other decisions of the Board of Managers will be decided by Sponsor.

The Homeowners Association

There is no limit on the length of time that the Phase I Owner and the Phase II Owner may control the Board of Directors of the Association. All Units to be constructed in the Community include all units in the Phase I Condominium and the Phase II Condominium, if developed, that are brought into the Association. Purchaser's should also note that Sponsor has the right to control the Board of Directors, by maintaining a majority of the Members of the Board of Directors, until all of the Units to be constructed on the Property are sold.

Sponsor will relinquish control of the Board of Directors of the Association upon the expiration of the Association Control Period.

Purchasers should also note that during the period of time that Sponsor retains a majority of the Board of Directors, the Unit Owners individually will be unable to enforce Sponsor's obligations to the Association. However, the Board of Directors has a fiduciary duty to the Unit Owners and the Association. The Board of Directors is

required to enforce the obligations of the Sponsor under the Plan and otherwise.

Until such time as Sponsor and the Phase II Owner have developed two hundred forty four (244) Units on the Property (if the Phase II Owner develops units on the Property), financial and other decisions of the Board of Directors will be decided by Sponsor and the Phase II Owner. (See Part I, Section "Q").

15. MORTGAGE TAX CREDIT

Sponsor shall, upon the Closing of each Unit, have the right to receive a rebate or credit for mortgage recording taxes already paid, if any, which rebate or credit shall be credited to Sponsor from amounts any Purchaser otherwise would have paid in connection with the recording of a mortgage against the Unit Owner's Unit at the time of purchase. (See Part I, Section "O"(1)(iii)).

16. PAYMENT FOR THE BALANCE OF FUNDS DUE TO SPONSOR FOR THE PURCHASE PRICE MAY BE MADE TIME OF THE ESSENCE BY SPONSOR

In the event that Purchaser does not appear for Closing ready, willing and able to accept title from Sponsor, and pay Sponsor the balance of the Purchase Price and associated costs on the date set forth in the Purchase Agreement, provided that Sponsor is ready, willing and able to convey title to Purchaser, then, in that event, Sponsor may set a Closing Date with "time of the essence" no less than thirty (30) days after the Scheduled Closing Date. If Sponsor makes the Closing "time of the essence" and Purchaser fails to close on the "time of the essence" Closing Date, the Purchaser will be in default of the terms of the Purchase Agreement and Purchaser will forfeit his or her Down Payment together with any interest earned, if any, on the Down Payment. Sponsor must provide a Purchaser with a written demand for payment after default (including failing to close on the date scheduled for the Closing by the Sponsor) at least thirty (30) days before forfeiture of the Down Payment will be declared. (See Part I, Section "N", "O", Part II, Section "EE").

Purchasers will be required to pay an additional fee of \$350 to Sponsor's Closing attorneys if Purchaser does not close title to the Unit on the date stated in the Notice For Closing because such Purchaser has not complied with the terms of the executed Purchase Agreement, or if Purchaser's lender, if any, requires the Closing to be at a place other than that indicated in the Notice For Closing. (See Part II, Section "EE"(9)).

17. PURCHASER'S PAYMENT OF TRANSFER TAXES

While the New York State Transfer Taxes are customarily paid for by the seller in single family home transactions, the burden of paying such taxes may be modified by contract. As is common with many other condominium developments in the State of New York, the Purchase Agreement for the Unit provides that the Purchaser of a Unit will be required to pay the New York State Transfer Taxes at the Closing. The

New York State Department of Taxation and Finance takes the position that where Purchaser pays the transfer taxes, the amount thereof will be added to the taxable consideration for determining the transfer taxes.

Purchaser will be responsible for paying the following taxes and fees: (i) The New York State Real Estate Transfer Tax, currently \$2.00 for each five hundred dollars (\$500) or fractional portion thereof, of the Purchase Price, (ii) local real property transfer taxes, if any, and (iii) the Mansion Tax (as discussed in this Plan). Because Purchaser, rather than the Sponsor is required to pay the New York State Transfer Taxes, the New York State Transfer Tax is deemed to be additional consideration, and therefore the total consideration for New York State Transfer Tax purposes and Mansion Tax purposes amounts to 1.004 times the Purchase Price of the Unit. **(See Part I, Section "N", "O", Part II, Section "EE")**.

18. PAYMENT OF MANSION TAX

Purchaser of a Unit is required to pay the tax pursuant to Tax Law §1402-a, also known as the "Mansion Tax".

Tax Law §1402-a states that "a tax is hereby imposed on each conveyance of residential real property or interest therein when the consideration for the entire conveyance is one million dollars or more. For purposes of this section [Tax Law §1402-a], residential real property shall include any premises that is or may be used in whole or in part as a personal residence, and shall include a one, two, or three-family house, an individual condominium unit, or a cooperative apartment Unit. The rate of such tax shall be one percent of the consideration or part thereof attributable to the residential real property".

As all of the Units being sold under this Offering Plan exceed \$1,000,000 Purchaser should be aware that they will be obligated to pay the "Mansion Tax" which is equal to one percent of the Purchase Price plus additional consideration. The Mansion Tax on the Units offered under this Offering Plan, will range from approximately \$12,048 on the least expensive Unit priced at \$1,200,000 to approximately \$35,140 on the most expensive Unit priced at \$3,500,000. The New York State Department of Taxation and Finance takes the position that where Purchaser pays the transfer taxes, the amount thereof will be added to the taxable consideration for determining the transfer taxes. Therefore, the taxable consideration for Mansion Tax purposes is 1.004 times the actual Purchase Price.

In the event that Sponsor increases the price of the Units being offered under this Offering Plan by filing an amendment with the New York State Department of Law, then the "Mansion Tax" may be higher than stated herein. **(See Part I, Section "N", "O", Part II, Section "EE")**.

19. SPONSOR'S LIABILITY LIMITATIONS

Sponsor has no obligation to defend any suits or proceedings arising out of Sponsor's acts or omissions and no obligation to indemnify the Board of Managers, the Board of Directors or Unit Owners, except for claims arising out of the acts, omissions or representations of Sponsor.

Sponsor and its principals will remain liable notwithstanding any disclaimers or limitations of liability on the part of Sponsor or its principals for failure to perform any obligation imposed by applicable statute or regulation. This Offering Plan does not include any financial limitation on Sponsor's liability for failure to perform its obligations under the Offering Plan. **(See Part I, Section "P").**

20. CERTIFICATE OF OCCUPANCY

It should be noted by Purchasers that the Closing of individual Units under the Plan may occur prior to Sponsor obtaining a Permanent Certificate of Occupancy for the Unit or Building. If only a Temporary Certificate of Occupancy is issued by the Closing Date, Sponsor will, at Sponsor's sole cost and expense, do and perform or cause to be performed all work and supply or cause to be supplied all materials necessary to renew the Temporary Certificate of Occupancy and to obtain such Permanent Certificate of Occupancy. Complete details regarding the issuance of the Certificate of Occupancy are discussed in this Offering Plan. Sponsor will obtain a Permanent Certificate of Occupancy pursuant to the applicable building code of the Village of North Hills. Until a Permanent Certificate of Occupancy for the building in which the Unit is located has been obtained, no Unit Owner may perform work or cause work to be performed in the Unit Owner's Unit without Sponsor's prior written consent, which consent may be granted or withheld in Sponsor's sole and absolute discretion.

Purchasers are advised that in New York State, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the Village of North Hills Building Department ("DOB"). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCO's have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York State, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur.

Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire building within two years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two year period. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing sponsor in these undertakings. Furthermore, because Sponsor and the by-laws of the condominium may permit Unit Owners to undertake renovations to individual Units prior to the procurement of a FCO, such renovations may cause additional delays in the issuance thereof. Notwithstanding the foregoing, Sponsor and its principal are obligated to procure the FCO. (See Part I, Section "C"(4)).

21. SPONSOR HAS THE RIGHT TO SELL UNITS FOR INVESTMENT OR RESALE

Sponsor has the right to sell Units to Purchasers for investment or for resale. It is possible that certain Unit Owners will not be residents of the Condominium. Sponsor has further reserved the right to enter into Interim Leases for any Unit prior to Closing of the sale with Purchaser thereof or with any other party, and residents of the Condominium may be comprised of both Unit Owners and tenants leasing from Sponsor or non-Sponsor Unit Owners. Individuals leasing Units from Sponsor will not, except as expressly provided in their respective Interim Leases have any special rights to purchase such Units. In addition, a Purchaser may be acquiring a Unit that has been previously occupied, but such Unit will be delivered at Closing free and clear of all leases and tenancies, except as may otherwise be agreed to in writing by the parties. There is no limit on the number of Unit Owners who may purchase for investment rather than personal occupancy. Consequently, there may always be Unit Owners who are non-residents. In the event that a Purchaser enters into an Interim Lease with Sponsor, a default by Purchaser under the Interim Lease shall be a default under the Purchase Agreement. Additionally, a default under the Purchase Agreement shall be a default by Purchaser under the Interim Lease, permitting the Sponsor to terminate the Interim Lease. (See Part I, Section "C" and "S").

22. SPONSOR MAY CONTINUE TO SHOW UNSOLD UNITS TO PROSPECTIVE PURCHASERS

While Units are being offered for sale or lease by Sponsor or its designees, there will be a greater number of visitors to the Condominium and the Community than would otherwise be the case. No representation or warranty is made and no assurance is given as to when such selling or leasing activity will terminate.

No representation or warranty is made and no assurance is given as to when such selling or leasing activity will terminate. Neither Sponsor or its designee nor the Manager shall be liable or responsible for any personal injury or for any loss or damage to personal property which may result from the failure of the Condominium or Association's security systems and procedures, if any, including, without limitation, those procedures with regard to any delivery of packages, provided that any such failure is not caused by the negligence of Sponsor or its designees, the Manager or their respective agents.

While condominium units are being offered for sale or lease in the Phase II Condominium, if developed, there will be a greater number of visitors to the Community than would otherwise be the case. No representation or warranty is made and no assurance is given as to when such selling or leasing activity on the Phase II Property will commence or terminate. **(See Part II, Section "LL")**.

23. PURCHASERS SHOULD BE AWARE THAT THEY WILL BE PURCHASING A CONDOMINIUM UNIT IN AN ACTIVE CONSTRUCTION SITE

Purchasers should be aware that Purchasers will be living in an active construction site until the Phase I Condominium, the Phase II Condominium, if developed, and the Association Common Areas are constructed and completed. Sponsor does not guaranty that the Phase II Condominium will be constructed. Purchasers should be aware that upon the First Closing, it is anticipated that construction will not be completed in the Buildings or on the Property and that even after the Purchaser closes on the Unit, construction will still be ongoing. Sponsor will endeavor to and use its best efforts to minimize the disturbances to Unit Owners from the active construction site. During this period, which may be several years, Unit Owners in the Community are advised that there will be storage of construction materials and equipment on the site, construction vehicular traffic throughout the Community, construction noises, fumes, dirt, debris and dust in the roadways and throughout the Community, unfinished areas of the Community and other inconveniences which are normal in a new residential development or condominium development under construction until the completion of the Community.

It is contemplated that Sponsor will complete all Buildings in the Phase I Condominium by December 31, 2015. **(See Part II, Section "EE"(35) and Section "EE"(50))**. Notwithstanding the foregoing, it is anticipated that the First Closing may occur prior to completion of all of the Buildings and amenities in the Phase I Condominium.

24. SPONSOR MAY SEEK SPECIFIC PERFORMANCE OF THE PURCHASE AGREEMENT

Sponsor hereby advises Purchaser of the special risk that Sponsor may seek specific performance of the Purchase Agreement to compel Purchaser to purchase the subject Unit. **(See Part I, Section "K"(7))**.

25. INCREASE OR DECREASE IN COMMON INTEREST

The Common Interest of each of the Units has been determined pursuant to Section 339-i(1)(iv) of the Condominium Act, based on floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit. **(See Part I, Section "E", Schedule "A", Footnote "3").**

No change will be made in the size or number of units and/or their respective percentages of common interest, and that no material change will be made in the size or quality of common elements, except by amendment to the Plan and, when applicable, to the Declaration of Condominium.

Unless an affected Purchaser consents, no material change will be made in unit size, layout, or percentage of common interest if a purchase agreement has been executed and delivered to the sponsor for that Unit and the Purchaser is not in default.

Based upon final specifications, construction conditions and/or "as-built" Plans for the Building reflecting relative measurements, areas and uses of portions of the Building, application of such method of allocation of Common Interest may justify a minor increase or decrease in the aggregate Common Interest appurtenant to the Units. In such event, the Common Interest appurtenant to each individual Unit would be adjusted pro rata. Sponsor expressly reserves the right, from time to time, prior to the First Closing, to effect such a change in the Common Interests and to amend the Plan so as to reflect the same. In no event, however, will the Common Interest of any Unit be increased as result of any of the foregoing by more than 5%. **(See Part II, Section "LL", Article 15).**

26. MEASUREMENTS OF INTERIOR OF UNIT

As is typical in New York State, the approximate floor area of each Condominium Unit is measured as follows: (a) from the exterior side of the exterior building walls to the centerline of the interior walls and partitions separating the Unit from adjacent units, stairs, elevators, or any other common elements, and to the corridor side of the wall between the Unit and the public / service corridor; and (b) vertically from the lower surface of the concrete slab or sub-floor forming the floor of the Unit up to the exterior surface of the sheetrock or other material forming the ceiling of the Unit. Such measurements significantly exceed the actual floor area of the Unit. Columns, pipe chases and mechanical shafts are not deducted for the purpose of floor area measurements. The areas listed in Schedule A therefore do not reflect the useable floor area of the Units. The square footage set forth in the offering plan exceeds the actual usable floor area of the Unit. **(See Part I, Section "E", Footnote "1" and Part II, Section "LL" – Article "5").**

27. RESTRICTIVE COVENANTS APPLICABLE TO THE CONDOMINIUM

There are certain restrictive covenants and declarations, which Purchasers are subjected to, including but not limited to:

(a) The Phase I Condominium, the Phase II Property and The Residences, North Hills Homeowners Association, Inc. are subject to the Declaration of Covenants, Restrictions, Easements, Charges and Liens which have been recorded in the Office of the Nassau County Clerk, a copy of which is included in this Plan in Part I, Section "NN-1";

(b) The Declaration of Covenants and Restrictions in accordance with the Approval of Incentive Zoning Permit, Subdivision and Site Plan and Architectural Review is set forth in **Part II, Section "SS"** this Offering Plan. **(See Part I, Section "C" and Part II, Section "SS")**;

(c) The Declaration Creating an Easement dated May 25, 2006 wherein Sponsor has agreed to create and give access to a seating area on the land known as Section 8, Block A, Lot 302 on the Land and Tax Map of Nassau County (previously owned by the Seventh Day Adventist Church), adjacent to the Community and install four (4) park benches, landscaping and parking spaces for three (3) motor vehicles and a monument with a brass memorial plaque memorializing that the site was the headquarters of the Seventh Day Adventists in wording to be provided by the Seventh Day Adventist Church (the "Seating Area") is set forth in Part II, Section "VV". The Seating Area will be located approximately 112 feet from the Condominium Building. The access point to the Seating Area will be through a driveway located on the adjacent property. There will be no access to or from the Seating Area from the Condominium Property or from the Association Common Areas. The Association shall be required to maintain the Seating Area and all components thereof in good order and condition and in compliance with all applicable laws, ordinances, governmental rules and regulations and shall keep same free from debris and obstructions and shall when appropriate remove snow and ice and sand the Seating Area when appropriate. Costs for the aforementioned repairs and maintenance are included in Association Budget. **(See Part I, Section "C" and Part II, Section "UU")**, and

(d) Sponsor has entered into a Reciprocal Easement Agreement as follows:

Sponsor has entered into a Reciprocal Easement Agreement which is between Sponsor, X-Cell III Realty Associates LLC ("X-Cell") and Board of Commissioners of the Manhasset Lakeville Water District ("Water District") dated September 25, 2006. X-Cell is an adjoining property owner who intends to build an office building adjacent to Sponsor's property on Section 8, Block A, Lot 880 on the Land and Tax Map of

Nassau County. The anticipated building on the X-Cell III Realty Associates LLC property will be approximately 225 feet from the Condominium Buildings.

X-Cell and the Manhasset Lakeville Water District ("Water District") have granted an easement to Sponsor and to each other to use a portion of their respective properties to provide access from New Hyde Park Road through a portion of the X-Cell property and a portion of the Water District property back to Sponsor's property.

Sponsor has granted an easement to X-Cell over the Northeast corner of Sponsor's property for parking and landscaping. Sponsor is granting to X-Cell and the Water District an easement so that all stormwater from the Access Road will be transported to stormwater management facilities on Sponsor's property.

The Water District conveyed the majority of its property to Sponsor. However, the Water District has built a well site on their former property, and to stay in compliance with State Regulations, the Water District had to retain possession of all property within a 100 foot radius around the well site. The new Access Road that is the subject of this Reciprocal Easement Agreement must provide the Water District with access to the property surrounding the well site.

X-Cell's easement to Sponsor grants to Sponsor the use of the easement for pedestrian and vehicular traffic, but does not permit commercial vehicles, such as trucks and vans and vehicles used for the construction of Sponsor' project to use the easement. However, commercial and construction vehicles may use the easement to access the well site.

The Water District grants an easement to Sponsor and to X-Cell to use the Water District Easement Area for the purposes of pedestrian and vehicular use as well as landscaping.

Presently neither the X-Cell property nor Sponsor property is improved. If Sponsor's project is built prior to X-Cell improving their property, Sponsor will be responsible for building the Access Road in accordance with Sponsor's Site Plan submitted to Nassau County. If X-Cell improves their property first, X-Cell will be responsible for building the Access Road either in the Preferred Access Easement Area or in accordance with the Stormwater Management Plan submitted to Nassau County.

If Sponsor builds the Access Road, it will be at Sponsor's sole cost and expense, and will require X-Cell's advance written approval. The right to construct the Access Road includes the right to construct curbs, drainage, lighting, landscape buffers, to install a base and blacktop, and strip directional markers.

Sponsor's construction rights are subject to Sponsor using its best efforts, and at Sponsor's sole cost and expense, to secure approval of a left turn lane into the X-

Cell property from New Hyde Park Road and Sponsor's paying for the construction of the left turn lane and any additional traffic signals associated with the left turn lane.

If Sponsor builds the Access Road, any damage caused to the underlying and surrounding Access Road property in connection with the construction will be repaired by Sponsor. Sponsor will also indemnify X-Cell and the Water District for any cost incurred by either party as a result of construction of the Access Road.

X-Cell must approve the construction contractor used by Sponsor to construct the Access Road.

Sponsor cannot begin construction until it has made an escrow deposit, to be held by X-Cell's attorney, for costs related to construction of the Access Road. The escrow amount will be calculated from an estimate of Access Road construction costs provided by Sponsor's construction contractor.

If X-Cell constructs the Access Road, Sponsor shall pay all costs associated with the design and construction. This includes all municipal permitting costs, design costs of the surveyors, site Planners and landscape architects. Sponsor will pay 50% of these costs (based on X-Cell's estimate of costs) within 30 days of X-Cell having received a permit to start construction. The balance will be paid to X-Cell as X-Cell directs for "work in place" after construction of the Access Road has started.

If X-Cell constructs the Access Road they will be responsible for any repairs necessary to the underlying and surrounding Access Road property created in connection with the construction. X-Cell will also indemnify Sponsor or the Water District for any costs incurred by either party as a result of construction of the Access Road.

X-Cell has the right to temporarily relocate the easement area during any construction X-Cell performs to complete the development of the X-Cell property. However, access to Sponsor and Water District properties cannot be cut off.

Sponsor can place temporary signage at the entrance to the Access Road until the Office Project on the X-Cell property is fifty percent occupied. The signage will require X-Cell's prior written approval, and the exact location of the signage is within X-Cell's sole discretion. Once the X-Cell office building is fifty percent occupied the temporary signage will be removed and X-Cell and Sponsor will share equally in the cost of replacing the temporary signage with signage that will identify both Sponsor and X-Cell projects.

If Sponsor improves its property first, Sponsor will be responsible for the cost of maintaining the Access Road until X-Cell receives permanent or temporary certificates of occupancy for all of the buildings being constructed on the X-Cell property and fifty (50%) percent of the tenantable space in the structures on the X-Cell property are occupied. Thereafter X-Cell shall assume the responsibility of

performing the Access Road maintenance, and the cost of the maintenance shall be shared equally between Sponsor and X-Cell.

If X-Cell improves its property first, X-Cell will be responsible for the cost of maintaining the Access Road until Sponsor receives certificates of occupancy for at least 20% of the Condominium Units to be built on Sponsor's property. Thereafter the cost of maintenance shall be shared equally between Sponsor and X-Cell.

Whoever is responsible for construction of the Access Road, the general contractor hired by that party must maintain comprehensive general liability insurance in the amount of \$5,000,000. Once construction is complete the Owners of the X-Cell property, the Water District property, and Sponsor property shall maintain at all times comprehensive general liability insurance in the amount of \$5,000,000.

X-Cell may make any modifications to the contemplated use or expansion of the X-Cell property that it chooses and Sponsor agrees not to oppose those changes. Sponsor however, can only use its property to construct a luxury residential project.

Sponsor grants an easement to X-Cell to use the Northeast corner of Sponsor's property for the purposes of landscaping and vehicle parking to be constructed and maintained at X-Cell's sole cost and expense. No motorcycles or commercial vehicles shall be parked in this Northeast Corner and X-Cell must maintain comprehensive general liability insurance in the amount of \$5,000,000.

Sponsor grants both X-Cell and the Water District the right to construct and maintain easements across Sponsor's property (that are consistent with the Stormwater Management Plan) to allow stormwater from the Access Road to be transported to Sponsor property for treatment/discharge. Sponsor shall bear all expenses related to this Stormwater Easement.

Neither X-Cell nor Sponsor shall be permitted to install any drainage structure which recharges water directly into the ground, within 200 feet of the center of the proposed well site.

Sponsor or Sponsor's Predecessor may not assign any of its rights under the Reciprocal Easement Agreement, before completion of construction of the Access Road without prior written consent of X-Cell, except to an affiliate of Sponsor. Purchasers are advised that some of the services and facilities as described in this Offering Plan may not be available until the Condominium is occupied by 75% of the Unit Owners. All of the landscaping in the Community will not be completed until the Phase II Condominium is constructed, if developed.

38. WINDOW TREATMENTS.

All Unit Owners shall be obligated, regardless of the type of window treatments that they use, to provide for a white backing on the window treatment so that when the shades are down or the curtains are drawn closed, the effect from the outdoors is a visually harmonious white appearance. Purchasers should note that the Condominium budget and the Association budget for the First Year of Operations does not include costs for an elevator service contract and a fire sprinkler service contract, as the elevators and fire sprinkler system are covered by a warranty during the First Year of Operations. It is possible that the

Terraces, balconies, storage spaces and areas may not be used for any type of occupancy, including but not limited to sleeping, living rooms, recreation rooms, offices and storage (on terraces). To do so may result in the authorities having jurisdiction issuing a violation against the property.

54. MEMBERSHIP RIGHTS IN ASSOCIATION MAY BE SUSPENDED.

A Member's rights may be suspended by the Association for a period during which any Association Common Maintenance Charge remains unpaid and, for a period not to exceed thirty (30) days, for any infraction of the Association's Rules and Regulations.

If the Phase I Condominium and the Phase II Condominium are developed, there will ultimately be a total of two hundred forty four (244) Units in two (2) separate condominium organizations in the Community.

The Unit Owners in the Phase I Condominium and in the Phase II Condominium if developed, will also become automatic mandatory members of an Umbrella Homeowners Association to be known as The Residences, North Hills Homeowners Association, Inc. (the "Association"). The Association will, among other functions described below, own, operate and maintain certain Association Common Areas also described herein.

Sponsor is advised that Phase II Owner intends on filing an offering plan for The Residences, North Hills Phase II Condominium in order to offer for sale the anticipated one hundred twenty (120) Units which may be in the Phase II Condominium.

Sponsor retains the right to abandon this offering plan prior to the sale of eighty percent (80%) of the Units in the Phase I Condominium (100 units). **THERE IS NO GUARANTY OR WARRANTY BY SPONSOR THAT ANY CERTAIN NUMBER OF UNITS WILL BE CONSTRUCTED, EXCEPT THE ONE HUNDRED TWENTY FOUR (124) UNITS BEING OFFERED IN THE PHASE I CONDOMINIUM UNDER THIS PLAN AND THE ASSOCIATION COMMON AREAS OWNED BY THE ASSOCIATION.** Purchasers should note that the plan must be declared effective when Purchase Agreements have been accepted by Sponsor for 80 percent or more of the units offered under the plan. The Plan may be abandoned by Sponsor, at its option, before it is declared effective. If the Plan is abandoned by Sponsor before the Offering Plan is declared effective, within thirty days after abandonment, all monies paid by Purchasers shall be refunded to them in full, with interest earned, if any. Sponsor will then promptly file an amendment together with form RS-3 as required by 13 NYCRR Section 20.1(l)(2) (**See Part I, Section M, entitled "Effective Date of the Plan"**).

There is no guarantee that the Phase II Owner will construct the Phase II Condominium. Sponsor makes no representations or guarantees regarding the number of condominiums or condominium units which will be developed or what the ultimate design of the Community will be. If all or any part of the Phase I Condominium and the Phase II Condominium are built, it will take a number of years for the construction to be completed and Unit Owners can anticipate that there will be substantial disruptions in the Community, which are inherent in any large-scale development project.

Purchasers should note that Sponsor's obligation for Association Common Maintenance Charges on Unsold Units (whether constructed or not yet constructed), pursuant to the Declaration of Covenants, Restrictions, Easements, Charges and Liens will be limited to the difference between the actual operating costs of the Association including reserves applicable to completed improvements as provided in the Association's budget, and the assessments levied on Unit Owners who have closed title to the Unit Owner's Unit based on the full occupancy budgets contained in Schedule B-1.

The amount of any Deficiency Contribution shall not include uncollected Association Common Maintenance Charges from Unit Owners, except that if the Board of Directors imposes additional charges or assessments to cover unpaid Association Common Maintenance Charges of Unit Owners, then Sponsor will also contribute its share.

The first day of operation of the Association shall commence with the First Closing of a Unit in the Phase I Condominium.

Sponsor's predecessor, Midtown North Hills, LLC acquired portions of the property on May 25, 2006 and portions of the property on January 2, 2006. The portions of the Community which are known as Section 8, Block A, Lots 302, 702A, 702B and 882 were acquired by Sponsor's Predecessor on May 25, 2006. The portions of the Community which are known as Section 8, Block A, Lots 51 and 502 were acquired by Sponsor's Predecessor on January 2, 2006. Sponsor's Predecessor acquired the parcel known as Section 8, Block A, Lot 785 on July 2, 2007. The parcels consisting of lots 889, 901, 902, 903, 904, 905, 906A, 893, 894, 895, 896, 897B, 897C and 900 (the "Site") will become the property which will be owned by the Phase I Condominium, the Phase II Owner or the Phase II Condominium and the Association. On December 20, 2013, Sponsor acquired title to the Phase I Property and the Phase II Owner acquired title to the Phase II Property. Additionally, on December 20, 2013, the Association Common Areas were conveyed to the Association.

The Phase I Condominium is being constructed on the parcel known as Section 8, Block A, Lot 901 and 902 and certain condominium tax lots previously issued and on the Tax Maps of the County of Nassau, State of New York. The Phase I Property, the Phase II Property and the Association Common Areas consists of approximately 16.382 acres.

Storage Bins:

Sponsor is offering to Purchasers on a first come, first serve basis, Storage Bins which will be licensed by Sponsor to certain Purchasers, which Storage Bins are located on each floor of the condominium buildings. The Storage Bin License is available at an additional cost to the Purchase Price of the Condominium Unit by those Purchasers desiring a Storage Bin, with such availability on a first come, first serve basis. There are 124 Storage Bins available for licensing by Sponsor. The Storage Bins available to Purchasers are of different sizes and dimensions.

Sponsor will convey a license for exclusive use of the storage bins as limited common element. Sponsor will not convey storage bins in fee title ownership.

Unit Owners will be responsible for all normal maintenance and repair to the Storage Bin which they are the licensee of. However, the costs and expenses of any structural or extraordinary repairs or replacements shall be a Common Expense charged to all Unit Owners. The Storage Bins may be used in accordance with applicable law and only for the storage of the personal effects of the Unit Owner having exclusive access to such Storage Bin. No items which would constitute a threat to the health or safety of the Unit Owners or other occupants of the Building or otherwise create a nuisance in the Building shall be stored in the Storage Bins. The Board has the authority to promulgate rules regarding use of and access to the Storage Bins. Please refer to the Storage Bin License granting the exclusive use of a Storage Bin to the Unit Owners purchasing the right to use such Storage Bins set forth in Part II of the Plan for further details regarding the rights and obligations of a Unit Owner purchasing a Storage Bin License.

Individual Storage Bins may be located in a room with several Storage Bins and Storage Bins may be constructed of a material such as wire mesh which is see-through and which will result in items stored in the Storage Bins being visible to others. Neither the Sponsor nor the Board will be responsible for any damage to items placed in Storage Bins. Unit Owners who place items in Storage Bins do so at their own risk and Purchasers are advised to consult with their own insurance brokers or agents regarding appropriate coverage for such stored items.

Parking Spaces:

It is anticipated that there will be a total of 128 parking spaces on the first level on grade (125 regular parking spaces plus 3 handicapped parking spaces) in Buildings 7 and 8 (in Phase I) and approximately 124 parking spaces on the first level on grade (121 regular parking spaces plus 3 handicapped parking spaces) in Buildings 9 and 10 (in Phase I). Of the total 252 Parking Spaces,

Each Unit will be assigned one parking space, as Limited Common Element in the Parking Level for self-parking of one passenger automobile by the Unit Owner in the Parking Level.

Each Unit will also be permitted to park one passenger automobile in the Parking Level through the use of valet parking services in a parking space which is common element. The cost of the valet service shall be paid by the Unit Owners through Association Common Maintenance Charges. The Sponsor and/or the Board of Directors may, at their sole discretion, grant permission to a Unit Owner, on a first come, first serve basis, to park one additional passenger automobile in the Parking Level using valet services, at an additional cost to the Unit Owner.

There will be handicapped parking spaces in the Parking Level as required by Governmental Authorities. There is a current requirement by code established by Governmental Authorities to provide a total of 2% of the total parking spaces as handicapped parking spaces. The number of handicapped parking spaces allocated to the Phase I Condominium will be in accordance with handicapped parking requirements of Governmental Authorities.

The last Unit Owner who is not handicapped and who is assigned a handicapped Parking Space will be required to relinquish his or her handicapped Parking Space in favor of a handicapped individual.

The non-handicapped Unit Owner relinquishing his or her handicapped Parking Space will be reassigned a non-handicapped Parking Space, if one is available.

In the event that there are more handicapped individuals requiring a parking space than actual handicapped parking spaces, the handicapped parking spaces will be available on a first come, first serve basis.

License Agreement and Management Agreement for The Ritz-Carlton Residences, Long Island, North Hills:

MIF, L.L.C. is the Licensor of the Ritz Carlton Marks. The Residential Condominium License and Development Agreement (the "License Agreement") entered into by Sponsor and MIF, L.L.C. permits, among other things, the Community to be known as "The Ritz-Carlton Residences, Long Island, North Hills".

Sponsor intends to enter into a Residential Condominium Management Agreement with The Ritz-Carlton Hotel Company, L.L.C. ("Ritz-Carlton") which provides that Ritz-Carlton will manage the affairs of the Phase I Condominium and The Residences, North Hills Homeowners Association, Inc., and the Phase II Owner will enter into a similar management agreement with Ritz-Carlton if the Phase II Condominium is developed. Ritz-Carlton shall manage the Phase I Condominium and the Association and the Phase II Condominium, if developed, under the Ritz-Carlton Marks pursuant to one or more written management agreements which provides that Ritz-Carlton will be the Manager. Ritz-Carlton is wholly owned by Marriott International Inc. ("Marriott").

MIF, L.L.C. HAS THE RIGHT TO TERMINATE THE LICENSE AGREEMENT AND RITZ-CARLTON HAS RIGHT TO TERMINATE THE MANAGEMENT AGREEMENT FOR A LIMITED NUMBER OF REASONS, AS SET FORTH IN THIS OFFERING PLAN AND AS OTHERWISE SET FORTH IN SUCH AGREEMENTS. IF RITZ-CARLTON OR AN AFFILIATE DOES NOT MANAGE THE PROPERTY, A MANAGEMENT COMPANY OF COMPARABLE QUALITY WILL BE SUBSTITUTED BY AMENDMENT TO MANAGE THE PROPERTY. EXAMPLES OF MANAGEMENT COMPANY BRAND NAMES THAT MAY BE SUBSTITUTED BY SPONSOR IF RITZ-CARLTON DOES NOT MANAGE THE PROPERTY INCLUDE BUT ARE NOT LIMITED TO FOUR SEASONS HOTELS & RESORTS, CANYON RANCH, ST. REGIS, THE PENINSULA AND MANDARIN ORIENTAL HOTELS. Sponsor has not contacted and has no arrangements with the aforementioned possible substitutes and would only do so if Ritz-Carlton does not manage the Community.

MIF, L.L.C. may terminate the License Agreement: (i) upon thirty (30) days written notice to Licensee upon the occurrence of the failure to: (a) enter into signed contracts with prospective Unit Owners for at least a minimum of fifty (50) Units by June 30, 2018; or (b) enter into signed contracts with prospective Unit Owners for at least a minimum of one hundred (100) Units by December 31, 2019; or (c) close on the sale of one hundred percent (100%) of the Units to third-party purchasers in arm's length transactions on or before the tenth (10th) full Fiscal Year after the Phase I Opening Date; and (ii) upon ninety (90) days written notice to Licensee (and the failure to cure within such ninety (90) day period) upon the occurrence of Licensee's failure to close a construction loan for Phase I (which construction loan was closed on December 20, 2013) and Commencement of Construction of Phase I by December 31, 2014. Licensor, at its option, may terminate the License Agreement at any time

during the term of the License Agreement if a circumstance, development or event occurs with respect to the Community or Licensee which would have a material adverse reflection on the Ritz-Carlton Marks if not cured as provided in the License Agreement. In the event that any circumstance, development or event occurs which would cause a material adverse reflection on the Ritz-Carlton Marks, Licensor shall have the right to send notice thereof to Licensee and in the event that the same is not cured to Licensor's satisfaction within thirty (30) days after the date of such written notice, Licensor shall have the right to terminate the License Agreement by written notice to Licensee at any time thereafter; provided, however, that if such failure is not reasonably capable of being cured within such thirty (30) day period, then so long as Licensee has commenced curative action within such period and thereafter continues to pursue diligently such curative action, such thirty (30) day period shall be extended for the period reasonably necessary to cure such default, up to an additional period of sixty (60) days.

Licensor may terminate the License Agreement upon written notice to Licensee upon (i) termination of the Residential Condominium Management Agreement for the Phase I Condominium, the management agreement for the Phase II Condominium, or the Association, or (ii) upon the failure or refusal of the Board of Directors of the Association or the Board of Managers for the Phase I Condominium to execute the License Agreement or Management Agreement or upon the failure or refusal of the board of managers of the Phase II Condominium to execute the License Agreement or management agreement for the Phase II Condominium. The license to use the Ritz-Carlton Marks will be granted by Licensor to Licensee under the License Agreement so long as Licensor is the manager of the Phase I Condominium, the Phase II Condominium and the Association.

If any Condominium Amenities Operator makes unauthorized use of the Ritz-Carlton Marks or fails to operate the Condominium Amenities in a manner consistent with Ritz-Carlton Standards, Licensor may terminate the License Agreement by delivery to Licensee within at least five (5) days prior written notice of such unauthorized use or failure, unless such unauthorized use has ceased or such failure has been cured within such 5-day period; provided, however, that if Licensee has notified the Condominium Amenities Operator in writing of a failure so to operate, such failure is incapable of cure within such 5-day period, the Condominium Amenities Operator has commenced to cure such failure and thereafter prosecutes such cure to completion with all due diligence, then such cure period shall be extended for an additional period reasonably necessary to cure such default, up to an additional period of sixty (60) days.

It is anticipated that all of the one hundred twenty four (124) Units and the Recreational Facility, excluding the Exterior Amenities, will be completed by the First Closing Date. However, the First Year of Operations may commence prior to completion of construction of all of the condominium units, as certain buildings may be completed prior to other buildings. The First Closing may occur prior to all of the Units being completed, however, no Unit may close without the issuance of a temporary certificate of occupancy or permanent certificate of occupancy.

A copy of the site plan and building plan of the Clubhouse is annexed hereto in the Description of Property and Specifications in Part II, Section "II" of this Plan.

It is anticipated that the First Unit in the Phase I Condominium is anticipated to be completed and ready for Closing on or about January 1, 2016. It is anticipated that if constructed, the Phase II Condominium and all of the HOA Common Areas will be completed approximately on or about December 31, 2017.

The units in the Phase I Condominium will be as follows:

There will be one hundred twenty four (124) residential Units being offered for sale. Each Unit will be assigned (i) one parking space, as Limited Common Element in the Parking Level for self-parking of one passenger automobile by the Unit Owner and (ii) one parking space for the parking of one passenger automobile in the Parking Level through the use of valet parking services. The cost of the valet service shall be paid by the Unit Owners through Association Common Maintenance Charges. The Sponsor and/or the Board of Directors may, at their sole discretion, grant permission to a Unit Owner, on a first come, first serve basis, to park one additional passenger automobile in the Parking Level using valet services, at an additional cost to the Unit Owner.

There will be HOA Recreational Facilities and Condominium Recreational Facilities as described in the Definitions section of this Plan (**Part I, Section "A"**).

The Purchase Agreement is not conditioned upon a Purchaser securing mortgage financing. If a Purchaser wishes to obtain mortgage financing, obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will Sponsor be obligated to return a Purchaser's Down Payment because a Purchaser is unable to obtain a mortgage. The Purchase Agreement will remain in full force, and effect and Purchaser will be obligated to pay the balance of the Purchase Price at Closing regardless of the availability of financing. In the event a Purchaser does not close title to the Unit as a result of Purchaser's inability to obtain a mortgage, the Down Payment plus the cost of any custom work ordered, will be retained by Sponsor as liquidated damages or alternatively, Sponsor may seek specific performance and require purchaser to close on the Unit and pay the balance of the Purchase Price plus adjustments. In the event that a Purchaser obtains a mortgage commitment and the mortgage commitment expires prior to the date on which Sponsor is ready and able to convey title, Sponsor will not be responsible or liable to Purchaser for any extension fees or costs of any kind as a result of an expiring or expired mortgage commitment.

A Unit Owner may mortgage the Unit Owner's Unit at any time after acquiring title to the Unit in whatever amount and under whatever terms the Unit Owner can obtain. Any Unit Owner may, upon the resale of the Unit, grant a purchase money mortgage to a Purchaser of the Unit. A Unit Owner may mortgage a Unit only if all arrears for Common Charges, if any, are provided for at the Closing of the mortgage.

There are no air rights or transferable development rights benefiting or encumbering the property, except that Sponsor may ultimately construct a total of 244 Condominium Units on the Property or such lesser or greater number as may be permitted by Governmental Authorities.

The Association:

The Association shall have two classes of membership interests, which shall consist of Class 1 members and Class 2 members:

Class 1 Members: (the Developer and/or the Lenders are the Class 1 Members):

The Phase I Owner and the Phase II Owner shall each be a Class 1 member and there shall be no other members of Class 1 other than the Phase I Owner and the Phase II Owner. The Class 1 Members shall hold all voting rights and membership interests in Class 1 until the end of the Association Control Period. Class 1 shall have six (6) members on the Board of Directors, three (3) of which shall be designated by the Phase I Owner and three (3) of which shall be designated by the Phase II Owner. The Phase I Owner may collaterally assign its Class 1 membership interest in the Association to the Phase I Lender and the Phase II Owner may collaterally assign its membership interest in the Association to the Phase II Lender, in each case for so long as the mortgage loan to the Phase I Owner or the Phase II Owner, as the case may be, remains unpaid.

Class 2 Members: (Purchasers of Units will be Class 2 Members).

After the Association Control Period, there shall be a total of six (6) directors elected by Class 2 Members on the Board of Directors. Each purchaser of a Unit in the Phase I Condominium and each purchaser of a Condominium Unit in the Phase II Condominium shall be a Class 2 Member.

The Board of Directors shall consist of six (6) members designated by the Class 1 Members until the first Annual Meeting of the Members of the Association, which shall take place within thirty (30) days after the end of the Association Control Period. Thereafter, the Board of Directors shall consist of six (6) members elected by the Class 2 Members on the following basis:

- a. The owner of each Unit in the Community shall be a Member of the Association, whether such ownership is joint, in common or as tenants by the entirety;

Association Member Voting Rights:

Upon the expiration of the Association Control Period, there shall no longer be Class 1 members and the Board of Directors shall consist solely of the members elected by the Class 2 Members.

Within thirty days prior to the annual anniversary of the election of each Class 2 Member to the Board of Directors, a new election shall be held by the Members to elect the Board of Directors of the Association, whose respective terms shall begin on said anniversary date.

No Member shall split or divide its vote on any motion, resolution or ballot. Phase I Owners and Phase II Owner shall retain the voting rights for all Unsold Units in the Phase I Condominium and the Phase II Condominium, if developed, respectively, retained in accordance with the by-laws of the Association.

Common Areas:

All Common Elements as identified and described in this Offering Plan will be owned by all Unit Owners as common elements.

(5) Percentages of Common Interest.

The percentages of common interest, the monthly costs associated with ownership and the number of Units are set forth in Schedule "A" of this Offering Plan.

(6) Basic Aspects of Condominium Ownership.

(i) Outright Ownership.

As in the ownership of a private single-family home, Purchaser of a unit in a condominium owns his or her condominium unit in fee simple absolute and is entitled to exclusive possession of his or her condominium unit.

Each Purchaser will also own an undivided interest in and right to use the Common Elements and an exclusive right to use the Limited Common Elements that pertain to Purchaser's Unit.

All Unit Owners will own in common as Common Elements, all exterior walls up to but not including interior sheetrock and roofs from the exterior surface up to interior sheetrock. The Board of Managers shall be obligated to maintain the Common Elements of the Condominium.

Each Purchaser owns the Unit outright and is entitled to the exclusive possession of the Unit together with an interest in and right to use the Common Elements, and exclusive right to use Limited Common Elements.

(ii) Differences between the space owned exclusively by a Unit owner and Common Elements and Limited Common Elements.

Space located inside of the Condominium Unit is generally owned by a Unit Owner for his or her exclusive use. Use of the Unit is controlled by the provisions of the Declaration of Condominium, By-Laws and the Rules and Regulations promulgated pursuant to these documents. The interior living space of the Unit is generally exclusive space. It must be maintained and decorated by the Unit Owner at his or her own expense.

Common Elements are those portions of the Condominium used by all Unit Owners together. The Common Elements are not the exclusive property of any one Unit Owner. The land, roof, wall and structural elements of the Building, the windows, and certain other portions of the building are to be Common Elements.

Limited Common Elements of the Condominium means, with respect to each Unit, those Common Elements, if any, which are so designated on the Floor Plans or in the Declaration of Condominium and which serve or benefit exclusively some, but not all, of the Unit Owners and areas which are irrevocably restricted in use to specified Unit Owners, subject to the right of the Board of Managers, or their designees to enter upon any restricted area for maintenance, repair and inspection of a Unit or Common Elements and subject to the Rules and Regulations of the Board of Managers. Limited Common Elements include but are not limited to (a) any balcony, terrace or private patio appurtenant to each Unit, (b) any heating and/or cooling Unit, if located in the Common Elements and serving such Condominium Unit, is restricted in use to the Unit Owner of such Condominium Unit and shall be maintained and repaired by such Unit Owner at the Unit Owner's sole cost and expense, and (c) certain Parking Spaces for the self parking of one automobile by each Unit Owner.

(iii) Payment of Common Charges.

Each Unit Owner must pay Common Charges in accordance with the Declaration, By-Laws and Sections 339-i and 339-m and other related provisions of the New York Condominium Act (Article 9-B of the New York Real Property Law). Common Charges are paid in proportion to the Unit Owner's respective interest in the Association and are used for the operation and maintenance of the Condominium property as the Board of Managers determines in the exercise of its business judgment.

If Sponsor elects to pay the actual costs of the operation of the Condominium in lieu of paying the Common Charges for the Unsold Units, then, in that event, Purchasers will not be required to pay any Common Charges until such time as Sponsor ceases paying all of the condominium expenses at which time all Unit Owners will pay Common Charges based upon their percentage of common interest. At such time, Sponsor will pay Common Charges for all of the Unsold Units also based upon the percentage of common interest of the Unsold Units.

Sponsor had purchased certain lands from the Seventh Day Adventist Church, and Sponsor has agreed to include a memorial on the site for the Seventh Day Adventist Church. Sponsor has recorded a Declaration Creating an Easement dated May 25, 2006, wherein Sponsor has agreed to create and give access to a Seating Area on the Premises of the area known as Section 8, Block A, Lot 302 on the Land and Tax Map of Nassau County (the "Seating Area") (previously owned by the Seventh Day Adventist Church) and install four (4) park benches, landscaping and parking spaces for three (3) motor vehicles and a monument with a brass memorial plaque memorializing that the site was the headquarters of the Seventh Day Adventists in wording to be provided by the Seventh Day Adventist Church is set forth in Part II, Section "VV". The Seating Area will be located approximately 112 feet from the Condominium Building. The access point to the Seating Area will be through a driveway located on the adjacent property. There will be no access to or from the Seating Area from the Condominium Property or from the Association Property.

Sponsor has entered into a Reciprocal Easement Agreement which is between Sponsor, X-Cell III Realty Associates LLC ("X-Cell") and Board of Commissioners of the Manhasset Lakeville Water District ("Water District") dated September 25, 2006. X-Cell is an adjoining property owner who intends to build an office building adjacent to Sponsor's property on Section 8, Block A, Lot 880 on the Land and Tax Map of Nassau County. The anticipated building on the X-Cell III Realty Associates LLC property will be approximately 225 feet from the Condominium Buildings.

X-Cell and the Manhasset Lakeville Water District ("Water District") have granted an easement to Sponsor and to each other to use a portion of their respective properties to provide access from New Hyde Park Road through a portion of the X-Cell property and a portion of the Water District property back to Sponsor's property.

Sponsor has granted an easement to X-Cell over the Northeast corner of Sponsor's property for parking and landscaping. Sponsor is granting to X-Cell and the Water District an easement so that all stormwater from the Access Road will be transported to stormwater management facilities on Sponsor's property.

The Water District conveyed the majority of its property to Sponsor. However, the Water District has built a well site on their former property, and to stay in

compliance with State Regulations, the Water District had to retain possession of all property within a 100 foot radius around the well site. The new Access Road that is the subject of this Reciprocal Easement Agreement must provide the Water District with access to the property surrounding the well site.

X-Cell's easement to Sponsor grants to Sponsor the use of the easement for pedestrian and vehicular traffic, but does not permit commercial vehicles, such as trucks and vans and vehicles used for the construction of Sponsor' project to use the easement. However, commercial and construction vehicles may use the easement to access the well site.

The Water District grants an easement to Sponsor and to X-Cell to use the Water District Easement Area for the purposes of pedestrian and vehicular use as well as landscaping.

Presently neither the X-Cell property nor Sponsor property is improved. If Sponsor's project is built prior to X-Cell improving their property, Sponsor will be responsible for building the Access Road in accordance with Sponsor's Site Plan submitted to Nassau County. If X-Cell improves their property first, X-Cell will be responsible for building the Access Road either in the Preferred Access Easement Area or in accordance with the Stormwater Management Plan submitted to Nassau County.

If Sponsor builds the Access Road, it will be at Sponsor's sole cost and expense, and will require X-Cell's advance written approval. The right to construct the Access Road includes the right to construct curbs, drainage, lighting, landscape buffers, to install a base and blacktop, and strip directional markers.

Sponsor's construction rights are subject to Sponsor using its best efforts, and at Sponsor's sole cost and expense, to secure approval of a left turn lane into the X-Cell property from New Hyde Park Road and Sponsor's paying for the construction of the left turn lane and any additional traffic signals associated with the left turn lane.

If Sponsor builds the Access Road, any damage caused to the underlying and surrounding Access Road property in connection with the construction will be repaired by Sponsor. Sponsor will also indemnify X-Cell and the Water District for any cost incurred by either party as a result of construction of the Access Road.

X-Cell must approve the construction contractor used by Sponsor to construct the Access Road.

Sponsor cannot begin construction until it has made an escrow deposit, to be held by X-Cell's attorney, for costs related to construction of the Access Road. The escrow amount will be calculated from an estimate of Access Road construction costs provided by Sponsor's construction contractor.

If X-Cell constructs the Access Road, Sponsor shall pay all costs associated with the design and construction. This includes all municipal permitting costs, design costs of the surveyors, site Planners and landscape architects. Sponsor will pay 50% of these costs (based on X-Cell's estimate of costs) within 30 days of X-Cell having received a permit to start construction. The balance will be paid to X-Cell as X-Cell directs for "work in place" after construction of the Access Road has started.

If X-Cell constructs the Access Road they will be responsible for any repairs necessary to the underlying and surrounding Access Road property created in connection with the construction. X-Cell will also indemnify Sponsor or the Water District for any costs incurred by either party as a result of construction of the Access Road.

X-Cell has the right to temporarily relocate the easement area during any construction X-Cell performs to complete the development of the X-Cell property. However, access to Sponsor and Water District properties cannot be cut off.

Sponsor can place temporary signage at the entrance to the Access Road until the Office Project on the X-Cell property is fifty percent occupied. The signage will require X-Cell's prior written approval, and the exact location of the signage is within X-Cell's sole discretion. Once the X-Cell office building is fifty percent occupied the temporary signage will be removed and X-Cell and Sponsor will share equally in the cost of replacing the temporary signage with signage that will identify both Sponsor and X-Cell projects.

If Sponsor improves its property first, Sponsor will be responsible for the cost of maintaining the Access Road until X-Cell receives permanent or temporary certificates of occupancy for all of the buildings being constructed on the X-Cell property and fifty (50%) percent of the tenantable space in the structures on the X-Cell property are occupied. Thereafter X-Cell shall assume the responsibility of performing the Access Road maintenance, and the cost of the maintenance shall be shared equally between Sponsor and X-Cell.

If X-Cell improves its property first, X-Cell will be responsible for the cost of maintaining the Access Road until Sponsor receives certificates of occupancy for at least 20% of the Condominium Units to be built on Sponsor's property. Thereafter the cost of maintenance shall be shared equally between Sponsor and X-Cell.

Whoever is responsible for construction of the Access Road, the general contractor hired by that party must maintain comprehensive general liability insurance in the amount of \$5,000,000.

Once construction is complete the Owners of the X-Cell property, the Water District property, and Sponsor property shall maintain at all times comprehensive general liability insurance in the amount of \$5,000,000.

X-Cell may make any modifications to the contemplated use or expansion of the X-Cell property that it chooses and Sponsor agrees not to oppose those changes. Sponsor however, can only use its property to construct a luxury residential project.

Sponsor grants an easement to X-Cell to use the Northeast corner of Sponsor's property for the purposes of landscaping and vehicle parking to be constructed and maintained at X-Cell's sole cost and expense. No motorcycles or commercial vehicles shall be parked in this Northeast Corner and X-Cell must maintain comprehensive general liability insurance in the amount of \$5,000,000.

Sponsor grants both X-Cell and the Water District the right to construct and maintain easements across Sponsor's property (that are consistent with the Stormwater Management Plan) to allow stormwater from the Access Road to be transported to Sponsor property for treatment/dischage. Sponsor shall bear all expenses related to this Stormwater Easement.

Neither X-Cell nor Sponsor shall be permitted to install any drainage structure which recharges water directly into the ground, within 200 feet of the center of the proposed well site.

Sponsor or Sponsor's Predecessor may not assign any of its rights under the Reciprocal Easement Agreement, before completion of construction of the Access Road without prior written consent of X-Cell, except to an affiliate of Sponsor.

The Reciprocal Easement Agreement may only be amended upon the written consent of the Board of Trustees of the Village of North Hills and the respective Owners of Sponsor, X-Cell, and Water District properties.

The complete Reciprocal Easement Agreement is set forth in Part II, Section "VV" of this Offering Plan. (See Part II, Section "VV").

Handicapped Parking Spaces:

There will be handicapped parking spaces in the Parking Level as required by Governmental Authorities. There is a current requirement by code established by Governmental Authorities to provide a total of 2% of the total parking spaces as handicapped parking spaces. The number of handicapped parking spaces allocated to the Phase I Condominium will be in accordance with handicapped parking requirements of Governmental Authorities.

The last Unit Owner who is not handicapped and who is assigned a handicapped Parking Space will be required to relinquish his or her handicapped Parking Space in favor of a handicapped individual.

The non-handicapped Unit Owner relinquishing his or her handicapped Parking Space will be reassigned a non-handicapped Parking Space, if one is available.

In the event that there are more handicapped individuals requiring a parking space than actual handicapped parking spaces, the handicapped parking spaces will be available on a first come, first serve basis.

The first floor level will be a reinforced concrete slab on grade. The structural steel will be protected by a spray-on cementitious fire proofing material where required by code. Parking Level area ventilation will be provided with a code compliant mechanical ventilation system. The Parking Level will contain a wet pipe sprinkler system for fire suppression. Lighting in the Parking Level shall be metal halide and/or LED pendant type lighting.

GENERAL DESCRIPTION OF STORAGE BINS

Storage Bins:

Sponsor is offering to Purchasers on a first come, first serve basis, Storage Bins which will be licensed by Sponsor to certain Purchasers, which Storage Bins are located on each floor of the condominium buildings. The Storage Bin License is available at an additional cost to the Purchase Price of the Condominium Unit by those Purchasers desiring a Storage Bin, with such availability on a first come, first serve basis. There are 124 Storage Bins available for licensing by Sponsor. The Storage Bins available to Purchasers are of different sizes and dimensions.

Unit Owners will be responsible for all normal maintenance and repair to the Storage Bin which they are the licensee of. However, the costs and expenses of any structural or extraordinary repairs or replacements shall be a Common Expense charged to all Unit Owners. The Storage Bins may be used in accordance with applicable law and only for the storage of the personal effects of the Unit Owner having exclusive access to such Storage Bin. No items which would constitute a threat to the health or safety of the Unit Owners or other occupants of the Building or otherwise create a nuisance in the Building shall be stored in the Storage Bins. The Board has the authority to promulgate rules regarding use of and access to the Storage Bins. Please refer to the Storage Bin License granting the exclusive use of a Storage Bin to the Unit Owners purchasing the right to use such Storage Bins set forth in Part II of the Plan for further details regarding the rights and obligations of a Unit Owner purchasing a Storage Bin License.

Individual Storage Bins may be located in a room with several Storage Bins and Storage Bins may be constructed of a material such as wire mesh which is see-through and which will result in items stored in the Storage Bins being visible to others. Neither the Sponsor nor the Board will be responsible for any damage to items placed in Storage Bins. Unit Owners who place items in Storage Bins do so at their own risk and Purchasers are advised to consult with their own insurance brokers or agents regarding appropriate coverage for such stored items.

Purchasers may be the licensee of a Storage Bin for the exclusive use of such Storage Bin so long as such Purchaser is a Unit Owner and continues to own a Unit, pursuant to the terms and conditions of a Storage Bin License Agreement between Purchaser, Sponsor and the Board of Managers. The form of the Storage Bin License Agreement is set forth in Part II, Section "WW" of this Offering Plan. The Purchase Prices for each Storage Bin License are listed on Schedule "A". The prices for the Storage Bin Licenses have been established by Sponsor and are not subject to approval by the New York State Department of Law or any other governmental agency.

Storage Bins may vary in size and location. Each Storage Bin will range from approximately 20 sq.ft. to 40 sq.ft. but will not be less than 20 sq.ft. There are a total

of sixty four (64) Storage Bins in Buildings 7 and 8 and sixty (60) Storage Bins in Buildings 9 and 10 available for the purchase of a Storage Bin License on a first come, first serve basis. The Storage Bins may be used only for storage purposes, provided that no materials which pose a health or safety threat or which otherwise create a nuisance may be stored therein, and further provided that Sponsor shall have the right to use any unassigned Storage Bins for any lawful purpose or to change the permitted use of same, subject, however to the provision of the By-Laws.

Sponsor reserves the right to offer as many Storage Bin Licenses as it determines and to withhold one or more Storage Bin Licenses for future sale. Sponsor reserves the right to designate the Storage Bin number which will be subject to such Storage Bin License. In addition, Sponsor has the right to limit the number of Storage Bin Licenses sold to any single Purchaser of a Unit or to make bulk sales, as Sponsor deems fit. Storage Bins may only be used for the uses set forth in this Offering Plan, and except for Sponsor, Storage Bins may not be licensed independently of the ownership of a Condominium Unit.

(2) Major Fixtures or Equipment Not Included in Offering Price

Sponsor will provide, and the Purchase Price includes a refrigerator, gas range, microwave oven, dishwasher and clothes washer and clothes dryer in each Unit.

The manufacturer, model number and specifications for the foregoing appliances and equipment are set forth in the "Description of Property." As more fully set forth under the Section entitled "Description of Property and Improvements", these fixtures, appliances and equipment are subject to change by Sponsor. Sponsor may negotiate to make modifications or changes in any Unit or to do special work therein or to provide different or additional appliances, equipment, furnishings or decorations, provided that Sponsor shall not be bound to do so unless agreed to by Sponsor in a written instrument which is incorporated as an addendum to the Purchase Agreement.

(3) Property to Comply with All Laws.

The property will be improved and the Units constructed in accordance with all applicable zoning and building laws, requirements and specify the laws and regulations that apply.

(4) Certificate of Occupancy to be obtained by Sponsor.

It is anticipated that construction of the Units in the Condominium will be completed by the First Closing Date barring any unforeseen circumstances such as possible strikes, Force Majeure, material shortages, acts of God or other unforeseen delays beyond the control of Sponsor.

Sponsor intends to convey title to Purchasers of Units in the Condominium on or about the Condominium Commencement Date.

It should be noted by Purchasers that the Closing of individual Units under the Plan may occur prior to obtaining a Permanent Certificate of Occupancy for the Buildings. If only a Temporary Certificate of Occupancy is issued by the Closing Date, Sponsor will, at Sponsor's sole cost and expense, do and perform or cause to be performed all work and supply or cause to be supplied all materials necessary to renew the Temporary Certificate of Occupancy and to obtain such Permanent Certificate of Occupancy.

Until a Permanent Certificate of Occupancy for the building in which the Unit is located has been obtained, no Unit Owner may perform work or cause work to be performed in the Unit Owner's Unit without Sponsor's prior written consent, which consent may be granted or withheld in Sponsor's sole and absolute discretion. If Sponsor shall give its written consent to such work then Sponsor shall not be released from its obligation under the Plan to renew any Temporary Certificate of Occupancy or to obtain a Permanent Certificate of Occupancy for the Building in which the Unit is located on account of any delays or impediments thereto arising as a result of the performance of such work. However, if any Unit owner performs or causes to be performed any work in his Unit without the written consent of Sponsor ("non-permitted work") and such non-permitted work prevents or delays Sponsor from obtaining, renewing or extending any temporary or Permanent Certificate of Occupancy, Sponsor shall take all reasonable measures against the Unit owner, which measures shall include, if reasonably required, the commencement of appropriate legal and/or equitable action against such Unit owner in a court of competent jurisdiction. Sponsor also has the right to enter into the Unit and perform all work necessary to obtain the Permanent Certificate of Occupancy at the sole cost and expense of the offending Unit owner in addition to all legal remedies. Sponsor shall be entitled to exercise all rights and remedies at law and in equity with respect to such Unit owner and the Unit owner's work and Sponsor shall be entitled to recover from such Unit owner any costs incurred by Sponsor (including, without limitation, court costs and reasonable attorney's fees) in enforcing such Unit owner's obligations hereunder and under the By-Laws. In no event, shall Sponsor be required to appeal any unfavorable decision rendered by a court of competent jurisdiction. In addition, an action may be brought by Sponsor against a Unit owner who violates By-Laws Article VIII – Section 7, which provides that a Unit owner is not permitted to make any structural addition, alteration or improvement to the Unit Owner's Unit without the consent of the Board of Managers, which consent may be withheld in the Board's sole discretion.

Purchasers are advised that in New York State, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and

rules. Both TCOs and FCOs are issued by the Village of North Hills Building Department ("DOB"). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCO's have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York State, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire building within two years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two year period. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing sponsor in these undertakings. Furthermore, because Sponsor and the by-laws of the condominium may permit Unit Owners to undertake renovations to individual Units prior to the procurement of a FCO, such renovations may cause additional delays in the issuance thereof. Notwithstanding the foregoing, Sponsor and its principal are obligated to procure the FCO.

(5) Amenities.

Door-staff and Concierge

There will be one concierge stationed in the Clubhouse, 24 hours a day, 7 days a week. The hours and duties of the concierge may be reduced by Sponsor until 75% of Units are sold and closed in the Condominium. However, at all times after the First Closing of a Unit in the Condominium, there will be at least one (1) concierge in the Condominium, 24 hours a day, 7 days a week.

There will be one door-staff person stationed in the lobby of the Condominium Buildings (one door-staff person of the lobby of the pair of buildings - Building 7 and 8 and one door-staff person of the lobby of the pair of buildings - Building 9 and 10). The hours and duties of the door-staff person may be reduced by Sponsor until 75% of Units are sold and closed in the Condominium in Buildings 7 and 8 and until 75% of Units are sold and closed in the Condominium in Buildings 9 and 10. There will be no door-staff person in the lobby of Building 7 and 8 until the First Closing of a Unit in Building 7 and 8. There will be no door-staff person in the lobby of Building 9 and 10 until the First Closing of a Unit in Building 9 and 10.

Elevators

There will be two (2) passenger elevators in Building 7, two (2) passenger elevators in Building 8, two (2) passenger elevators in Building 9 and two (2) passenger elevators in Building 10.

Each passenger elevator in each of the buildings will provide service from the ground level through the fifth floor of each Condominium Building. Elevators are hydraulic. One of the passenger elevators in each building will also be used as a freight elevator.

Telecommunications

The Condominium Buildings will be pre-wired for a telecommunications system which will provide cable television service and internet services to the Units. Residents will be able to subscribe for television through a conventional cable provider or a digital satellite television service ("DSTS") provider. Charges for activating cable television or DSTS service, installing and attaching appropriate receptacles, additional installations and monthly usage charges will be determined by and payable directly to the cable company or DSTS company, as applicable, by each Unit Owner subscribing to or activating such service. Each Unit will be pre-wired for high-speed internet access. Charges for internet access service will be set by the provider and paid directly by the user to the provider. Unit Owners desiring cable television or internet services must arrange with the provider to activate such services.

Mail

All incoming mail will be delivered to the Unit Owners by the United States Postal Service and deposited by its personnel into mail boxes located in the lobby of the Condominium.

Laundry

All Units will contain a clothes washer and clothes dryer. There is no common laundry room.

Refuse Disposal

The Buildings are provided with a refuse disposal system consisting of a vertical chute in a centrally located trash room at every floor. The refuse chute will terminate at the trash room located on the ground level. A private contractor will provide for the pickup of refuse from the service areas or at a location on grade to be designated by Sponsor where refuse collection areas will be located. The costs of the private contractor will be engaged by and paid for as a Common Expense of Condominium, which is common in private communities such as the Condominium.

Since the roads are private and will be owned by Association, the local municipality does not provide public refuse removal and therefore requires the Community to engage private carter services.

Intercom System

Each Unit will be equipped with an intercom telephone system which will enable the occupants to communicate directly with the concierge and/or doormen.

Smoke Detectors / Carbon Monoxide Detectors

A smoke detector and carbon monoxide detector will be provided by Sponsor in each Unit.

D. LOCATION AND AREA INFORMATION

Location

The Condominium and Community developed on the North Shore of Long Island, New York on approximately 16 acres of prime land. Starting in 1890, Long Island's North Shore was transformed from farmland to polo fields, manicured lawns, and country estates and was nicknamed the Gold Coast. Located in close proximity to Manhattan, Long Island's famed Gold Coast once hosted the United States' largest concentration of great country estates. These palatial country homes inspired by European castles, Italian villas and French chateaux once numbered close to six hundred. By the early 20th century, North Shore estates were being designed by such renowned architects such as Walker & Gillette, Delano & Aldrich, Charles Adam Platt and Richard Morris Hunt. Millionaires such as F.W. Woolworth, Harry P. Whitney, the Guggenheims and J.P. Morgan spared no expense surrounding their great estates with such luxuries as extensive formal gardens, polo courts and elaborate pavilions².

The Property is located on the south side of the Long Island Expressway (Powerhouse Road) and the east side of New Hyde Park Road, in the Village of North Hills, Town of North Hempstead, County of Nassau, State of New York.

The property is bounded on the north by Powerhouse Road which is the service road to the Long Island Expressway, on the south by the Northern State Parkway, on the east by the Bristol Assisted Living Facility (An assisted living facility) and the Chatham at North Hills (A residential community), and on the West by New Hyde Park Road and the X-Cell Property.

The Condominium will be developed on a portion of the Property known as the Phase I Property.

The surrounding areas and neighborhood are composed primarily of single family homes, condominium and residential rental developments and office buildings.

To Sponsor's knowledge, there are no adjacent or nearby properties which a reasonable Purchaser would find obnoxious.

The Buildings are provided with a refuse disposal system consisting of a vertical chute in a centrally located trash room at every floor. The refuse chute will terminate at the trash room located on the ground level. A private contractor will provide for the pickup of refuse from the service areas or at a location on grade to be designated by Sponsor where refuse collection areas will be located. The costs of the private contractor will be engaged by and paid for as a Common Expense of Condominium, which is common in private communities such as the Condominium. Since the roads are private and will be owned by Association, the local municipality does not provide public refuse removal and therefore requires the Community to engage private carter services.

Zoning

The Property has been zoned by the Village of North Hills as Residential "R-3" with an Incentive Zoning Permit (permits 15 Units per acre, among other conditions).

Options to Acquire Adjacent Areas

If the Community is built as set forth in the development plan, it will take a number of years for the construction to be completed and Unit Owners can anticipate that there will be substantial disruptions in the neighborhood which are inherent in any large scale development project.

Neither Sponsor nor Sponsor's principals own, in whole or in part, or have an option or right to acquire, in whole or in part, any adjacent areas to the community. Sponsor has the right to ultimately construct a total of 244 condominium units on the Property, but is not obligated to construct the Phase II Condominium. Sponsor reserves the right to decrease or increase the number of condominium units to be developed in the Phase I Condominium and/or the Phase II Condominium, should Governmental Authorities permit such decrease or increase in the number of condominium units.

Easements

Each Unit Owner will have an easement in common with all other Unit Owners for the use, maintenance and repair of all pipes, wires, conduits and public utility lines located in the Common Elements or located in other Units and servicing his Unit. Further, each Unit Owner will have an easement for the continuance of any encroachment by his Unit on any adjoining Unit or common element now existing or which may come into existence hereafter as a result of the settling of the Units or repair or alteration of the Unit by the Board of Managers, after damage by fire or other casualty or as a result of condemnation or eminent domain proceeding, or by reason of an alteration made by the Board of Managers to the Common Elements so that any

such encroachment may remain undisturbed so long as the Unit stands. Each Unit will be subject to such encroachments and easements in favor of all other Units. The Board of Managers, its agents and employees shall have a right of access to the Units and the Common Elements (irrespective of the restricted nature of such Common Element) to inspect, maintain or repair the Common Elements or to make repairs to the Unit to prevent damage to the Common Elements or any other Unit. The Declaration of Covenants, Restrictions, Easements, Charges and Liens will also contain reciprocal easements between the Association, the Phase I Owner and the Phase II Owner to provide for access and maintenance of utilities and services now and hereinafter installed and to provide access and required use of such easements.

D-1. THE RESIDENCES, NORTH HILLS HOMEOWNERS ASSOCIATION

The Association is governed by a Declaration of Covenants, Restrictions, Easements, Charges and Liens. A copy of the Declaration of Covenants, Restrictions, Easements, Charges and Liens is annexed hereto as Section "NN-1".

The Homeowners Association

There is no limit on the length of time that Sponsor may control the Board of Directors of the Association. All Units to be constructed on the Property includes all units in the two condominium organizations that may ultimately be brought into the Association, including all 244 units now anticipated. Sponsor has the right to control the Board of Directors of the Association for the period from the date of the Declaration of Covenants, Restrictions, Easements, Charges and Liens until the date on the date on which the last Unit in the Community is transferred to a Unit Owner by either the Phase I Owner or the Phase II Owner, the Association Common Areas are completed and all municipal requirements have been satisfied.

Sponsor will relinquish control of the Board of Directors of the Association upon the expiration of the Association Control Period.

In the event that Sponsor voluntarily relinquishes control of the Board of Directors before the expiration of the Association Control Period (which relinquishment of control may be revoked at any time) Sponsor reserves the right to veto any expenses other than those described in Schedule "B-1", or other than those expenses required: (i) to comply with applicable laws or regulations; or (ii) to remedy any notice of violation; or (iii) to remedy any work order by an insurer.

Purchasers should also note that during the period of time that Sponsor retains a majority of the Board of Directors, the Homeowners individually will be unable to enforce Sponsor's obligations to the Association. Such obligations may, however, be enforced by the Board of Directors only if Sponsor allows the Board of Directors to enforce its obligations against Sponsor.

The first Board of Directors of the Association will be Scott Rechler, David Frank, Esq. and Frank Adipeitro, all of whom are affiliated with Sponsor. Scott Rechler is a principal of Sponsor. David Frank, Esq. and Frank Adipeitro are not principals of Sponsor. Mr. Rechler, Mr. Frank and Mr. Adipeitro each have a business address located at 625 RXR Plaza, Uniondale, New York 11556. Scott Rechler is the Chief Executive Officer of RXR North Hills Phase I Owner LLC and is the principal of Sponsor RXR North Hills Phase I Owner LLC. (See also Section "Z" – Identity of Parties).

Sponsor shall have the right to substitute other persons in place of the initially designated members of the Board of Directors appointed by Sponsor. The Phase II Owner shall have the right to substitute other persons in place of the initially designated members of the Board of Directors appointed by the Phase II Owner.

The Association shall have two classes of membership interests, which shall consist of Class 1 members and Class 2 members:

Class 1 Members:

The Phase I Owner and the Phase II Owner shall each be a Class 1 member and there shall be no other members of Class 1 other than the Phase I Owner and the Phase II Owner. The Class 1 Members shall hold all voting rights and membership interests in Class 1 until the end of the Association Control Period. Class 1 shall have six (6) members on the Board of Directors, three (3) of which shall be designated by the Phase I Owner and three (3) of which shall be designated by the Phase II Owner. The Phase I Owner may collaterally assign its Class 1 membership interest in the Association to the Phase I Lender and the Phase II Owner may collaterally assign its membership interest in the Association to the Phase II Lender, in each case for so long as the mortgage loan to the Phase I Owner or the Phase II Owner, as the case may be, remains unpaid.

Class 2 Members:

After the Association Control Period, there shall be a total of six (6) directors elected by Class 2 Members on the Board of Directors. Each purchaser of a Unit in the Phase I Condominium and each purchaser of a Condominium Unit in the Phase II Condominium shall be a Class 2 Member.

The Board of Directors shall consist of six (6) members designated by the Class 1 Members until the first Annual Meeting of the Members of the Association, which shall take place within thirty (30) days after the end of the Association Control Period. Thereafter, the Board of Directors shall consist of six (6) members elected by the Class 2 Members on the following basis:

a. The owner of each Unit in the Community shall be a Member of the Association, whether such ownership is joint, in common or as tenants by the entirety;

b. Each Member is entitled to one vote. When more than one person or entity holds an interest in a Unit, the one vote attributable to such Unit shall be exercised as such persons mutually determine, and not more than one vote may be cast with respect to any unit.

Association Member Voting Rights:

Upon the expiration of the Association Control Period, there shall no longer be Class 1 members and the Board of Directors shall consist solely of the members elected by the Class 2 Members.

Within thirty days prior to the annual anniversary of the election of each Class 2 Member to the Board of Directors, a new election shall be held by the Members to elect the Board of Directors of the Association, whose respective terms shall begin on said anniversary date. No Member shall split or divide its vote on any motion, resolution or ballot. Phase I Owners and Phase II Owner shall retain the voting rights for all Unsold Units in the Phase I Condominium and the Phase II Condominium, if developed, respectively, retained in accordance with the by-laws of the Association. Members of the Board of Directors shall not be compensated for their services.

Members of the Board of Directors may be removed for cause by an affirmative vote of a majority of the Members. Officers of the Association may be removed with or without cause, at anytime, by the affirmative vote of a majority of the whole Board of Directors. If a member is removed, then the Board of Directors shall elect a new member to serve on the Board of Directors. Until such time as Sponsor and the Phase II Owner have developed the two hundred forty four (244) Units anticipated to be developed on the Property (if the Phase II Owner ultimately develops units on the Property), financial and other decisions of the Board of Directors will be decided by Sponsor and the Phase II Owner. The detailed provisions for the management of the Association are set forth in the Association by-laws set forth in this Offering Plan. The Association by-laws contain provisions, among others, dealing with the election of the Board of Directors and Association officers, powers of the Board of Directors, voting rights of Unit Owners, assessment of Association Common Maintenance Charges and management of the Association. The Association by-laws provide that the Members shall be governed by the Board of Directors, but that the Board of Directors shall have the right to designate committees or a manager to carry out such function.

In addition, a Purchaser may not advertise, list or sell, without Sponsor's prior written consent, which consent may be withheld in Sponsor's sole discretion, except for hardship conditions of Purchaser, a Unit acquired from Sponsor for twelve (12) months after acquisition of such Unit (provided however, such limitation shall not apply from and after the date that Sponsor conveys title to all of the Units). FOOTNOTES TO SCHEDULE A

The amounts set forth in Schedule A are projected based on the assumption that the First Year of Operations will begin on Condominium Commencement Date. The actual First Year of Operations may begin earlier or later than the projected date.

(1) The room count has been based upon a zoning room count and is the room count for each particular Unit. See the Floor Plans in Part "II", Section "II" of this Offering Plan for complete details of each Condominium Unit. The approximate floor area of each Condominium Unit is measured as follows: (a) from the exterior side of the exterior building walls to the centerline of the interior walls and partitions separating the Unit from adjacent units, stairs, elevators, or any other common elements, and to the corridor side of the wall between the Unit and the public / service corridor; and (b) vertically from the lower surface of the concrete slab or sub-floor forming the floor of the Unit up to the exterior surface of the sheetrock or other material forming the ceiling of the Unit. Columns, pipe chases and mechanical shafts are not deducted for the purpose of floor area measurements and (b) vertically (ceiling heights) from the lower surface of the concrete slab or sub-floor forming the floor of the Unit up to the exterior surface of the sheetrock or other material forming the ceiling of the Unit. The square footage set forth in the offering plan exceeds the actual usable floor area of the Unit.

All dimensions are approximate and subject to normal construction variances and tolerances. Dimensions are maximum overall within a room or space. Sponsor reserves the right to make changes due to field conditions in accordance with the Offering Plan.

As is often the case in New York, these square foot areas may significantly exceed the usable floor area of each Unit and include columns, mechanical pipes shafts, shaftways, chases, chaseways and conduits which may be incorporated behind protruding walls or may be separately enclosed as freestanding columns thereby reducing the available floor area. The clearance between the top of the floor slab and the bottom of the finished ceiling in the Units will generally be no less than approximately 9'6". However, certain Units may have less clearance and certain rooms within other Units may have a lesser clearance as the result of construction variances or the presence of beams, ducts, and mechanical spaces in such Units. Ceiling heights in kitchens, bathrooms and hallways are typically lower than other areas of the Units.

(2) No change in the sales price will be made other than pursuant to a duly filed amendment, except that Sponsor reserves the right to decrease the sales prices below the Offering Plan prices without filing an amendment to the Plan at any time during the offering where a reduction in sales price does not constitute a general offering but is rather the result of an individually negotiated Unit purchase. Purchasers will be responsible for Closing costs in addition to the Purchase Price.

(3) The percentage of Common Interest for each Unit is based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit pursuant to Real Property Law Section 339(i)(1)(iv).

(4) Condominium Common Charges and Association Common Maintenance Charges have been estimated by Sponsor and include fire and commercial general liability insurance for the Condominium Buildings and Common Elements of the Condominium as well as the Association Common Areas. The condominium budget also includes maintenance and operation of the Common Elements. See Schedule B for the estimated first year budget of the Condominium and Schedule B-1 for the estimated first year budget of the Association. Common Charges and Association Common Maintenance Charges exclude, for example, repair and decoration to the inside of a Unit, utilities for each Unit and insurance for personal belongings. See Schedule C for estimated heating and electrical costs for each model type Unit. Estimates are based on First Year of Operations beginning on the Condominium Commencement Date and are only an estimate of the receipts and expenses and may be greater or less than the estimates set forth in the budgets.

(5) Real estate tax estimates are based upon an opinion letter dated January 10, 2014 from Cronin, Cronin, Harris & O'Brien, P.C., Attorneys at Law, 333 Earle Ovington Boulevard, Suite 820, Uniondale, New York 11553 based on analysis prepared by Standard Valuation Services, 27 East Jericho Turnpike, Mineola, New York 11501. Cronin, Cronin, Harris & O'Brien, P.C. has stated that once the Units are completed, the Units will be classified as Class II property on the Nassau County Real Estate Tax Rolls.

The projected assessed valuation for the 2015/16 tax year for the Phase I Property is \$66,143. The projected tax rate for the 2015/16 tax year for the Phase I Property is \$569.023 per \$100 of assessed value for school taxes and \$252.472 per \$100 of assessed value for general taxes.

The projected assessed valuation for the 2016/17 tax year for the Phase I Property is \$236,791. The projected tax rate for the 2015/16 tax year for the Phase I Property is \$357.335 per \$100 of assessed value for school taxes and \$156.232 per \$100 of assessed value for general taxes.

The projected assessed valuation for the 2017/18 tax year for the Phase I Property is \$320,000. The projected tax rate for the 2017/18 tax year for the Phase I Property is \$375.202 per \$100 of assessed value for school taxes and \$164.044 per \$100 of assessed value for general taxes.

The approximate date of substantial completion of construction of the Phase I Condominium is December 31, 2015.

The real estate taxes estimated for the First Year of Operations is set forth in Schedule "A" of this Offering Plan.

After the Condominium is divided into individual tax lots, each Unit will be assessed as a separate tax lot, for real estate tax purposes and the Unit Owner will not be responsible for the payment of, nor will the Unit be subject to, any liens arising from the non-payment of taxes on other Units.

No representation or warranty is made that the actual assessed valuation will be as projected above, or that the projected tax rate will not change. In no event will Sponsor, Sponsor's Counsel, or any offeror hereunder be liable to any Purchaser under this Plan, nor will any Purchaser have the right to rescind his Purchase Agreement, in the event the actual taxes differ from those projected.

Sponsor has been advised that pursuant to the provisions of the Internal Revenue Code of 1986, the real estate taxes payable by a Unit Owner which are assessed against the Unit Owner's Unit by any governmental taxing authority, are a proper deduction in connection with Federal and State Income Taxes payable by such Unit Owner. However, Purchasers should note that any projected tax deduction (where applicable) may vary in future years due to changes in the interest rate on the Unit Owner's mortgage (if any) or from changes in the allocation of constant debt service payments to interest and principal, or due to changes in real property taxes, or from changes in the assessed value, the tax rate or the method of assessing real property. Sponsor makes no representations, warranties or guaranties as to Purchasers' ability to deduct real estate taxes paid for any Unit for income tax purposes.

See Part I, Section "T" for a full discussion of the real estate taxes applicable to the Units.

NO WARRANTY, GUARANTY OR ASSURANCE IS GIVEN AS TO:

(a) Any projected or estimated amount set forth above including, without limitation, the estimates of the Phase I Property, Association Common Area or Units' assessed valuations, tax rates or tax amounts during the First Year of Operations, the estimates of the portions of such assessed valuations that will be allocable to the Condominium Units and the projections of the average real estate tax rate that will be in effect during such first or subsequent year of condominium operations and/or the rate of construction progress of the Association Common Areas or the Units;

(b) The figures or methods that the Nassau County Tax Assessor will use to allocate the Property's, the Phase I Property's or the Association Common Areas aggregate assessed valuation between the Units and the Association Common Areas or the aggregate assessed valuation attributable to the Units among the different Units as described in this Offering Plan; and

(c) The accuracy of any of the projections or estimates made in this Offering Plan and in Schedule A;

If the applicable Governmental Authority does not subdivide or apportion the real estate taxes prior to the First Closing and/or if the applicable Governmental Authority does not issue for real estate taxes for each Unit prior to the First Closing, then, the real estate taxes for the Condominium Units, prior to the applicable Governmental Authority issuing bills for real estate taxes for each Unit, will be determined by multiplying the total real estate tax assessed for the Phase I Property for the applicable tax year by the percentage of Common Interest of each particular Condominium Unit. At each Closing, each Unit Owner will be required to pay their proportionate share of the real estate taxes based on the foregoing until such time as the real estate taxes have been apportioned to each individual Condominium Unit by the applicable taxing authority and individual bills for real estate taxes are issued by the applicable Governmental Authority.

The Unit Owner shall pay to Sponsor or to the Board of Managers, as the case may be, its proportionate share if Sponsor or the Board of Managers has or will advance any sums for real estate taxes on behalf of all Unit Owners, with such sums due from a Unit Owner on the date of the Closing for such Unit Owner's Unit to the end of the period of time which Sponsor or Board of Managers will or has paid the applicable real estate taxes. Unit Owners shall also pay at the Closing their proportionate share of real estate taxes for the next tax period if the applicable Governmental Authority does not subdivide or apportion the real estate taxes prior to the First Closing and/or if the applicable Governmental Authority does not issue for real estate taxes for each Unit prior to the First Closing.

The projection and estimates of the real estate taxes and assessed valuations as used in this Offering Plan that will be payable for each of the Units during the projected First Year of Operations is based upon an opinion letter dated January 10, 2014 prepared by Cronin, Cronin, Harris & O'Brien, P.C., Attorneys at Law, 333 Earle Ovington Boulevard, Suite 820, Uniondale, New York 11553, real estate consultant ("Real Estate Tax Consultant").

Tax Implications of the Condominium and Unit Owners.

Purchasers are advised to review Sponsor's Opinion of Counsel, Part I, Section "V" of this Offering Plan which discusses the tax implications of the Condominium.

Sponsor makes no projections of income tax deductions for real estate taxes or mortgage interest expenses, and Sponsor recommends that Purchasers rely only on their own tax professional for advice as to projecting or anticipating income tax deductions for real estate taxes or mortgage interest expenses associated with the purchase of a Condominium Unit.

No Mortgage Contingency:

Sponsor is not offering or procuring mortgage financing for Purchaser(s). The Purchase Agreement is not conditioned upon a Purchaser securing mortgage financing. If a Purchaser wishes to obtain mortgage financing, obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will Sponsor be obligated to return a Purchaser's Down Payment in the event a Purchaser is unable to obtain a mortgage. The Purchase Agreement will remain in full force, and effect and Purchaser will be obligated to pay the balance of the Purchase Price at Closing regardless of the availability of financing. In the event a Purchaser does not close title to the Unit as a result of Purchaser's inability to obtain a mortgage, the Down Payment plus the cost of any custom work ordered, will be retained by Sponsor as liquidated damages or alternatively, Sponsor may seek specific performance and require purchaser to close on the Unit and pay the balance of the Purchase Price plus adjustments.

The projected monthly carrying charges set forth in Schedule A do not include costs for mortgages or financing. In the event a Purchaser obtains a mortgage, Purchaser's monthly carrying charges will increase. Any Purchaser who applies for a mortgage from a lending institution should check with that institution as to the monthly mortgage costs as well as any closing costs that Purchaser will be obligated to pay the lending institution.

FOOTNOTES TO SCHEDULE B

The projections set forth in:

Footnotes (1) through (12) of this Schedule B were made by Barnett Maller, licensed real estate broker with over thirty (30) years experience in preparing budgets for condominium projects and whose qualifications are set forth in the CERTIFICATION BY SPONSOR'S EXPERT CONCERNING THE OF ADEQUACY OF OPERATING BUDGET.

Amounts are projected on the assumption that the First Year of Operations will be the twelve month period beginning on the Condominium Commencement Date. The actual First Year of Operations may be earlier or later than the aforesaid twelve month period.

If the actual or anticipated date of commencement of condominium operation is to be delayed more than six months from the budget year projected in the Offering plan, the Plan must be amended to include a revised budget disclosing current projections. If such amended projections exceed the original projections by 25 percent or more, Sponsor must offer all Purchasers the right to rescind and a reasonable period of time that is not less than 15 days after the date of presentation to exercise the right, whether or not Sponsor offers to guarantee the previous budget projection. Sponsor must return any Down Payment to purchasers who rescind within a reasonable period of time. Sponsor may not declare a plan effective where there are any material changes to the budget if these changes have not been disclosed by a duly filed amendment to the Offering Plan.

(1) Common Charges - \$475,153

The estimates of income and operating expenses have been made by Sponsor's Expert Concerning the adequacy of operating budget based upon the income and expenses of comparable developments in the New York City Metropolitan Area. It cannot be construed as an assurance of the final expenses and is merely based upon information available at this time.

(2) Commercial Income

There is no commercial income anticipated.

(3) Labor - \$0

No funds have been budgeted for direct employees of the Condominium. All services of the Condominium will be contracted for and performed by the ASSOCIATION. This does not violate any applicable housing or labor laws for the Condominium.

(4) Heating costs - \$86,479

Heating for Common Elements, including the hallways, lobby and Parking Level of the Condominium Buildings are paid for by Unit Owners through Common Charges.

Heating for Common Elements will be provided by gas supplied by National Grid and paid by Unit Owners through the payment of Common Charges. The cost per therm for gas is anticipated to be \$1.25 per therm, based on the current tariff, and the quantity of gas to be used by the Condominium is estimated to be 62,751 therms for the First Year of Operations. The estimates provided herein were provided by Edwards and Zuck Consulting Engineers, 330 West 42nd Street, New York, New York 10036.

The budget sum of \$86,479 is inclusive of sales tax and includes an inflation factor of 10%.

Each individual Condominium unit will have its own gas meter for consumption of gas for heating, hot water, cooking purposes, gas for a clothing dryer and gas for a fireplace (if any). Each Unit Owner must make arrangements with the utility company to obtain gas service.

It is not possible to predict how closely the budgeted figure will reflect the actual cost of gas for heating and fireplace (if any in Common Elements) during the First Year of Operations because such cost will vary with the level of consumption and the price of gas. Consumption will be affected by the severity of the weather and by the conservation measures adopted by the Condominium Board and the Unit Owners.

The projected costs of gas for the Unit Owners are listed in Schedule C.

(5) Utilities (Electric) - \$121,429

Electricity will be used for lighting and power.

There will be one or more common electric meters to measure consumption of electricity usage for the Common Elements of the Condominium to be paid by the Condominium as a Common Expense paid by Unit Owners through Common Charges.

The common electric meter will meter electricity consumed for Common Elements, including but not limited to public interior lighting, lighting in the Parking Level, elevators, exterior lighting, fans and pumps.

Air conditioning and electric for lighting and power in each individual Condominium Unit is provided by electricity. There will be separate electric meters for each Condominium Unit to measure electricity usage by each Unit Owner and each

Unit Owner will be responsible for arranging for electricity service and for paying for all electricity from the local electric service provider. At the present time, PSEG Long Island is anticipated to be the provider of electricity to the Units.

The projection for the electricity usage is based upon estimates provided by Edwards and Zuck Consulting Engineers, 330 West 42nd Street, New York, New York 10036.

It is anticipated that the common elements of the Condominium will utilize approximately 440,558 kilowatts per year of electricity for a total price of \$110,139.50 plus sales tax and an inflation factor of 10%.

The projected cost per kilowatt of electricity is \$0.25 per kilowatt inclusive of sales tax for energy to provide lighting, power and air conditioning for the lobby of the Building. The cost of electric is based current tariffs charged by PSEG Long Island. The per kilowatt amount set forth above is inclusive of sales tax.

The cost of electricity for public lighting is based upon 24 hours of operation per day for interior lighting and 12 hours of operation per day for exterior lighting.

It is not possible to predict how closely the budgeted figure will reflect the actual cost of electricity during the First Year of Operations because such cost will vary with the level of consumption and the price of gas. Consumption will be affected by the severity of the weather and by the conservation measures adopted by the Condominium Board and the Unit Owners. Electricity is generated by the utility company by means of fuel oil as primary energy source. If the cost of oil used to generate electricity increases, it is likely that electricity rates will increase. It is believed that the projected figure should be sufficient to cover any reasonable increase in the cost of electricity resulting from the foregoing during the First Year of Operations.

See Schedule C for electricity costs for each individual Unit.

(6) Water Charges and Sewer Rents - \$93,792

All water and sewer rents for the Common Elements and for each Unit are paid for by Unit Owners through Common Charges.

Water and sewers are provided by the Manhasset Lakeville Water District. The current annual water and sewer charge for 100 cubic feet of water (748 gallons) is approximately \$7.50 per hundred cubic foot of water.

The Units will not be individually metered for water. There will be one water meter to measure all water consumed by all Condominium units. The cost for water and sewer charges will be a Common Expense and paid by Unit Owners through the payment of their Common Charges.

The projection for water meter / sewer charges is based upon estimates provided by Edwards and Zuck Consulting Engineers, 330 West 42nd Street, New York, New York 10036.

11,368 CCF of water is assumed to be utilized by Unit Owners and for Common Elements.

The estimated cost of water and sewer charges includes usage and sales tax includes a ten (10%) percent inflation factor has been added for budgeting purposes.

(7) Repairs, Maintenance & Supplies - \$120,184

The material components of the Common Expense for repairs and maintenance, include but are not limited to interior repairs of Common Elements, roofing, exterior repairs of Common Elements (including walls, foundations, windows, doors and locks), heating system servicing Common Elements, hot water heaters (for Common Elements), plumbing systems (excluding plumbing systems within a condominium unit), electrical work (excluding electrical work within a condominium unit), exterminating services (excluding exterminating services within a condominium unit), janitorial supplies, painting of Common Elements, Heating, Ventilation and Air Conditionings Systems ("HVAC"), marble and metal maintenance, pest control, generator maintenance (if any generator is provided for Common Elements).

Costs to be incurred by individual unit owners, include but are not limited to Unit interior repairs, individual unit heating, hot water and gas service (including for cooking and for a fireplace, if any), plumbing inside of the individual Condominium unit, electrical work inside of the individual Condominium unit, exterminating inside of the individual Condominium unit, cleaning inside of the individual Condominium unit and painting inside of the individual Condominium unit.

The budgeted figure for repairs, maintenance and supplies does not include improvements and repairs to, maintenance of, or supplies for individual Units and certain Limited Common Elements. Each individual Unit Owner is responsible for improvements and repairs to, maintenance of, and supplies for such Owner's Unit and certain Limited Common Elements irrevocably restricted to his use.

This estimate includes the following:

- Housekeeping Supplies - \$7,877
- Equipment Repairs and Maintenance - \$10,338
- Plumbing Maintenance - \$3,077
- Marble and Metal Maintenance - \$10,000
- Rubbish Removal - \$13,500
- HVAC Maintenance - \$6,153
- Building Repairs and Maintenance - \$6,831
- Generator Operations and Maintenance - \$40,000

Cable Television and Internet (for concierge) - \$2,100
Telephone (concierge) - \$6,000
Decoration and Flowers - \$10,000
Window Washing - \$4,308

The estimate includes maintenance of and repairs to all Common Elements and certain Limited Common Elements of the Property. Based upon the experience of Barnett Maller, licensed real estate broker, 6010 Little Neck Parkway, Little Neck, New York 11362 on March 7, 2014, having prepared actual budgets for other Condominiums, he has determined that the sum of \$120,184 is adequate for costs that the Condominium can expect to incur during the First Year of Operations.

(8) Service Contracts - \$0

No maintenance or service contracts have been entered into as of the date of this Plan. However, it is projected that the Board of Managers will enter into maintenance agreements for the following services, the cost of which will be shared by all Unit Owners based on Common Interest:

It is estimated that the Condominium will incur the following charges during the first year of Condominium operation:

Elevator Service Contract

To be provided by: Thyssen Krup Elevator Corp.;
Type of service: Elevator Maintenance Contract;
Annual Cost: \$30,240

There is no charge for the elevator service contract for the First Year of Operations of the Condominium as the service is covered by a warranty. No coverage is provided for fire and casualty losses to the contents of each individual Unit, nor does the coverage take into account any future replacements or additions to either the Units or the fixtures and improvements contained therein. In addition, no liability coverage for an individual Unit Owner is included in the coverage provided above. Prospective Purchasers should consult their insurance agent to determine the amount of insurance that they must obtain for their own risk of liability and fire and casualty losses. Purchasers should be aware that they are required to carry individual insurance policies as certain items, including but not limited to: decorative paint, venetian plaster, cabinetry, plumbing fixtures, kitchen and other appliances, floor covering materials such as wood and stone flooring, works of art, window treatments, furniture, collectibles, electrical fixtures, air conditioner or heating equipment, water heaters, water filters, built-in cabinets and countertops, and window treatments, including curtains, drapes, blinds, hardware and similar window treatment components, plumbing fixtures, kitchen and other appliances, floor covering materials such as wood and stone flooring, or replacements of any of the foregoing which are located within the boundaries of a Unit and serve only one Unit and all air conditioning compressors that service only an individual Unit, whether or not located within the Unit boundaries, as well as Limited Common Elements appurtenant to the Unit are NOT included in insurance provided by the Condominium.

BECAUSE OF THE VOLATILITY OF THE INSURANCE MARKET IT IS NOT POSSIBLE TO PREDICT WHETHER FUTURE PREMIUMS WILL CONTINUE TO INCREASE OR WILL LEVEL OFF. NO REPRESENTATION IS MADE REGARDING THE ACTUAL COST OF INSURANCE AT THE TIME OF THE COMMENCEMENT OF THE BUDGET.

38. Ritz-Carlton Corporate Supervision and Employee Development.

39. Contingency:

The budget amount for contingency fund is intended to provide funds for unanticipated expenses or unanticipated increases in the projected expenses of the Association.

Reserves: The Association will have no funds as a reserve for capital expenditures. Since the budget for the First Year of Operations does not provide for yearly contributions to any reserve funds for capital expenditures, Sponsor does not represent or warrant that the Condominium or the Association will have sufficient funds for any such capital expenditures within or after five years following the Closing Date should such capital expenditures be needed.

Miscellaneous Notes:

Sponsor has reserved the right to modify, renew and replace existing service, maintenance, employment, concessionaire and other agreements and to enter into new agreements that will be binding on the Board of Directors upon commencement of Association operations. All such modifications, renewals and replacements thereto will be reflected in an amendment to this plan if they materially alter statements made herein. IN THE OPINION OF BARNETT MALLER, LICENSED REAL ESTATE BROKER, (SEE CERTIFICATION, PART II, SECTION "OO-3", WHICH SETS FORTH ALL OF THE QUALIFICATIONS OF BARNETT MALLER, LICENSED REAL ESTATE BROKER. THE FOREGOING BUDGET, HOWEVER, IS NOT INTENDED AND SHOULD NOT BE TAKEN AS A GUARANTY OR WARRANTY BY ANYONE THAT THE ANNUAL ASSOCIATION COMMON MAINTENANCE CHARGES OR OTHER INCOME OR EXPENSES FOR SUCH FISCAL YEAR OR ANY SUBSEQUENT YEAR OF OPERATION OF THE PROPERTY BY THE ASSOCIATION WILL BE AS SET FORTH IN SAID SCHEDULE AND BUDGET, AND IT IS POSSIBLE THAT THE ACTUAL ASSOCIATION COMMON MAINTENANCE CHARGES AND OTHER ITEMS OF INCOME AND EXPENSES WILL VARY FROM THE AMOUNTS SHOWN IN THE SCHEDULE.

* Includes an inflation factor of 5% over 2014 costs

NOTES TO SCHEDULE "C"
BUDGET FOR INDIVIDUAL ENERGY COSTS

1. The estimated cost for electric usage by each individual Unit Owner is based upon each Unit being equipped for general lighting, power, air conditioning and miscellaneous household appliances. The projected cost of electricity is \$0.25 per kilowatt.

2. The estimated cost for gas usage by each individual Unit Owner is based upon an individual gas meter for each Condominium Unit to measure consumption of gas for cooking, hot water, heating, clothing dryer and fireplace (if the Condominium Unit contains a fireplace). Domestic hot water will be provided by individual hot water heaters which are billed by the utility company directly to the Unit Owner. The projected cost of gas is \$1.25 per therm inclusive of sales tax for energy to provide gas for cooking, hot water, heating, clothing dryer and fireplace (if the Condominium Unit contains a fireplace) for each Condominium Unit.

3. The estimated costs are based upon average consumption of similarly situated residential users and are based upon the projections provided Edwards and Zuck Consulting Engineers, 330 West 42nd Street, New York, New York 10036. It is not possible to predict whether the estimated annual cost for each Unit will reflect the actual cost which will vary with the level of consumption of each Unit Owner.

4. Heating costs, which are a substantial part of a consumer's gas usage, have been estimated for each Unit based 5865 degree days, 65 degree space temperature average with +5F outdoor design with 15 mph wind.

5. Air conditioning will be produced by gas fired furnace with a split-system DX coil. The condensing units will be located on the roof. Cooling costs based on 600 load hours per air conditioning residential season, figured with 9,000 BTU/HR units for bedrooms and 12,000 BTU/HR units for living room areas. All units figured with EER of 9.5.

6. The utility usage calculations are premised on a two (2) bedroom Unit with two (2) occupants, and a three (3) bedroom with three (3) occupants. Actual Costs will vary depending on weather conditions, quality of construction and the habits of the Unit occupants. It is anticipated that each individual consumes an average of 80 gallons of water per day.

7. In view of the fact that these averages may include the use of energy by persons of varying need, with different standards of comfort, or with families of different sizes, the amount of energy used by Purchaser may vary substantially from the average estimates herein provided. In addition, the effect of inflation, fuel shortages and other factors may raise the cost of electricity and gas substantially higher than the current or projected rate.

8. Although Sponsor is under obligation to provide accurate information to prospective Purchasers, factors beyond its control may substantially affect the cost of electricity and gas after the purchase of a Unit or in subsequent years. Sponsor represents however, that to the best of its knowledge, Edwards and Zuck Consulting Engineers have followed the plans and specifications provided by the manufacturer of the appliances together with the recommendation of the manufacturer and other experts to enable these items of equipment to operate at optimum efficiency at the lowest cost.

Re: THE RESIDENCES, NORTH HILLS PHASE I CONDOMINIUM
Opinion of Counsel Regarding Compliance with RPL §339-i.

We are the attorneys for Sponsor of the above captioned Condominium.

We hereby render an opinion that Sponsor has complied with Real Property Law Section 339-i in assigning the percentage of Common Interest to each Unit.

Our experience includes the preparation of dozens of Condominium Offering Plans for projects located throughout the State of New York which Plans were accepted for filing by the New York State Department of Law.

The common interests among the Units have been allocated to each based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use and the overall dimensions of the particular Unit, in accordance with Section 339-i(1)(iv) of the Real Property Law of the State of New York. The allocation utilizes the measurements and calculations of square footage by the project architect.

We hereby authorize inclusion of this opinion in the Offering Plan for The Residences, North Hills Phase I Condominium to be filed with the Department of Law.

We certify that we are not owned or controlled by and we have no beneficial interest in Sponsor and that my compensation for preparing this certification is not contingent on the conversion of the property to a Condominium or on the profitability or price of the offering.

Very truly yours,

Gary Rosen

I. CHANGES IN PRICES AND UNITS

(1) The offering prices set forth in Schedule "A" must be changed by duly filed amendment to the Plan when the change in price is an across the board increase or decrease effecting one or more lines of Units or Unit models, or is to be advertised, or is a price increase for an individual Purchaser. The offering prices set forth in Schedule A and other terms of payment (but not other terms of sale) with respect to a particular Unit are negotiable and may be changed by Sponsor at any time and from time to time, both before and after the recording of the Declaration, without prior notice and without the consent of the Board of Managers or any Unit Owner. Offering prices may not be reduced below a minimum release price without the consent of the Phase I Lender. However, no such change with respect to any Unit for which an agreement is then in effect may be made without the consent of Purchaser thereunder, and no agreement will be modified to waive any of Purchaser's rights or abrogating any of Sponsor's obligations, under this Plan or Article 23-A of the New York General Business Law.

(2) No change will be made in the size or number of Units and/or their respective percentages of Common Interest, and no material adverse change will be made in the size or quality of Common Elements, except by amendment to the Plan and, when applicable, to the Declaration.

(3) Unless an affected Purchaser consents, no material change will be made in unit size, layout, or percentage of Common Interest if a Purchase Agreement has been executed and delivered to Sponsor for that Unit and Purchaser is not in default.

(4) Unless all Purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of Common Elements.

In order to meet the possible varying demands for different types of Units, or to meet particular requirements of prospective Purchasers, or for any other reason, Sponsor and its designees reserve the right (except to the extent prohibited by applicable Legal Requirements and subject to the Declaration and By-Laws) at any time and from time to time, before and after the recording of the Declaration, without prior notice and without the consent of the Board, any Unit Owner or mortgagee, to: (i) make alterations, additions or improvements, whether structural or non-structural, interior or exterior, ordinary or extraordinary, in, to and upon any Unsold Unit; (ii) change the layout of, or number of rooms in, any Unsold Unit; (iii) change the size and/or number of Unsold Units by subdividing one or more such Units into two or more separate Units, combining separate Unsold Units (including those resulting from a subdivision or combination or otherwise) into one or more Units, altering any boundary walls between any Unsold Units and/or incorporating within any Unsold Unit the use of any portion of the Common Elements adjacent thereto (but only to the extent that such Common Elements are not required to be maintained as Common Elements based upon such alterations); (iv) if appropriate, reapportion among the Unsold Units affected by such change, their Common Interest, provided however, that after the recording of the

Declaration, no change in any Unit's Common Interest will be made without obtaining the prior consent of all Unit Owners affected by such change; and (v) change the permitted use of some or all of the Unsold Units. Any such change described in subsections (ii) through (v) in the immediately preceding paragraph and additionally any material adverse change in the size or quality of any of the Common Elements shall be disclosed by Sponsor in a duly filed amendment to the Plan and, when applicable, to the Declaration. In the event of any such change after the Declaration is recorded, the Declaration and Floor Plans shall each be amended and such amendments duly recorded and disclosed in a duly filed amendment to the Plan. Sponsor or its designee will have the right to (or to cause the Board to) so amend the Declaration and Floor Plans, to the extent required, in order to reflect any such change effecting Unsold Units. In addition, none of the foregoing changes, including any material adverse change in size, layout or Common Interest of a Unit or in the amount or quality of Limited Common Elements directly affecting or servicing a Unit, will be made with respect to any Unit for which a Purchase Agreement has been mutually executed and delivered and Purchaser thereunder is not in default, unless: (a) such change has been dictated by construction conditions at the Property (such as coordination of building systems, conflicts with structural members or elements, conforming with Legal Requirements, unforeseen events, etc.) and, in all cases, in good faith, reasonably necessary due to factors not within Sponsor's reasonable control, and where no practicable alternative (in the exercise of sound construction management practices) exists and set forth in an amendment to the Plan, and Purchaser is offered the right in such amendment, for at least fifteen days, to rescind his or her Agreement and receive a refund of the Down Payment, together with all interest earned thereon, and Purchaser elects not to exercise such right of rescission; or (b) such change is not a material adverse change in the size, dimension or floor space or layout of such Unit, in which event a Purchaser will not be excused from purchasing such Unit by reason of such minor, non-material deviation or change and will not have any claim against Sponsor as a result thereof.

J. INTERIM LEASES

(1) Sponsor may rent any Unit that is vacant before the closing or after the Plan has been declared effective and any unpaid Common Charges due prior to or as of the date of Closing will be payable on the date of Closing together with any other payments required under this Plan. (A copy of the Interim Lease form is set forth on the following page). The Interim Lease provides that:

The lease will terminate on the happening of the earlier of the following:

- a. Closing of title from Sponsor to Purchaser;
- b. 15 days after the Condominium Plan is declared effective by Sponsor and a temporary certificate of occupancy or a permanent certificate of occupancy has been issued for the Condominium Building or Unit;
- c. Default by Purchaser; or
- d. Six (6) months after the date of the execution of the Interim Lease.

(1) Tenant will pay rent for the interim lease period.

(2) Interim lessees will not be afforded any rights under Rent Stabilization Laws or any applicable laws afforded to Tenants in this State, and leases will state that tenant acknowledges the same.

(3) An uncured default under the Purchase Agreement is a default under the lease and an uncured default under the lease is a default under the Purchase Agreement. An uncured default under the lease can result in a default under the Purchase Agreement, however before Sponsor may utilize the default under the lease to declare a default under the Purchase Agreement, Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unit.

(4) An interim lessee has to vacate the Unit after a default under the Purchase Agreement or rescission of the Purchase Agreement by the lessee within thirty days.

(5) All of the Units offered in this Plan are vacant. If a Unit is leased through an Interim Lease, it will be delivered vacant at closing to Purchaser although possibly previously occupied.

**FORM OF
CONDOMINIUM INTERIM LEASE**

Agreement made this ____ day of _____ between RXR North Hills Phase I Owner LLC, a Delaware limited liability company (hereinafter "Sponsor"), and _____ (hereinafter "Purchasers").

WITNESSETH,

WHEREAS, Sponsor is Sponsor of The Residences, North Hills Phase I Condominium (the "Premises") and;

WHEREAS, Purchasers have executed a Purchase Agreement dated _____ for a Condominium Unit at the Premises which will be known as Unit ____ (the "Unit") at the Premises, and;

WHEREAS, Purchasers wish to occupy said Unit prior to the Closing of Title;

NOW THEREFORE, in conformity with the terms and conditions of the Offering Plan filed with the Attorney General of the State of New York, the parties agree as follows:

1) Commencing on _____ and terminating as hereinafter specified, Purchaser shall have the right to use and occupy the aforementioned Unit. Prior to commencement of this Interim Lease, Purchaser shall have a walk-through with Sponsor and a punchlist will be compiled. The items set forth on the punchlist will be the only items which Sponsor will repair in connection with the Closing, however, Sponsor shall be responsible for warranty items as covered under the Limited Warranty as set forth in the Offering Plan.

2) Purchaser shall pay a fee for use and occupancy of the Unit of \$_____per month beginning on the date set forth in ¶1 herein.

It is understood that the use and occupancy fee is not rent, and that no landlord-tenant relationship has been created between the parties, and that this agreement is not governed or subject to any rent regulatory laws.

Upon the execution of this Interim Lease, Purchaser shall deposit the sum of \$_____ with Sponsor as Security, which sum may be used by Sponsor to repair any damages caused by Purchaser or to be used by Sponsor in the event that Purchaser defaults in any of the terms and conditions hereof.

Purchaser's deposit of \$_____ shall be applied against the Purchase Price of the Unit at Closing and is subject to forfeiture by Purchaser in the event of his default under the Purchase Agreement. Sponsor is irrevocably authorized to pay the use and occupancy from such deposit as same becomes due.

3) The use and occupancy fee, if any, for the month in which Closing occurs shall be

adjusted at Closing. No portion of the use and occupancy fee will be applied to the Purchase Price of the Unit. Any unapplied use and occupancy fee shall be refundable to Purchaser at Closing.

4) The terms of the Offering Plan and all related documents in effect as of the date hereof are incorporated in and made a part of this agreement.

5) Purchaser shall pay all utility costs and make any repairs to the Unit for which he would be obligated as owner. Sponsor will not be responsible for ordinary wear and tear to the Unit during Purchaser's occupancy.

6) Purchaser may not make any alteration to the Unit without Sponsor's written consent.

7) This lease will terminate on the happening of the earlier of the following:

- a. Closing of title from Sponsor to Purchaser;
- b. 15 days after the Condominium Plan is declared effective by Sponsor and a temporary certificate of occupancy or a permanent certificate of occupancy has been issued for the Condominium Building or Unit;
- c. Default by Purchaser; or
- d. Six (6) months after the date hereof

8) Upon a default by Purchaser, which is not cured within 15 days after notice thereof, Purchaser's right to occupy the Unit will terminate, and Purchaser must vacate the Unit within 30 days after mailing of Notice to Vacate by Sponsor. Such notice must be by certified mail, return receipt requested, to the Unit. Purchaser agrees to pay Sponsor \$500 per day for each day he remains in possession beyond 7 days after mailing of the Notice to Vacate in conformity with this section. Sponsor is hereby irrevocably authorized to deduct said per diem sum directly from any amounts being held as a security deposit hereunder. Nothing contained herein shall be construed so as to limit Sponsor's ability to have Purchaser evicted from the premises and to pursue any other legal remedy available to Sponsor, nor shall anything herein be construed as a waiver by Sponsor of his right to retain, as liquidated damages, the Down Payment deposited upon execution of the Purchase Agreement, or alternatively, Sponsor may seek specific performance and require purchaser to close on the Unit and pay the balance of the Purchase Price plus adjustments.

9) Any default under this agreement will be a material default under the Purchase Agreement, and any default under the Purchase Agreement will be a material default under this agreement. Any such default will terminate Purchaser's right to use and occupy, and will also terminate Purchaser's right to Purchase the Unit, and may result in loss of the Down Payment.

10) This agreement may not be assigned and may not be changed except by signed written Instrument. This agreement is the entire agreement between the parties and regards use and occupancy of the Unit pending Closing.

11) As of the date hereof, Purchaser confirms that all work required to be done in or about the Unit has been completed except for the remaining punchlist items, and that in all respects Purchaser agrees to accept the Unit in "as is" condition. As of the date hereof, Purchaser waives any right whatsoever to cancel the Purchase Agreement, except for a material change in the Offering Plan or Sponsor's failure to deliver insurable title, as required under the Purchase Agreement.

12) Failure of Purchaser to schedule a Closing within 30 days after delivery to Purchaser of notice that Sponsor is prepared to close, shall be deemed a material default both in this Interim Lease and in the Purchase Agreement entitling Sponsor to cancel the Purchase Agreement, retain all sums previously paid, remove Purchaser from the subject Unit and collect the use and occupancy fee set forth in Paragraph 9 above.

13) If any term of this agreement differs from the Offering Plan as accepted for filing by the Attorney General of the State of New York, the Offering Plan shall be controlling.

14) This agreement may be executed by facsimile signature in one or more counterparts, which taken together, shall constitute the original.

15) The use of the masculine gender in this Interim Lease shall be deemed to refer to the feminine gender and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

K. PROCEDURE TO PURCHASE

The form of the Purchase Agreement is contained in Part II, Section "EE". Prospective Purchasers will be required to execute four (4) original copies of a Purchase Agreement in substantially such form. The Purchase Agreement will not be binding upon Sponsor until Sponsor receives four originally executed copies of the Purchase Agreement signed by Purchaser(s), together with the Down Payment check as required hereunder and a signed copy of either the appropriate IRS Form W-9 or IRS form W8 executed by Purchaser or the designated interest recipient and a copy of the Purchase Agreement is executed by Sponsor and delivered to Purchaser or Purchaser's counsel.

The Purchase Agreement and Offering Plan may not contain, or be modified to contain a provision waiving Purchaser's rights or abrogating Sponsor's obligations under Article 23-A of the General Business Law.

Each Purchaser shall be provided with a report which Sponsor has filed with the United States Consumer Financial Protection Bureau pursuant to the Federal Interstate Land Sales Full Disclosure Act. Sponsor shall provide to each Purchaser a CFPB Report prior to Purchaser signing the Purchase Agreement. If a Purchaser receives a copy of the CFPB Report prior to signing the Purchase Agreement, Purchaser may cancel the Purchase Agreement by giving notice to Sponsor any time before midnight of the seventh day following the signing of the Purchase Agreement. If a Purchaser does not receive the CFPB Report before signing a Purchase Agreement, then Purchaser may cancel the Purchase Agreement and receive a refund of the Down Payment within two years from the signing of the Purchase Agreement.

Background of the Federal Interstate Land Sales Full Disclosure Act:

The Federal Interstate Land Sales Full Disclosure Act ("ILSA"), 15 U.S.C. 1701, et seq., was passed by Congress in the late 1960s in response to transactions involving land developers who sold subdivided lots who were unable, or never intended, to build the necessary infrastructure for the lots, thus rendering the lots virtually worthless. ILSA requires a developer to register a development in which the developer intends to sell lots or condominium units with the United States Consumer Financial Protection Bureau ("CFPB") and requires that a CFPB approved "Property Report" in a form prescribed by CFPB be delivered to each prospective purchaser prior to Purchaser entering into a contract to purchase a lot or condominium unit.

It is Sponsor's belief that the Units being sold under this offering plan may not qualify for an exemption under ILSA and therefore, Sponsor has filed a Statement of Record under ILSA with CFPB.

Under CFPB regulations, the Purchase Agreement must provide that if Purchaser defaults under the purchase agreement, the Sponsor can retain as damages

up to the greater of (i) 15% of the Purchase Price or (ii) the actual damages incurred by the Sponsor.

The following are important provisions contained in the Purchase Agreement:

(1) Down Payment

The Purchase Agreement requires Purchasers to pay a Down Payment equal to twenty percent (20%) of the Purchase Price of the Unit. The Sponsor has agreed to allow Purchasers to pay the twenty percent (20%) Down Payment as follows:

(a) The sum of twenty percent (20%) of the Purchase Price upon execution of the Purchase Agreement, or

(b) Down Payment paid over a period of time as follows:

(i) A first installment payment equal to five percent (5%) of the Purchase Price due upon the execution of the Purchase Agreement;

(ii) The second installment payment equal to five percent (5%) of the Purchase Price due upon the later of (a) October 1, 2014 or (b) upon execution of the Purchase Agreement;

(iii) The third installment payment equal to five percent (5%) of the Purchase Price due upon the later of (a) April 1, 2015 or (b) upon execution of the Purchase Agreement; and

(iv) The fourth installment payment equal to five percent (5%) of the Purchase Price due upon the later of (a) October 1, 2015 or (b) upon execution of the Purchase Agreement;

Under CFPB regulations, the Purchase Agreement must and does provide that if Purchaser defaults under the Purchase Agreement, the Sponsor may retain as damages up to the greater of (i) 15% of the Purchase Price or (ii) the actual damages incurred by the Sponsor.

(2) Statutory Requirement

Sponsor shall comply with the escrow and trust fund requirements of GBL Sections 352-e(2-b) and 352-h and these regulations, and all funds paid by Purchasers shall be handled in accordance with these statutes and regulations.

(3) Escrow

The following requirements shall apply to this Offering Plan:

The Escrow Agent:

The law firm of Rosen Law LLC, with an address at 1010 Northern Boulevard, Suite 322, Great Neck, New York 11021, telephone number 516-437-3400, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Gary Rosen, Esq. and Jared Rosen, Esq. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are Sponsor, Selling Agent, Manager, or any principal thereof, or have any beneficial interest in any of the foregoing. Sponsor has the right to change or replace the Escrow Agent at any time by the filing of the amendment with the Department of Law.

The Escrow Account:

The Escrow Agent has established the escrow account at JP Morgan Chase Bank, located at 410 Northern Boulevard, Great Neck, New York 11021, in the State of New York ("Escrow Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled Rosen Law LLC, The Residences, North Hills Phase I Condominium Master Escrow Account ("Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per deposit. Any deposit in excess of \$250,000 will not be insured.

All Down Payments received from Purchaser shall be in the form of checks, money orders or wire transfers, and shall be made payable to or endorsed by Purchaser to the order of "Rosen Law LLC, The Residences, North Hills Phase I Condominium Master Escrow Account".

Purchasers shall note that any funds paid by Purchasers for upgrades and/or extras shall be paid directly to Sponsor at the time of the execution of the Purchase Agreement and not placed into escrow. In the event Purchaser is entitled to rescission of the Purchase Agreement, Purchaser will not receive a refund of any funds used for extras unless the plan is not consummated.

The interest rate for all deposits made into the Escrow Account shall be the prevailing rate for such accounts. The prevailing interest rate for the escrow account at the time of the acceptance for filing of this Plan is 0.05%. Interest shall begin to accrue upon placing the Down Payment into the Escrow Account. All interest earned thereon shall be paid to or credited to Purchaser at Closing. No fees of any kind may be deducted from the Escrow Account, and Sponsor shall bear all costs associated with the maintenance of the Escrow Account. Down Payments will not be deposited into an interest bearing sub-account for the Purchaser, unless Purchaser provides an IRS W-9

or W8-BEN form in the form as annexed to the Purchase Agreement or in a form as reasonably required by the Escrow Bank.

All Down Payments or advances made by Purchasers prior to closing of each individual transaction, whether received before or after the date of consummation of the Plan, must be placed within five business days after the agreement is signed by all necessary parties, in an attorney's segregated special escrow account in a bank doing business in the State of New York which account is covered by federal bank deposit insurance.

Sponsor is responsible for complying with the escrow and trust fund requirements of sections 352-e (2-b) and 352-h of the General Business Law and the Attorney General's regulations promulgated pursuant thereto. All funds paid by Purchasers will be handled in accordance with General Business Law sections 352-e (2-b), 352-h, Section 20.3 of Title 13 NYCRR and Section 71-a (3) of the Lien Law of the State of New York.

All instruments for the payment of the Down Payments, or advances made by Purchasers prior to Closing of each individual transaction, whether received before or after the date of consummation of the Plan, must be placed within five business days after the agreement is signed by all necessary parties, in the "Rosen Law LLC, The Residences, North Hills Phase I Condominium Master Escrow Account" in a bank doing business in the State of New York which account is covered by federal bank deposit insurance.

Purchaser must deliver the applicable Form W-8 or Form W-9 executed by Purchaser or the designated interest-recipient, as applicable, together with the Purchase Agreement, Down Payment and the interest-recipient designation form, if applicable, before the Down Payment can be deposited into an interest-bearing escrow account established pursuant to this Offering Plan. Interest will be credited to Purchaser at Closing if title passes to Purchaser or to Purchaser provided that Purchaser is entitled to the return of their Down Payment or to the Sponsor if the Closing does not occur as a result of a default by Purchaser. Down Payments will not be deposited into an interest bearing sub-account for the Purchaser, unless Purchaser provides an IRS W-9 or W8-BEN form in the form as annexed to the Purchase Agreement or in a form as reasonably required by the Escrow Bank. Subject to the conditions discussed in this paragraph, in accordance with regulations of the Federal Deposit Insurance Corporation ("FDIC"), and pursuant to the terms of the Dodd-Frank Wall Street Reform Act, as amended (the "Dodd-Frank Act"), as of the date of this Plan deposits at Escrow Bank in a Purchaser's name are anticipated to be covered by FDIC insurance to a maximum of \$250,000. The FDIC advises consumers that for purpose of computing insurance coverage, all deposits in a party's name in a banking institution are added together and insured to a maximum of \$250,000, in the aggregate. Accrued interest through the date of a financial institution's failure also is included when calculating insurance coverage. Thus, if a Purchaser already has or opens an account at Escrow Bank in the same name in which the Down Payment is deposited, and should

the Escrow Bank fail and the FDIC insurance be called upon, the funds in that account will be aggregated with the Down Payment and insured to a maximum of \$250,000. The FDIC further advises consumers that a depositor cannot increase FDIC insurance coverage by dividing funds owned in the same ownership category among different accounts in the same name. No representation is made by Escrow Agent or Sponsor regarding any further amendment of the Dodd-Frank Act after the date of this Plan or that the FDIC will insure depositor's funds, if and when called upon to do so. Neither Escrow Agent nor Sponsor will incur any liability whatsoever under this Plan or otherwise if the FDIC, when and if called upon, fails or refuses to insure the Down Payment (or any other funds maintained by Purchaser in Escrow Bank) or if the FDIC insures only a portion thereof.

The Escrow Agreement is attached hereto in Part II, Section "PP" of this Plan. The Escrow Agreement must be executed by Sponsor, Purchaser, and Escrow Agent.

Notification to Purchaser. Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Down Payment, the Escrow Agent shall sign the Purchase Agreement and place the Down Payment into the Escrow Account. Within ten (10) business days of placing the Down Payment in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, confirming the deposit. The notice shall provide the account number and the initial interest rate to be earned on the deposit. Any funds paid by Purchasers for upgrades and/or extras shall be paid directly to Sponsor at the time of the execution of the Purchase Agreement and not placed into escrow. In the event Purchaser is entitled to rescission of the Purchase Agreement, Purchaser will not receive a refund of any funds used for extras unless the plan is not consummated.

The Escrow Agent is obligated to send notice to Purchaser once the Down Payment is placed in the Escrow Account. If Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Down Payment, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Down Payment to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 120 Broadway, 23rd Floor, New York, N.Y. 10271. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Down Payment was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Down Payments and requisite notice was timely mailed to Purchaser.

Escrow revisions. Before funds are transferred to a new escrow account, or if the escrow agent is replaced, the Plan must be amended to provide the same full disclosure with respect to the new account, the escrow agent and the escrow agreement as was originally provided. A bond, letter of credit or other security may be substituted for the escrow account only after the Department of Law approves in writing the use of such

alternate form of security, pursuant to the provisions of paragraph (4) of Part 20(o) of Title 13 N.Y.C.R.R.

Release of funds. All Down Payments, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

Purchasers shall note that any funds paid by Purchasers for upgrades and/or extras shall be paid directly to Sponsor at the time of the execution of the Purchase Agreement and not placed into escrow. In the event Purchaser is entitled to rescission of the Purchase Agreement, Purchaser will not receive a refund of any funds used for extras unless the plan is not consummated

Under no circumstances shall Sponsor seek or accept release of the Down Payment of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve Sponsor of its obligations pursuant to GBL §§ 352-e(2-b) and 352-h.

The Escrow Agent shall release the Down Payment if so directed:

(a) pursuant to terms and conditions set forth in the Purchase Agreement upon the Closing to the Unit; or

(b) in a subsequent writing signed by both Sponsor and Purchaser; or

(c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Down Payment pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Down Payment, then the Escrow Agent must give both Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Down Payment. If the Escrow Agent has not received notice of objection to the release of the Down Payment prior to the expiration of the thirty (30) day period, the Down Payment shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Down Payment within said thirty (30) day period, the Escrow Agent shall continue to hold the Down Payment until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Down Payment contained in the Escrow Account with the clerk of the county where the condominium unit is located and shall give written notice to both parties of such Down Payment.

Sponsor shall not object to the release of the Down Payment to:

(a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

Waiver void. Any provision in the Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Down Payment in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

Trust obligation of Sponsor. Nothing contained herein shall diminish or impair Sponsor's statutory obligation to each Purchaser pursuant to GBL Section 352-h to hold in trust all Down Payments, advances or payments made in connection with the offer until consummation of the transaction with such Purchaser. Consummation of the Plan does not relieve Sponsor of its obligations pursuant to GBL Section 352-h. Funds from the escrow account remain the property of Purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of Sponsor or the escrow agent upon any bankruptcy, incapacity or death.

(4) Alternatives to escrow account.

Sponsor may apply to the Attorney General to use security in the form of surety bonds or a letter of credit in lieu of escrow of such funds for use in newly constructed or gut rehabilitated developments upon showing of adequate insurance of such funds to the satisfaction of the Attorney General. It is anticipated that Sponsor will be filing an amendment to use a letter of credit in lieu of an escrow account.

(i) Application for alternate security. Sponsor must file an amendment to this Offering Plan by submitting an affidavit which contains full information as to the proposed usage of such funds, Sponsor's financing of construction or rehabilitation work, expected completion date, the terms and conditions of the proposed surety bonds or letter of credit, and required undertakings and covenants.

(ii) Documentation. The proposed form of surety bond or letter of credit, any underlying agreement or related agreement, and any undertaking or covenant required hereunder, shall be appended to the application and also filed as exhibits to the Offering Plan in or as exhibits to an amendment to the Plan.

(iii) Change from escrow account. Where surety bonds are or a letter of credit is to be provided under an amendment to the Plan calling for release of funds already deposited in escrow, the amendment shall provide for, and annex a form for, the written consent of each effected Purchaser and shall provide for continuation of escrow of funds of any Purchaser who does not execute and deliver such written consent to Sponsor.

(iv) Disclosure. If an application for alternate security is approved, the terms of such alternate security shall be disclosed in the Plan or in an amendment to the Plan promptly submitted.

(5) Change to escrow account.

Where alternate security as provided under a filed Offering Plan is no longer needed by Sponsor, or new or additional alternate security cannot be obtained by a Sponsor or its successor, Sponsor shall submit an amendment for filing which provides that any future Down Payments shall be held in the escrow account in accordance with paragraph (3) of 13 NYCRR 20.3. Such amendment shall not effect Sponsor's obligation to account for funds previously released to Sponsor unless the funds representing all such Down Payments are restored to the escrow account.

(6) Compliance with Lien Law Section 71-a(3).

Because this Offering Plan provides for the construction of residential Condominium Units, the Purchase Agreement and the Plan will comply with Section 71-a (3) of the Lien Law.

(7) Specific Performance of the Purchase Agreement.

Sponsor may seek specific performance of the Purchase Agreement, requiring Purchaser to close and purchase the Condominium Unit for which Purchaser has executed a Purchase Agreement.

(8) Purchase Agreement May Be Made Time of the Essence.

In the event that Purchaser does not appear for Closing ready, willing and able to accept title from Sponsor, and pay Sponsor the balance of the Purchase Price and associated costs on the date set forth in the Purchase Agreement, provided that Sponsor is ready, willing and able to convey title to Purchaser, then, in that event, Sponsor may set a Closing Date with "time of the essence" no less than thirty (30) days after the Scheduled Closing Date. If Sponsor makes the closing "time of the essence" and Purchaser fails to close on the "time of the essence" Closing Date, Purchaser will forfeit his or her Down Payment together with any interest earned, if any, on the Down Payment. In addition, Sponsor may seek specific performance. Sponsor must provide a Purchaser with a written demand for payment after default (including failing to close on

the date scheduled for the Closing by the Sponsor) at least thirty (30) days before forfeiture of the Down Payment will be declared.

(9) Closing Date.

After the Plan has been declared effective Sponsor will fix dates for closing title to all Units for which Purchase Agreements have been executed by serving notice on each Purchaser stating the date of the First Closing and setting such Purchaser's Closing Date. Such notice will be served in compliance with Section 20.1(d) (1) of 13 NYCRR 20.3 no less than 30 days before the date set for the Closing of the Units. Sponsor may permit Purchasers to waive its thirty (30) day notice provision by including such waiver in the Plan or in an amendment thereto.

(10) Date of Expected First Closing.

Sponsor anticipates that the First Year of Operations of the Condominium shall begin on January 1, 2016. If the First Year of Operations of the Condominium is delayed 12 months or more, or if Sponsor cannot convey title to the First Unit within twelve (12) months or more after the First Year of Operations which is projected in this offering plan, purchasers shall have a right of rescission. Purchaser shall be obligated to notify Sponsor in writing of its intent to exercise said option no later than fifteen (15) days after the twelve (12) month period. Failure to so notify Sponsor shall be deemed a waiver of this provision, and Purchaser shall continue to be bound by the terms of the Purchase Agreement.

(11) Sponsor Must Make Written Demand Before Declaring Default.

Sponsor must make a written demand for payment for default at least thirty (30) days before a default or forfeiture of the Down Payment will be declared.

If, and only to the extent that the sale of the Units is not exempt from the provisions of the Interstate Land Sales Full Disclosure Act, the amount of the Down Payment to be retained by Sponsor upon Purchaser's failure to cure a default after the expiration of the thirty (30) day notice and opportunity to cure period will be the greater of (i) fifteen percent (15%) of the Purchase Price (excluding any interest owed) or (ii) the amount of damages incurred by Sponsor due to the default. For purposes hereof, "damages" means actual damages resulting from the default, as determined under New York law.

(12) Unit Power of Attorney.

Each Unit Purchaser will be required to sign a power of attorney to the Board of Managers of the Condominium and/or the Board of Directors of the Association on the date of delivery of the deed. Sponsor will not close with any Purchaser who refuses to sign a Power of Attorney and reserves the right to rescind the Purchase Agreement by returning the full Down Payment. The Power of Attorney provides the following powers

to the Board of Managers of the Condominium: (a) to acquire or lease any Unit, together with its Appurtenant Interests, from any Unit Owner desiring to sell, convey, transfer assign or lease the same, upon such terms and conditions as shall be approved by a majority of Unit Owners, (b) to acquire any Unit, together with its Appurtenant Interests, whose Owner elects to surrender the same pursuant to the Declaration of Condominium, (c) to acquire any Unit, together with its Appurtenant Interests, which becomes the subject of a foreclosure or other similar sale, on such terms and at such price or rental as the case may be, as said attorneys-in-fact shall deem proper, in the name of the Board of Managers of its designee, corporate or otherwise, on behalf of all Unit Owners, and after any such acquisition or leasing, to convey, sell, lease, sublease, mortgage or otherwise deal with (but not vote, the interest appurtenant thereto) any such Unit so acquired by them, or to sublease any Unit so leased by them without the necessity of further authorization by the Unit Owners, on such terms as said attorneys-in-fact may determine, granting to said attorneys-in-fact the power to do all things in the said premises which the undersigned could do if the undersigned were personally present; (d) to execute, acknowledge and deliver (i) any Declaration or other instrument effecting the Condominium which the Board deems necessary or appropriate to comply with any law, ordinance, regulation, zoning resolution or requirement of any other public authority, applicable to the maintenance, demolition, construction, alteration, repair or restoration of the Condominium or (ii) any consent, covenant, restriction, easement or Declaration, or any amendment thereto, effecting the Condominium or the Common Elements which the Board deems necessary or appropriate.

(13) Purchaser's Right To Rescind The Purchase Agreement.

Purchasers shall be afforded either (i) not fewer than three (3) business days to review the Offering Plan and all filed amendments prior to executing a Purchase Agreement or (ii) not fewer than seven (7) days after delivering an executed Purchase Agreement together with the required Down Payment to rescind the Purchase Agreement and have the full Down Payment refunded promptly.

For the convenience of some Purchasers, however, Sponsor will have the right, at its sole option, to accept an Agreement prior to the expiration of such period of three (3) business days; and in such event, and only in such instance, such Purchaser will have the right to rescind such Agreement by written notice sent to Sponsor by certified or registered mail, return receipt requested, or by personal delivery within seven (7) days of such Purchaser's submission of the Agreement, whereupon Sponsor will refund, without interest (notwithstanding any provision of this Plan regarding interest to the contrary), the Down Payment received by Sponsor from such Purchaser in connection with such Agreement.

(14) Risk of Loss.

Risk of loss for fire or other casualty remains with Sponsor until legal title to the Unit has been conveyed to Purchaser, unless a Purchaser who has not yet closed enters into an interim lease. Prior to the First Closing, Sponsor may, at Sponsor's

option abandon the Plan or to repair or to replace such loss or damage. If Sponsor elects to replace or repair such loss or damage, then at Sponsor's option, it shall be entitled to a reasonable adjournment of the Closing. After the First Closing, the Buildings will be insured by the Condominium. Any person who takes possession or enters into an interim lease prior to closing assumes the risk of losses not covered by insurance.

(15) Purchase Agreement.

The Purchase Agreement is attached hereto in Part "II", Section "EE" of this Plan. The relevant escrow trust fund provisions are included in Section "7" of the Purchase Agreement, which must be executed by the Escrow Agent.

(16) Financing Contingency.

THE PURCHASE AGREEMENT IS NOT CONTINGENT UPON PURCHASER OBTAINING MORTGAGE FINANCING. UPON EXECUTING THE PURCHASE AGREEMENT, PURCHASER SHALL BE OBLIGATED TO CLOSE TITLE WHETHER OR NOT PURCHASER OBTAINS A MORTGAGE.

If a Purchaser wishes to obtain mortgage financing, obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will Sponsor be obligated to return a Purchaser's Down Payment in the event a Purchaser is unable to obtain a mortgage. The Purchase Agreement will remain in full force and effect and Purchaser will be obligated to pay the balance of the Purchase Price at closing regardless of the availability of financing. In the event a Purchaser does not close title to the Unit as a result of Purchaser's inability to obtain a mortgage, the Down Payment plus the cost of any custom work ordered, will be retained by Sponsor as liquidated damages or alternatively, Sponsor may seek specific performance and require purchaser to close on the Unit and pay the balance of the Purchase Price plus adjustments.

(17) Credit Check.

Prior to executing a Purchase Agreement, Sponsor may require the prospective Purchaser to execute necessary authorizations to conduct a credit check of Purchaser(s), at the sole cost and expense of Sponsor. The cost to the prospective Purchaser of the credit check shall not exceed \$100 per purchaser.

Purchaser may refuse to enter into a Purchase Agreement with any prospective Purchaser for any non-discriminatory reason.

(18) Conflicts Between Offering Plan and Purchase Agreement.

If any provision of the Purchase Agreement is in conflict or inconsistent with any provision of the Offering Plan, then such conflict or inconsistency shall be resolved in favor of the Offering Plan.

(19) Time Limitation For Sponsor To Accept Or Reject Purchase Agreement.

Sponsor will either accept a Purchase Agreement and cause to be returned to Purchaser a fully executed counterpart thereof or reject the Purchase Agreement offer and refund the Down Payment tendered within thirty (30) days after delivery by Purchaser of an executed Purchase Agreement together with the required Down Payment. In the event Sponsor fails to elect to accept or reject within the stated thirty (30) day period, Sponsor will be deemed to have rejected same and Purchaser shall be entitled to a prompt return of the Down Payment.

(20) Purchase Agreement And Offering Plan Does Not Waive Any Rights Under Article 23-A of the New York General Business Law.

The Plan and the Purchase Agreement does not contain, and may not be modified to contain, a provision waiving a Purchaser's right or abrogating Sponsor's obligations under the Offering Plan or Article 23-A of the New York General Business Law.

(21) Assignment or Transfer of Purchase Agreement and No Listing For Sale.

Prior to the closing of title to a Unit, the Purchase Agreement prohibits a contract vendee from listing the Unit for resale or rental with any broker or from advertising or otherwise offering, promoting or publicizing the availability of a Unit for sale or lease, without Sponsor's prior written consent.

In addition, a Purchaser may not advertise, list or sell, without Sponsor's prior written consent, which consent may be withheld in Sponsor's sole discretion, except for hardship conditions of Purchaser, a Unit acquired from Sponsor for twelve (12) months after acquisition of such Unit (provided however, such limitation shall not apply from and after the date that Sponsor conveys title to all of the Units). Any such conveyances in violation of the foregoing will be voidable by Sponsor.

Purchasers are prohibited from assigning or transferring the Purchase Agreement without the express written consent of Sponsor, which consent may be granted or withheld in Sponsor's sole and absolute discretion.

In the event that the Sponsor agrees to permit an assignment of a Purchase Agreement, in Sponsor's sole discretion, Purchaser shall pay an assignment fee equal to 1% of the Purchase Price of the Unit plus Sponsor's attorney's fees in the amount of \$2,500.00 and the Assignee shall close title to the Unit on the Scheduled Closing Date as set forth in the Purchase Agreement.

(22) Waiver of Immunity By Foreign Government, etc. Parties.

The Condominium Board has the right, but not the obligation, to require that before any Unit is conveyed to a Purchaser that is a foreign government, a resident representative of a foreign government or other person or entity otherwise entitled to the immunities from suit enjoyed by a foreign government (examples are diplomatic immunity or sovereign immunity) shall be required to expressly and voluntarily waive such immunity and consent to any suit, action or proceeding arising out of or relating to the Purchase Agreement, the Condominium Documents or this Offering Plan being brought in any State or Federal Court in the State of New York. Any such Purchaser and any other Purchaser who is not a resident of New York State shall designate and authorize a lawful agent to receive process. The foregoing provision does not apply to the sale of Unsold Units by Sponsor.

L. FINANCING FOR QUALIFIED PURCHASERS

THIS PLAN DOES NOT CONTAIN ANY FINANCING ARRANGEMENTS FOR PURCHASERS. PROSPECTIVE PURCHASERS WHO ARE INTERESTED IN SUCH FINANCING SHOULD CONTACT LENDING INSTITUTIONS, SUCH AS MUTUAL SAVINGS BANKS AND COMMERCIAL BANKS, MANY OF WHICH HAVE ADVERTISED THAT THEY OFFER FINANCING TO PURCHASERS OF CONDOMINIUM UNITS.

Any applications for such financing with lending institutions must be done on an individual basis by prospective Purchasers and will involve negotiations exclusively between the lending institution and the applicant. Sponsor should not be construed hereunder as offering any such financing or representing the availability or terms of such financing.

The Purchase Agreement is not conditioned upon a Purchaser securing satisfactory mortgage financing. Obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will Sponsor be obligated to return a Purchaser's Down Payment in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Agreement will remain in full force and effect and Purchaser will be obligated to pay the balance of the Purchase Price at Closing regardless of the availability of financing. In the event a Purchaser does not close title to the Unit as a result of Purchaser's inability to obtain a mortgage, the Down Payment plus the cost of any custom work ordered, will be retained by Sponsor as liquidated damages or alternatively, Sponsor may seek specific performance and require purchaser to close on the Unit and pay the balance of the Purchase Price plus adjustments.

In the event that a Purchaser obtains a mortgage commitment and the mortgage commitment expires prior to the date on which Sponsor is ready and able to convey title, Sponsor will not be responsible or liable to Purchaser for any extension fees or costs of any kind as a result of an expiring or expired mortgage commitment.

Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

M. EFFECTIVE DATE OF THE PLAN

The Purchase Agreement and offer to sell Condominium Units is contingent upon, and the closing of the First Unit will not occur until the Offering Plan is declared effective and the effectiveness amendment is accepted for filing by the Department of Law.

The Offering Plan may be declared effective by (i) an amendment to the Plan or (ii) by personal service of notice on every Purchaser or by commencement of service by mail in the manner required by Section 20.1(d) of 13 NYCRR 20.3 stating that the Plan is declared effective and submitting an amendment to the Department of Law within five days confirming that the Plan was declared effective on a specified date. The amendment must conform to 13 NYCRR 20.5(e).

The Offering Plan will not be declared effective unless bona fide Purchasers, including investors, have signed Purchase Agreements for at least 15 percent of the Units offered under the Offering Plan. Units of a primarily ancillary nature such as garage spaces may not be counted toward effectiveness. Such Units may be excluded from the base in calculating the percentage needed to become effective **(15% is nineteen (19) Units)**.

The Offering Plan will not be declared effective based on Purchase Agreements:

(i) signed by Purchasers who have been granted a right of rescission that has not yet expired or been waived; or

(ii) if Purchaser was not afforded the protections required by paragraph (o)(15) of 13 NYCRR 20.3, in that Purchasers will have not less than three business days to review the offering plan and all filed amendments prior to executing a Purchase Agreement; or

(iii) with any Purchaser who is Sponsor, the selling agent, or the Manager or is a principal of Sponsor, the selling agent or the Manager or is related to Sponsor, the selling agent or the Manager or to any principal of Sponsor or the selling agent or the Manager by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a Purchaser other than Sponsor or a principal of Sponsor may be included if Sponsor has submitted proof satisfactory to the Department of Law establishing that Purchaser is bona fide.

The Offering Plan must be declared effective when Purchase Agreements have been accepted by Sponsor for eighty (80) percent or more of the Units offered under the Plan. **(80% is 100 Units)**.

If the Offering Plan is abandoned by Sponsor, before the Offering Plan is declared effective, within thirty days after abandonment, all monies paid by Purchasers

shall be refunded to them in full, with interest earned, if any. Sponsor will then promptly file an amendment together with form RS-3 as required by Section 20.1(l) (2) of 13 NYCRR 20.3.

Sponsor may not abandon this Offering Plan after effectiveness for any reason other than (i) a defect in title which cannot be cured without litigation or cannot be cured for less than one-half of one percent of the total offering amount (\$1,222,400); or (ii) substantial damage or destruction of the buildings by fire or other casualty which cannot be cured for less than one-half of one percent of the total offering amount; or (iii) the taking of any material portion of the property by condemnation or eminent domain. The sum of one-half of one percent of the total offering amount as the figure for the basis for abandonment after effectiveness shall exclude any attorney's fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to Sponsor or are a matter of public record.

The remainder of this page is intentionally left blank.

N. TERMS OF SALE

(1) After the Plan has been declared effective, Sponsor will fix a date for the Closing to all Units for which Purchase Agreements have been executed by serving notice on each Purchaser stating the date of the First Closing and setting such Purchaser's Closing Date. Notice of the Closing Date will be sent to all Purchasers who have executed and delivered Purchase Agreements to Sponsor and whose Purchase Agreements are then in effect by (i) personal delivery; or (ii) mailing by regular mail or registered or certified mail with or without return receipt requested or by overnight delivery by a nationally recognized overnight courier service, addressed to Purchasers at the last known residence of such Purchaser or, if Purchaser has provided written information of an alternative address for notices, addressed to Purchaser at the alternative address. If Sponsor has no information of the last known residence address, but has written information of the place of business or employment of such Purchaser, the mailing shall be addressed to such last business or employment address. Said notice will also include notice of the obligation to pay the balance of the Purchase Price. Such notice will be served no less than thirty (30) days before the date set for the Closing of the Units.

(2) The type of deed given to Unit Owners shall be a Bargain and Sale Deed without Covenants against Grantor's Acts. A form of the Unit Deed is contained in Part II, Section "HH" of this Offering Plan.

(3) Prior to the Effective Date of the Plan, there is no obligation or liability upon Sponsor to repair any damage from a casualty or other cause that occurs before the Closing of a Purchaser's Unit; in such case, if a Purchaser's Unit or the Common Elements serving such Purchaser's Unit that provide access to such Unit have sustained damage due to casualty or other cause, Sponsor shall have the option, in its sole discretion to elect whether or not to repair such damage. If Sponsor elects to repair such damage, then the Purchase Agreement shall remain in effect, except that Sponsor's time for performance under the Purchase Agreement shall be extended as a result of the delay occasioned because of said casualty and the time required to perform any necessary repairs. If Sponsor elects not to repair such damage, Purchaser shall be afforded the right to rescind.

(4) A Closing will take place only concurrently with the issuance of a Temporary or Permanent Certificate of Occupancy for the Building containing the Unit or, issuance of a Temporary Certificate of Occupancy or Permanent Certificate of Occupancy for the Unit closed or the Building in which the Unit is located.

(5) Title to each Unit and its appurtenant interest in the Common Elements will be conveyed at the Closing free and clear of all liens, encumbrances and title exceptions other than those described in the Offering Plan and the proposed Unit deed. There will be no leases, mortgages, liens or encumbrances that will affect the property after Closing. The state of facts shown on a survey of the land and buildings

and any additional state of facts a subsequent survey would show may be a title exception, provided that such state of facts does not render title unmarketable.

(8) PURCHASER IS OBLIGATED TO PAY NEW YORK STATE REAL PROPERTY TRANSFER TAXES INCLUDING MANSION TAX PURSUANT TO TAX LAW §1402-A AND ANY LOCAL REAL PROPERTY TRANSFER TAXES, IF ANY. WHILE THE NEW YORK STATE TRANSFER TAXES ARE CUSTOMARILY PAID FOR BY THE SELLER IN SINGLE FAMILY UNIT TRANSACTIONS, THE BURDEN OF PAYING SUCH TAXES MAY BE MODIFIED BY CONTRACT. II. Title Insurance Mortgage Premium:

If Purchaser elects to simultaneously obtain both fee title insurance and mortgage title insurance, the premium for the mortgage title insurance will be at a simultaneous rate. The premium for mortgage title insurance will be computed using the "Basic Rate" schedule as described below. The premium on the amount of the loan policy that does not exceed the owner's policy shall be calculated at thirty percent (30%) of the regular scheduled rate for loan policies according to the rates set forth below:

Amount of Title Insurance (non-bulk rate)

From \$1,000,000 to \$5,000,000	\$791 plus \$0.641 per Thousand over \$1,000,000;

III. Cost of Survey.

Each Purchaser shall also be required to pay the cost of any survey or survey inspection prepared at his request. Purchaser shall reimburse to Sponsor the sum of \$200 as contribution of costs of surveys and surveying services incurred by Sponsor. Prints of Sponsor's survey will be available for a nominal charge.

IV. Cost of Recording Documents.

The fee charged by the Nassau County Clerk's Office for the recording of the deed is approximately \$300. Fee for the recording of the Unit Power of Attorney is approximately \$300. Fee for recording a mortgage is approximately \$400 plus the mortgage recording tax.

V. Costs to Purchaser for the Payment of New York State Real Estate Transfer Taxes.

The New York State Real Estate Transfer Tax, currently \$2.00 for each five hundred dollars (\$500) or fractional portion thereof, of the Purchase Price, (ii) local real property transfer taxes, if any, and (iii) the Mansion Tax pursuant to Tax Law §1402-a of 1% where the Purchase Price equals \$1 million or more. Because Purchaser, rather than the Sponsor is required to pay the New York State Transfer Taxes, the New York State Transfer Tax is deemed to be additional consideration, and therefore the total consideration for New York State Transfer Tax purposes and Mansion Tax purposes amounts to 1.004 times the Purchase Price of the Unit.

For Example, for a Purchase Price of \$2,800,000 (Unit 2207) for purposes of calculating the transfer taxes, the Unit price of \$2,800,000 is multiplied by 1.004 for a total consideration for tax purposes of \$2,811,200). The transfer taxes are added as additional consideration on which the tax is calculated. Therefore, the New York State Transfer Tax would be approximately \$11,245 instead of approximately \$11,200.

The Mansion Tax would be \$28,112 which is 1% of the Purchase Price which is \$2,800,000 plus additional consideration of \$11,200 for a total consideration amount of \$2,811,200.

VI. Cost of Mortgage Recording Taxes.

In the event that a Purchaser obtains a mortgage from a lending institution, then he or she will customarily pay at the Closing the following additional costs: (i) mortgage recording taxes in the amount of 1.05% of the borrowed amount of which 0.25% is paid by lender less \$30.00 on the entire total mortgage amount. The borrower's portion of the mortgage tax is 0.80% of the mortgage amount borrowed less \$30.00.

All Purchasers will also be required to pay all fees and charges imposed by their respective lending institutions. Purchaser will also likely pay lender's appraiser fees, origination fees, lender's attorney's fees, reserves for real estate taxes and insurance premiums. Sponsor makes no representation as to what additional Closing costs may be charged by a particular lender.

VII. Working Capital Contribution by Purchaser.

A Working Capital Fund for the Condominium shall be established as follows:

At the time of closing, each Purchaser will be required to pay a sum equal to two months of Common Charges to the Condominium and two months of Association Common Maintenance Charges to the Association applicable to their Unit as working capital contributions for the Condominium and Association, respectively. These contributions are not refundable or transferable if a Unit Owner subsequently sells the Unit Owner's Unit.

VIII. Cost of Purchaser's Attorney's Fees.

Purchaser shall have the sole responsibility for payment of his or her own attorney's fees and any attorney's fees or other fees required by his or her lending institution.

IX. Cost of Sponsor's Attorney's Fees.

Purchaser shall pay the fee of Sponsor's closing attorneys in the amount of \$2,750 per Unit at the time of Closing for document preparation fees for preparation of Closing documents and for attendance by Sponsor's counsel at the Closing. If a

Closing takes place, at the request of Purchaser, at any location other than the office of Sponsor's attorney or the on-site office at the Condominium, Purchaser shall pay to Sponsor's attorney (in addition to the fee set forth above), an attendance travel fee in the sum of \$250 if the Closing location is in Nassau County, \$350 if the Closing location is in Suffolk County, Queens County, Kings County or New York County and \$450 if the Closing location is in Richmond County. Sponsor and Sponsor's counsel are not required to attend a Closing at any location other than in Suffolk County, Nassau County or Queens County. In the event that a Closing is adjourned with Sponsor's consent, at the request of Purchaser, or Purchaser's attorney within forty-eight (48) hours or less of the scheduled time of Closing, Purchaser shall also pay Sponsor's attorney an adjournment fee in the sum of \$250.

X. Condominium and Homeowners Association Insurance

Each Purchaser shall pay its pro-rata share of the total insurance for the Condominium and Association for the First Year of Operations to Sponsor based upon the Unit's percentage of Common Interest and the costs of the insurance for the Condominium and the Association.

XI. Late Fees.

If Purchaser fails to close within seven days from the Closing Date set by Sponsor for any reason, then (i) the Closing adjustments shall be made as of midnight of the day preceding the date originally scheduled for the Closing Date and (ii) Purchaser shall pay to Sponsor, as a late fee, an amount equal to .04% times the unpaid portion of the Purchase Price for the Unit for each days delay (14.6% annual rate), beginning with the date originally scheduled for the Closing Date to and including the day immediately preceding the actual Closing Date. The provisions of this paragraph shall not be applicable if, through no fault of Purchaser, Sponsor postpones the Closing Date except to the extent that thereafter Purchaser postpones the Closing for any reason or is in default.

XII. Estimated Apportioned Costs, Fees and Charges to be Paid by Purchaser:

The following costs are to be apportioned at the Closings: Real estate taxes; Pro-rata Insurance Premium to the Condominium and Association; Water and Sewer charges, if any; Common Charges, if they have been declared by the Board of Managers, and Association Common Maintenance Charges.

(ii) Numerical Examples of Closing Costs for Typical Condominium Unit

The following is an example of the Closing costs applicable to Unit 2207 with a Purchase Price of \$2,800,000 and a \$2,240,000 mortgage (80% of the Purchase Price).

Offering Price	\$2,800,000
Mortgage Amount	\$2,240,000
Title Insurance Fee Premium	\$11,096
Title Insurance Mortgage Premium	\$2,264
Mortgage Recording Tax	\$17,890
New York State Transfer Tax	\$11,246
New York State Mansion Tax	\$28,112
Recording of Deed, Mortgage, Unit Power of Attorney	\$1,000
Contribution to Working Capital Fund – Condominium	\$584
Contribution to Working Capital Fund – Association	\$3,524
First Month's Common Charges (Est.)	\$292
First Month's Association Common Maintenance Charges (Est.)	\$1,762
Survey Fee	\$200
Insurance Pro Rata Share	\$1,000
Basic Sponsor's Attorney's Fee	\$2,750
Total Estimated Closing Costs	\$81,720

(iii) Credits for Mortgage Recording Taxes Paid by Sponsor.

To the extent that Purchaser is entitled to any credit against the mortgage recording tax by reasons of any prior mortgage against the Unit or the Property, Purchaser shall pay to Sponsor at the Closing for such Unit the amount of any such credit.

Sponsor may pay or may have paid a mortgage recording tax in connection with obtaining a construction loan mortgage for the construction of the Property. Section 339-ee(2) of the New York Real Property Law provides for a mortgage tax credit upon transfer of the Units.

⁴ The example does not include costs that may be incurred for Purchaser's attorney's fee, apportionments for real estate taxes, water and sewer charges and similar items (see Closing Adjustments, Part I, Section P (II)) and fees required by Purchaser's lending institution. When Purchaser pays the transfer tax, the law requires that the tax that the seller would pay be treated as additional consideration for the purpose of computing the New York State Transfer taxes.

If Sponsor has obtained construction loan financing prior to a Closing, and Sponsor has paid mortgage recording taxes, the mortgage tax credit will be applicable. If Sponsor has not yet obtained construction financing, and does so prior to conveying Units, then Section 339-ee(2) of the New York Real Property Law would be applicable. The pertinent language of the statute is as follows:

"If in the event the proceeds of a construction mortgage were applied to construction of a Unit of a Condominium submitted to the provisions of this article, or in the event that a Unit submitted to the provisions of this act was subject to a blanket mortgage, and a mortgage tax was duly paid on such construction or blanket mortgage in accordance with article eleven of the tax law, then, as each Unit is first conveyed, there shall be allowed a credit against the mortgage tax that would otherwise be payable on a purchase money mortgage, said credit to be in the amount resulting from the product of Purchaser's pro rata percentage of interest in the Common Elements and the mortgage tax already paid on the construction or blanket mortgage. No credit shall be allowed under this subdivision (a) on account of the special additional mortgage recording tax imposed by subdivision one "a" of section two hundred fifty three of the tax law or (b) where the first Condominium Unit is sold more than two years after the construction or blanket mortgage was recorded".

Sponsor shall receive the benefit from any credit on Purchaser's mortgage recording tax which may be available pursuant to the quoted statute. Accordingly, at Closing, each Purchaser electing mortgage financing shall pay the full amount of the mortgage recording tax chargeable on the entire amount being financed. Sponsor will be reimbursed at Closing to the extent of any mortgage tax credit allowed.

(iv) Mortgage Financing Costs.

Purchaser will be responsible for all closing costs in connection with mortgage financing if Purchaser obtains a mortgage.

(v) Apportioned Costs to be Paid by Purchaser.

If Units have not been separately assessed for real estate tax purposes prior to the Closing to the First Unit, Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six month period following the First Closing. Alternatively, Sponsor may place in escrow, in the name of the Board of Managers an amount equal to the real estate taxes attributable to the Unsold Units for such six month period and may collect at each Unit Closing the estimated amount of taxes attributable to such Unit

for the balance of the six month period. The Board of Managers or Board of Directors will pay the real estate taxes from the escrow account when taxes are due and payable and the funder of the escrow account will be entitled to reimbursement from Unit Owners to the extent of the actual assessment. No escrow will be required if the Condominium By-Laws include as part of the common expenses, real estate taxes on the property until the Units are separately assessed and after Unit Owners will be reimbursed for any overpayment of taxes or assessed for an underpayment. Until all of the Units have been separately assessed, all post-closing amendments shall disclose the amount of the funds deposited in escrow for the payment of real estate taxes.

P. RIGHTS AND OBLIGATIONS OF SPONSOR

No bond or other security has been posted to secure Sponsor's obligations under this Plan or to complete construction of the buildings or other obligations under the Plan including the obligation to pay Common Charges or Association Common Maintenance Charges with respect to Unsold Units.

Sponsor, or its affiliates have, or will furnish a surety bond in the sum of Four Million Dollars (\$4,000,000) as such amount as may be amended at the discretion of the Village of North Hills in favor of the Village of North Hills for site improvements.

Sponsor, or its affiliates have, or will furnish a surety bond in the amount of Two Million Five Hundred Thousand Dollars (\$2,500,000) as such amount as may be amended at the discretion of the Village of North Hills, in favor of the Village of North Hills to guarantee Sponsor's completion of landscaping and lighting in the Community.

Sponsor, or its affiliates have, or will furnish a surety bond in the amount of Twelve Million Dollars (\$12,000,000), as such amount as may be amended at the discretion of the Village of North Hills in favor of the Village of North Hills to guarantee Sponsor's completion of the Recreational Facilities.

Purchasers have no right to demand that the bonds provided to the Village of North Hills remain in force as the bond amounts may be reduced or eliminated at the sole discretion of the Village of North Hills. Sponsor is providing no bonds of any kind in favor of Purchasers.

All bonds as set forth above shall be subdivision bonds in favor of the Village of North Hills. In the event that the Village of North Hills accepts a reduction of the bond amounts stated above, Sponsor, or its affiliates have, or will furnish the bonds as are or will be required by the Village of North Hills.

Sponsor's Predecessor has paid to the Village of North Hills the sum of Twenty One Million Dollars (\$21,000,000) in lieu of a contribution to the Village park and recreation capital reserve fund, in accordance with the approval granted by the Village of North Hills to Sponsor on November 15, 2006.

Sponsor shall procure fire and casualty insurance in an amount sufficient to avoid co-insurance.

In the event of the dissolution or liquidation of Sponsor or the transfer of ten (10) or more units or twenty (20) percent or more of the total number of units in the Condominium, whichever is less, the principals of Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of Sponsor for those Units under the offering plan, applicable laws or regulations. All

obligations pertaining to the Common Elements shall only be enforceable by the Board of Managers of the Condominium and not by the individual Owner.

During the time that the principals of Sponsor control the Board of Managers and the Board of Directors it is within Sponsor's sole power to enforce the obligations of Sponsor pertaining to the Common Elements of the Condominium and Association Common Areas of the Association. Sponsor is obligated to perform the following:

1. Sponsor has no obligation to defend any suits nor to indemnify the Board of Managers of the Condominium, Board of Directors of the Association or Unit Owners arising out of any act or occurrence, occurring prior to the recording of the Declaration of Condominium or Declaration of Covenants, Restrictions, Easements, Charges and Liens except claims arising out of the acts, omissions or representations of Sponsor.

2. All representations under the Offering Plan, all obligations pursuant to the General Business Law, and such additional obligations under the Offering Plan which are to be performed subsequent to the Closing Date will survive delivery of the deed.

3. Until title to a Unit is passed to a Purchaser, Sponsor will pay such Common Charges and Association Common Maintenance Charges, Condominium Special Assessments, Association Special Assessments and real estate taxes, as are assessed by the Board of Managers and Board of Directors of the Association to the extent obligated within the terms of this Offering Plan and the municipality on Units, whether constructed or not yet constructed, to which title has not passed. Once title is passed to a Purchaser, Purchaser shall be solely responsible for all Common Charges, Association Common Maintenance Charges, Condominium Special Assessments, Association Special Assessments, real estate taxes and all other costs applicable to the Unit, as are assessed by the Board of Managers of the Condominium or the Board of Directors of the Association and the municipality. Sponsor will fund its financial obligations to the Condominium and the Association from the income derived from the sale of Units and Sponsor's assets which are currently sufficient to meet Sponsor's obligations under the Offering Plan. Sponsor presently has the resources to fund such obligations.

4. Risk of loss for fire or other casualty remains with Sponsor until legal title to the Unit has been conveyed to Purchaser, unless a Purchaser who has not yet closed enters into an interim lease. Prior to the First Closing, Sponsor may, at Sponsor's option abandon the Plan or to repair or to replace such loss or damage. If Sponsor elects to replace or repair such loss or damage, then at Sponsor's option, it shall be entitled to a reasonable adjournment of the Closing. After the First Closing, the Buildings will be insured by the Condominium. Any person who takes possession or enters into an interim lease prior to Closing assumes the risk of losses not covered by insurance.

5. Sponsor will initially procure fire and casualty insurance for the Condominium and the Association on the terms set forth in the respective, budgets. In

the event there is insufficient funds in the Condominium to pay for such insurance, Sponsor may lend the Condominium or Association such funds and will be repaid out of subsequent Common Charges and Association Common Maintenance Charges collected. No Board or Unit Owner approval is required to make such loan.

6. Sponsor has obtained construction loan financing for the construction of the Phase I Condominium and for the Association Common Areas from German American Capital Corporation. At the present time, German American Capital Corporation is the only lender for Phase I and the only mortgagee of the Phase I Property. Sponsor is obligated to pay to German American Capital Corporation the sum equal to (i) the greater of the Adjusted Minimum Release Price as defined in the loan agreement between Sponsor and German American Capital Corporation and (ii) the Net Sales Proceeds as defined in the loan agreement between Sponsor and German American Capital Corporation for the Unit being conveyed by Sponsor.

The Phase II Owner has obtained financing from Norddeutsche Landesbank Girozentrale which is the only lender holding a mortgage on the Phase II Property. The Phase II Owner is required to repay the loans to Norddeutsche Landesbank Girozentrale encumbering the Phase II Property by December 31, 2018. The Phase II Owner has not obtained any construction loan financing for the construction of Phase II and there is no guaranty that the Phase II Owner will be able to obtain construction loan financing for the construction of Phase II.

Sponsor will promptly amend this Offering Plan to disclose any additional lenders or new loan terms with existing lenders.

Sponsor must obtain a release of the mortgage lien on any units being conveyed to a Purchaser prior to or at the time of conveyance of a Condominium Unit to Purchaser.

7. After the recording of the Declaration and before the Closing to the First Unit, in the event there is a mortgage that encumbers the property at the time of conveyance of the First Unit, the mortgagee of any loan will either: (i) consent to the formation of a Condominium and acknowledge that its lien will be limited to unsold Condominium Units; (ii) subordinate the lien of its mortgage to the Declaration of Condominium; or (iii) release its lien on the Condominium Unit being conveyed and its interest in the Common Elements. In addition, before the Closing to the First Unit, all non-permitted liens and mortgages affecting the Condominium shall be paid and satisfied on the Unit being conveyed and its appurtenant interest in the Common Elements shall be released therefrom by partial release duly recorded.

8. Sponsor will diligently, expeditiously and at its own cost, complete construction of the Condominium substantially in accordance with the Plans and specifications described herein and will diligently perform all of its obligations set forth in this Offering Plan and will deliver to the Board of Managers a copy of the "as built" Plans filed with the recording of the Declaration or any amendment thereto. Although

Sponsor intends to use the materials, fixtures, appliances and equipment described herein and in the building plans, Sponsor reserves the right to substitute materials, fixtures, appliances and equipment of equal or better quality or design for any of those set forth. Sponsor reserves the right to change the size, number and location of the Buildings and other improvements or Common Elements, provided such changes do not change or adversely affect the value or percentage of Common Interest of any Unit to which title has passed or for which a Purchase Agreement has been executed and is in effect unless all affected Unit Owners and Purchasers consent in writing to such a change. Sponsor undertakes to supply warranties only to the extent that warranties are actually made by such manufacturers and subcontractors and only to the extent that such warranties and bonds are assignable.

12. Sponsor will deliver to Purchaser and/or the Board of Managers upon the recording of the Declaration all manufacturers and sub-contractors heating, electrical, plumbing, roofing and appliance warranties and bonds relating to Purchaser's Unit or the Common Elements respectively, if any, to the extent made by such manufacturers and subcontractors and to the extent such warranties and bonds are assignable.

18. Sponsor is offering all of the Units offered hereunder for sale. Notwithstanding the foregoing, Sponsor is reserving the unconditional right to rent rather than sell Units. Because Sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more Units than the fifteen percent (15%) necessary to declare the Plan effective and owner-occupants may never gain effective control and management of the Condominium. Sponsor has the right to control the Board of Managers of the Condominium, by maintaining a majority of the Members of the Board of Managers of the Condominium, until the later of (i) a period ending on the date which is five (5) years from the First Closing or (ii) until the last Unit of the one hundred twenty four (124) Units offered for sale under this Offering Plan is sold and closed. 19. If Sponsor makes a bulk sale of all or some of its Unsold Units, the transferee successor Sponsor is bound by Sponsor's representations regarding its commitment to sell Units.

The remainder of this page is intentionally left blank.

Q. CONTROL BY SPONSOR

The Condominium

There is no limit on the length of time that Sponsor may control the Board of Managers of the Condominium. Sponsor has the right to control the Board of Managers of the Condominium for the later of (i) a period ending on the date which is five (5) years from the First Closing or (ii) until the last Unit of the one hundred twenty four (124) Units offered for sale under this Offering Plan is sold and closed and Sponsor has the right to control the Board of Directors of the Association until the date on the date on which the last Unit in the Community is transferred to a Unit Owner by either the Phase I Owner or the Phase II Owner, the Association Common Areas are completed and all municipal requirements have been satisfied. Notwithstanding the foregoing, Sponsor may voluntarily relinquish such right prior to the expiration of either period.

During the period ending on the date which is five (5) years from the First Closing, Sponsor could control the Board of Managers of the Condominium notwithstanding the fact that Sponsor no longer owns Units. Notwithstanding the foregoing, Sponsor reserves the right to relinquish and regain voting control of the Board of Managers of the Condominium at any time.

A meeting of the Unit Owners of the Condominium will be held upon the sale of at least 50% of the Units in the Condominium.

The By-Laws do not include a provision that after Sponsor Control Period a majority of the Board of Managers must be Owner-Occupants or members of an Owner-Occupant's household who are unrelated to Sponsor or its principals.

In the event that Sponsor has voluntarily relinquished control of the Board before the sale of 75% of the Unit or before five years from the Closing of the First Unit, whichever occurs first, the, Sponsor may still exercise veto power over expenses other than those described in Schedule "B" and which are not required to comply with applicable laws or regulations or required to remedy any notice of violation, or required to remedy any work order by an insurer. During this period Sponsor will have control of maintenance, facilities and services to be provided to Unit Owners and Sponsor will determine the Common Charges to be paid by all Unit Owners, including Sponsor and will also have control over the enforcement of Sponsor's obligations. During this period, Sponsor will have the right to control all decisions including but not limited to the determination of Common Expenses, management of the Condominium, hiring and terminating of employees of the Condominium, the placing of easements on the property and making improvements to Common Elements. During the aforesaid five (5) years after the Closing to the First Unit or whenever the Unsold Units constitute less than twenty-five (25%) percent of the Common Interest, whichever is sooner, the Board of Managers may not, without Sponsor's prior written consent (i) make any additions, alterations or improvements to the Common Elements or to any Unit costing cumulatively more than \$5,000, the foregoing not to include necessary repairs and maintenance work; or (ii) assess any Common Charges for the creation of, addition to

or replacement of all or part of a reserve, contingency or surplus fund in excess-of the reserve for contingencies provided in Schedule B; or (iii) hire any employee in addition to the employees referred to in the Plan; or (iv) enter into any contracts not in existence on the date of the First Closing to a Unit; or (v) borrow money on behalf of the Condominium; or (vi) reduce the services or maintenance set forth in Schedule B; (vii) charge any special Assessment for a non-budgeted item unless required by law, municipal agency, emergency or for the health and safety of the Condominium; or (viii) increase the Common Charges of the Condominium more than ten (10%) from the prior year's budget, unless documentation is provided to Sponsor in the nature of a financial statement, bids from contractors or verified increases in utility rates evidencing the need for an increase greater than ten (10%) percent; or (ix) utilize Condominium funds or assess Sponsor in order to commence a lawsuit against Sponsor or its principals.

Purchasers should also note that during the period of time that Sponsor retains a majority of the Board of Managers, the Unit Owners individually will be unable to enforce Sponsor's obligations to the Condominium. Such obligations may, however, be enforced by the Board of Managers only if Sponsor allows the Board of Managers to enforce its obligations against Sponsor.

Sponsor shall retain the right to substitute other persons in place of the initially designated Board of Managers which will consist of Scott Rechler, Frank Haftel, Esq. and Joseph Graziose all of whom are affiliated with Sponsor and each having a business address located at 625 RXR Plaza, Uniondale, New York 11556. Frank Haftel, Esq. and Joseph Graziose are employed by RXR Realty LLC and/or their affiliates. Mr. Haftel and Mr. Graziose have a business relationship with the Sponsor, as employees of RXR Realty LLC and/or their affiliates. Mr. Haftel and Mr. Graziose have been associated with Sponsor's principal, Scott Rechler, as employees of companies owned by and/or associated with Sponsor's principal, Scott Rechler.

Sponsor shall retain the right to substitute other persons in place of the initially designated Board of Directors which will consist of Scott Rechler, David Frank, Esq. and Frank Adipietro all of whom are affiliated with Sponsor and each having a business address located at 625 RXR Plaza, Uniondale, New York 11556. David Frank, Esq. and Frank Adipietro are employed by RXR Realty LLC and/or their affiliates. Mr. Frank and Mr. Adipietro have a business relationship with the Sponsor, as employees of RXR Realty LLC and/or their affiliates. Mr. Frank and Mr. Adipietro have been associated with Sponsor's principal, Scott Rechler, as employees of companies owned by and/or associated with Sponsor's principal, Scott Rechler.

Sponsor shall retain the right to substitute other persons in the place of Scott Rechler, Frank Haftel, Esq. and Joseph Graziose on the Board of Managers and Scott Rechler, David Frank, Esq. and Frank Adipietro on the Board of Directors, all of whom are affiliated as employees of Sponsor affiliated entities. Scott Rechler is a principal of Sponsor and has a business address located at 625 RXR Plaza, Uniondale, New York 11556. Uniondale, New York 11556. Scott Rechler is the Authorized Person of RXR North Hills Phase I Owner LLC. Mr. Rechler is a principal of RXR Co Realty LLC, ("RXR"). Mr. Rechler has been in the ownership, management, development and sale of real estate since the 1990's. (See also Section "Z" – Identity of Parties).

The first Board of Managers will call for the First Annual Meeting of the Unit Owners to elect two non-Sponsor Board Members upon the sale of at least 50% of the Units in the Condominium; Sponsor will retain three (3) Board Member seats. Sponsor will continue to hold annual meetings during the period it controls the Board of Managers. Said Board will consist of Sponsor designees and elected Unit Owners. Sponsor will relinquish control of the Board of Managers of the Condominium at the later of (a) the sale of all of the one hundred twenty four (124) Units or (b) five (5) years from the Closing to the First Unit offered for sale under this Offering Plan.

Upon the election and designation of the new Board of Managers, the Members of the first Board of Managers will resign.

Members of the Board of Managers shall not be compensated for their services.

Members of the Board of Managers may be removed for cause by an affirmative vote of a majority of the Unit Owners. Officers of the Condominium may be removed with or without cause, at anytime, by the affirmative vote of a majority of the whole Board of Managers of the Condominium.

So long as Sponsor owns even one (1) Unit of the one hundred twenty four (124) Units in the Condominium, for however long it may choose to retain ownership of even one Unit, financial and other decisions of the Board of Managers will be decided by Sponsor.

The detailed provisions for the management of the Condominium are set forth in the By-Laws set forth in this Offering Plan. The By-Laws contain provisions, among others, dealing with the election of the Board of Managers and Condominium officers, powers of the Board of Managers, voting rights of Unit Owners, assessment of Common Charges, foreclosure of liens for non-payment of Common Charges, management of the Condominium and the use of the Units. The By-Laws provide that the Condominium shall be governed by the Board of Managers, but that the Board of Managers shall have the right to designate committees or a manager to carry out such function.

Notwithstanding the above, many of the functions of operating the Condominium have been transferred to and become the responsibility of The Residences, North Hills Homeowners Association, Inc. See Part I, Section "D-1" of the Offering Plan as to the Association obligations. In the event the Association fails to meet its obligations, then it shall be the responsibility of the Board of Managers of the Condominium to do so.

The Homeowners Association

There is no limit on the length of time that Sponsor may control the Board of Directors of the Association. All Units to be constructed on the Property includes all units in the two condominium organizations that may ultimately be brought into the Association, including all 244 units now anticipated. Sponsor has the right to control the Board of Directors of the Association for the period from the date of the Declaration of Covenants, Restrictions, Easements, Charges and Liens until the date on the date on which the last Unit in the Community is transferred to a Unit Owner by either the Phase I Owner or the Phase II Owner, the Association Common Areas are completed and all municipal requirements have been satisfied.

Sponsor will relinquish control of the Board of Directors of the Association upon the expiration of the Association Control Period.

In the event that Sponsor voluntarily relinquishes control of the Board of Directors before the expiration of the Association Control Period (which relinquishment of control may be revoked at any time) Sponsor reserves the right to veto any expenses other than those described in Schedule "B-1", or other than those expenses required: (i) to comply with applicable laws or regulations; or (ii) to remedy any notice of violation; or (iii) to remedy any work order by an insurer.

Purchasers should also note that during the period of time that Sponsor retains a majority of the Board of Directors, the Homeowners individually will be unable to enforce Sponsor's obligations to the Association. Such obligations may, however, be enforced by the Board of Directors only if Sponsor allows the Board of Directors to enforce its obligations against Sponsor.

The first Board of Directors of the Association will be Scott Rechler, David Frank, Esq. and Frank Adipietro, all of whom are affiliated with Sponsor. Scott Rechler is a principal of Sponsor. Class 1 shall have six (6) members on the Board of Directors, three (3) of which shall be designated by the Phase I Owner and three (3) of which shall be designated by the Phase II Owner. The Phase I Owner may collaterally assign its Class 1 membership interest in the Association to the Phase I Lender and the Phase II Owner may collaterally assign its membership interest in the Association to the Phase II Lender, in each case for so long as the mortgage loan to the Phase I Owner or the Phase II Owner, as the case may be, remains unpaid.

Class 2 Members:

After the Association Control Period, there shall be a total of six (6) directors elected by Class 2 Members on the Board of Directors. Each purchaser of a Unit in the Phase I Condominium and each purchaser of a Condominium Unit in the Phase II Condominium shall be a Class 2 Member.

The Board of Directors shall consist of six (6) members designated by the Class 1 Members until the first Annual Meeting of the Members of the Association, which shall take place within thirty (30) days after the end of the Association Control Period. Thereafter, the Board of Directors shall consist of six (6) members elected by the Class 2 Members on the following basis:

c. The owner of each Unit in the Community shall be a Member of the Association, whether such ownership is joint, in common or as tenants by the entirety;

d. Each Member is entitled to one vote. When more than one person or entity holds an interest in a Unit, the one vote attributable to such Unit shall be exercised as such persons mutually determine, and not more than one vote may be cast with respect to any unit.

Association Member Voting Rights:

respectively, retained in accordance with the by-laws of the Association. Members of the Board of Directors shall not be compensated for their services.

Members of the Board of Directors may be removed for cause by an affirmative vote of a majority of the Members. Officers of the Association may be removed with or without cause, at anytime, by the affirmative vote of a majority of the whole Board of Directors. If a member is removed, then the Board of Directors shall elect a new member to serve on the Board of Directors. Until such time as Sponsor and the Phase II Owner have developed the two hundred forty four (244) Units anticipated to be developed on the Property (if the Phase II Owner ultimately develops units on the Property), financial and other decisions of the Board of Directors will be decided by Sponsor and the Phase II Owner. The detailed provisions for the management of the Association are set forth in the Association by-laws set forth in this Offering Plan. The Association by-laws contain provisions, among others, dealing with the election of the Board of Directors and Association officers, powers of the Board of Directors, voting rights of Unit Owners, assessment of Association Common Maintenance Charges and management of the Association. The Association by-laws provide that the Members shall be governed by the Board of Directors, but that the Board of Directors shall have the right to designate committees or a manager to carry out such function.

R. BOARD OF MANAGERS

The following is a summary of certain provisions of the By-Laws and Declaration which are set forth in Part II of this Offering Plan.

Board of Managers

The affairs of the Condominium shall be governed by a Board of Managers the "Board"). Until the first annual meeting the first Board shall consist of three (3) Managers designated by Sponsor and will consist of Scott Rechler who is a principal of Sponsor, Frank Haftel, Esq. and Joseph Graziose whom are affiliated with Sponsor but are not principals of Sponsor. Frank Haftel, Esq. and Joseph Graziose are employed by RXR Realty LLC and/or their affiliates. Mr. Frank and Mr. Graziose have a business relationship with the Sponsor, as employees of RXR Realty LLC and/or their affiliates. Mr. Haftel and Mr. Graziose have been associated with Sponsor's principal, Scott Rechler, as employees of companies owned by and/or associated with Sponsor's principal, Scott Rechler.

Scott Rechler is the principal of Sponsor and has a business address located at 625 RXR Plaza, Uniondale, New York 11556.

Thereafter the Board of Managers shall consist of a total of five (5) members who shall be elected or designated for staggered terms. See Part I, Section "P" of the Offering Plan as to Sponsor's right to designate a majority of the Board of Managers until expiration of Sponsor Control Period.

The first annual meeting of the Board of Managers of the Condominium will take place within upon the sale of at least 50% of the condominium units in the Condominium. Thereafter, annual meetings shall be held on the anniversary date of each succeeding year, unless such date is changed by the Board of Managers.

The By-Laws do not require that the majority of the Board of Managers be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals after the end of Sponsor Control Period.

It shall be the duty of the President to call a special meeting of the Condominium, if so directed by the Board of Managers, or upon the presentation to the Secretary of a petition signed by a majority of the Homeowners. The Secretary shall cause a notice of such special meeting stating the time, place and object thereof and the officer or other person or persons by whom the meeting is called, to be delivered personally or mailed or sent by electronic mail if permitted by law, to each Unit Owner of the Condominium entitled to vote at such meeting not less than ten (10) nor more than thirty (30) days before such meeting. The date of the special meeting shall be determined by the Board of Managers and shall be held no later than sixty (60) days from receipt of any written request unless a later date is agreed to in writing by the

Unit Owners of the Condominium or the Board of Managers, requesting such meeting. No business other than that stated in such notice shall be transacted at such special meeting unless all Unit Owners of the Condominium are present in person or by proxy. See Part II, Section "MM" - By-Laws of the Condominium.

Notwithstanding the above, many of the functions of operating the Condominium may be transferred to and may become the responsibility of the Association. See Part I, Section "D-1" of the Plan as to the Association obligations. In the event the Association fails to meet its obligations, then it shall be the responsibility of the Board of Managers of the Condominium to do so.

Each Unit Owner will be entitled to cast one vote for each .0001% of Common Interest attributable to the Unit at elections of the Board of Managers of the Condominium. All members of the Board of Managers other than designees or nominees of Sponsor shall be Unit Owners and shall be elected by the Unit Owners. At the expiration of the initial term of office of each respective member of the Board of Managers, his or her successor shall be elected to serve a term of three (3) years. Elections are to be held annually.

Removal of Members of the Board of Managers

Managers may be removed for cause by an affirmative vote of a majority of the Unit Owners. No manager other than a Member of the first Board of Managers or Sponsors designees or nominees shall continue to serve on the Board if, during his term of office, he shall cease to be a Unit Owner. In the event a Sponsor designee is removed for cause, Sponsor shall have the sole right to designate a replacement.

Powers and Duties of Board of Managers

The property and business of the Condominium shall be managed by its Board of Managers. The powers of the Board of Managers include, but are not limited to, the following items:

1. To determine and levy monthly Assessments ("Common Charges") to cover the cost of Common Expenses, payable in advance;
2. To collect, use, and expend the Assessments collected to maintain, care for and preserve the Units, Buildings, and other Common Elements;
3. To make repairs, restore or alter any Unit or the Common Elements after damage or destruction by fire or other casualty or as a result of condemnation or eminent domain proceedings;
4. To enter into and upon the Units when necessary and at as little inconvenience to the Unit Owners as possible in connection with the maintenance, care and preservation of the property. No notice is required to gain access for repairs. Any

repairs required as the result of negligence of the Unit Owner will be at the expense of the Unit Owner;

5. To insure and keep insured the Common Elements and Units;

6. To collect delinquent Assessments by suit or otherwise, to abate nuisances and to enjoin or seek damages from the Unit Owners of the property for violations of the house rules or rules and regulations herein referred to;

7. To make reasonable rules and regulations;

8. To employ and terminate the employment of employees and independent contractors and to purchase supplies and equipment, to enter into contracts, and generally to have the powers of a manager in connection with the matters hereinabove set forth;

9. To bring and defend actions by or against more than one Unit Owner and pertinent to the operation of the Condominium and to levy special Assessments to pay for the cost of such litigation;

10. To acquire Units in foreclosure or as a result of abandonment and to take any or all steps necessary to repair or renovate any Unit so acquired and to vote as a Unit Owner, offer such Unit for sale or lease or take any other steps regarding such Unit as shall be deemed proper by the Board of Managers;

11. To make additions, alterations, or improvements to the Common Elements of the Condominium, the cost of which addition, alteration, or improvement does not exceed \$50,000. The Board of Managers may make additions, alterations or improvements to the Common Elements costing in excess of \$50,000 only with the approval of a majority of the Unit Owners. While Sponsor is in control of the Board of Managers, the Board may make additions, alterations, or improvements to the Common Elements costing in excess of \$100,000, or enter into service or maintenance contracts, the duration of which will extend more than one year after Sponsor loses control of the Board of Managers, only with the approval of a majority of the Homeowners, excluding Sponsor, voting at a duly held meeting of the Homeowners;

12. To borrow money on behalf of the Condominium when required in connection with the operation, care, upkeep and maintenance of the Common Elements, provided, however, that (i) the consent of at least sixty-six and two-thirds (66-2/3%) percent in number of all Homeowners, obtained at a meeting duly called and held for such purpose in accordance with the provisions of these By-Laws, shall be required for the borrowing of any sum in excess of \$50,000 and (ii) no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interest in the Common Elements without the written consent of the Owners of said Unit;

13. Pursuant to Section 339-y(4) of the New York Real Property Law, the Board of Managers may (but is not obligated to) act as an agent for one or more Unit Owners who have given their written authorization to file a single complaint and bring a special proceeding on behalf of Unit Owners who wish to contest the real estate tax Assessments of the Unit Owner's Unit. In such event, the Board could retain counsel on behalf of such Unit Owners and charge each Unit Owner for whom it is acting a pro rata share of expenses, disbursements and legal fees, the payment for which would be secured by a lien on each Unit;

14. To grant utility or other easements over, or to the Common Elements as may, at any time, be required for the benefit of the Condominium and the Unit Owners without the necessity of the consent thereto, or joinder therein, by the Unit Owners or any mortgagee (except that if the granting of such easement impairs the ability of one or more Unit Owners who have the right to use such Common Elements to the exclusion of any other Unit Owners, the consent of all such affected Unit Owners shall be required in writing before such easement shall be granted); and

15. To enter into a management agreement and to assign to such manager any and all of its duties and powers which are permitted to be assigned under New York State Law.

Purchasers should note that some of the duties of the Board of Managers of the Condominium may have be transferred to and become the responsibility of the Board of Directors of the Association. See Part I, Section "D-1" of the Offering Plan. In the event the Association fails to meet said obligations then it shall be the responsibility of the Board of Managers to do so.

Liability of Board of Managers and Unit Owners

In order to limit the liability of the Unit Owners, any contract, agreement or commitment made by the Board of Managers or Officers of the Condominium shall state that it is made by the Board of Managers as agent for the Unit Owners as a group only and that no member of the Board of Managers or Officers of the Condominium nor individual Unit Owner shall be liable for such contract, agreement or commitment except that every Unit Owner shall be liable to the extent that his proportionate interest in the Common Elements bears to the total liability under such commitment. The Board of Managers and officers of the Condominium shall have no liability to the Unit Owners in the management of the Condominium except for willful misconduct or bad faith and the Unit Owners shall severally indemnify all members of the Board of Managers against any liabilities or claims arising from acts taken by a member of the Board of Managers in accordance with his duties except acts of willful misconduct or acts made in bad faith. Such several liability of the Unit Owners shall, however, be limited to the extent that his, proportionate interest in the Common Elements bears to the total liability of the member of the Board of Managers.

The remainder of this page is intentionally left blank.

Indemnification of Board of Managers

The Unit Owners of the Condominium shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provision of the Declaration or of the By-Laws. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium (except as Unit Owners). In the event a member of the Board of Managers acts in bad faith or contrary to the provisions of the Declaration or By-Laws, the individual Board Member may be personally liable.

Officers

The officers of the Condominium shall be chosen by the Board of Managers and shall be a President, a Vice President, a Secretary and a Treasurer. The Board of Managers may also, choose one (1) or more Assistant Secretaries and Assistant Treasurers and such other officers as in their judgment may be necessary. All officers must be Unit Owners or Members of the Board of Managers. Two (2) or more offices may be held by the same person, except for the President who can only hold the office of President.

All Board Members serve without compensation.

The President shall be the chief executive officer of the Condominium, shall preside at all meetings, shall have general and active management of the business of the Condominium and shall see that all orders and resolutions of the Board are carried into effect.

The Vice President shall take the place of the President and perform his duties whenever the President is unable to do so.

The Secretary shall record all votes and the minutes of all proceedings in a book.

The Treasurer shall have the custody of the Condominium funds and securities and shall keep full and accurate chronological accounts of receipts and disbursements in books belonging to the Condominium including the vouchers for such disbursements, and shall deposit all monies and other valuable effects in the name and to the credit of the Condominium such depositories as may be designated by the Board of Managers.

The Treasurer shall disburse the funds of the Condominium.

The Treasurer shall keep detailed financial records and books of account of the Condominium, including a separate account for each Unit which, among other things, shall contain the amount of each Assessment of Common Charges against such Unit, the date when due, the amounts paid thereon and the balance remaining unpaid.

Repairs, Alterations and Improvements to Common Elements

All maintenance, repairs and replacements to the Common Elements of the property including but not limited to exterior walls of the Buildings, roof and roof members as well as all maintenance, repairs and replacements to any pipes, wires, conduits and public utility lines, any portion of which is located in one Unit and services another Unit or more than one Unit or so much of any pipes, wires, conduits and public utility lines as are located in the Common Elements but serve one or more Units shall be made by the Board of Managers and the cost thereof shall be a Common Expense. Minor repairs and general cleaning of any Limited Common Element that is appurtenant to a Unit shall be the sole responsibility of the Unit Owner. Snow removal from any balcony, terrace or private patio appurtenant to a Unit shall also be the responsibility of each Unit Owner. All other costs associated with the Limited Common Elements shall be the responsibility of The Residences, North Hills Homeowners Association, Inc. and said costs shall be a Common Maintenance Charge of the Association. The Board of Managers shall repair all plumbing stoppages and electrical repairs occurring in the Common Elements. The Board of Managers shall have a right of access to any Unit and to all portions of the Common Elements for the purpose of carrying out any of its obligations under this Offering Plan, the By-Laws or the Declaration of the Condominium.

Some or all of the above services and obligations of the Board of Managers may be provided by The Residences, North Hills Homeowners Association, Inc. In such an event, the Condominium shall only be responsible for such services in the event the Association fails to provide such services.

Restoration or Reconstruction After Fire or Other Casualty

In the event of damage to or destruction of the Buildings as a result of fire or other casualty, the Board of Managers shall arrange for the prompt repair and restoration of the Building and the Board of Managers or the Insurance Trustee shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a Common Expense and the Board of Managers may assess all the Unit Owners for such deficit as part of the Common Charges.

If seventy-five (75%) percent or more of the Units are destroyed or substantially damaged and seventy-five (75%) percent or more of the Unit Owners do not resolve to proceed with repair or restoration, the Property shall be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common in which event the net proceeds of sale, together with the net proceed of insurance policies shall be divided by the Board of Managers or the Insurance Trustee, as the case may be, among all the Unit Owners in proportion to their respective Common Interests, after first paying out of

the share of each Unit Owner the amount of any unpaid liens on his Unit, in the order of the priority of such liens.

Insurance

The Board of Managers shall obtain and maintain, to the extent obtainable, fire insurance with extended coverage, water damage, vandalism and malicious mischief endorsements insuring the Buildings, including all of the Units and the bathroom, kitchen and laundry equipment initially installed therein by Sponsor, together with all heating, air conditioning equipment and other service machinery contained therein, covering the interest of the Condominium, the Board of Managers and all Unit Owners and their mortgagees, as interest may appear, in an amount equal to the full replacement value of the Buildings. Each of such policies shall contain a New York Standard Mortgagee clause in favor of each mortgagee of a Unit which shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee hereinafter set forth and such other insurance as the Board of Managers may determine.

Reports to Unit Owners

All Unit Owners will receive within five (5) months of the end of each fiscal year, copies of an annual report of the Condominium including a balance sheet and profit and loss statement prepared by an independent public accountant, a statement regarding any taxable income attributable to the Unit Owners, and a notice of the holding of the annual Unit Owners meeting. All Unit Owners shall be entitled to examine the books and records of the Condominium on reasonable notice to the Board but not more often than once a month. During such time as Sponsor retains a majority of the Board of Managers, the Board shall provide an audited financial statement at the cost of the Condominium.

Amendments

The Declaration may be amended upon a vote of sixty-six and two-thirds (66-2/3%) percent of the Unit Owners in number held at a duly called meeting of the Unit Owners, provided however, that:

No amendment shall change any Condominium parcel, nor a Unit Owner's proportionate share of the Common Charges, nor the voting rights appurtenant to any Unit, unless all of the record Owners in number and Common Interest thereof and the first mortgagees, if any, of each of these same Units agree to such revocation by recorded instrument.

No amendment shall be passed which shall impair or prejudice the rights and priorities of mortgagees or Sponsor.

The By-Laws may be amended at any duly called Unit Owners meeting; provided that:

(i) the notice of the meeting shall contain a full statement of the proposed amendment;

(ii) the amendment shall be approved by sixty-six and two thirds percent (66 2/3%) of the Unit Owners in number and Common Interest; and

(iii) said amendment shall be set forth in a duly recorded amendment to the Declaration.

No amendment to the Declaration or By-Laws shall be passed which would affect or impair the validity or priority of the Unit Owners interest and the interests of holders of a mortgage encumbering a Unit or Units. No amendment to the Declaration or By-Laws shall be passed which would impair or prejudice the rights and priorities of mortgagees or Sponsor.

Units Acquired By the Board of Managers

All Units which are acquired by the Board of Managers, or its designee, as a result of foreclosure of a lien for non-payment of Common Charges, shall be held by the Board on behalf of all Unit Owners. The percentage of Common Interest acquired by the Board shall remain as originally designated in Schedule A of the Offering Plan and the Declaration of Condominium and the Board shall be responsible for paying all Common Charges appurtenant to said Unit. The Board shall be entitled to cast all votes that are appurtenant to said Units at any Unit Owners meeting for all purposes except for the election of members to the Board of Managers. In such an event they shall not cast any votes appurtenant to said Units for the election of members to the Board of Managers.

Termination of Condominium

This property shall not be withdrawn from the provisions of Article 9-B of the Real Property Law unless at least eighty (80%) percent of the Unit Owners in number and in Common Interest and the first mortgagees, if any, of these same Units agree to the withdrawal of this property from the provisions of such Article. Sponsor or its nominee will not cast any of its votes for withdrawal, unless eighty (80%) percent of Unit Owners other than Sponsor so vote.

Covenant Against Partition of Common Elements

The Common Elements are not subject to partition nor are they severable from the Units except in accordance with the Real Property Law.

S. RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND THE BOARD OF MANAGERS

(1) Sale or Lease of Unit; Right of First Refusal of Board of Managers

Any Unit Owner shall have the right to sell the Unit Owner's Unit without restriction. Notwithstanding the foregoing, prior to the closing of title to a Unit, the Purchase Agreement prohibits a contract vendee from listing the Unit for resale or rental with any broker or from advertising or otherwise offering, promoting or publicizing the availability of a Unit for sale or lease, without Sponsor's prior written consent, which consent may be withheld in Sponsor's sole discretion. In addition, a Purchaser may not advertise, list or sell, without Sponsor's prior written consent, which consent may be withheld in Sponsor's sole discretion, except for hardship conditions of Purchaser, a Unit acquired from Sponsor for twelve (12) months after acquisition of such Unit (provided however, such limitation shall not apply from and after the date that Sponsor conveys title to all of the Units). Any such conveyances in violation of the foregoing will be voidable by Sponsor.

Notwithstanding anything contained in this offering plan, no Unit may be sold to, leased by or occupied by any individual who is required to be registered pursuant to the New York State Sex Offender Registration Act, or any federal or state laws similar thereto, or who is deemed a sex offender, sexually violent offender, predicate sex offender and/or sexual predator by any court or any Governmental Authority.

The Board of Managers has no right of first refusal.

FOR THE PROPOSED LEASING OF A CONDOMINIUM UNIT BY A UNIT OWNER:

All leases are to provide and be subject to the following:

Every lease on every Unit in the Condominium, will be subject to the following rules and regulations:

- (1) the lease must be in writing;
- (2) the lease must be for the entire Unit;
- (3) the lease must be for a minimum of six (6) months.
- (4) the use of the leased Unit is subject to the Declaration and the By-Laws and the Declaration of Covenants, Restrictions, Easements, Charges and Liens and by-laws of The Residences, North Hills Homeowners Association, Inc. and the rules and regulations of the Community;
- (5) within thirty (30) days of occupancy by the tenant, the name and telephone number of the tenant, together with a clear and complete copy of the lease, must be furnished to the Manager or if no Manager to a member of the Board of Managers;
- (6) within forty-five (45) days of any renewal of a lease of a tenant, the name and telephone number of the tenant, together with a clear and complete copy of the

renewal lease, must be furnished to the Manager or if no Manager to the Board of Managers for review;

(7) the Unit cannot be used as a motel or hotel or otherwise for transient tenants.

If any Unit Owner (landlord) or tenant is in violation of any of the provisions of the applicable Declaration or By-Laws, or both, including any rules and regulations, the Board of Managers and/or the Board of Directors may commence an action or proceeding in its own name or in the name of the Unit Owner, or both, to have the tenant evicted or to recover damages, or both.

Unit Owners will be free, without restriction, to sell or lease their respective Units without first offering the Unit for sale or lease to, or obtaining the consent of the Board of Managers. Furthermore, a Unit Owner is free, without restriction, to make a gift of his Unit to anyone during his lifetime, to devise such Unit by will or pass such Unit by intestacy. No Unit can be sold, leased or in any way transferred apart from its appurtenant interest in the Common Elements.

Notwithstanding the foregoing, no Unit Owner may sell or lease his Unit if the Unit Owner is in arrears on payment of Common Charges or Association Common Maintenance Charges.

The Board of Managers may make further restrictions on or conditions to sale or lease of Units in the future consistent with the Declaration, By-Laws and applicable law.

Every Unit Owner shall be required to pay a processing fee of \$200 per transaction to the Board of Managers for the leasing of any Unit and for each renewal of any lease. The Association may charge a reasonable fee to tenants of Unit Owners for identification cards, automobile identification transponders, etc.

(2) Mortgaging of Units by Unit Owners

A Unit Owner may mortgage the Unit Owner's Unit at any time after the Unit Owner acquires title to the Unit in whatever amount and under whatever terms the Unit Owner can obtain. Any Unit Owner may upon the resale of the Unit Owner's Unit, grant a purchase money mortgage to a Purchaser of the Unit Owner's Unit. A Unit Owner may mortgage the Unit Owner's Unit only if all arrears for Common Charges and Association Common Maintenance Charges, if any, are paid in full at the closing of the mortgage.

(3) Common Charges, Condominium Special Assessments, Association Common Maintenance Charges and Association Special Assessments

The Board of Managers will prepare and furnish its budget to the Unit Owners and their mortgagee (upon request of mortgagee) annually. Based upon such budget

and any modification thereof approved by the Board of Managers, the Unit Owners will be charged for the cost of the operation of the Condominium in accordance with their interest in the Common Elements. Any Condominium Special Assessments will be charged to the Unit Owners in accordance with their interest in the Common Elements. The Common Charges assessed by the Board of Managers, in addition to the cost of repairing and maintaining the Common Elements, Condominium Special Assessments and other normal operational costs, may include, in the discretion of the Board of Managers, reserves, working capital and other sums necessary to carry on the affairs of the Condominium. In addition Common Charges may have to be increased as a result of Unit Owners not paying their Common Charges.

The estimate of Condominium and Association expenditures in Schedules A, B and B-1 were made by Sponsor and passed upon by Barnett Maller, licensed real estate broker. Although Sponsor is of the opinion that such estimates are accurate and reasonable, they are not intended and cannot be construed as an assurance of the actual expenses and are merely based upon information available at this time. Actual costs may be lesser or greater than as set forth herein.

It is presently anticipated that the Common Charges are to be used primarily to pay for fire and other casualty insurance on the Building and the Common Elements, public liability and property damage insurance, legal and accounting expenses, supplies and a maintenance reserve. The Common Charges do not include maintenance, repairs or decoration of interior of the Units or portions thereof, payments required pursuant to the terms of Unit Owners mortgages or real estate taxes covering the individual Units. Purchasers should refer to Part I, Section "D-1" and Schedule B-1 as to the Association Common Maintenance Charges and obligations that are the responsibility of The Residences, North Hills Homeowners Association, Inc.

The Common Charges which may be collected monthly by the Board of Managers and other costs of maintenance of the Units are set forth on Schedule A. See Schedule C for estimated heating and other utility costs for each model type Unit. Additional services which the Unit Owners may desire or other factors can increase these charges. The initial Board of Managers may commence the collection of Common Charges upon the Closing to the First Unit or at any subsequent date as in its sole discretion it may determine. Prior to the collection of Common Charges, Sponsor shall be obligated to provide all the services disclosed in the First Year's Budget at its sole expense. The Board's collection of Common Charges will be in an amount necessary to carry out the duties of the Board of Managers as is set forth in this Offering Plan and such Common Charges shall be paid by the Unit Owners and Sponsor as Owner of the Unsold Units in accordance with the Common Interest set forth herein. The Common Charges will initially be placed in an account in the name of the Board of Managers in a bank authorized to do business in the State of New York.

Where a Unit is damaged by casualty and the proceeds of insurance are not sufficient to cover the repair of the damage, the amount necessary to restore, the Unit over and above the proceeds from any fire insurance on the Units will be a Common

Charge to all Unit Owners. In order to protect the Unit Owner against the possibility of such Common Charges, the Board of Managers determines the amount of blanket casualty insurance covering all Units (the cost of such insurance is part of the Common Charges) and reviews the amount of such coverage annually.

Sponsor shall be liable for the Common Charges, Association Common Maintenance Charges, Condominium Special Assessments, real estate taxes and individual utility costs of all Units to which title has not been transferred to a Purchaser commencing when Common Charges are first charged by the Board of Managers. Once title has passed to a Purchaser, Purchaser shall be solely responsible for all costs associated with the Unit including but not limited to Common Charges, Association Common Maintenance Charges, any Condominium Special Assessments, real estate taxes and all individual utility costs.

Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on units in which Sponsor is more than 30 days in arrears of common charges while it is in control of the Board of Managers.

Under Section 339-z of the Real Property Law of the State of New York, the Board of Managers, on behalf of the Unit Owners, shall have a lien on each unit for the unpaid common charges thereof, together with interest thereon, prior to all other liens except only (i) liens for taxes on the unit in favor of any assessing unit, school district, special district, county or other taxing unit, (ii) all sums unpaid on a first mortgage of record, and (iii) all sums unpaid on a subordinate mortgage of record held by the New York job development authority, the New York state urban development corporation, the division of housing and community renewal, the housing trust fund corporation, the New York city housing development corporation, or in a city having a population of one million or more, the department of housing, preservation and development. Upon the sale or conveyance of a unit, such unpaid common charges shall be paid out of the sale proceeds or by the grantee. Any grantor or grantee of a unit shall be entitled to a statement from the manager or board of managers, setting forth the amount of the unpaid common charges accrued against the unit, and neither such grantor nor grantee shall be liable for, nor shall the unit conveyed be subject to a lien for, any unpaid common charges against such unit accrued prior to such conveyance in excess of the amount therein set forth.

Liens of the Association for unpaid Association Common Maintenance Charges are subordinate to the lien of the Board of Managers of the Condominium for Common Charges.

The Board of Managers of the Condominium will be responsible for the payment of Association Common Maintenance Charges by each Unit Owner of the Condominium that is delinquent in Association Common Maintenance Charges for more than thirty days. The Condominium is responsible for and the Board of Managers will pay, the Association for any unpaid Association Common Maintenance Charges of its Unit Owners and then such fees will be charged to a such delinquent Unit Owner as a Common Charge, and the total amount paid on behalf of such delinquent Unit Owner,

including unpaid Common Charges and unpaid Association Common Area Maintenance Charges may be included in a lien to be filed by the Board of Managers against such delinquent Unit Owner. Any amount paid by the Board of Managers of the Condominium to the Association on behalf of a delinquent Unit Owner shall be subject to a Lien by the Board of Managers against the Unit Owner and enforceable by the Board of Managers against the delinquent Unit Owner.

The Board of Managers may foreclose a lien in the same manner as a mortgage on real property or bring a separate action to collect the unpaid Common Charges and in doing so shall be entitled to recover all costs incurred including reasonable attorney's fees, costs, disbursements and interest at the rate of 18% per annum or the maximum interest rate permitted by law, whichever is less. The liability of each Unit Owner for the payment of Common Charges and Association Common Maintenance Charges, thereafter assessed against the Unit Owner's Unit shall terminate upon a sale, transfer or conveyance of such Unit in accordance with the provisions of the Declaration and By-Laws. Any Unit Owner may convey his, her or their Unit to the Board of Managers or its nominee, on behalf of all other Unit Owners, without any compensation and in accordance with the Declaration and By-Laws, and in such event the Unit Owner shall be exempt from any Common Charges thereafter assessed, but not relieved of the Unit Owner's obligation to pay the Unit Owner's mortgage. However a Unit Owner may not be exempt from liability.

Upon a resale, Purchaser of a Unit shall be liable for the payment of unpaid Common Charges and Association Common Maintenance Charges assessed against such Unit prior to the acquisition of such Unit by Purchaser, except that a mortgagee who acquires title to a Unit or a Purchaser at a foreclosure sale shall only be liable for unpaid Common Charges and Association Common Maintenance Charges for up to six months of unpaid Common Charges and Association Common Maintenance Charges and the Unit shall not be subject to a lien for the payment of Common Charges and/or Association Common Maintenance Charges assessed for an amount in excess of six months of unpaid Common Charges and Association Common Maintenance Charges prior to the acquisition of title to such Unit by the mortgagee or Purchaser at a foreclosure sale. In such event and in the event of a foreclosure by the Board of Managers of its lien on any Unit for unpaid Common Charges where the proceeds of the foreclosure sale are not sufficient for the payment of such unpaid Common Charges, the unpaid balance shall be charged to all Unit Owners as a Common Expense and the Board of Managers may commence an action against the prior Unit Owner for all unpaid Common Charges and Association Common Maintenance Charges.

During the period of time Sponsor retains a majority of the seats of the Board of Managers, Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on Units in which Sponsor is more than thirty (30) days in arrears of Common Charges.

Sponsor makes no representation or guaranty that any Unit Owner (other than Sponsor), any tenant, or the Condominium, will in fact comply with RPL §339-kk, and

Sponsor shall have no liability for their failure to do so. No representation is made about the tax effects of RPL §339-kk and all prospective Purchasers should review RPL §339-kk to determine its effect on their own situation.

New York State RPL §339-kk provides the following:

(a) For the purposes of this section, "non-occupying owner" shall mean a Unit owner in a Condominium who does not occupy the dwelling Unit.

(b) If a non-occupying owner rents any dwelling Unit to a rental tenant and then fails to make payments due for Common Charges, Assessments or late fees for such Unit within sixty days of the expiration of any grace period after they are due, upon notice in accordance with subdivision (c) of this section, all rental payments from the tenant shall be directly payable to the Condominium.

(c) If the Common Charges, Assessments or late fees due for any Unit have not been paid in full, within sixty days after the expiration of any grace period of the earliest due date, the Board of Managers shall provide written notice to the tenant and the non-occupying owner providing that, commencing immediately and until such time as all payments for Common Charges, Assessments or late fees are made current, all rental payments due subsequent to the issuance of such notice are to be made payable to the Condominium at the address listed on the notice. Where a majority of the Board of Managers has been elected by and from among the Unit Owners who are in occupancy, the Board of Managers may elect not to require that rental payments be made payable to the Condominium. At such time as payments for Common Charges, Assessments and late fees from the non-occupying owner are once again current, notice of such fact shall be given within three business days to the rental tenant and non-occupying owner. Thereafter all rental payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the association's claim to rental payments pursuant to this section shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the Board of Managers, which must be held within thirty days of the date that such Board receives notice that such owner seeks to dispute such claim.

(d) Nothing in this section shall limit any rights of Unit Owners or of the Board of Managers existing under any other law or agreement.

Repairs to Common Elements shall be the responsibility of the Board of Managers and the cost of such repairs shall be a Common Expense of the Condominium. Minor repairs and general cleaning of any Limited Common Element that is appurtenant to a Unit shall be the sole responsibility of the Unit Owner. Snow

removal of any balcony, terrace or private patio shall also be the responsibility of each Unit Owner. All other costs associated with the Limited Common Elements shall be the responsibility of the Board of Managers and said costs shall be a Common Expense of the Condominium. In the event alterations or improvements to a Unit affect the structural soundness of the Building in which the Unit is located, the Unit Owner must first obtain the written consent of the Board of Managers. All maintenance (including electrical repairs and plumbing stoppages in the Units, painting and decorating of the Units), repairs and replacements to the Units including windows⁵, skylights (if any) (except painting or maintenance of the exterior surface of windows and doors which open from a Unit, which are performed by the Association), repairs to the heating/air conditioning system, pipes, wires and conduits, located within and without the Unit and servicing the same Unit other than as set forth in the By-Laws, shall be made by the respective Unit Owner at their own expense.

In the event that the Unit Owner fails to make any repair or creates any condition which affects the Building in which the Unit Owner's Unit is located, the Common, Elements, the Limited Common Elements or any other Unit, the Board of Managers, may, upon notice given in accordance with the provisions of the By-Laws, make such repair or correct such condition and charge the Unit for the cost of such service.

In the event it becomes necessary for the Board of Managers to bring any lawsuit or other proceeding to enforce its right to make such repair or correct such condition or to collect any sum due on account thereof, the Board of Managers shall also be entitled to collect reasonable attorney's fees, costs and disbursements in connection with such suit or proceeding.

(5) Insurance

The Board of Managers shall obtain and maintain, to the extent obtainable, fire insurance with extended coverage, water damage, vandalism and malicious mischief endorsements insuring the Building, including all of the Units and the bathroom, kitchen and laundry equipment initially installed therein by Sponsor, together with all heating, air conditioning equipment and other service machinery contained therein, covering the interest of the Condominium, the Board of Managers and all Unit Owners and their mortgagees, as interest may appear, in an amount equal to the full replacement value of the Buildings. Each of such policies shall contain a New York Standard Mortgagee clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee hereinafter set forth; and such other insurance

In addition to the insurance set forth herein, each Unit Owner is required to maintain insurance for such Unit Owner's Unit as set forth in this Offering Plan.

The proceeds of all policies of physical damage insurance carried by the Board shall be payable to the Board of Managers in the event of a loss amounting to \$40,000 or less, and to the Insurance Trustee if the loss shall amount to more than \$40,000 to be applied for the purpose of repairing, restoring or rebuilding the Buildings unless otherwise determined by the Unit Owners, as hereinafter set forth.

All policies of physical damage insurance shall contain waivers of subrogation and of any reduction of pro-rata liability of the insurer as a result of any insurance carried by the Unit Owners or of the invalidity arising from any acts of the insured or any Unit Owners and shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days prior written notice to all of the insured, including all mortgagees of Units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums shall be delivered to all mortgagees of Units at least ten (10) days prior to expiration of the current policies.

The amount of fire insurance to be maintained on the Condominium upon the transfer of title to all Units and until the first meeting of the Board of Managers following the first annual meeting of the Unit Owners will be in the amount of at least \$70,000,000 for all one hundred twenty four (124) Condominium Units. The Board of Managers shall review the amount of fire insurance annually.

A New York bank or trust company shall be the Insurance Trustee unless or until replaced by a bank or trust company in the State of New York, designated by the Board of Managers. In the event that the Insurance Trustee shall resign or not qualify, the new Insurance Trustee shall also be a bank or trust company in the State of New York designated by the Board of Managers. The Insurance Trustee shall hold all proceeds of insurance policies in accordance with Section 254.4 of the Real Property Law.

The cost of all such insurance and the fees and expenses of the Insurance Trustee shall be paid by the Board of Managers and shall constitute a Common Expense. The Board of Managers shall also obtain and maintain, to the extent obtainable: (1) fidelity insurance covering all employees of the Condominium who handle Condominium funds; (2) Worker's Compensation insurance; and (3) in order to limit the liability of Unit Owners for personal injury and tort, commercial general liability insurance covering each Member of the Board of Managers and each Unit Owner, in such limits as the Board of Managers may deem proper. The Board of Managers shall review such limits once each year.

The commercial general liability insurance policy to be maintained until the first meeting of the Board of Managers following the first annual meeting of the Unit Owners will be a limit of \$1,000,000 per occurrence covering all claims for bodily injury and for property damage arising out of any one occurrence in the Common Elements.

Each Unit Owner is required to and must procure, obtain and maintain, at the Unit Owner's sole cost and expense the following insurances, which shall insure the Unit, vehicles owned by the Unit Owner, parking spaces and any storage bin, if licensed to the Unit Owner:

(a) Property and casualty insurance coverage on the Unit Owner's real property, including improvements and betterments, or personal property located within the boundaries of the Unit and elsewhere, such as within the Common Elements or Limited Common Elements areas. (b) General liability insurance for bodily injury and property damage in an amount of not less than One Million dollars (\$1,000,000) per occurrence.

Each insurance policy issued to a Unit Owner shall be without rights of subrogation against the Condominium, the Association and the Manager. All real property, including improvements and betterments, or personal property located within the boundaries of an Owner's Unit which is excluded from the coverage to be provided by the Condominium or Association shall be insured by the individual Unit Owner. The Condominium, the Association and the Manager shall not be responsible for any claims, losses, injuries or damages that result from the acts or omissions of the Unit Owners, their agents, invitees or guests that occur on the Common Elements or for claims, losses, injuries or damages that occur within the Unit when used, occupied or rented by the Unit Owner.

If the Unit Owner does not purchase, produce and maintain evidence of liability insurance required as set forth herein, the Board of Managers, in good faith, purchase the insurance coverage and charge the reasonable premium cost to the Unit Owner as an assessment to the Unit and Unit Owner covered by said insurance.

In no event shall the Board of Managers be liable to any person either with regard to its decision not to purchase the insurance, or with regard to the timing of its purchase of the insurance or the amounts or types of coverages obtained.

Each insurance policy issued to a Unit Owner providing such coverage shall be without rights of subrogation against the Condominium, the Association and the Manager. The Board of Managers, the Association and the Manager shall not be responsible, for any claims, losses, injuries or damages that result from the negligent acts or omissions of the Unit Owners, their agents, invitees or guests that occur on the Common Elements or Association Common Areas for claims, losses, injuries or damages, that occur within the Owner's Unit when used, occupied or rented by the Unit Owner.

All real or personal property located within the boundaries of the Units which is excluded from the coverage to be provided by the Condominium and/or Association shall be insured by the individual Unit Owner.

The insurance Sponsor will initially procure for the Condominium will contain officers and directors liability insurance and/or fidelity bond insurance.

The Board of Managers will arrange for repair of the Units in the event of casualty loss. In the event the insurance proceeds are not sufficient to cover the cost of repairs to the Units, the balance of the cost of such repairs will be assessed against all Unit Owners. For further provisions regarding repair or reconstruction of Units, after fire or, casualty and condemnation provisions see Part I, Section "MM" - By-Laws. In the event of a casualty loss, the Unit Owners will continue to pay the Common Charges on the Unit Owner's Unit.

Although there is no requirement for annual appraisals to ascertain whether the insurance coverage is adequate, such appraisals are required prior to renewal of any fire policy. See Schedule B for the estimated insurance costs of the Condominium.

THE CONDOMINIUM INSURANCE COVERAGE DOES NOT COVER FIRE AND LIABILITY INSURANCE FOR PURCHASER'S PERSONAL EFFECTS AND INTERIOR OF THE UNIT. PURCHASERS ARE ADVISED AND REQUIRED TO SECURE SUCH COVERAGE.

(6) Restriction on Occupancy and Use

Unit Owners may not lease any portion of a Unit less than the entire Unit. Purchasers are prohibited from listing his, her or their Unit for sale prior to the Closing of such Unit.

Prior to the closing of title to a Unit, the Purchase Agreement prohibits a contract vendee from listing the Unit for resale or rental with any broker or from advertising or otherwise offering, promoting or publicizing the availability of a Unit for sale or lease,

without Sponsor's prior written consent. In addition, a Purchaser may not advertise, list or sell, without Sponsor's prior written consent, which consent may be withheld in Sponsor's sole discretion, except for hardship conditions of Purchaser, a Unit acquired from Sponsor for twelve (12) months after acquisition of such Unit (provided however, such limitation shall not apply from and after the date that Sponsor conveys title to all of the Units). Any such conveyances in violation of the foregoing will be voidable by Sponsor.

Notwithstanding anything contained in this offering plan, no Unit may be sold to, leased by or occupied by any individual who is required to be registered pursuant to the New York State Sex Offender Registration Act, or any federal or state laws similar thereto, or who is deemed a sex offender, sexually violent offender, predicate sex offender and/or sexual predator by any court or any Governmental Authority.

Plantings on any balcony, terrace or private patio shall be contained in boxes of wood, lined with metal or other materials impervious to dampness and standing on supports at least two inches from the terrace or balcony surface, and, if adjoining a wall, at least three inches from such wall. Suitable weep holes shall be provided in the boxes to draw off water. In special locations, such as a corner abutting a parapet wall, plantings may be contained in masonry or hollow tile walls which shall be at least three inches from the parapet and flashing, with the floor of drainage tiles and suitable weep holes at the sides to draw off water. Such masonry planting beds shall not, however, rest directly upon the surface of such terrace or balcony, but shall stand on supports of at least two inches above such surface. It shall be the responsibility of the Unit Owner to maintain the containers in good condition, and the drainage tiles and weep holes in operating condition. Such Unit Owner shall pay the cost of any repairs rendered necessary, or damage caused, by such plantings.

(7). Pet Restrictions.

No animals, birds, or reptiles of any kind shall be raised, bred, or kept in any Unit or in the Common Elements or limited Common Elements, except that dogs, cats or other household pets, not to exceed two per Unit, without the written consent of the Board of Managers, may be kept in Units, subject to the rules and regulations adopted by the Board of Managers, provided, that they are not kept, bred or maintained for any Commercial purposes; and provided further that any such pet causing or creating a nuisance or unreasonable disturbance or noise shall be permanently removed from the property subject to these restrictions upon three (3) days written notice from the Board of Managers.

In no event shall any dog be permitted in any portion of the Common Elements and/or Association Common Areas unless carried or on a leash.

(8). Aesthetic Controls.

Painting of doors to the individual Units or any portion of the property outside of the Condominium Unit is prohibited.

All Unit Owners shall be obligated, regardless of the type of window treatments that they use, to provide for a white backing on the window treatment so that when the shades are down or the curtains are drawn closed, the effect from the outdoors is a visually harmonious white appearance.

(9). Business Restrictions.

Business or professional use is not permitted without the express written consent of the Board of Managers and must be permitted by zoning regulations. Sponsor may maintain an office in the Common Elements and the Association Common Areas while there is at least one Unit Unsold.

(10). Restrictions on Occupancy of Units Owned by Corporations, Partnerships or Fiduciaries.

Corporations, partnerships, fiduciaries and trusts may own Condominium Units provided that the use is for residential purposes only, and not for any business or non-residential purpose.

(11). Restrictions on Illegal or Offensive Uses.

The By-Laws contain the following use restrictions: No immoral, improper, offensive or unlawful use shall be made of the Community nor any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Unit Owners, their families, employees, guests and any permitted pets shall not use or permit the use of the Units, and Common Elements in any manner that would be illegal, disturbing or a nuisance to other Unit Owners. No resident shall put any advertisement, poster, or signs, including for-sale signs of any kind in or on the Community without the consent of the Board of Managers. It is prohibited to hang garments, rugs, etc. from the windows or from the buildings or to string clothes lines on or over the Common Elements or to use any of the Common Elements for storage. No Unit Owner shall paint the exterior surfaces of the windows, walls or doors opening out of his Unit.

(12). Restrictions on Guest Privileges.

A Unit Owner may not permit a guest to use the Unit for more than fourteen (14) consecutive days in the absence of the Unit Owner without the express written consent of the Board of Managers.

(13). Limitations on Utilization of Common Elements and Parking Facilities.

Common Elements may not be used for storage or loitering.

The interior roadways or Parking level of the Condominium shall not be used for storage or long-term parking of any boat, trailer, camper, bus, truck or commercial vehicle. Any such parking shall be subject, in addition, to any restriction due to zoning or local ordinance requirements. Any person parking illegally will be subject to their vehicle being towed and/or a fine.

Parking Spaces may only be used for the parking of passenger vehicles only currently registered automobiles, all of which must be validly registered with the Department of Motor Vehicles of any State of the United States of America. All vehicles must be passenger vehicles only.

At Closing, Unit Owners will be required to register their cars with the Board of Managers and the Association and will be required to notify the Board of Managers and the Association whenever a Unit Owner adds, replaces or removes any of the registered cars. A nominal fee may be charged by the Board of Managers or Board of Directors to a Unit Owner for registering any Unit Owner's vehicles and provide transponders and/or stickers used to enter the Community through the gatehouses.

(14). Limitations Contained in the Certificate of Occupancy and Zoning Regulations.

There are no known restrictions set forth in the Zoning Regulations to prohibit the use as contemplated for this Condominium. There are no known limitations in the Certificate of Occupancy which will be sought by Sponsor which would limit the use of the Condominium property other than as set forth in this Offering Plan.

There are no other material provisions in the Declaration or By-Laws, which significantly affect the rights and obligations of the Unit Owners or the Board of Managers.

T. REAL ESTATE TAXES

Pursuant to the New York State Condominium Act, real estate taxes applicable to each Unit will be separately assessed and taxed as a separate Lot and the Unit Owner will not be responsible for payment of or subject to any lien arising from nonpayment of taxes for another Unit.

The estimated monthly costs and charges to be incurred by the owner of each Unit in the first year in which the property will be fully subject to real estate taxes together with estimated Common Charges on each Unit and other carrying costs are set forth on Schedule A.

Real estate tax estimates are based upon a letter dated January 10, 2014, prepared by Cronin, Cronin, Harris & O'Brien, P.C., Attorneys at Law, 333 Earle Ovington Boulevard, Suite 820, Uniondale, New York 11553 who have estimated the real estate taxes for the Condominium Units once they are completed.

A copy of the Real Estate Tax Estimate letter prepared by Cronin, Cronin, Harris & O'Brien, P.C. follows this section.

In the event the Units have not been separately assessed for real estate tax purposes prior to the Closing to the First Unit, Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the Units in the Condominium for the six (6) month period following the First Closing. Thereafter, at each closing during said period, each Purchaser will reimburse Sponsor for the pro-rata amount paid on behalf of said Unit. In the event the actual Assessment is greater than the amount adjusted, Purchaser agrees to reimburse Sponsor after the closing to the extent of the actual Assessment. In the event the actual Assessment is less than the amount adjusted, Sponsor agrees to reimburse Purchaser after the closing to the extent of the actual Assessment.

Sponsor may however, place in escrow, in the name of Board of Managers, an amount equal to the real estate taxes attributable to the Unsold Units for such six (6) month period and may collect at each closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and Sponsor will be entitled to reimbursement from Unit Owners to the extent of the actual Assessment.

There are tax certiorari proceedings currently pending for the property. The pending proceedings are to seek to have the real estate assessed valuations and real estate taxes reduced as it is claimed that the real estate taxes are based on figures above the fair market value for the property as residential vacant land. Pursuant to the term of the By-Laws the Board of Managers is empowered to act as an agent for one (1) or more Unit Owners to file a single complaint and bring a special proceeding on behalf of Unit Owners who wish to contest the real estate tax Assessments of his, her or their

Unit pursuant to Section 339-y(4) of the New York Property Law. In such event, the Board could retain counsel on behalf of such Unit Owners and charge each Unit Owner for whom it is acting a pro rata share of expenses, disbursements and legal fees, the payment for which would be secured by a lien on each Unit. The Board of Managers is not obligated to perform such services and it is necessary to obtain the written authorization of the Unit Owners.

Unit Owners will not be responsible for the payment of, nor will they be subjected to, any lien arising from the non-payment of real estate taxes on other Units.

Sponsor anticipates that the real estate tax rate will vary in future years rather than remain constant. The estimates of projected real estate taxes in this Offering Plan have been prepared by Sponsor and cannot be construed as an assurance of the final tax costs, but are merely estimates based upon information available to Sponsor at this time. In no event will Sponsor or Sponsor's Counsel be liable to any Purchaser under this Plan, nor will any Purchaser have the right to rescind his Purchase Agreement, in the event the amount of the taxes differ from those projected.

Real Estate Taxes can be expected to increase substantially after the construction of the Condominium is completed as compared to the tax year prior to the completion of the construction of the Condominium.

Sponsor does not anticipate any significant delay in obtaining separate assessments of Real Estate Taxes for each Condominium Unit. It is anticipated that prior to each closing, the Real Estate Taxes will be apportioned to each Unit.

The assessing authority is Nassau County Department of Assessment who will assess School and County Taxes and the Village of North Hills who will assess Village Taxes.

The projected assessed valuation for the 2015/16 tax year for the Phase I Property is \$66,143. The projected tax rate for the 2015/16 tax year for the Phase I Property is \$569.023 per \$100 of assessed value for school taxes and \$252.472 per \$100 of assessed value for general taxes.

The projected assessed valuation for the 2016/17 tax year for the Phase I Property is \$236,791. The projected tax rate for the 2015/16 tax year for the Phase I Property is \$357.335 per \$100 of assessed value for school taxes and \$156.232 per \$100 of assessed value for general taxes.

The projected assessed valuation for the 2017/18 tax year for the Phase I Property is \$320,000. The projected tax rate for the 2017/18 tax year for the Phase I Property is \$375.202 per \$100 of assessed value for school taxes and \$164.044 per \$100 of assessed value for general taxes.

The tax assessment for each Unit may be allocated on a basis that differs from the allocation of common interests.

The anticipated Assessed Valuation and the anticipated Tax Rates are as follows are set forth in the letter dated January 10, 2014, prepared by Cronin, Cronin, Harris & O'Brien, P.C., Attorneys at Law, 333 Earle Ovington Boulevard, Suite 820, Uniondale, New York 11553 which follows this section.

The tax information and the letter provided by Cronin, Cronin, Harris & O'Brien, P.C. that follows this page will be updated by Amendment to provide then current taxes and tax rates prior to the First Closing.

HON. PHILIP BOYLE, OF COUNSEL

January 10, 2014

RE: The Residences, North Hills Condominiums
85-95 LIE South Service Road
Village of North Hills
Sec 8, Block A, Lots 892-896, 897B, 897C, 889 and 900

Gentlemen:

This is in response to your request for an opinion of the real estate assessments and taxes upon the completion of construction of a 244-unit luxury residential condominium project. This letter represents my opinion of a projection of real estate assessments and taxes for the first phase of construction which comprises lots 892 and 893. Lot 893 is scheduled to contain 64 units with an approximate total sellable square footage of 116,472. Lot 894 is scheduled to contain 60 units with an approximate total sellable square footage of 103,332.

The entire condominium project is planned to be situated in five (5) four-story residential buildings plus a clubhouse containing a gross building area of approximately 650,000 square feet. In addition, the project will contain a grade-level, climate-controlled parking garage, decorative landscaping, security fencing, two security gate houses, and a three-story clubhouse of approximately 20,000 square feet gross with an indoor and outdoor pool.

Lots 892 and 893 are projected to be completed by November 1, 2015.

Lots 894, 895 and 896 adjacent roadwork as well as landscaping is projected to be completed by November 1, 2018.

This letter is being sent to you with the express understanding that our firm assumes no liability for the projections presented herein. These projections are based on critical facts and figures that are subject to change by governmental agencies and market conditions. The following analysis is only our opinion presented for your assistance in preparation of your offering plan. In order to prepare this letter and the opinion set forth herein let us assert the facts on which we have relied.

We have considered the recent tax assessment history of the property, the cost of construction and the potential income for the completed structures. In addition, we have examined comparable properties in the Village of North Hills, as well as market conditions in the general area.

As further articulated and qualified below the projected estimated taxes for the projects is as follows:

Tax Year	Estimated AV	Taxes
2014/15	66,143	\$527,536
2015/16	66,143	\$543,361
2016/17	236,791	\$1,216,080
2017/18	320,000	1,725,587
2018/19	320,000	\$1,811,866

A. Underlying Presumptions to Real Estate Tax Projection

In projecting the real estate taxes the following presumptions have been made:

1. For purposes of projecting reasonable tax obligations, the entire project as described in the first three paragraphs of this letter is deemed to be completed as of November 1, 2015. Although as of the current date, Lots 894, 895, and 896 have later completion dates, as described in the chart immediately below, it is presumed that all five residential buildings as well as the clubhouse building will be completely constructed as of November 1, 2015. This presumption is being made for the sole purposes of projecting the real estate taxes. It is fully understood that actual construction on all parcels is not expected to be completed until October 2018. However, tax projections are based on November 1, 2015 completion date.

Tax Lot	New Condo Name	Units	Anticipated start of construction	Construction expected to be completed
895	1	40	1-May-17	31-Oct-18
894	2	40	1-May-17	31-Oct-18
893	3	64	1-Jan-14	31-Oct-15
892	4	60	1-Jan-14	31-Oct-15
896	5	40	1-May-17	31-Oct-18

2. That all 244 units and percent interest have been constructed as described in the first three paragraphs of this letter and as advised by the owners.
3. That the current tax laws remain in effect as they exist on the date of this writing. Additionally, it is presumed that all applicable laws that are scheduled to expire will do so within the statutorily mandated time frame.
4. Increases in tax rates for the county, town and school will occur in the normal course of events based on past history.
5. That pursuant to Executive Order No. 6-2010 signed by Nassau County Executive Edward Mangano on April 7, 2010, Nassau County will re-assess all parcels of real property on a four-year cyclical basis rather than on an annual basis. As a result, it is presumed that the assessed values of the property for the tax years 2013/14-2015/16 will not change.

B. Pre-Construction Assessment Status

Nassau County is defined as a "special assessing unit" under the Real Property Tax Law (RPTL) Article 18. Pursuant to RPTL Section §1801, all real property is divided into four classes for purposes of taxation. As of the writing of this opinion, the Department of Assessment has designated parcels which will serve as the site for the Project.

The total assessed value for the 2013/2014 and 2014/15 tax year is 66,143 with a total fair market value of \$26,457,200.

As of the date of this writing, the parcels currently exist as residential vacant land. The classification of these parcels was previously litigated and it was conceded by the County that these parcels should be classified as Class I. Nassau County will continue to classify the parcels as Class I until the project is substantially constructed. Based on construction projections provided to me, the project will not be substantially completed until the January 2, 2016 taxable status date. Thus, my analysis for the Pre-Construction Assessment of the property spans the tax years 2013/14, 2014/15 and 2015/16 and is based on a Class I classification of the respective parcels.

1. Estimated Class I School and General Tax Rate

Over the last two tax years, the North Hempstead School District #9 Class I School tax rate increase has ranged from +.73% to +3.39 and the Class I General tax rate has ranged from -3.69% to +2.67%, therefore we are projecting a 3% increase in both the School and general tax rates per annum.

Actual 2013/14 Class I School tax rate:	536.360
Projected 2014 Class I General tax rate:	237.980
Projected 2014/15 Class I School tax rate:	552.450
Projected 2015 Class I General tax rate:	245.119
Projected 2015/16 Class I School tax rate:	569.023

Total	821.495	543,361.43

* The tax rates applied assumes that the entire property is located within school district # NH7 and General Tax Code 839.

**These estimates are based on the classification and assessments found on the 2013/2014 final assessment roll. As described in detail below, § 6-24.1 of the Nassau County Administrative Code mandates that when construction takes place after the taxable status date, the Board of Assessors shall determine a new assessment, on the following taxable status date, which should account for the new construction. However, pursuant to the statute, § 6-24.1 of the Nassau County Administrative Code as well as RPTL § 523-b was set to expire on December 31, 2012. The New York State Legislature adopted an eighteen (18) month extender of these laws. Therefore, the § 6-24.1 mandate as well as RPTL § 523-b will continue to be in effect until June 30, 2014.

2. Estimated Village of North Hills Residential Tax Rate

Over the last three tax years, the Village of North Hills Residential tax rate increase has ranged from -13.76%% to -2.02, therefore a 5% overall increase will be estimated resulting in the following projected tax rates for the 2013/14 through 2015/16 tax year.

2012/13 Village tax rate:	0.0970/100
Projected 2013/14 Village tax rate:	0.1019/100

Village	0.1069	7,070.68

c) Tax Rates and Estimated Total Village Taxes for 2015/16 Tax Year

Estimated Assessed Value = \$66,143.

C. Tax Rates

The following tax rates apply to the years following reclassification of the property to Class II. As stated above, the County will most likely reclassify the property once 75% of the construction has been completed. At that time, the property will likely be taxed as Class II and fully operable.

We have been requested to project the real estate taxes upon completion of Condominium Three and Four. We are anticipating that the completed assessment will be reflected on the April 1, 2016 Final Assessment Roll in the 2016/2017 tax year. This will affect the November 2016 and April 2017 School Bill and the January and August 2017 General Bills and the May 2017 Village bill.

	Tax Rates	Estimated Total Village Taxes	The fiscal
Village	0.1123	7,427.85	

year covered by these tax bills are as follows:

- i. The school tax year runs from July 1st to June 30th – tax bills issued October and April.
- ii. The general tax year runs from January 1st to December 31st – tax bills issued January and August.
- iii. The Village tax year runs from June 1st to May 31st – tax bills issued May 30.

Tax rates have been projected based on past trends of current rates for Class II properties in all of the tax districts.

1. Tax Rates for all Lots except Lot 897B – Class 2

The project lies within two separate School Districts and General tax codes. Lots 892, 893, 894, 895, 896, 897C, 900 (see Exhibits A and B which includes the various units applicable to each of these lots) and lot 889 lie within North Hempstead School District #7, General Tax Code 839. Over the last four tax years, the Class II School tax rate increase has ranged from +1.84% to -6.81% and the Class II General tax rate decrease has ranged from -6.60% to -0%, therefore a stabilized tax rate will be estimated resulting in the following projected tax rates.

Projected 2016/17 Class 2 School tax rate: 290.706/100
Projected 2017 Class 2 General tax rate: 135.871/100

2. Tax Rates for Lot 897B-Class 2

Lot 897B lies within North Hempstead School District #9, General Tax Code 881. Over the last four tax years, the Class II School tax rate increase has ranged from +3.12% to -22.33% and the Class II General tax rate decrease has ranged from -6.47% to -3.45%, therefore a stabilized tax rate will be estimated resulting in the following projected tax rates.

Projected 2016/17 Class 2 School tax rate: 180.971/100
Projected 2017 Class 2 General tax rate: 160.957/100

3. Estimated Village of North Hills Residential Tax Rate

Over the last three tax years, the Village of North Hills Residential tax rate increase has ranged from -13.76% to -0%, therefore a 5% overall increase will be estimated resulting in the following projected tax rate for the 2013/14 tax year.

Projected 2016/17 Village tax rate: .1299/100

D. Interim Construction

As stated above in presumption 1, this opinion of real estate assessments and taxes for Condominiums Three and Four is based on a November 1, 2015 completion date.

According to the Real Property Tax Law, real property is taxed based on its actual condition as of the taxable status day. (RPTL §302) As described above, prior to construction, the property exists as residential vacant land and should be taxed as Class I property. Under the Nassau County Administrative Code § 6-24.1, when an assessment roll fails to reflect construction which occurred after the taxable status date applicable to such roll, but on or before the taxable status date applicable to the assessment roll for the following year, the Board of Assessors shall determine a new assessment. Such assessment is based on the value, use and condition of the property as of the January 2nd following the construction. However, the New York State Legislature enacted an 18 month extender to RPTL § 523-b through June 2015.

We have been advised that the construction for the Condominiums Three and Four will commence on or about January 1, 2014.

CRONIN, CRONIN, HARRIS & O'BRIEN, P.C.

We have been advised of the following schedule for the partial construction of the Vanderbilt Condominium.

- As of January 2, 2014, 0% is expected to be complete and thus will likely be taxed as Class I and residential vacant land.
- As of January 2, 2015, 50% is expected to be complete and thus will likely be taxed as Class I residential vacant land
- As of January 2, 2016, 100% is expected to be complete and thus will likely be reclassified to Class II and be taxed as fully constructed.

As stated above, Nassau County Administrative Code §6-24.1 was scheduled to expire on December 31, 2012 but was extended through June 2015. Thus, for the 2013/2014 tax year, the construction commenced on January 1, 2013 should be taxed as it exists on January 2, 2012 as 0% complete and therefore residential vacant land as listed above.

For the 2014/15 tax year, January 2, 2013 will serve as the taxable status date. On this date, the project's construction is expected to be 25% complete and according to the policy of the Board of Assessors, the property will continue to be taxed as residential vacant land.

January 2, 2014 will serve as the taxable status date for the 2015/16 tax year. The property will most likely be classified as Class II as soon as the project's construction is substantially completed.

Based on the schedule for partial construction of the Condominiums Three and Four listed above, the taxes levied during the interim construction will most likely be as follows:

Tax Year	Percentage Complete	Taxable Status Date	Estimated Assessed Value	School Tax Rate*	Estimated School Taxes	General Tax Rate*	Estimated General Taxes	Estimated Total Taxes
2014/15	0%	January 2, 2014	\$66,143	552.450	\$365,407.00	245.119	\$162,129.06	\$527,536.06
2015/16	50%	January 2, 2015	\$66,143	569.023	376,368.88	252.472	\$166,992.55	\$543,361.43
2016/2017**	100%	January 2, 2016	\$236,791	357.335	\$846,137.11	156.232	\$369,943.31	\$1,216,080.40
2017/18	100%	January 2, 2017	\$320,000	375.202	1,200,646.4	164.044	\$524,940.9	\$1,725,587.20

* The School and General Tax Rates applied here assume that the entire project is located within School District # NH7 and General Tax Code 839.

**As stated above, on the taxable status date for the 2016/2017 tax year, construction on the property will be 100% complete. Therefore, starting in the 2016/2017 year, the property will be classified as Class II property and will be taxed accordingly. The tax rates and assessed values for the 2016/2017 year in the chart above are based on Class II.

E. Real Estate Taxes Upon Completion of Construction

Under Article 18 of the Real Property Tax Law, the condominium and its attendant amenities shall be categorized as Class II property on the subsequent taxable status date after the substantial completion of construction of the Vanderbilt Condominium. For purposes of this letter and based on various timelines provided by the owner, the date of completion for the Condominiums Three and Four is estimated November 1, 2015.

After the completion of construction but before the parcels receive individual assessments based on their condominium status, the property will have tax obligations based on the assessment of the parcel as described above in the first three paragraphs of this letter.

Class II property is defined in §1802 as "all other residential property, which is not designated as class one, except hotels and motels and other similar commercial property." Condominiums do not conform with the criteria outlined in Class I and therefore are taxed under the definition of "other residential property."

Class II condominiums are entitled to be valued under an income approach under RPTL §581. *D.S. Alamo and Associates v. Commissioner of Finance, 71 N.Y.2d 340*. Therefore, in determining the Fair Market Value of the subject parcel for assessment purposes, the property will be valued as an income-producing property. Critical to this analysis is a projection of market rental income for each unit. For purposes of selecting a reasonable income stream, this office has consulted with Standard Valuation Services, Real Estate Appraisers to survey a reasonable income stream for the subject property and estimate a market value for taxation purposes.

Once the Condominium Three and Four is fully operable and individual units are sold each unit will be assessed and a tax will be levied on each unit. For purposes of projecting taxes upon completion of construction, pursuant to the owner's request, each unit's estimated tax burden will be based on a percentage of common interest in the project. This allocation of tax burden is used for projection purposes. The allocation of the percentage of each unit's common interest will be followed by amendment.

F. Common Areas

Judicial precedent has recognized that for purposes of taxation, residential condominium is the "fee ownership of the living space together with a proportionate undivided interest in the common areas or elements of the land and building." *Rutherman v. Pelcher 89 Misc 2d 560, 562 (NY Misc 1977)* By express definition under the Real Property Law Article 9-B § 339-g "each unit together with its common interest shall for all purposes constitute Real Property and under RPL §339-7 each unit is deemed a parcel subject to separate assessments."

Accordingly, the value of the common areas will be reflected in the Condominium Unit Assessment. These common areas will include the parking garage, the retention ponds, a 43,000 square foot clubhouse and the restaurant. Standard Valuation Service provided a separate estimate and an Assessed valuation for the Clubhouse. Each unit's respective interest in the Clubhouse has been calculated and apportioned among the units in Exhibit C, attached hereto.

After the units are separately assessed, each unit will be taxed as a separate tax lot for real estate tax purposes and the unit owner will not be responsible for the payment of, nor will the unit be subjected to, any lien arising from the non-payment of taxes on other units.

G. Real Estate Tax Projection for Various Units

As a Class II Property, RPTL § 581 dictates use of the Income Approach on a four-story structure. Standard Valuation Services, Real Estate Appraisers has provided a market value estimate of the entire property based on an Income Capitalization approach resulting in the projected assessments and real estate tax projections previously supplied to the owners of the property.

H. Applicable Exemption Upon Completion of Project

The New York State Tax Relief Program ("STAR") provides an exemption from school property taxes for owner-occupied primary residences. This state financed exemption is authorized by § 425 of the Real Property Tax Law. Therefore, if the condominium is the primary residence for an owner he or she may apply for the "STAR" exemption. However, exemptions such as Real Property Tax Law §421(a) do not apply to the subject condominiums because the property is not located in New York City. Rather the subject property is under the assessing authority of the Nassau County Department of Assessment as well as the Village of North Hills.

A taxpayer who is eligible for the STAR exemption will be partially exempt from school district taxes, as well as for any special ad valorem levies and special assessments. The amount of the basic exemption is \$30,000 subject to equalization and other adjustments. In my experience in Nassau County, these generally provide an exemption of approximately \$300 to \$400 per taxpayer.

Primary-residence owners that meet additional requirements are eligible to receive the "Enhanced" STAR exemption. To be eligible, all property owners must be 65 years of age or older, with incomes that do not exceed \$60,000 a year as amended annually according to the cost-of-living adjustment (COLA) used by the Social Security Administration. The office of Real Property Services has revised and promulgates the eligible income limit for each tax roll year. The amount of the enhanced exemption is \$50,000, subject to equalization and other adjustments.

All estimates are based on the current New York State Law and the facts as provided to our office. No closings are projected to occur prior to when the post-completion assessment is given to the building. The real estate tax projection does not take into account any exemptions that the property may receive. If the physical plans change, the applicable law may also change and the estimate of real estate taxes will no longer be valid.

DISCLAIMER: The foregoing represents our best opinion based upon the facts and figures given to us. Our opinion is based on the Real Property Tax Law, Nassau County Administrative Code as well as all applicable law as it exists on the date of this writing. Our opinion presumes that these laws remain unchanged and in effect. Additionally, all statutory provisions are presumed to sunset at the statutorily mandated time frame. The legal opinion contained herein is not meant to be a legal representation and or warrant. It represents our best estimate of what an assessment should be and not what an assessor may arbitrarily choose to place on the subject property, which, of course, is subsequently subject to a tax certiorari proceeding.

Very truly yours,

U. INCOME TAX DEDUCTIONS TO UNIT OWNERS AND TAX STATUS OF THE CONDOMINIUM

The following discussion of certain income tax consequences of the ownership of a Unit as a personal unit was prepared by Sponsor, based in part, upon the income tax opinion of Rosen Law LLC, 1010 Northern Boulevard, Suite 322, Great Neck, New York 11021, counsel to Sponsor, a copy of which is set forth in the Offering Plan.

ROSEN LAW LLC, IS COUNSEL TO SPONSOR AND NOT THE UNIT OWNERS. EACH PURCHASER SHOULD CONSULT PURCHASER'S OWN TAX COUNSEL AS TO THE TAX CONSEQUENCES OF THE UNIT OWNERSHIP UNDER THE PLAN.

Income Tax Deductions to Unit Owners

A Unit Owner will own the Condominium Unit which the Unit Owner Purchases and its appurtenant Common Elements in fee simple absolute and each Unit will be a separate tax lot for purposes of County, Town and School taxes and Assessments. As a result, a Unit Owner may be entitled to deduct for Federal and New York State income tax purposes, real estate taxes assessed against the Unit and paid by such owner as well as interest paid by the Unit Owner on certain mortgages made against the Unit. Generally, an individual Unit Owner may only deduct interest on debt incurred to acquire his principal residence or a designated secondary residence subject to certain limitations. Each Purchaser should consult with his or her own tax counsel, accountant or other financial advisor as to the tax consequences of the ownership of a Condominium Unit.

It is the opinion of Rosen Law LLC that a Unit Owner who uses the Unit as a personal residence will, under present Law, for Federal and New York State income tax purposes, be entitled to a deduction for mortgage interest and real estate taxes in the year paid in the case of cash basis taxpayers or accrued in the case of other taxpayers, subject to certain exceptions and limitations which are more particularly discussed in the Attorney's Income Tax Opinion. Purchasers should note that deductions, if applicable, may vary in the future due to changes in the interest rate or the Unit Owner's mortgage or from changes in the allocation of the constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assessed value, the tax rate or the method of assessing the real property. Purchasers who are individuals should note that mortgage interest is deductible generally only with respect to (1) secured debt used to acquire, construct or substantially improve a principal or second residence (or which constitutes a refinancing of such debt) (up to a total indebtedness of \$1 million, \$500,000 for married tax payers filing separately) plus (2) other debt (not in excess of \$100,000) secured by a principal or second residence. Interest on Unit mortgage debt in excess of these limitations would not be deductible. In addition, Unit Owners should note that special limitations may apply to the deductibility of points and prepaid interest, if any, on their mortgage loans and to the overall allowance of itemized deductions. Purchasers

should discuss the Alternative Minimum Tax ("AMT") with their accountant to understand the impact by AMT on their deductions.

Tax Status of the Condominium

Ordinarily, a Condominium Board may elect to be exempt from federal income taxes on Common Charges collected from Unit Owners under Section 528 of the Internal Revenue Code, provided certain prerequisites are met.

In order to elect such status,

- a) the Condominium must be organized and operated to provide for the acquisition, construction, management, maintenance and care of the Property;
- b) 60% or more of the gross income of the Condominium for the taxable year must consist solely of amounts received as membership dues, fees or Assessments from Owners of Units in the Condominium;
- c) 90% or more of the net expenditures of the Condominium for the taxable year must be for the acquisition, construction, management, maintenance and care of the Property;
- d) no part of the net earnings of the Condominium may inure (other than by acquiring, constructing or providing management, maintenance and care of the Property and other than by a rebate of excess membership dues, fees, or Assessments) to the benefit of any private shareholder or individual;
- e) substantially all of the Units must be used by individuals as residents; Treasury Regulation 1.528-4(b) provides that substantially all of the Units will be treated as used by individuals for residences only if at least 85% of the total square footage of all Units are used as such residences; and
- f) the Condominium must make such election at such time in such manner as the Secretary of the Treasury prescribes by regulations.

Under the Treasury regulations issued pursuant to Section 528, a Condominium Management Association must qualify annually for the election under Section 528, and additionally, it must make a separate election for each taxable year. Accordingly, the ability of the Condominium Board to elect the benefits of Section 528 will depend on the particular facts and circumstances prevailing in the taxable year at issue.

BASED ON THE OPINION OF ROSEN LAW LLC IT APPEARS THAT THE AFOREMENTIONED REQUIREMENTS WILL BE MET FOR A SECTION 528 ELECTION FOR AT LEAST THE FIRST YEAR OF OPERATIONS.

Each Purchaser should consult with his or her own tax counsel as to the tax consequences of the Offering Plan and of the purchase of a Condominium Unit.

V. OPINION OF COUNSEL – Income Tax Opinion Letter

Re: The Residences, North Hills Phase I Condominium
The Residences, North Hills Homeowners Association, Inc.
1000 and 2000 Royal Court
North Hills, New York

RE: INCOME TAX OPINION LETTER

Gentlemen:

You have requested our opinion concerning (i) the deductibility, for Federal and New York State income tax purposes, of mortgage interest and real estate taxes paid by residents of New York who purchase the offered Units for their own residential use pursuant to the above-referenced Condominium Offering Plan (the "Offering Plan"), and (ii) the qualification of the Condominium and Association as a "homeowners association" under Section 528 of the Internal Revenue Code of 1986, as amended (the "Code"). This opinion does not address the tax consequences of the ownership of Units by corporations, other entities or foreign persons. Furthermore, this opinion does not address the tax consequences of (i) ownership of any Unsold Units or any Unit that is used for commercial or mixed residential/commercial purposes, or (ii) any rebates or other payments that may be made, or benefits provided, to owners of Units. Except where otherwise indicated, the terms used in this opinion have the same meaning as in the Offering Plan.

In connection with rendering this opinion, we have reviewed the Offering Plan and have examined the schedules, exhibits and documents accompanying the Offering Plan, including the declaration establishing, and the By-Laws governing, the operations of the Condominium and the Association (the "Offering Plan Documents"). We have also considered the relevant sections of the Code, the New York State Tax Law, the regulations promulgated thereunder and such other materials as we deemed relevant. In rendering this opinion, we have assumed that the Offering Plan is the document pursuant to which owners of the Units will acquire his, her or their Unit and that the relevant facts are as set forth therein.

Pursuant to the Offering Plan, Purchaser of a Unit will receive legal title in fee simple to his, her or their Unit, coupled with ownership of an undivided interest in the appurtenant Common Elements held in common with other Unit Owners and as members of the Association. Such purchaser will have the right to place an individual mortgage on his or her separate Unit and will be liable to the local tax authority for the tax assessment with respect to his or her interest in the Property. Under these circumstances, the Internal Revenue Service has ruled that the owner of a residential condominium unit may deduct interest paid on his or her mortgage indebtedness and the real estate taxes assessed and paid on his or her interest in the property. Rev. Rul. 64-31, 1964-1 (Part I) C.B. 300.

Accordingly, based on the foregoing, it is our opinion that an owner of a Unit who itemizes deductions and who uses his, her or their Unit as a personal residence will be entitled under current law to deduct from his or her gross income for Federal income tax purposes, subject to an overall limitation on itemized deductions as may be in effect under Section 68 of the Code, real estate taxes assessed against his, her or their Unit and paid to the local tax authority. However, no deduction for real estate taxes is permitted for purposes of the Federal alternative minimum tax. Owners of the Units should consult their tax advisers regarding the applicability of the overall limitation on itemized deductions to the deductibility of real estate taxes.

Purchasers are advised that an exemption from real estate taxes may be available for veterans and other purchasers under the New York State Real Property Tax Law, as amended. Prospective purchasers are advised to consult with their own attorneys or other advisers to determine whether the prospective purchaser qualifies for any exemption from real estate taxes.

A taxpayer generally is entitled to a deduction for Federal income tax purposes for interest paid with respect to a principal and one secondary residence (a "qualified residence") to the extent that the interest is attributable to indebtedness which is secured by the qualified residence and which (i) is incurred in acquiring, constructing or substantially improving the qualified residence (or which constitutes a refinancing thereof, to the extent that such indebtedness does not exceed the amount of the refinanced debt) ("acquisition indebtedness"), up to a maximum of \$1,000,000 for any period (\$500,000 in the case of a married individual filing a separate return), or (ii) is any indebtedness other than acquisition indebtedness, up to the excess of the fair market value of any one qualified residence over the amount of acquisition indebtedness with respect to such residence ("home equity indebtedness"), but not to exceed \$100,000 (\$50,000 in the case of a married individual filing a separate return) in the aggregate for all qualified residences of the taxpayer in any period. Accordingly, an owner of a Unit who itemizes deductions and uses his, her or their Unit as a qualified residence will be entitled, under current law, to deduct from his or her gross income for Federal income tax purposes, subject to an overall limitation on itemized deductions as may be in effect under Section 68 of the Code, interest paid or accrued by him or her on (i) acquisition indebtedness incurred with respect to his, her or their Unit to the extent that such indebtedness, when added to the amount of acquisition indebtedness incurred

with respect to a second qualified residence (if any), does not exceed \$1,000,000 (\$500,000 in the case of a married individual filing a separate return) and (ii) home equity indebtedness with respect to his, her or their Unit to the extent that such indebtedness, when added to the amount of home equity indebtedness incurred with respect to a second qualified residence (if any), does not exceed \$100,000 (\$50,000 in the case of a married individual filing a separate return). Since the rules and limitations regarding the deductibility of home mortgage interest are complex, purchasers are urged to consult their tax advisers regarding the application of such rules and limitations to them, as well as regarding the deductibility of interest with respect to his, her or their Unit for Federal alternative minimum tax purposes (which at present is subject to rules different than those described above for regular tax purposes). In addition, owners of Units should consult their tax advisers regarding potential limitations on the deductibility of points and prepaid interest, if any, on their mortgage loans and any overall limitation on the allowance of itemized deductions.

Each owner of a Unit who uses his, her or their Unit as a residence will generally be entitled to the same deduction for mortgage interest and real estate taxes paid or accrued with respect to his, her or their Unit for New York State income tax purposes as is allowed for Federal (regular) income tax purposes. However, under New York State income tax law, itemized deductions, such as interest and real estate tax deductions, are subject to reduction by as much as 50% in the case of individuals having income exceeding certain prescribed levels. Furthermore, purchasers should consult their tax advisers to determine the application, if any, of the New York State minimum taxes to the deduction for mortgage interest and real estate taxes with respect to his, her or their Unit.

If the Condominium and Association qualifies as homeowners associations within the meaning of Section 528 of the Code, it may elect not to be subject to Federal income tax on amounts received as membership dues, fees or assessments from Unit Owners. However, even if the election is made, the Condominium will remain liable for Federal income tax on any taxable income it may have from other sources such as interest earned on any reserve or working capital funds and possibly income from Commercial purposes, if any.

To qualify as a homeowners association, the Condominium and the Association must meet all of the following conditions: (1) it must be organized and operated to provide for the acquisition, construction, management, maintenance and care of association property, (2) at least 60% of its gross income for each taxable year must consist solely of amounts received as membership dues, fees or assessments from Unit Owners, (3) 90% or more of its expenditures for each taxable year must be made for the acquisition, construction, management, maintenance and care of association property, (4) no part of its net earnings can inure to the benefit of any private shareholder or individual (other than by acquiring, constructing, or providing management, maintenance, and care of association property, and other than by rebate of excess membership dues, fees, or assessments), (5) the Condominium must elect to be treated as a homeowners association, and (6) at least 85% of the total square footage of all

Units within the Condominium must be used by individuals for residential purposes. (Treasury Regulation § 1.528-4(b)). The qualification of an organization under the provisions of Section 528 is to be determined annually at the close of each taxable year and it is possible, therefore, that if the Condominium does not qualify in one year, it may nevertheless qualify in one or more future years.

Based on the information contained in Schedule A to the Offering Plan, more than 85% of the total square footage of all Units of the Condominium will be used by individuals for residential purposes for purposes of Treasury Regulation § 1.528-4(b). Accordingly, assuming the Offering Plan becomes effective during the taxable year ending December 31, 2016 (the "2016 Taxable Year") and there are no changes in the facts and/or the relevant provisions of current law, the Condominium and Association will be eligible to elect to be treated as a homeowners associations under Section 528 of the Code for the 2016 Taxable Year.

Absent the application of Code Section 528, the present state of federal law is unclear as to the precise tax status of the Condominium. An entity classification regime was adopted in regulations issued by the United States Treasury Department on December 17, 1996 and there is no authority addressing the application of those entity classification regulations to condominiums. Because the By-Laws provide that the Boards will act as the agent of the Unit Owners represented by each such Board, the Condominium Board may take the position that the Condominium is not a separate entity and accordingly is not subject to the classification regime. In such case, the Unit Owners would, in the aggregate, include in their gross income and be taxed on all income earned by the Condominium (which income may include, among other things, interest or similar income earned from interim investments of the amounts assessed and collected from the Unit Owners), reduced by the expenses incurred in earning such income. For this purpose, the Residential Common Charges should not be considered income earned by the Condominium with respect to the Unit Owners. If, however, the Condominium is considered a separate entity it is unclear whether the Condominium would be taxable as a corporation or treated as a partnership for Federal income tax purposes. If the Condominium is taxable as a corporation, it would be considered a separate taxpayer with respect to income and deductions and return filing requirements and would be subject to Federal corporate income tax. If the Condominium is treated as a partnership, the partnership would not be subject to an entity level tax, the items of income and deduction of the partnership would generally be passed through to the Unit Owners in accordance with the provisions of Subchapter K of the Code, and the partnership would be required to file information returns.

The precise tax status of the Condominium for New York State tax purposes is also unclear. The relevant New York State laws incorporate by reference federal entity classification provisions which, as discussed above, do not specifically address the treatment of condominiums. If the Condominium is properly treated as a separate entity that is an association taxable as a corporation for Federal income tax purposes, it appears likely that the Condominium would be subject to the New York State Corporation Franchise Tax. If the Condominium does not constitute an association that

is taxable as a corporation for Federal income tax purposes, it is still possible, although not certain, that the Condominium might be subject to the New York State Corporation Franchise Tax.

We express no views as to any Federal or New York State tax consequences other than those explicitly discussed in this opinion, or as to the tax status or tax consequences of the Offering Plan under the laws of any other United States or foreign jurisdiction. This opinion, while based on existing rules of law applied to the facts and documents referred to above, is not binding on the Internal Revenue Service or any court. No assurances can be given that the tax laws upon which we base this opinion will not change. W. RESERVE FUND

The Condominium and the Association will have no funds as a reserve for capital expenditures. Since no reserve funds are being funded by Sponsor under this Plan, and the budget for the First Year of Operations does not provide for yearly contributions to reserve funds for capital expenditures, Sponsor does not represent or warrant that the Condominium will have sufficient funds for any such capital expenditures within or after five years following the Closing Date should such capital expenditures be needed.

However, the budget for the First Year of Operations as set forth in this Plan provides for an amount for contingencies, which the Board of Managers and Board of Directors may elect to use to apply to some or all of the costs of any such needed capital expenditures.

Neither Sponsor, nor Unit Owners are required to make any contributions to reserve funds.

Should monies be required by the Condominium for capital expenditures, the Condominium Board could vote to obtain loans for required expenditures as provided by the New York Real Property Law. Real Property Law § 339-jj states:

1. To the extent authorized by the Declaration or the By-Laws, the Board of Managers, on behalf of the Unit Owners, may incur debt. In addition, subject to any limitations set forth in the Declaration or the By-Laws, the Board of Managers, on behalf of the Unit Owners, may incur debt for any of the purposes enumerated in paragraph (b) of subdivision two of section three hundred thirty-nine-v of this article, provided that (a) such debt is incurred no earlier than the fifth anniversary of the first conveyance of a Unit and (b) the incurrence of such debt shall require the consent of a majority in Common Interest of the Unit Owners.

2. In connection with a debt incurred by it, the Board of Managers, on behalf of the Unit Owners, may (a) assign the rights in and to receive future income and Common Charges, (b) create a security interest in, assign, pledge, mortgage or otherwise encumber funds or other real or personal property that it holds, (c) agree that, to the extent of any amounts due under any of the provisions of the agreements under which the debt was incurred and subject to the provisions of subdivision two of section three hundred thirty-nine-1 of this article, all Common Charges received and to be received by it, and the right to receive such funds, shall constitute trust funds for the purpose of paying such debt and the same shall be expended for such purpose

before expending any part of the same for any other purpose, and (d) agree that at the lender's direction it will increase Common Charges to the extent necessary to pay any amount when due under any of the provisions of the agreements under which the debt was incurred. The preceding sentence shall not be construed to authorize the Board of Managers to create a lien on the Common Elements. Any such assignment may provide that, in the event of a default, the lender shall have the right of the Board of Managers to file liens in the lender's name on Units for unpaid Common Charges pursuant to sections three hundred thirty-nine-z and three hundred thirty-nine-aa of this article and the right to foreclose such liens pursuant to section three hundred thirty-nine-aa of this article.

3. Nothing in this section shall impair rights under any loan or other agreement existing prior to the effective date of this section or limit any right or power that a Board of Managers would otherwise have.

X. WORKING CAPITAL FUND

At the time of Closing, each Purchaser will be required to pay a sum equal to two months of Common Charges applicable to the Purchaser's Unit to the Condominium as a Condominium Working Capital Contribution at the time of Closing and each Purchaser will be required to pay a sum equal to two months of Association Common Maintenance Charges applicable to the Purchaser's Unit to the Association as a Association Working Capital Contribution.

The Condominium Working Capital Contribution and the Association Working Capital Contribution paid by a Purchaser are non-refundable and are not transferable if a Unit Owners sells or transfers his or her Unit.

While Sponsor is in control of the Board of Managers, the Working Capital funds will not be used to reduce the Common Charges.

While Sponsor is in control of the Board of Directors, the Working Capital funds will not be used to reduce the Association Common Maintenance Charges.

Neither the Department of Law nor any other governmental agency has passed on the adequacy of the Working Capital Fund.

Except as expressly provided in this Section of the Plan, Sponsor shall have no obligation to establish or make any contributions to a working capital fund or reserve fund of any kind with respect to the Condominium or the Association.

No representation is made by Sponsor that the Condominium Working Capital or the Association Working Capital will be adequate to cover current or future expenses, including repairs or replacements. If additional funds are required over and above the working capital fund for the payment of items not covered by Sponsor's obligations, it may be necessary to increase Common Charges and/or Association Common Maintenance Charges.

At the First Closing, Sponsor will apportion with the Board the following items as of midnight the date preceding the First Closing:

- (1) employees' wages, vacation pay, pension and welfare benefits and accruals, uniforms, and all other payments or obligations relative to the employees of the Condominium and/or the Association;
- (2) deposits with utility companies, if any, and fees for assignable permits and licenses, if any;
- (3) charges for electricity and other utilities for the Common Elements and the Limited Common Elements;

- (4) costs of fuel;
- (5) charges and receipts in connection with any service and maintenance contracts;
- (6) water charges and sewer rents on the basis of the fiscal or calendar year for which assessed;
- (7) cost of building supplies on hand at Sponsor's cost (including sales tax);
- (8) premiums for transferable insurance policies, if any;
- (9) management fees and
- (10) other customary adjustments.

If any of the foregoing items to be apportioned cannot be adjusted at the First Closing because they are not fully ascertainable, they shall be apportioned and adjusted to the extent reasonable possible at the First Unit Closing, and final adjustment will be made as soon thereafter as the undetermined amounts are ascertained.

The Unit that is to be built may vary from any model apartment shown by Sponsor at the Condominium and Purchaser shall not rely on items contained in any model apartment as containing items for the Unit being purchased. Purchaser shall only rely upon the items as set forth in the Plan and this Purchase Agreement. Although a model apartment may contain furniture and furnishings, no furniture and no furnishings are included in the sale of the Unit. All dimensions are approximate and the Unit as will be built and delivered to Purchaser, may vary from the dimensions contained on any Floor Plans.

The Unit shall not include decorative fixtures, furniture, furnishings, paint, wallpaper, carpeting, ceramic floors, mirrors, shelves, wall and window treatments, built-ins, burglar alarm systems, electric fixtures, site lighting, additional fixtures and switches added for decorative purposes, skylights and other optional fixtures or features exhibited in the any model units, if any and/or any sales office excepting those specifically set forth as may be attached to this Purchase Agreement. Any of the above features contained in model units and/or sales office are for display purposes only and are not included in this sale.

3) OFFERING PLAN - Sponsor has exhibited and delivered to Purchaser and Purchaser acknowledges having received, read and understood the Offering Plan for Condominium Ownership of the Property and all filed amendments thereto, all of which are incorporated by reference and made a part of this Purchase Agreement with the same force and effect as if fully set forth in this Purchase Agreement. Purchaser agrees to be bound by the Offering Plan and all amendments thereto now or hereafter filed by Sponsor (collectively, the "Plan"). Sponsor may freely amend the Plan in any respect from time to time, without Purchaser's approval or consent. However, in the event any

amendment materially and adversely affects Purchaser, Purchaser shall have the right to rescind this Purchase Agreement. Any conflict between the Plan and this Purchase Agreement shall be resolved according to the terms of the Plan. Purchaser acknowledges having received and read the Plan at least three (3) business days prior to signing this Purchase Agreement and having had full opportunity to examine all papers and documents and investigate all matters set forth in the Plan.

4) ASSOCIATION - Sponsor has informed Purchaser and Purchaser acknowledges and agrees that the purchase of the Unit by Purchaser requires and includes mandatory membership of Purchaser in The Residences, North Hills Homeowners Association, Inc. (the "Association"). Upon acquiring title to the Unit, Purchaser acknowledges that Purchaser will thereby automatically become a member of the Association, subject to its rules and regulations and liable for its Assessments.

5) CHANGES - In building the Unit and performing any other work to the Unit or on the Property, Sponsor reserves the right to: (a) make changes or substitutions of materials or construction from those shown in the model or building plans, provided any such changes or substitutions are of substantially similar or better quality; (b) determine the exterior color, design and location of any building, landscaping and grading of all plots and dwellings to fit into the general pattern of the Community; (c) determine elevation and location of foundations (including reversal of Unit layout), walks, driveways, and streets to conform with topographical conditions; (d) determine the location and type of Unit to be constructed in the Building; (e) fix the location and setbacks of all buildings; (f) determine the ultimate Unit type mix to be constructed in the Condominium; (g) determine whether existing trees, shrubs and other Plant life are to be moved or removed, (h) add or remove retaining walls on the lots or Association Common Areas where required by grade conditions; (i) determine the location of electric, gas and water meters, electric transformers, air conditioning compressors, speed bumps, mailboxes, parking spaces, refuse dumpsters; (j) determine the location of stop signs, (l) relocate parking spaces; (m) change appliances as long as they are equal to or better than originally offered; and (n) make any other changes required by the governmental authorities.

Sponsor shall notify Purchaser of any major changes, specifications, deviations, additions or deletions which are beyond the scope of those set forth above ("Extraordinary Changes"). If Sponsor notifies Purchaser in writing of any Extraordinary Changes, Purchaser shall be deemed to have approved of same, unless Sponsor receives Purchaser's written disapproval thereof within ten (10) days from date of the notice by Sponsor. Upon receipt of Purchaser's disapproval, Sponsor may within thirty (30) days thereafter, give Purchaser written notice withdrawing its proposed Extraordinary Changes, in which case Sponsor shall thereafter continue with its development activities without the Extraordinary Changes. If Sponsor fails to give Purchaser notice of withdrawal within such thirty (30) day period, Purchaser may declare this Purchase Agreement null and void by so notifying Sponsor in writing delivered to Sponsor no later than forty-five (45) days after having delivered Sponsor the original notice of disapproval, whereupon Sponsor shall promptly return to

Purchaser all monies paid by Purchaser to Sponsor, except funds used towards upgrades, options or extras, on account of the Purchase Price and thereafter, neither party shall have any further liability or obligation to the other in connection with this Purchase Agreement or transaction.

6) CLOSING DATE; ADJOURNMENTS; CONSTRUCTION DELAYS BY SPONSOR. The act of transferring ownership of the Unit in return for payment in full of the Purchase Price and all other sums due from Purchaser under this Purchase Agreement is known as the "Closing", and shall take place at such time and place and on such date as Sponsor shall designate to Purchaser by prior written notice ("Notice For Closing"), which shall be given to Purchaser not earlier than thirty (30) days after the Plan has been declared effective provided that on or before the Closing Date there shall have been accepted for filing an amendment disclosing the basis of the effectiveness of the Plan. Sponsor shall give Purchaser notice of the Scheduled Closing Date at least thirty (30) days in advance thereof. Notwithstanding the foregoing, if the date of this Purchase Agreement is after the closing of the sale of the First Unit under the Plan, then the Closing Date shall be that date which is 45 days after the date of this Purchase Agreement and Sponsor shall not be required to give Purchaser notice of the Closing Date as Purchaser hereby waives the right to the aforesaid written notice.

Sponsor shall have the right, from time to time, to adjourn or accelerate such date and time for Closing on written notice to Purchaser. If the Closing is adjourned or accelerated by Sponsor, then Sponsor shall, by a new Notice For Closing, fix a new date and time for Closing and shall give Purchaser not less than fifteen (15) days prior written notice of the new scheduled date and time for Closing.

In the event the Closing is adjourned with Sponsor's consent at the request of Purchaser or Purchaser's attorney within forty-eight (48) hours of the scheduled time of Closing, Purchaser shall also pay Sponsor's attorney an adjournment fee in the sum of \$250. The adjourned date shall be time of the essence to Purchaser.

In the event that Purchaser does not appear for Closing ready, willing and able to accept title from the Sponsor, and pay Sponsor the balance of the Purchase Price and associated costs on the date set forth in this Purchase Agreement, provided that the Sponsor is ready, willing and able to convey title to Purchaser, then, in that event, the Sponsor may set a closing date with "time of the essence" no less than thirty (30) days after the Scheduled Closing Date. If the Sponsor makes the closing "time of the essence" and Purchaser fails to close on the "time of the essence" closing date, Purchaser will forfeit his or her Down Payment. Sponsor must provide a Purchaser with a written demand for payment after default at least thirty (30) days before forfeiture of the Down Payment will be declared.

If Purchaser is not in default under this Purchase Agreement and the Closing has not taken place within twelve (12) months after the Condominium Commencement Date, as defined in the Offering Plan, Purchaser may cancel this Purchase Agreement by forwarding written notice of cancellation to the Sponsor no later than thirty (30) days

after expiration of such twelve (12) month period whereupon Sponsor shall refund to Purchaser, subject to the escrow provisions as disclosed in **Part II, Section "PP"** of the Plan, all payments, other than funds used towards upgrades, options or extras, made by Purchaser to Sponsor on account of the Purchase Price and neither party shall thereafter have any further liability or obligation to the other in connection with this Purchase Agreement or transaction. Failure to so notify Sponsor shall be deemed a waiver of this provision, and Purchaser shall continue to be bound by the terms of this Purchase Agreement.

7) TRUST FUNDS –

7.1. Rosen Law LLC, with an address at 1010 Northern Boulevard, Suite 322, Great Neck, New York 11021, telephone number 516-437-3400, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Gary Rosen, Esq. or Jared Rosen, Esq. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are Sponsor, Selling Agent, Manager, or any principal thereof, or have any beneficial interest in any of the foregoing.

7.2 Escrow Agent and all authorized signatories hereby submit to the jurisdiction of the State of New York and its Courts for any cause of action arising out of the Purchase Agreement or otherwise concerning the maintenance or release of the Down Payment from escrow.

7.3 Escrow Agent will establish the escrow account at JP Morgan Chase Bank, located at 410 Northern Boulevard, Great Neck, New York 11021, in the State of New York ("Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled The Residences, North Hills Phase I Condominium Master Escrow Account ("Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per deposit. Any deposit in excess of \$250,000 will not be insured, unless Escrow Agent has established multiple accounts on behalf of Purchaser at various institutions.

7.4 All Down Payments received from Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by Purchaser to the order of "Rosen Law LLC, The Residences, North Hills Phase I Condominium Master Escrow Account".

7.5 The interest rate for all deposits made into the Escrow Account shall be the prevailing rate for such accounts. Interest shall begin to accrue upon placing the deposit into the Escrow Account. All interest earned thereon shall be paid to or credited to Purchaser at closing. No fees of any kind may be deducted from the Escrow Account, and Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

7.6 Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Down Payment, the Escrow Agent shall sign the Purchase Agreement and place the Down Payment into the Escrow Account. Within ten (10) business days of the placing the Down Payment in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, confirming the Down Payment. The notice shall provide the account number and the initial interest rate to be earned on the Down Payment. Purchasers shall note that any funds paid by Purchasers for upgrades and/or extras shall be paid directly to Sponsor at the time of the execution of the Purchase Agreement and not placed into escrow. In the event Purchaser is entitled to rescission of the Purchase Agreement, Purchaser will not receive a refund of any funds used for extras unless the plan is not consummated.

7.7 The Escrow Agent is obligated to send notice to Purchaser once the Down Payment is placed in the Escrow Account. If Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Down Payment, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Down Payment to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 120 Broadway, 23rd Floor, New York, N.Y. 10271. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Down Payment was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Down Payments and requisite notice was timely mailed to Purchaser.

7.8 All Down Payments, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

7.9 Under no circumstances shall Sponsor seek or accept release of the Down Payment of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve Sponsor of its obligations pursuant to GBL §§ 352-e(2-b) and 352-h.

7.10. The Escrow Agent shall release the Down Payment if so directed:

(a) pursuant to the terms and conditions set forth in the Purchase Agreement upon closing of title to the Unit; or

(b) in a subsequent writing signed by both Sponsor and Purchaser; or

(c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Down Payment pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Down Payment, then the Escrow Agent must give both Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Down Payment. If the Escrow Agent has not received notice of objection to the release of the Down Payment prior to the expiration of the thirty (30) day period, the Down Payment shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Down Payment within said thirty (30) day period, the Escrow Agent shall continue to hold the Down Payment until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Down Payment contained in the Escrow Account with the clerk of the county where the unit is located and shall give written notice to both parties of such deposit.

Sponsor shall not object to the release of the Down Payment to:

(a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

7.11 Any provision of the Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Down Payment in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

7.12 Escrow Agent shall maintain the Escrow Account under its direct supervision and control

7.13 A fiduciary relationship shall exist between Escrow Agent and Purchaser, and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to GBL §§ 352-e(2-b) and 352(h).

7.14 Escrow Agent may rely upon any paper or document which may be submitted to it in connection with its duties under this Purchase Agreement and which is believed by Escrow Agent to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the form, execution, or validity thereof.

7.15 Sponsor agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in GBL §§ 352-e(2-b) and 352-(h) and the New York State Department of Law's regulations.

7.16 Sponsor shall obtain or cause the selling agent under the Plan to obtain a completed and signed Form W-9 or W-8, as applicable, from Purchaser and deliver such form to Escrow Agent together with the Down Payment and this Purchase Agreement.

7.17 Prior to release of the Down Payment, Escrow Agent's fees and disbursements shall neither be paid by Sponsor from the Down Payment nor deducted from the Down Payment by any financial institution under any circumstance.

7.18 Sponsor agrees to defend, indemnify, and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

7.19 As an alternative to depositing Down Payments in an escrow account as set forth above, Sponsor may post a bond or indemnity contract with a licensed surety company, in accordance with regulations adopted by the Attorney General, insuring return of such monies, a copy of which bond or contract shall be delivered to Purchaser.

7.20 Down Payments will be retained in escrow or bonded as set forth above until: (i) Sponsor performs under the terms of the Purchase Agreement or (ii) Purchaser rescinds (due to inability to obtain financing or otherwise) or defaults in performance, thereby excusing performance by Sponsor, or (iii) release or discharge of Sponsor's liability to refund such Down Payment, or (iv) upon transfer of title to the Unit to Purchaser, or by mutual consent of Sponsor and Purchaser.

The required Down Payment pursuant to this Agreement will be 15% of the Purchase Price for the Unit set forth in the Plan, as amended, which Down Payment shall be increased by special work or materials, if any, offered by Sponsor and ordered by Purchaser as itemized in Addendum No. 1 of this Agreement. If there is no special work or materials to be included, then no Addendum No. 1 will be attached hereto.

8). MORTGAGE LOAN/UNIT - This Purchase Agreement is not conditioned upon Purchaser obtaining mortgage financing. In the event Purchaser is unable to obtain a mortgage, this Purchase Agreement shall remain in effect and Purchaser shall have an

ongoing obligation to consummate the transaction. If a Purchaser does not consummate the transaction and close title to the Unit as a result of Purchaser's inability to obtain a mortgage, Purchaser will be in default under this Purchase Agreement and Sponsor may retain all monies as provided for in this Purchase Agreement, and/or seek specific performance to compel Purchaser to close title on the Unit.

9). DEED AND ENCUMBRANCES UPON OWNERSHIP - The deed to be given by Sponsor to Purchaser at Closing shall be a Bargain and Sale without Covenants against Grantor's Acts deed, but subject, nevertheless, to the matters set forth in subparagraphs (a) through (h) below which need not be recited in the deed given at Closing but shall survive Closing, and Sponsor's covenant in the deed against encumbrances shall be deemed modified accordingly. The deed shall be duly executed and acknowledged by Sponsor in proper statutory form for recording (subject to payment by Purchaser of the New York State Transfer Tax (20 NYCRR § 575.2 and New York Tax Law §1402) and New York State Mansion Tax (20 NYCRR § 575.3 and New York Tax Law §1402-a and local real property transfer taxes, if any)) so as to convey to Purchaser fee simple title to the Unit, free and clear of all liens and encumbrances, except as herein stated. The deed shall also contain the covenant required by subdivision 5 of Section 13 of the Lien Law. Sponsor shall give and Purchaser shall accept such title and deed description of the Unit subject to the liens, encumbrances and other matters set forth in this Purchase Agreement, as First American Title Insurance Company of New York, a title company authorized to do business in the State of New York, is willing to approve and insure without additional premium. At Purchaser's sole discretion, Purchaser may obtain title insurance from any other title insurance company or Purchaser may decline to obtain any title insurance at all. As of the filing date of the Plan, the State of New York Insurance Department has interpreted Section 6409(d) of the New York Insurance Law as prohibiting a Sponsor of real property from requiring a Purchaser of real property to pay a fee for using a title abstract company and/or title agent of Purchaser's choice while exempting a Purchaser who uses the title abstract company and/or title agent chosen by the Sponsor from paying such fee. In the event of a change or clarification of, or applicable ruling with respect to, such interpretation permitting the charging of such fee: if Purchaser chooses (or is required by its lender) to obtain title insurance, Purchaser may use any title insurance company it desires, however, if Purchaser shall use an abstract company or title insurance company other than First American Title Insurance Company of New York, 633 Third Avenue, New York, New York 10017, Attn: Steven M. Napolitano, Senior Executive Vice President or Phillip Salomon, Executive Vice President, Telephone (212) 551-9434, Fax (212) 331-1559, or such other or additional company or companies designated by Sponsor in an amendment to the Plan (any of the foregoing, the "Title Company") and Sponsor incurs additional legal fees or expenses as a result of such other title insurance company's form of title report or clearing the title exceptions, or addressing the requirements of such other abstract or title insurance company, then Purchaser shall reimburse Sponsor or pay directly to Sponsor's Counsel the amount of such legal fees and expenses so incurred, not to exceed \$500 per closing. Purchaser shall be responsible to pay the title company the entire premium for Purchaser's title insurance, and shall also pay the applicable New York State transfer tax including the Mansion

Tax. The sale and transfer of Ownership of the Unit to Purchaser shall, even though not stated in the deed, be subject to:

13) Any additional declarations, covenants, restrictions, reservations, exceptions, easements and agreements which have been recorded, or appear in recorded documents, or are yet to be recorded, provided they do not prevent use of each Unit as a Condominium Unit.

Purchaser shall deliver to Sponsor's attorney at least ten (10) days prior to Closing, a written notice setting forth each objection to title, if any (other than those specifically set forth herein subject to which the Unit are being sold), and a copy of Purchaser's title report. Sponsor shall have the right to a reasonable adjournment of Closing not to exceed sixty (60) days for the purpose of curing any title defect; however, no such action taken by Sponsor shall be deemed an admission by Sponsor that such defect is one that would entitle Purchaser to cancel this Purchase Agreement.

10) CONSTRUCTION LOAN MORTGAGE - This Purchase Agreement is subject and subordinate without the necessity of Purchaser signing or delivering any documents or papers, to the lien of the present Mortgagee, German American Capital Corporation ("GACC"), its replacements, successors, and/or assigns and of any existing or future construction loan mortgage and all payments or expenses already made or incurred or which may hereafter be made or incurred in connection with such construction loan mortgage. This subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the construction loan schedule of payments or accelerated thereunder by virtue of the Permitted Mortgagee's right to make advances before they become due in accordance with the schedule of payments. The Unit shall be released from the lien of such construction loan mortgage upon Closing, except where such mortgage is converted to Purchaser's individual mortgage on the Unit. In such case, the Unit shall remain subject to the lien of such

construction loan mortgage and Purchaser shall reimburse to Sponsor at Closing, in addition to all other sums to be reimbursed by Purchaser to Sponsor under this Purchase Agreement, an amount equal to the mortgage tax paid by Sponsor on such construction loan mortgage. In all other cases, any mortgage tax credit available under Real Property Law Section 339-ee shall inure exclusively to the benefit of Sponsor. In the event that the Phase I Lender assumes the role of Sponsor as a result of Sponsor's default on its loan, Purchasers shall not be granted an automatic right to rescind this Purchase Agreement.

11) **CONDITION OF UNIT ON CLOSING DATE** - The Sponsor agrees, at its own cost and expense to erect and complete the aforementioned Unit in accordance with the requirements as to materials and workmanship of the Building Department of the Village of North Hills and further agrees that when completed, same will be in substantial accordance with the Plans as filed with the Building Department. Purchaser agrees to close title even though there may be things remaining to be completed in the Unit. The issuance of a Temporary or Permanent Certificate of Occupancy shall mean that the Unit is substantially complete, in which event Purchaser agrees to accept a letter agreement from the Sponsor wherein the Sponsor shall agree to complete all unfinished items within ninety (90) days from the date of Closing, weather and other circumstances permitting. Any such incomplete items shall not constitute an objection to Closing provided Sponsor executes and delivers to Purchaser, a letter agreement in accordance with the foregoing Purchaser shall permit Sponsor, its agents, servants and/or employees to enter upon the Unit and shall provide reasonable access thereto subsequent to Closing to complete any incomplete items.

In the event Sponsor is required to make any repair or complete any item of work to be performed by Sponsor after Closing, the limit of Sponsor's liability shall be to make said repair and/or to complete such item. This paragraph shall survive the delivery of the deed.

12) **ENCUMBRANCES EXISTING AT CLOSING** - If there is anything affecting the sale which Sponsor is obligated to pay and discharge, Sponsor may use any portion of the balance of the Purchase Price to discharge it at Closing. As an alternative Sponsor may deposit money with or do whatever other acts may be required by First American Title Insurance Company of New York or Purchaser's title insurance company so that First American Title Insurance Company of New York or Purchaser's title insurance company is willing to insure Purchaser's title clear of the matter or is willing to insure against enforcement or collection out of the Unit.

13) **INABILITY OF SPONSOR TO TRANSFER OWNERSHIP** - Sponsor shall not be required to commence any action or proceeding or incur any expense in order to remove the condition which prevents Sponsor from transferring Ownership of the Unit in accordance with this Purchase Agreement.

14) **PURCHASER MAY NOT ERECT SIGNS ON UNIT**- Purchaser shall not place any sign anywhere on the Unit or Property or in any window at any time without

Sponsor's prior written consent. This paragraph shall survive delivery of the deed.

15) PURCHASER MAY NOT TAKE POSSESSION OF THE UNIT PRIOR TO CLOSING - It is expressly understood and agreed that Purchaser shall in no event take possession of the Unit prior to the time of the delivery of the deed and full compliance by Purchaser with the terms of this Purchase Agreement, nor shall Purchaser enter the Unit or have Purchaser's contractors or agents enter the Unit to perform work prior to Closing without the written authorization of Sponsor, and should Purchaser violate this provision, Purchaser consents that the Sponsor shall have the right to remove Purchaser from the Unit as a squatter and intruder by summary proceedings. Upon Purchaser's unauthorized possession, Purchaser shall be deemed in default hereunder at the option of the Sponsor, and upon such election, the amounts paid hereunder (including amounts paid for extras ordered) shall belong to the Sponsor as liquidated damages and this Purchase Agreement shall be deemed cancelled. It is further understood and agreed that the Sponsor will not be responsible for damage or loss to any property belonging to Purchaser whether same is delivered to the Unit on or after the Closing herein.

Neither Purchaser nor anyone acting on Purchaser's behalf may enter or take possession of any part of the Unit nor have any work performed or materials supplied or installed at the Unit prior to Closing without the prior written consent of Sponsor. This prohibition is regarded by Sponsor as extremely important and violation by Purchaser shall constitute a major default by Purchaser under this Purchase Agreement.

16) SPONSOR'S OBLIGATIONS END AT CLOSING - The delivery of the deed for the Unit to Purchaser or Purchaser's representative at Closing shall be deemed to mean that all things required to be done by Sponsor under this Purchase Agreement have been done and that Purchaser shall not claim otherwise except as to those things, if any, which are specifically stated in this Purchase Agreement or in a separate writing signed by Sponsor or Sponsor's attorney on Sponsor's behalf, to survive or continue beyond Closing or delivery of the deed. Notwithstanding the foregoing, the Limited Warranty shall survive Closing.

17) NO BROKER CONSULTED BY PURCHASER - In the event Purchaser is represented or has consulted with an outside broker, Purchaser shall be responsible for all costs and commissions associated therewith and Sponsor shall not be responsible for any co-broker commission. Upon execution of this Purchase Agreement, Purchaser agrees to indemnify Sponsor for any verbal or written representations made by anyone other than any written representations by Sponsor's authorized agents. This paragraph shall survive delivery of the deed.

18) REQUIRED PAPERS AND ACTS - Purchaser shall deliver all documents to Sponsor and perform all acts required by Sponsor for Sponsor to carry out the provisions of the Plan, establish the Condominium and conform to the by-laws and regulations of the Condominium and the Association. At Closing, Sponsor shall deliver to Purchaser a Temporary Certificate of Occupancy or Permanent Certificate of

Occupancy for the Unit (or building in which it is located) and, if available, a New York Board of Fire Underwriter's Certificate for the Unit. This Paragraph 18 shall survive delivery of the deed.

19) NO ASSIGNMENT – Purchaser shall have no right to assign this Purchase Agreement without the prior consent in writing of Sponsor, which consent may be withheld in Sponsor's sole discretion. Any purported assignment of this Purchase Agreement in violation hereof shall be voidable at the sole option of Sponsor. Any such conveyances in violation of the foregoing will be voidable by Sponsor.

20) NO RECORDING - This Purchase Agreement or any memorandum thereof may NOT be recorded in the office of any Governmental Authority. In the event that Purchaser records this Purchase Agreement or a memorandum thereof in the office of any Governmental Authority, then Sponsor may on behalf of Purchaser execute any and all documents required to record a cancellation or termination of the recordation of this Purchase Agreement or a memorandum thereof. Purchaser hereby irrevocably designates Sponsor as an authorized representative to record a cancellation or termination of the recordation of this Purchase Agreement or a memorandum thereof.

21) ADDITIONAL MONEY TO BE PAID BY PURCHASER AT CLOSING - At the Closing, Purchaser shall pay, or reimburse to Sponsor if Sponsor has already made payment, in addition to all other sums payable or reimbursable elsewhere under this Purchase Agreement, all charges for:

- i. Inspections required by Purchaser's lender, if any;
- ii. Appraisals required by Purchaser's lender, if any;
- iii. \$200 for survey and surveying services;
- iv. Title examination and policy insuring Purchaser's lender's interest, if any;
- v. Purchaser's lender's attorney's fees for preparation of all loan documents (if any);
- vi. Purchaser shall be required to pay to the Sponsor or Sponsor's attorneys a fee in the sum of \$2,750 for each Unit purchased which will cover the document preparation fees and other fees and expenses of processing the sale of the Unit, at the same time as the balance of the Purchase Price for the Unit is due and payable hereunder;

- vii. All commitment fees, points, origination fees and other fees and charges (howsoever characterized) imposed or exacted by the lender or incurred by Sponsor or Purchaser in connection with Purchaser's mortgage loan (if any);
- viii. Mortgage recording taxes, if any;
- ix. Governmental charges which may be assessed on account of the mortgage loan, if any;
- x. Mortgage insurance, if any and required;
- xi. New York State real estate transfer tax on the deed including the Mansion Tax;
- xii. All recording and filing charges payable on account of the transfer of title and recording of all documents in connection therewith;
- xiii. A sum equal to the partial mortgage tax credit to which Purchaser may be entitled under any applicable law by reason of mortgage taxes having been previously paid by Sponsor;
- xiv. an initial non-reimbursable Condominium Working Capital Contribution equal to two months of Condominium Common Charges paid by a Unit Owner to the Board of Managers at the Closing to be used by the Board of Managers as working capital for the Condominium's operations;
- xv. an initial non-reimbursable Association Working Capital Contribution equal to two months of Association Common Maintenance Charges paid by a Unit Owner to the Board of Directors at the Closing to be used by the Association as working capital for the Association's operations;
- xvi. Recordation or filing fees of the Unit Power of Attorney to be executed by Purchaser at Closing;
- xvii. Pro-rata share of the Condominium's and Association's Insurance Premiums for the First Year of Operations based on Unit's Percentage of Common Interest apportioned for the First Year of Operations wherein Purchaser shall only pay such adjustment from date of Closing; and

Purchaser shall also apportion with Sponsor as of the end of the day prior to Closing, and pay to Sponsor at Closing the apportioned amount due for real estate taxes, Common Charges, Association Common Maintenance Charges, sewer use, water use and any other utility costs. Purchaser shall also pay the Down Payments required by the lender to establish the estimated or escrow fund for future payments of Real estate

taxes; Pro-rata Insurance Premium to the Condominium and Association; Water and Sewer charges, if any; Common Charges, if they have been declared by the Board of Managers, and Association Common Maintenance Charges. If through no fault of Sponsor, Purchaser fails for any reason to close title within seven (7) days after the date originally scheduled in Sponsor's Notice For Closing or such later date (if applicable) to which Sponsor in a subsequent Notice For Closing adjourned the Closing, all of the aforementioned apportionments shall be made as of the end of the day preceding (i) the date originally scheduled for Closing or (ii) Sponsor's adjourned closing date (as the case may be).

In addition, if a Closing takes place, at the request of Purchaser, at any location other than the office of Sponsor's attorney, the office of Sponsor or the on-site office at The Residences, North Hills Phase I Condominium, Purchaser shall pay to Sponsor's attorney a travel fee in the sum of \$250 if the Closing location is in Nassau County, \$350 if the Closing location is in Suffolk County, Queens County, Kings County or New York County and \$450 if the Closing location is in Richmond County. Sponsor and Sponsor's counsel are not required to attend a closing at any location other than in Suffolk County, Nassau County or Queens County. A closing may not take place in any other location without Sponsor's prior written consent.

Purchaser shall pay to Sponsor at or prior to the actual Closing an amount equal to four one-hundredths of one percent (.04%) (which equals an annual rate of 14.6%) of the Purchase Price for the Unit for each day beyond such originally scheduled or Sponsor adjourned closing date, to and including the date of actual Closing, for reimbursement and defrayal of Sponsor's carrying costs and other charges, which amount Purchaser acknowledges to be reasonable and proper.

Any errors or omissions in computing apportionments or any other sums payable under this paragraph which are communicated to the other party within six (6) months after Closing shall be corrected and payment made to the proper party promptly after such communication.

22) EXTRA WORK AND EXTRA ITEMS ORDERED BY PURCHASER - Any work or items ordered from Sponsor by Purchaser which are not included in the Plans or standard model of the Unit shall, except as may otherwise be provided in this Purchase Agreement or in a writing signed by Sponsor, be paid for in full by Purchaser at the time they are ordered. The failure of Sponsor to perform or supply and install such work or items shall not entitle Purchaser to cancel this Purchase Agreement even if Purchaser has already paid for such work or items. Purchaser's only right in the event of Sponsor's failure to perform such extra work or supply and install such extra items is to receive a refund or credit at the time of Closing equal to the total payments made to Sponsor for such extra work or extra items. All extras must be ordered prior to commencement of construction and must not delay construction. In the event Purchaser orders upgraded or optional items or finishes other than the standard provided by Sponsor, Sponsor or Sponsor's contractors shall not be responsible or liable for any defects in quality of materials or workmanship in installation. Failure to make any payments due in

accordance with said payment schedule of Sponsor, Sponsor's contractors or sub-contractors, as applicable, shall constitute a breach in accordance with paragraph herein. As noted as a special risk of this sale, in the event a Purchaser is entitled to rescission Purchaser will not receive a refund of any funds paid for upgrades or extras. Sponsor shall have no responsibility for any work, fixtures, appliances, equipment or materials not ordered directly from Sponsor by Purchaser. For the purposes of this provision, any orders which Purchaser places directly with Sponsor's contractors or suppliers shall not be deemed to have been ordered directly from Sponsor.

23) **OPTIONS AND COLOR SELECTIONS** - Any choices given by Sponsor to Purchaser in colors, products, materials, design, features and similar matters shall be made by Purchaser in writing at Sponsor's office or model site, within ten (10) days after notification to Purchaser to make such choices. If there is anything as to which Purchaser has a choice, and Purchaser fails to inform Sponsor of Purchaser's choice within such ten (10) day time period, then Sponsor may make the choice on Purchaser's behalf and Purchaser shall accept such choice so made by Sponsor as if originally made, by Purchaser. No claim or objection to Closing shall be made by Purchaser because of any choice made by Sponsor in any case where Purchaser failed to give Sponsor timely notice of Purchaser's choice.

24) **ACKNOWLEDGMENT THAT THERE ARE NO OTHER UNDERSTANDINGS** - All prior understandings and agreements are hereby superseded and merged into this Purchase Agreement, which alone contains the final and entire understanding and agreement between Sponsor and Purchaser. Neither Sponsor nor Purchaser shall be bound by any terms, conditions, statements, or representations, oral or written, not set forth in this Purchase Agreement or in the Offering Plan. Purchaser acknowledges that Purchaser is buying a Condominium Unit in a Condominium development which may not yet have been formed at the time this Purchase Agreement is signed, and that, except as stated in this Purchase Agreement, the Declarations, By-Laws, Exhibits, Schedules and Plan, Purchaser has not relied on any representations or other statements of any kind or nature made by Sponsor or anyone else, including but not limited to any relating to the description, size or dimensions of the Unit or rooms therein, or the estimated Common Charges, Association Common Maintenance Charges or other expenses relative thereto.

Purchaser also acknowledges that none of Sponsor's Representatives has the authority to modify this Purchase Agreement or to make any oral promise, agreement or representation inconsistent or contrary to the terms of this Purchase Agreement. This Purchase Agreement may be changed only by a written document signed by both Purchaser and Sponsor's Authorized Agent. The invalidity or unenforceability of any particular provision of this Purchase Agreement will not affect the other provisions, and this Purchase Agreement will be interpreted in all respects as if such unenforceable provisions were omitted.

25) **PURCHASER'S DEFAULT** - If Purchaser fails to appear and close title in accordance with this Purchase Agreement on the date and at the time and place stated

in Sponsor's Notice For Closing, or if Purchaser fails to observe or perform any other thing to be observed or performed by Purchaser under this Purchase Agreement, Sponsor may send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such default. Upon Purchaser's failure to cure such default within such thirty (30) day period this Purchase Agreement shall, at Sponsor's option, be deemed cancelled and Sponsor shall have the right to retain as and for liquidated damages, all sums paid by Purchaser to Sponsor on account of the Purchase Price plus all additional sums paid and/or payable by Purchaser for all extra work and extra items ordered by Purchaser, together with all interest credited thereon, if any, which total amount Purchaser acknowledges to be fair and reasonable. Sponsor may obtain all legal and equitable remedies including, but not limited to, specific performance of this Purchase Agreement.

Notwithstanding the contents of any provision herein, if Purchaser loses rights and interest in the Unit as a result of a default or breach of this Purchase Agreement which occurs after Purchaser has paid 15 per centum or more of the Purchase Price, excluding any interest owed under this Purchase Agreement (if any), Sponsor (or successor thereof) shall refund to Purchaser any amount which remains after subtracting (A) 15 per centum of the Purchase Price, excluding any interest owed under this Purchase Agreement, or the amount of damages incurred by the Sponsor (or successor thereof) as a result of such breach, whichever is greater, from (B) the amount paid by Purchaser with respect to the Purchase Price, excluding any interest paid under this Purchase Agreement.

The notice of default shall be deemed notice to Purchaser by the Escrow Agent of the Escrow Agent's intent to release the funds being held in escrow on behalf of Purchaser pursuant to terms of the Escrow Agreement set forth in Part II, Section "PP" of this Offering Plan.

26) MORE THAN ONE PURCHASER LIABILITY; AUTHORITY TO SIGN - If two (2) or more persons are named as Purchaser in this Purchase Agreement, (i) each person shall be jointly and severally liable for payment, observance and performance of all obligations under this Purchase Agreement and (ii) anyone of them is hereby made agent for the other in all matters of any and every kind or nature with respect to the Unit and/or this Purchase Agreement. The act, assent, election or approval by one shall conclusively constitute the act, assent, election and approval by all.

27) SPONSOR'S RIGHT TO CANCEL - Sponsor may cancel this Purchase Agreement by forwarding a full refund of the Down Payment to Purchaser together with written notice of cancellation in the event of the occurrence of any of the following:

(a) any governmental authority imposes a ban on the construction or completion of residential dwellings or imposes restrictions on the manufacture, sale, distribution and/or use of materials from Sponsor's regular suppliers or from using same in the construction and/or completion of the Unit; or

(b) Sponsor is unable to obtain materials from its usual sources due to labor troubles, lockouts, war, military operations and requirements, civil unrest, act of God or national emergencies; or

(c) the installation of public utilities is restricted or curtailed; or

(d) the Plan is abandoned, withdrawn or not consummated for any reason.

Upon such cancellation and refund, neither party shall thereafter have any further liability or obligation to the other in connection with this Purchase Agreement or transaction.

28) POWER OF ATTORNEY - At closing, Purchaser shall execute, acknowledge and deliver to Sponsor in recordable form, a power of attorney in the form set forth in Part II, Section "GG" of the Offering Plan (the "Power of Attorney"), in favor of the Board of Managers of the Condominium and Board of Directors of the Association relative to leasing and purchasing of Units under certain circumstances and to foreclose upon Units for which the payment of Common Charges is delinquent, and in favor of Sponsor relative to amending the Condominium documents to the extent provided for in the Plan.

29) DAMAGE TO PUBLIC IMPROVEMENTS, AMENITIES AND COMMON ELEMENTS - Purchaser shall repair and/or restore to their original condition and standards any public improvement, amenity or Common Element on the Property damaged by Purchaser or Purchaser's agents, employees, contractors or licensees. Upon failure of Purchaser to complete such repair and/or restoration work within thirty (30) days after written notice from Sponsor, then and in that event, Sponsor may complete same at the expense of Purchaser who shall reimburse Sponsor for the cost thereof immediately upon demand. This paragraph shall survive delivery of the deed.

30) NOTICES - Any notices, statements, certificates, requests or demand required or permitted to be given or delivered under this Purchase Agreement shall be in writing and may be sent by mail, overnight courier or personal delivery, addressed to Purchaser or to Sponsor, as the case may be, at their respective addresses shown at the beginning of this Purchase Agreement, or to such other address as Purchaser or Sponsor may designate in the manner herein provided. Such notice, statement, certificate, request or demand shall be deemed to have been given:

(a) when received by the person to whom it was sent, if sent by regular mail,

(b) when delivered to an overnight courier service, if sent by overnight courier,

(c) upon personal delivery actually being made, and

31) STRICT COMPLIANCE; SEVERABILITY; WAIVER OF TRIAL BY JURY; LIS

PENDENS; ARBITRATION OF DISPUTES - Any failure by Sponsor to insist upon strict performance by Purchaser of any of Purchaser's obligations under this Purchase Agreement shall not be deemed a waiver of such obligations, and Sponsor may at any time insist upon strict performance by Purchaser of any and all obligations to be performed by Purchaser under this Purchase Agreement irrespective of the number of times Purchaser failed to strictly comply with such obligations in the past. If any part of this Purchase Agreement or the Plan is invalid or unenforceable with respect to a particular individual or circumstance, the remainder of this Purchase Agreement or the Plan and the applicability to other individuals or circumstances shall not be affected thereby but shall continue in full force and effect. Purchaser waives all rights to trial by jury in any action, proceeding or counterclaim in any way arising out of or relating to this Purchase Agreement or the Plan (except that claims under the Limited Warranty set forth in Section "JJ" of the Offering Plan, is not required to be submitted to arbitration). All claims against Sponsor and/or Sponsor's Affiliates, as defined below, other than those claims brought by a Purchaser under the Limited Warranty, must be submitted to binding arbitration in accordance with the rules of the American Arbitration Association with the locale of any hearings being in New York City and no claims against Sponsor and/or Sponsor's Affiliates may proceed in any court or judicial action or proceeding. Purchaser, on behalf of Purchaser and all permanent residents of the Unit, including minor children (collectively defined as "Purchaser" for all purposes in this paragraph), hereby agree that any and all disputes with Sponsor, Sponsor's parent companies, if any, Sponsor's affiliates, Sponsor's subsidiaries, its principals, officers, members, agents, employees, independent contractors (collectively "Sponsor and/or Sponsor's Affiliates") arising out of this Purchase Agreement, the Unit, any other agreements, communications or dealings involving Purchaser, or the construction or condition of the Unit, including but not limited to, disputes concerning breach of contract, express and implied warranties (other than warranties covered under the Limited Warranty), personal injuries and/or illness, mold-related claims, representations and/or omissions by Sponsor and/or Sponsor's Affiliates, on-site and off-site conditions and all other torts and statutory causes of action ("Claims") shall be resolved by binding arbitration in accordance with the rules and procedures of the American Arbitration Association ("AAA") or its successor or an equivalent organization mutually agreed upon the parties. In addition, Purchaser agrees that Purchaser may not initiate any arbitration proceeding for any Claims unless and until Purchaser has first given Sponsor specific written notice of each claim at 625 RXR Plaza, Uniondale, New York 11556, Attention: Legal Department). The arbitration hearing shall be held in New York City. Purchaser agrees to pay all arbitration fees and if Purchaser commences any action or proceeding in any court, Purchaser agrees to pay all Sponsor and/or Sponsor's Affiliates costs and expenses, including reasonable attorney fees, should Purchaser bring an action against Sponsor in any court, in any jurisdiction in lieu of arbitration. Purchaser understands and agrees that it may not under any circumstances file a notice of pendency or "lis pendens" on or against the Condominium Unit which is the subject of this Purchase Agreement and Purchaser may not file a notice of pendency or "lis pendens" on any portion of the subject Condominium. Purchaser's sole remedy against the Sponsor and/or Sponsor's Affiliates shall be to commence an arbitration proceeding as set forth herein. The provisions hereof shall survive Closing.

32) RISK OF LOSS - Purchaser understands that Purchaser is not the legal owner of the Unit and that possession of the Unit shall remain exclusively in Sponsor until the Closing occurs. Except as may be caused by Purchaser's acts, omissions or negligence or Purchaser's possession of the Unit prior to the Closing (which shall be the sole and complete responsibility of Purchaser), Sponsor shall assume the risk of loss or damage to the Unit by fire or other casualty until the Closing, at which time the risk of loss shall pass to Purchaser. However, if Purchaser is or becomes the occupant or tenant of the Unit prior to Closing pursuant to a separate agreement, then as of the date of Purchaser's occupancy, Purchaser shall be responsible for all damage caused by any acts or omissions of Purchaser, Purchaser's agents, employees or invitees.

If any part of the Unit that is purchased is damaged or destroyed by any casualty prior to Closing, Sponsor will have the option to restore the Unit to its previous condition as soon as reasonably possible. In the event Sponsor elects to restore the Unit, then the Closing Date and any other applicable date or deadline will be extended in a reasonable manner by Sponsor. Sponsor agrees to notify Purchaser of Sponsor's decision within ten (10) business days of the date of such casualty. In the event Sponsor elects not to restore the Unit, this Purchase Agreement will terminate and Purchaser will receive a full refund of all monies paid to Sponsor. The parties shall thereafter be released from any further liability hereunder.

33) LIEN OF DOWN PAYMENT - All sums paid on account of this Purchase Agreement and the reasonable expense of the examination of the title to the Unit are hereby made liens hereon, but such liens shall not continue after default by Purchaser under this Purchase Agreement.

34) LIENS SATISFIED AT CLOSING -The existence of unpaid taxes or liens of any kind at the time of Closing shall not constitute an objection to title, provided the Sponsor shall deposit a sufficient amount with a title company so that said company shall be willing to insure against collection of same from the property herein described. The parties agree that the Sponsor may pay and discharge any liens and encumbrances upon the property, not provided for in this Purchase Agreement, out of the monies to be paid by Purchaser at the time of Closing.

35) EXECUTION OF REQUIRED DOCUMENTS - Purchaser agrees to perform all acts required by the Sponsor to carry out the provisions of the Offering Plan, establish the Condominium and conform to the provisions of all applicable laws and regulations. This paragraph shall survive delivery of the deed.

36) INSPECTION DURING CONSTRUCTION - Unless specifically agreed to by Sponsor, Purchaser shall not visit the construction site other than the Sales Office. Any unauthorized visits to the construction site by Purchaser is subject to a charge by Sponsor of \$500 per visit, which Purchaser agrees to pay Sponsor within ten (10) days of billing thereof. Purchaser acknowledges that unsupervised visits to the construction site present a dangerous circumstance and could incur liability to Sponsor. Purchaser

hereby releases and agrees to indemnify, defend and hold Sponsor harmless for all claims and liabilities incurred by Sponsor resulting from the presence of Purchaser or Purchaser's family members or invitees in the Unit or Sponsor's other property during the term of this Purchase Agreement. Purchaser further agrees to execute the Express Assumption of Risk Form attached to and made a part of this Purchase Agreement as **Exhibit "1"**.

37) **AUTOMOBILES** - Purchaser agrees to register each car Purchaser owns with the Association and Board of Managers at Closing.

38) LIMITED WARRANTY - THE LIMITED WARRANTY SET FORTH IN PART II, SECTION "JJ" OF THE OFFERING PLAN AND INCORPORATED HEREIN BY REFERENCE (THE "LIMITED WARRANTY") IS IN PLACE OF AND EXCLUDES THE HOUSING MERCHANT IMPLIED WARRANTY, AS DEFINED IN ARTICLE 36-B OF THE NEW YORK GENERAL BUSINESS LAW, AS SAME MAY BE AMENDED FROM TIME TO TIME, AND ALSO EXCLUDES ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IN CONNECTION WITH THIS PURCHASE AGREEMENT AND THE CONSTRUCTION AND SALE OF THE UNIT. SPONSOR MAKES NO HOUSING MERCHANT IMPLIED WARRANTY AND, EXCEPT AS EXPRESSLY SET FORTH IN THE LIMITED WARRANTY, SPONSOR MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, IN CONNECTION WITH THIS PURCHASE AGREEMENT AND THE CONSTRUCTION AND SALE OF THE UNIT.

PRIOR TO THE EXECUTION OF THIS PURCHASE AGREEMENT BY PURCHASER, PURCHASER ACKNOWLEDGES THAT SPONSOR HAS SUPPLIED TO PURCHASER FOR EXAMINATION AND PURCHASER HAS RECEIVED, READ AND UNDERSTOOD A WRITTEN COPY OF THE EXPRESS TERMS OF THE LIMITED WARRANTY.

39) **COMPLETION OF CONSTRUCTION - PURCHASER'S INSPECTION.** Purchaser shall accept title (without abatement in or credit against the Purchase Price or provision for escrow) notwithstanding that construction of (a) minor details of the Unit or the Building in which it is located or (b) other Units or (c) the landscaped areas or (d) parking spaces or driveway or (e) other portions of the Common Elements or Association Common Areas have not been completed. Purchaser will inspect Purchaser's Unit with a representative of the Sponsor during normal business hours approximately three (3) days prior to the Closing Date and will sign and deliver to Sponsor on or before Closing a Pre-Title inspection Statement supplied by Sponsor, acknowledging the condition of the Unit. Receipt of the executed Pre-Title Inspection Statement shall be a condition precedent to closing. Roads, sewers, water, gas service, electric service and recreational amenities will be provided or completed by the Sponsor as represented in the Property Report. **THIS ARTICLE 39 SHALL SURVIVE DELIVERY OF THE DEED.**

40) ZONING - It is understood and agreed that should zoning and/or building restrictions and regulations, imposed by any Governmental body having jurisdiction over the construction of residential housing and appurtenances, either presently in effect or as enacted or promulgated in the future, create or impose requirements upon the Sponsor which are not presently contemplated, then in that event the Sponsor may cancel this Purchase Agreement with a notice in writing addressed to Purchaser at their address herein above set forth and return all funds deposited hereunder within twenty (20) days of such notice and upon making such payment, this Purchase Agreement shall be terminated and neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under this Purchase Agreement and the Offering Plan.

41) PERSONAL PROPERTY INCLUDED IN SALE. All articles of personal property, fixtures and equipment for any Model Type Unit referred to herein are included in this sale, and same will be delivered free and clear of all liens and encumbrances except the lien of the mortgage applied for by Purchaser herein if any.

42) PROHIBITION AGAINST ADVERTISING AND SELLING. Prior to the Closing, Purchaser is prohibited from (a) listing the Unit for resale or rental with any broker or (b) advertising or otherwise offering, promoting or publicizing the availability of a Unit for sale or lease, without Sponsor's prior written consent, which consent may be withheld in Sponsor's sole discretion. In addition, a Purchaser may not advertise, list or sell, without Sponsor's prior written consent, which consent may be withheld in Sponsor's sole discretion, except for hardship conditions of Purchaser, a Unit acquired from Sponsor for twelve (12) months after acquisition of such Unit (provided however, such limitation shall not apply from and after the date that Sponsor conveys title to all of the Units). Any such conveyances in violation of the foregoing will be voidable by Sponsor. This paragraph shall survive Closing.

43) LIABILITY OF PROPERTY BELONGING TO PURCHASER - It is understood and agreed that the Sponsor will accept no liability whatsoever for any property belonging to Purchaser, their agents, employees, family, or belonging to any party other than Sponsor which is placed in the Unit prior to the Closing. No act of the Sponsor, whatever its nature, shall constitute a waiver of this paragraph.

44) PURCHASER'S INTERFERENCE - Purchaser acknowledges that it may not interfere with Sponsor's ability to construct this or other Unit(s) or facilities, including interference with work performed on site by Sponsor's staff in connection with the construction of Purchaser's Unit or any other Unit, attempts to hire any of Sponsor's staff or contractors, and/or attempts to bring contractors, materialman, subcontractors or workers onto the site for work on Purchaser's Unit prior to Closing to the Unit, unless otherwise agreed to in writing by Sponsor.

45) UNIT PART OF DEVELOPMENT - Purchaser acknowledges and agrees that other Units and infrastructure are presently being constructed at the project and that Sponsor

anticipates that such construction shall continue until the project is completed in accordance with the Sponsor's development plan. Purchaser further agrees that such construction shall not be deemed a nuisance nor an interference with Purchaser's quiet enjoyment of Purchaser's Unit.

46) PURCHASER'S REPRESENTATIONS - Purchaser represents that Purchaser has not relied upon any architect's plans, sales plans, selling brochures, advertisements, representations, warranties or statements, written or oral, of any nature, including but not limited to, any of the above relating to the description or physical condition of the Condominium or Association or the above described Unit or the Property, the size or the dimensions of the Unit or the rooms therein contained or any physical characteristics thereof, the Condominium or Association services, the estimated Common Charge or Association Common Maintenance Charges or income tax deductions for the First Year of Operations or any other matter or estimate except for all such items as set forth herein and/or in the Plan. Purchaser further acknowledges having had full opportunity to examine all documents and investigate all facts referred to and stated herein and in the Plan. Purchaser agrees that the Sponsor shall have no liability or responsibility to Purchaser and that Purchaser will not be relieved from his or her obligations hereunder, by reason of any inaccuracy or error in the layout or dimensions of the Unit so long as the layout and specifications as they may be changed or amended are in accordance with the provisions of the Plan. Purchaser understands and acknowledges that the Sponsor cannot guarantee a firm completion and availability date for the Unit and agrees that the Sponsor shall not be obligated to make, provide or compensate for any accommodations to Purchaser as a result of construction delays nor shall such delays serve to cancel, amend or diminish any of Purchaser's obligations hereunder, except as stated in paragraph "6" of this Purchase Agreement.

47) MISCELLANEOUS - The terms and conditions contained in this Purchase Agreement shall survive the Closing. The start of any activity by Sponsor in connection with the Unit is not to be deemed a waiver of any of Sponsor's rights under this Purchase Agreement.

WHEN SIGNED BY SPONSOR AND PURCHASER, THIS PURCHASE AGREEMENT WILL BECOME A LEGALLY BINDING AGREEMENT. PURCHASER SHOULD MAKE SURE THAT ALL PROVISIONS ARE READ AND UNDERSTOOD BEFORE SIGNING. IF PURCHASER DOES NOT UNDERSTAND ANY PROVISION, PURCHASER SHOULD SEEK LEGAL ADVICE.

PURCHASER MUST BE GIVEN A COPY OF THE PUBLIC OFFERING PLAN PRIOR TO THE SIGNING OF THIS PURCHASE AGREEMENT. BY SIGNING THIS PURCHASE AGREEMENT, PURCHASER ACKNOWLEDGES RECEIPT OF THE OFFERING PLAN AND ALL AMENDMENTS THERETO AND THAT PURCHASER HAS HAD AN OPPORTUNITY TO READ THE OFFERING PLAN AND THE AMENDMENTS THERETO (I) FOR NOT FEWER THAN THREE (3) BUSINESS DAYS OR (II) PURCHASE WILL HAVE SEVEN (7) DAYS AFTER DELIVERING AN

EXECUTED PURCHASE AGREEMENT TOGETHER WITH THE REQUIRED DOWN PAYMENT TO SPONSOR TO RESCIND THIS PURCHASE AGREEMENT AND RECEIVE A REFUND OF THE DOWN PAYMENT.

48) ATTORNEYS - The attorneys representing the Sponsor or any lender represent such parties only and not Purchaser. Purchaser may retain independent counsel at Purchaser's own expense in order to protect Purchaser's own interest.

49) CONSTRUCTION SITE – Purchaser acknowledges that Purchaser will be living in an active construction site until the Phase I Condominium, the Phase II Condominium, if developed, and the Association Common Areas are constructed and completed. Purchaser acknowledges and understands that during this period, which may be several years, there may be storage of construction materials and equipment in the Community, construction vehicular traffic throughout the Community, construction noises, fumes, dirt, debris and dust in the roadways and throughout the Community, unfinished areas of the Community and other inconveniences which are normal in a new residential development or condominium development under construction until the completion of the Community.

50) The appropriate W-9 or W8 form executed by Purchaser – Purchaser or the designated interest recipient will execute and complete either IRS Form W-9 (Request for Taxpayer Identification Number and Certification) or IRS Form W-8BEN (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding) and annex the aforesaid form to this Purchase Agreement prior to execution of this Purchase Agreement by Sponsor. (W-9 form and W-8BEN form are annexed hereto as **Exhibit “2”**) or in a form as reasonably required by the Escrow Bank.

51) INSPECTION STATEMENT / PUNCHLIST - Purchaser will complete an Inspection Statement / Punchlist form prior to Closing and shall deliver to Sponsor at least 48 hours prior to Closing. (Inspection Statement / Punchlist form is annexed hereto as **Exhibit “3”**).

53) ACKNOWLEDGMENT - The terms, conditions and provisions of this Purchase Agreement are hereby accepted on dated executed by Purchaser.

Purchaser acknowledges that: (i) the Condominium Unit is being developed and sold by Declarant and not by THE RITZ-CARLTON HOTEL COMPANY, L.L.C., Marriott International, Inc. or any of their Affiliates (collectively, “RITZ-CARLTON”); (ii) RITZ-CARLTON has not confirmed the accuracy of any marketing or sales materials provided by Declarant, is not part of or an agent for the Declarant and has not acted as broker, finder or agent in connection with the sale of the Unit; (iii) Unit Owner has no right to use or interest in the RITZ-CARLTON Marks; and (iv) the Unit Owner waives and releases RITZ-CARLTON from and against any

liability with respect to any representations or defects or any claim whatsoever, relating to the marketing, sale or construction of the Unit, the Condominium or the Building.

Purchaser further acknowledges that in the event one or more of (a) the Residential Condominium License and Development Agreement, as may be amended, by and between Declarant and The Ritz-Carlton Hotel Company, L.L.C. ("RITZ-CARLTON"), or (b) the Management Agreement between the Association on behalf of each Residential Condominium Association and RITZ-CARLTON is terminated for any reason, all use of the RITZ-CARLTON Marks (which means those certain trademarks and service marks, including the mark "THE RITZ-CARLTON" and the "Lion and Crown Logo") shall cease at the Residential Condominium, all indicia of affiliation of the Residential Condominium with RITZ-CARLTON, including all signs or other materials bearing any of the RITZ-CARLTON Marks, shall be removed from the Condominium Buildings, and all services to be provided by RITZ-CARLTON to the Condominium shall cease.

Use of the RITZ-CARLTON Marks shall be limited to use of the approved name (i) on signage on or about the Condominium, and (ii) by any Unit Owners association, Condominium Board of Managers, condominium association, Condominium executive committee, individual Unit Owners, and their agents, solely to identify the address of the Condominium or the Units. No other use will be permitted of the RITZ-CARLTON Marks. All uses of the RITZ-CARLTON Marks, including the approved name, are subject to removal upon the expiration or termination of the Residential Condominium Management Agreement.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust, and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester.
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details).
3. The IRS tells the requester that you furnished an incorrect TIN.
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* on page 1.

What is FATCA reporting? The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Partnership, C Corporation, or S Corporation. Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulation section 301.7701-2(c)(2)(ii). Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Note. Check the appropriate box for the U.S. federal tax classification of the person whose name is entered on the "Name" line (Individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

Limited Liability Company (LLC). If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the U.S. federal tax classification in the space provided. If you are an LLC that is treated as a partnership for U.S. federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8632 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation, as appropriate. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for U.S. federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

Other entities. Enter your business name as shown on required U.S. federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/disregarded entity name" line.

Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the Exemptions box, any code(s) that may apply to you. See *Exempt payee code and Exemption from FATCA reporting code* on page 3.

Exempt payee code. Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends. Corporations are not exempt from backup withholding for payments made in settlement of payment card or third party network transactions.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. **Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.
2. **Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
3. **Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.
4. **Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
5. **Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

- To reduce your risk
- Protect your SSN.
 - Ensure your employer is protecting your SSN, and
 - Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4430 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit irs.gov to learn more about identity theft and how to reduce your risk.

¹ List first and circle the name of the person whose number you furnish. If only one person on a joint account has an SSN, that person's number must be furnished.

² Circle the minor's name and furnish the minor's SSN.

³ You must show your individual name and you may also enter your business or "DBA" name on the "Business name/disregarded entity" name line. You may use either your SSN or EIN (if you have one), but the IRS encourages you to use your SSN.

⁴ List first and circle the name of the trust, estate, or pension trust. (Do not furnish the TIN of the personal representative or trustee unless the legal entity itself is not designated in the account title.) Also see *Special rules for partnerships* on page 1.

*Note: Grantor also must provide a Form W-9 to trustee of trust.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. You must provide your TIN whether or not you are required to file a tax return. SOUTHERN REGION – BOARD OF REVIEW

In the Matter of the Petition of
RITZ CARLTON RESIDENCE
For a Variance to the New York State
Uniform Fire Prevention and Building Code

DECISION

PETITION NO. 2013-0396

Upon the application of Ritz Carlton Residence filed pursuant to 19 NYCRR 1205 on October 2, 2013, and upon taking testimony and hearing argument thereon at a duly noticed hearing before the Southern Region – Board of Review held at the Perry B. Duryea Jr. State Office Building, 250 Veterans Memorial Highway, Hauppauge, New York on October 10, 2013, and upon all other papers in this matter, the Board makes the following determination:

NATURE OF GRIEVANCE AND RELIEF SOUGHT

The petition pertains to a new development of buildings. The subject buildings are of mixed R-2, permanent multiple residence, and S-2, parking garage occupancies, a maximum of five stories in height, of Type 2 and Type 1A construction. The building development is located at 95 Powerhouse Road in the Incorporated Village of North Hills, County of Nassau, State of New York.

The Petitioner is seeking relief from:

19 NYCRR Part 1225, The Fire Code of New York State, Section 503.1.1, which requires that approved fire apparatus access roads shall be provided for every facility, building, or portion of a building hereafter constructed or moved into or within the jurisdiction. The fire apparatus access road shall comply with the requirements of this section and shall extend to within 150 feet of all portions of the facility or any portion of the exterior wall of the first story of the building, as measured by an approved route around the exterior of the building or facility.

Exception 1 permits the distance to be 300 feet where the building is equipped throughout with an approved automatic sprinkler system, installed in accordance with Section F903.3.1.1 or Section F903.3.1.2, when approved by the Code Enforcement Official. [The petitioner requests that an access road through the center of the development serve as the approved fire access road for all buildings in the development.]

19 NYCRR, Part 1225, The Fire Code of New York State, Appendix D, Section D105.2, which requires that fire apparatus access roads shall have a minimum unobstructed width of 26 feet in the immediate vicinity of any building or portion of building more than 30 feet in height

The Petitioner requests that two 20 foot wide roads through the center of the development serve as the approved fire access road for buildings located at the north of the development

FINDINGS OF FACT

- 1 A Group R-2, residential-condominiums occupancy development in five paired buildings is proposed at subject property location
- 2 After considerable deliberations involving the Office of The Fire Marshal and local and State officials, a layout, with a main access road running through the center of the property, was agreed to
- 3 The centerpiece of the development is a clubhouse with an accessory swimming pool and recreational facilities
- 4 The main access road runs through the center of the development and loops around the clubhouse building and recreational area. This road will connect to New Hyde Park Road in the south and the Long Island Expressway service road to the north.
5. The five, five-story residential buildings surround the main access road following the run of the property line
- 6 The rear walls of the multiple residence building are as close as approximately 24 feet from the property line making it impossible to locate viable fire access roads at the rear of these buildings.
- 7 Section 509.2 of The Building Code of New York State has special provisions which allow the building's parking structure to be regulated separately from the multiple residence buildings above.
- 8 The parking garage will be located at the first story level and should adequately supply parking for the residents and guests so as to eliminate the need for parking on the main access road through the development
9. All the buildings in the development and the entire parking garage will be fully sprinklered in accordance with NFPA 13. For this reason, the Fire Marshal and the local building officials are agreeable to regulating the buildings under Exception 1 of Section 503 1.1 of The Fire Code of New York State, which allows the reach of fire hoses following a path around a building to be within 300 feet of the fire access road

10. 300 foot fire hoses, extended from optimally located fire trucks, would not completely encircle three residential buildings located east of the central fire access road.
11. The Petitioner proposes to place dry hydrant valve outlet connections at the rear of these buildings to cover gaps beyond such extended fire hoses.
12. Each hydrant valve outlet connection is to be connected to a dry pipe line with an inlet connection at the other end. These pipelines can be charged with water as needed by Fire Department personnel by connecting the dry pipe inlet via hose to a fire truck. A total of three of these outlet-inlet combinations are proposed throughout the development to serve the rear of the three buildings located east of the central fire access road.
13. A decorative landscaped median is proposed to separate the north portion of the central fire access road into two 20 foot one-way roads instead of a single 26 foot wide road.
14. The landscaped median does not appear to significantly impede Fire Department access.
15. The Office of The Fire Marshal of Nassau County has voiced support for the site layout presented at this hearing.
16. The Board has expressed concerns that during phased construction, all access roads shall be maintained clear and accessible for emergency response.

CONCLUSIONS OF LAW

The Board finds that strict compliance with the provisions of the Uniform Fire Prevention and Building Code would entail practical difficulty or unnecessary hardship and would be unnecessary in light of alternatives which ensure the achievement of the Code's intended objective, or in light of alternatives which without a loss in the level of fire safety, achieve the Code's intended objective more efficiently, effectively and economically. The granting of this variance will not substantially adversely affect the Uniform Code's provisions for health, safety, and security.

DETERMINATION

WHEREFORE IT IS DETERMINED that the application for a variance from 19 NYCRR Part 1225, The Fire Code of New York State, Section 503.1.1, and 19 NYCRR, Part 1225, The Fire Code of New York State, Appendix D, Section D105.2, be and is hereby PROPOSED TO BE GRANTED with the following conditions:

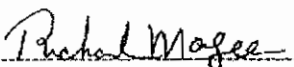

1. That no surface parking shall be allowed on the main access road through the development in order to allow optimal placement of fire trucks in an emergency.

- 2 That the use of dry or wet hydrant valve connections in the rear of the three buildings east of the central fire access road shall be provided, subject to the approval of the authorities having jurisdiction, and local Fire Department
 - 3 That an approved fire safety plan be submitted to the authorities having jurisdiction, including but not limited to provisions to maintain the integrity of the firefighting water supply and access to all safety equipment and features at all times, and under all weather conditions, including all phases of construction.
 - 4 That the buildings throughout the complex shall have fire sprinkler systems installed in accordance with NFPA 13, as proposed by the Petitioner
 - 5 That the building shall comply in all other respects to the provisions of the Uniform Code, including but not limited to the applicable provisions of Section 502.9 of The Building Code of The State of New York
- Furthermore, it should be noted that the decision of the Board is limited to the specific building and application before it, as contained within the petition, and should not be interpreted to give implied approval of any general plans or specifications presented in support of this application.

Chairman Richard Magee and members, Robert Peterson & Pey-Lin Nee, all concur.

HOUSING MERCHANT LIMITED WARRANTY

JJ. HOUSING MERCHANT LIMITED WARRANTY

The following is General Business Law §777 which is the Housing Merchant Warrant Law, which Sponsor excludes in favor of the Limited Warranty contained in this Offering Plan:

New York General Business Law § 777. Definitions:

As used in this article, the following terms shall have the following meanings:

1. "Builder" means any person, corporation, partnership or other entity contracting with an owner for the construction or sale of a new Unit.
2. "Building Code" means the Building Code of New York State, uniform fire prevention and building code promulgated under section three hundred seventy-seven of the executive law, local building code standards approved by the uniform fire prevention and building code council under section three hundred seventy-nine of the executive law.
3. "Constructed in a skillful manner" means that workmanship and materials meet or exceed the specific standards of the applicable building code. When the applicable building code does not provide a relevant specific standard, such term means that workmanship and materials meet or exceed the standards of locally accepted building practices.
4. "Material defect" means actual physical damage to the following load-bearing portions of the Unit caused by failure of such load-bearing portions which affects their load-bearing functions to the extent that the Unit becomes unsafe, unsanitary or otherwise unlivable: foundation systems and footings, beams, girders, lintels, columns, walls and partitions, floor systems, and roof framing systems.
5. "New Unit" or "Unit" means any single family house or for sale Unit in a multi-Unit residential structure of five stories or less in which title to the individual Units is transferred to Owners under a Condominium or cooperative organization. Such terms do not include dwellings constructed solely for lease, mobile Units as defined in section seven hundred twenty-one of this chapter, or any house or Unit in which the builder has resided or leased continuously for three years or more following the date of completion of construction, as evidenced by a certificate of occupancy.
6. "Owner" means the first person to whom the Unit is sold and, during the unexpired portion of the warranty period, each successor in title to the Unit and any mortgagee in possession. Owner does not include the builder of the Unit or any firm under common control of the builder.

7. "Plumbing, electrical, heating, cooling and ventilation systems" shall mean:

a. in the case of plumbing systems: gas supply lines and fittings; water supply, waste and vent pipes and their fittings; septic tanks and their drain fields; water, gas and sewer service piping, and their extensions to the tie-in of a public utility connection, or on-site well and sewage disposal system;

b. in the case of electrical systems: all wiring, electrical boxes, switches, outlets and connections up to the public utility connection; and

c. in the case of heating, cooling and ventilation systems: all duct work, steam, water and refrigerant lines, registers, convectors, radiation elements and dampers.

8. "Warranty date" means the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the Unit as a residence, whichever first occurs.

New York General Business Law § 777-a. Housing merchant implied warranty:

1. Notwithstanding the provisions of section two hundred fifty-one of the real property law, a housing merchant implied warranty is implied in the contract or agreement for the sale of a new Unit and shall survive the passing of title. A housing merchant implied warranty shall mean that:

a. one year from and after the warranty date the Unit will be free from defects due to a failure to have been constructed in a skillful manner;

b. two years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and

c. six years from and after the warranty date the Unit will be free from material defects.

2. Unless the contract or agreement by its terms clearly evidences a different intention of the seller, a housing merchant implied warranty does not extend to:

a. any defect that does not constitute (i) defective workmanship by the builder or by an agent, employee or subcontractor of the builder, (ii) defective materials supplied by the builder or by an agent, employee or subcontractor of the builder, or (iii) defective design provided by a design professional retained exclusively by the builder; or

b. any patent defect which an examination ought in the circumstances to have revealed, when the buyer before taking title or accepting construction as complete has examined the Unit as fully as the buyer desired, or has refused to examine the Unit.

3. In the case of goods sold incidentally with or included in the sale of the new Unit, such as stoves, refrigerators, freezers, room air conditioners, dishwashers, clothes washers and dryers, a housing merchant implied warranty shall mean that such goods

shall be free from defects due to failure by the builder or any agent, employee or subcontractor of the builder to have installed such systems in a skillful manner. Merchantability, fitness and all other implied warranties with respect to goods shall be governed by part three of article two of the uniform commercial code and other applicable statutes.

4. a. Written notice of a warranty claim for breach of a housing merchant implied warranty must be received by the builder prior to the commencement of any action under paragraph b of this subdivision and no later than thirty days after the expiration of the applicable warranty period, as described in subdivision one of this section. The owner and occupant of the Unit shall afford the builder reasonable opportunity to inspect, test and repair the portion of the Unit to which the warranty claim relates.

b. An action for damages or other relief caused by the breach of a housing merchant implied warranty may be commenced prior to the expiration of one year after the applicable warranty period, as described in subdivision one of this section, or within four years after the warranty date, whichever is later. In addition to the foregoing, if the builder makes repairs in response to a warranty claim under paragraph a of this subdivision, an action with respect to such claim may be commenced within one year after the last date on which such repairs are performed. The measure of damages shall be the reasonable cost of repair or replacement and property damage to the Unit proximately caused by the breach of warranty, not to exceed the replacement cost of the Unit exclusive of the value of the land, unless the court finds that, under the circumstances, the diminution in value of the Unit caused by the defect is a more equitable measure of damages.

c. In addition to any other period for the commencement of an action permitted by law, an action for contribution or indemnification may be commenced at any time prior to the expiration of one year after the entry of judgment in an action for damages under paragraph b of this subdivision.

5. Except as otherwise provided in section seven hundred seventy-seven-b of this article, any provision of a contract or agreement for the sale of a new Unit which excludes or modifies a housing merchant implied warranty shall be void as contrary to public policy.

6. Except as otherwise provided in section seven hundred seventy-seven-b of this article, other implied warranties may arise from the terms of the contract or agreement or from course of dealing or usage of trade.

New York General Business Law § 777-b. Exclusion or modification of warranties:

1. Except in the case of a housing merchant implied warranty, the builder or seller of a new Unit may exclude or modify all warranties by any clear and conspicuous terms contained in the written contract or agreement of sale which call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.
2. Except in the case of a housing merchant implied warranty, the builder or seller of a new Unit may exclude or modify warranties with respect to particular defects by any clear and conspicuous terms contained in the written contract or agreement of sale which identify such defects, call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.
3. A housing merchant implied warranty may be excluded or modified by the builder or seller of a new Unit only if the buyer is offered a limited warranty in accordance with the provisions of this subdivision.
 - a. A copy of the express terms of the limited warranty shall be provided in writing to the buyer for examination prior to the time of the buyer's execution of the contract or agreement to purchase the Unit.
 - b. A copy of the express terms of the limited warranty shall be included in, or annexed to and incorporated in, the contract or agreement.
 - c. The language of the contract or agreement for sale of the Unit must conspicuously mention the housing merchant implied warranty and provide that the limited warranty excludes or modifies the implied warranty. Language to exclude all implied warranties is sufficient if it states, for example, that "There are no warranties which extend beyond the face hereof."
 - d. The limited warranty shall meet or exceed the standards provided in subdivisions four and five of this section.
4. A limited warranty sufficient to exclude or modify a housing merchant implied warranty must be written in plain English and must clearly disclose:
 - a. that the warranty is a limited warranty which limits implied warranties on the sale of the Unit; the words "limited warranty" must be clearly and conspicuously captioned at the beginning of the warranty document;
 - b. the identification of the names and addresses of all warrantors;
 - c. the identification of the party or parties to whom the warranty is extended and whether it is extended to subsequent Owners; the limited warranty must be extended to

the first owner of the Unit and survive the passing of title but may exclude any or all subsequent Owners;

d. a statement of the products or parts covered by the limited warranty;

e. the clear and conspicuous identification of any parts or portions of the Unit or premises that are excepted or excluded from warranty coverage, and the standards that will be used to determine whether a defect has occurred; provided, however, that:

i. any exception, exclusion or standard which does not meet or exceed a relevant specific standard of the applicable building code, or in the absence of such relevant specific standard a locally accepted building practice, shall be void as contrary to public policy and shall be deemed to establish the applicable building code standard or locally accepted building practice as the warranty standard; and

ii. any exception, exclusion or standard that fails to ensure that the Unit is habitable, by permitting conditions to exist which render the Unit unsafe, shall be void as contrary to public policy.

f. what the builder and any other warrantor will do when a defect covered by the warranty does arise, and the time within which the builder and any other warrantor will act;

g. the term of the warranty coverage and when the term begins, provided, however, that such term shall be equal to or exceed the warranty periods of a housing merchant implied warranty, as defined in subdivision one of section seven hundred seventy-seven-a of this article;

h. step-by-step claims procedures required to be undertaken by the owner, if any, including directions for notification of the builder and any other warrantor; an owner shall not be required to submit to binding arbitration or to pay any fee or charge for participation in nonbinding arbitration or any mediation process;

i. any limitations on or exclusions of consequential or incidental damages, and any limitations on the builder's and other warrantor's total liability, conspicuously expressed on the first page of the warranty. Notwithstanding the foregoing, a limited warranty shall not be construed to permit any limitation on or exclusion of property damage to the Unit proximately caused by a breach of the limited warranty, where the court finds that such limitation or exclusion would cause the limited warranty to fail of its essential purpose, except that such property damage may be limited by an express limitation on the builder's or other warrantor's total liability in accordance with the provisions of this paragraph.

5. a. This article shall not be construed to authorize or validate any covenant, promise, agreement or understanding which is void and unenforceable under section 5-322.1 of the general obligations law.

b. This article shall preempt any local law inconsistent with the provisions of this article. This article shall not preempt any builder subject to its provisions from complying with any local law with respect to the regulation of Unit builders except as expressly provided herein.

c. Nothing in this article shall be construed to repeal, invalidate, supersede or restrict any right, liability or remedy provided by any other statute of the state, except where such construction would, as a matter of law, be unreasonable.

AND
_____, AS PURCHASER.

LIMITED WARRANTY
NAME OF PURCHASER(S): _____
ADDRESS OF PURCHASER(S): _____
DESIGNATION OF UNIT WARRANTED: _____

NAME OF SPONSOR: RXR NORTH HILLS PHASE I OWNER LLC
ADDRESS OF SPONSOR: 625 RXR Plaza, Uniondale, New York 11556.

EFFECTIVE DATE OF THIS LIMITED WARRANTY:
The date that Purchaser or its family shall first occupy the Unit warranted or the date of delivery of the deed to such Unit to Purchaser, whichever occurs first.

SPONSOR'S LIMIT OF TOTAL LIABILITY: In no event shall the Sponsor's total liability to Purchaser under this Limited Warranty exceed ten (10%) percent of the Purchase Price of the Unit exclusive of options and less, any insurance proceeds received by Purchaser (the "Maximum Liability of Sponsor").

THIS LIMITED WARRANTY EXCLUDES AND PRECLUDES ALL CONSEQUENTIAL, INCIDENTAL, SPECIAL, AND INDIRECT DAMAGES.

THIS LIMITED WARRANTY IS IN LIEU OF AND REPLACES ALL OTHER WARRANTIES ON THE CONSTRUCTION AND SALE OF THE UNIT AND ITS COMPONENTS, BOTH EXPRESS AND IMPLIED (INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE). THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE FACE HEREOF. THE PURPOSE OF THIS LIMITED WARRANTY IS TO IDENTIFY THE SPONSOR'S RESPONSIBILITIES FOR CONSTRUCTION DEFECTS OF A LATENT OR HIDDEN NATURE THAT COULD NOT HAVE BEEN FOUND OR DISCLOSED ON FINAL INSPECTION OF THE UNIT.

1. To Whom Given. This Limited Warranty is given to Purchaser named on the first page of this Rider to Purchase Agreement while Purchaser owns the Unit. IT DOES NOT EXTEND TO SUBSEQUENT OWNERS, HEIRS, TENANTS OR MORTGAGEES IN POSSESSION OF THE UNIT, ANY ONE WHO MAY SUCCEED TO THE RIGHTS OF PURCHASER OR ANY OTHER PERSONS.

2. By Whom Made. This Limited Warranty is made exclusively by the Sponsor whose name and address appear on the first page of this Rider to Purchase Agreement.

3. Final Inspection of the Unit. Before Purchaser moves into the Unit or accepts the deed, the Sponsor will schedule an appointment for final inspection of the Unit with Purchaser. The purpose of this final inspection is to discover any defects, of a visible, obvious or patent nature, or any other unfinished work.

All defects found on final inspection of the Unit will be itemized on a Final Inspection Sheet, which will be signed by Purchaser and the Sponsor before occupancy of the Unit or delivery of the deed.

4. Warranty Coverages and Periods.

FIRST YEAR BASIC COVERAGE:

For one year from the Warranty Date, the Unit will be free from latent defects that constitute:

(a) defective workmanship performed by Sponsor, and agent of Sponsor or subcontractor of Sponsor;

(b) defective materials provided by Sponsor, an agent of Sponsor or subcontractor of Sponsor; or

(c) defective design, provided by an architect, engineer, surveyor, or other design professional engaged solely by Sponsor.

(d) defective installation of appliances sold as part of the Unit by the Sponsor or an agent, employee or subcontractor of the Sponsor.

Sponsor under this coverage is not responsible for any defects in any work or materials ordered directly by Purchaser from Sponsor's subcontractors or suppliers or other outside suppliers or subcontractors or for incidental or consequential damages resulting from such work or materials.

Workmanship, materials, and design will be considered to be defective if they fail to meet or exceed the relevant standards and specifications of the Building Code of

New York State or, in the event such standards do not exist in connection with any warranty item, if they fail to meet the locally accepted building practice.

TWO-YEAR MAJOR SYSTEMS COVERAGE:

For two years from the Warranty Date, the Plumbing, Electrical, Heating, Cooling and Ventilation Systems of the Unit which have been installed by Sponsor are warranted to be free from latent defects that constitute defective installation by Sponsor.

Installation will be considered to be defective if Sponsor's workmanship upon the installation fails to meet or exceed the relevant standards and specifications of the Building Code of New York State or in the event such standards do not exist in connection with a warranty item, if they fail to meet locally accepted building practice.

The Plumbing Systems means: oil supply lines and fittings; water supply, waste and vent pipes and their fittings; septic tanks and their drain fields; water, oil and sewer service piping, and their extensions to the tie-in of a public utility connection, or on-site well and sewage disposal system.

The Electrical System means: all wiring, electrical boxes, switches, outlets and connections up to the public utility connection.

The Heating, Cooling and Ventilation System means: all duct work, steam, water and refrigerant lines, registers, convectors, radiation elements and dampers.

All systems are expressly exclusive of appliances, fixtures and items of equipment.

SIX YEAR MAJOR STRUCTURAL DEFECT COVERAGE:

For six years from the Warranty Date, the Unit will be free from latent defects that are Major Structural Defects, as defined below, and that constitute:

- (a) defective workmanship performed by Sponsor, an agent of Sponsor or subcontractor of Sponsor;
- (b) defective materials provided by Sponsor, an agent of Sponsor or subcontractor of Sponsor; or
- (c) defective design, provided by an architect, engineer, surveyor, or other design professional engaged solely by Sponsor.

Workmanship, materials and design will be considered to be defective if they fail to meet or exceed the relevant standards and specifications of the Building Code of

New York State or, in the event such standards do not exist in connection with a warranty item, if they fail to meet locally accepted building practice.

A Major Structural Defect is a defect resulting in actual physical damage to the following load-bearing portions of the Unit caused by failure of such load-bearing portions which affects their load-bearing functions to the extent that the Unit becomes unsafe, unsanitary or otherwise unlivable: foundation systems and footings, beams, girders, lintels, columns, walls and partitions, floor systems, and roof framing systems.

By way of example and not in limitation of the foregoing, damage to the following non-load bearing portions of the Unit do not constitute a Material Defect for the Material Defect coverage: roofing and sheathing; drywall and plaster; exterior siding; brick, stone and stucco veneer; floor covering material; wall tile and other wall coverings; non-load bearing walls and partitions; concrete floors in the garages and basements that are built separately from foundation walls or other structural elements of the Unit; electrical, plumbing, heating, cooling and ventilation systems; appliances; fixtures and items of equipment; paint; doors and windows; trim; cabinets; hardware; insulation and items of a similar nature.

5. Exclusions From All Coverages.

The following are expressly excluded from the Basic Coverage, Major System Coverage, and Major Structural Defect Coverage:

(a) Loss or damage caused by workmanship performed by any person other than (i) Sponsor, (ii) an agent of Sponsor, or (iii) a subcontractor of Sponsor.

(b) Loss or damage caused by defective materials supplied by any person other than (i) Sponsor, (ii) an agent of Sponsor, or (iii) a subcontractor of Sponsor.

(c) Loss or damage caused by defective design provided by any person other than a design professional retained exclusively by Sponsor.

(d) Any fixtures, equipment or appliance included within, without limitation including, stoves, refrigerators, freezers, room air conditioners, dishwashers, washers, dryers and similar items, unless a latent defect is caused by the failure of Sponsor, its agent or subcontractor to have installed same in a skillful manner.

(e) Patent defects including defects shown on the Final Inspection Sheet and defects which an examination of the Unit prior to acceptance of the deed or occupancy of the Unit ought to have revealed.

(f) Defects in outbuilding including but not limited to detached garages and detached carports (except outbuilding which contain the plumbing, electrical, heating, cooling or ventilation systems serving the Unit); site located swimming pools and other

recreational facilities; driveways; walkways; patios; boundary walls; retaining walls; bulkheads; fences; landscaping (including sodding, seeding, shrubs, trees and plantings); off-site improvements or any other improvements not as part of the Unit itself.

(g) After the first year Basic Coverage, concrete floors of cellars and concrete floor of garages that are built separately from foundation walls or other structural elements of the Unit.

(h) Damage to real property which is not part of the Unit covered by the Limited Warranty and which is not included in the Purchase Price of the Unit.

(i) Any damage to the extent that it is caused or made worse by:

(i) negligence, improper maintenance, or improper operation by anyone other than Sponsor, its employees, agents, or subcontractors; or

(ii) failure by Purchaser or anyone other than Sponsor, its employees, agents or subcontractors, to comply with the warranty requirements of manufacturers or suppliers of appliances, fixtures or items of equipment; or

(iii) failure of Purchaser to give notice to Sponsor of any defects or damage within the time periods set forth in the Housing Merchant Implied Warranty Law; or

(iv) changes in the grading of the ground by anyone other than Sponsor, its employees, agents or subcontractors; or

(v) changes, alterations or additions made to the Unit by anyone after the Warranty Date; or

(vi) dampness or condensation due to failure of Purchaser or occupant to maintain adequate ventilation;

(j) Any condition which does not result in actual physical damage to the Unit;

(k) Loss or damage caused by or resulting from accidents, riot and civil commotion, fire, explosion, smoke, water escape, falling objects, aircraft, vehicles, Acts of God, lightning, windstorm, hail, flood, mud slide, earthquake, volcanic eruption, wind-driven water, changes in the underground water table or other matters not reasonably foreseeable and within the reasonable control of Sponsor;

(l) Loss or damage caused by seepage of water unless such loss or damage is the direct result of a construction defect;

- (m) Any damage caused by soil movement, settlement or lumber shrinkage;
- (n) Any damage which the Unit owner has not taken timely action to minimize;
- (o) Normal wear and tear and normal deterioration;
- (p) Insect damage;
- (q) Bodily injury or damage to personal property;
- (r) Failure of Sponsor to complete construction of the Unit;
- (s) Loss or damage which arises while the Unit is being used primarily for nonresidential purposes;
- (t) Loss or damage due to abnormal loading on floors by the Unit owner which exceeds design loads as mandated by the Building Code;
- (u) Costs of shelter, transportation, food, moving, storage or other incidental expenses related to relocation during repair;
- (v) Consequential damages (except where required by state law);
- (w) Any claim not filed in a manner set forth below in paragraph 8, "Claims Procedures".

6. What Sponsor Will do in the Event of a Defect-Covered by This Warranty. If a defect occurs in an item covered by this warranty, the Sponsor will repair, replace, or pay Purchaser the reasonable cost of repairing or replacing the defective item(s), within a reasonable period of time after the Sponsor's inspection or testing discloses the problem, subject to weather conditions, acts of God, availability of materials, and other events beyond Sponsor's control. The choice among repair, replacement or payment is solely that of the Sponsor. In making any repairs or replacements, Sponsor shall have the right to select the method and materials to be used in performing such repairs or replacements.

Sponsor's liability under this warranty is limited in the aggregate to the amount listed on the first page of this Rider to Purchase Agreement / Warranty.

Repair of damage to the load-bearing portions of the Unit will be limited to that which is necessary to restore their load-bearing function. Repair of other Major Structural Defects will be limited to repair of those defects which made the Unit unsafe, unsanitary or otherwise unlivable.

7. Step by Step Claims Procedures.

(a) Written notice of any warranty claim must be made on the attached "Notice of Warranty Claim Form" and must be received by the Sponsor no later than the tenth (10th) day after the expiration of the applicable warranty period. Such notice must be sent by Purchaser to Sponsor strictly by certified or registered mail, return receipt requested. If this form shall not properly be completed and received by the Sponsor by that deadline, the Sponsor will have no duty to respond to any complaint or demand contained in such form, and any or all claims may be rejected. COMPLETION AND DELIVERY OF SUCH NOTICE OF WARRANTY CLAIM IN A TIMELY MANNER IS NECESSARY TO PROTECT THE RIGHTS OF PURCHASER UNDER THIS LIMITED WARRANTY.

8. No steps taken by the Sponsor, Purchaser or any other person to inspect, test or correct defects will extend any time period under this Warranty. No steps taken by the Sponsor in response to an improperly completed or untimely notice of a warranty claim will give rise to any liability of Sponsor to Purchaser in connection with such claim.

9. In response to a Notice of Warranty Claim, or any other complaint or request of Purchaser, the Sponsor and the Sponsor's agents will have the right to inspect and test the portion of the Unit to which the claim, complaint or request relates. Purchaser and occupants of the Unit must provide reasonable access to the Sponsor and the Sponsor's agents during normal business hours, Monday through Friday, to complete inspection, testing and repair or replacement. Failure by Purchaser to provide such access shall invalidate this warranty with respect to the defect(s) set forth on the Notice of Warranty Claim.

10. The Sponsor will complete inspection and testing within a reasonable time under the circumstances after receipt of a timely and properly completed Notice of Warranty Claim Form. Upon completion of inspection and testing, the Sponsor will determine whether to accept or reject the claim. If the Sponsor rejects the claim, the Sponsor will give written notice of that decision to Purchaser at the address shown on the Notice of Claim Form. If the Sponsor accepts the claim, the Sponsor will take corrective action within a reasonable time under the circumstances. The Sponsor will use good faith efforts to process and handle claims in a timely manner, but all time periods for repair or replacement of defects necessary are subject to weather conditions, availability of materials, and other events beyond the Sponsor's control.

11. Legal Actions. (a) No claim under this warranty may be commenced or asserted against Sponsor in any lawsuit unless a properly completed Notice of Warranty Claim Form has been received by the Sponsor in the time period set forth in paragraph 7 of this warranty; (b) No lawsuit against the Sponsor under this warranty may be commenced more than thirty (30) days after the expiration date of the applicable warranty coverage, or thirty (30) days after Sponsor has given written notice of its rejection of Purchaser's claim with respect to such claim, or thirty (30) days after Sponsor has substantially completed corrective action for a defect with respect to such defect.

12. Miscellaneous Provisions.

(a) To the extent any coverage under this warranty applies to Common Elements of a Condominium, such coverage shall be deemed given to the Board of Managers of the Condominium.

1. This warranty may not be amended in any way without Sponsor's prior written consent in each instance.
2. If any provision of this warranty will not be enforced by an appropriate court, the determination will not affect the enforceability of the remaining provisions.
3. Use of one gender in this warranty includes the other gender, and use of the plural includes the singular, as may be appropriate.
4. This warranty shall be governed in accordance with the laws of the State of New York.
5. The annexed Building Standards, as they may be amended, establishes the standards by which it will be determined whether the Unit has a problem which is covered by this Limited Warranty and the obligation of the Sponsor to correct such problem.

SITE WORK
Coverage 1st Year Only, Workmanship and Materials

1-0-1 Observation: The ground has settled around the foundation, over utility trenches, or in other areas.

Performance Guideline: Settling of ground around foundation walls, over utility trenches, or in other filled areas shall not interfere with water drainage away from the home.

Corrective Measure: If the contractor provided final grading, upon request by the owner, one time only the contractor will fill areas that settle more than 6 inches and that affect proper drainage. The owner will be responsible for removal and replacement of shrubs, grass, other landscaping, pavement, sidewalks, or other improvements affected by placement of such fill.

1-0-2 Observation: The site does not drain properly.

Performance Guideline: The necessary grades and swales shall have been established by the contractor to ensure proper drainage away from the home. Standing or ponding water shall not remain for extended periods in the immediate area of the house after a rain (generally no more than 24 hours), except in swales that drain other areas or in areas where sump pumps discharge. In these areas a longer period can be anticipated (generally no more than 48 hours). The possibility of standing water after an unusually heavy rainfall should be anticipated by the owner. No grading determination shall be made while frost or snow is on the ground or while the ground is saturated or before any lawn or plantings are established.

Corrective Measure: The contractor is responsible only for initially establishing the proper grades and swales. The owner is responsible for maintaining such grades and swales once they have been properly established by the contractor.

Discussion: Grass and other landscaping are integral components of the storm water management practice needed to minimize erosion from the site. It is the owner's responsibility to maintain such grass and other landscaping to help ensure proper functioning of the site drainage system. The owner is responsible for maintaining such grades and swales once the contractor has properly established them. If a Unit Owner, their landscaper or another subcontractor changes the contractor grades or if they create impediments to the original drainage scheme, such as walkways, patios, decks, etc., the contractor is no longer responsible for proper drainage in the areas so affected.

1-0-3 Observation: The site has soil erosion.

Performance Guideline: The contractor shall grade the disturbed areas of the property in accordance with municipal requirements. Contractor is not responsible for soil erosion due to acts of God, or other conditions beyond the contractor's control.

Corrective Measure: No action required. The contractor is not responsible for erosion due to acts of God, site alterations by the owner, lack of maintenance by the owner, or other conditions beyond the contractor's control.

1-0-4 Observation: Water from a nearby or adjacent property flows onto the owner's lot.

Performance Guideline: The contractor is responsible for providing a means of draining water (rain, melting snow or ice) that originates from the lot he is working on (1-0-2). The contractor is not responsible for water flowing from a nearby or adjacent property that he does not own or control, onto the disturbed portions of the owner's lot. The contractor is obliged only to make a reasonable effort in

accordance with the municipal requirements to control water flowing from another lot that he does not own or control or on which no dwelling has been erected by providing proper slopes around the newly erected dwelling.

Corrective Measure: It is the contractor's responsibility to control water only in the area immediately surrounding a new dwelling and in the areas he has disturbed.

1-0-5 Observation: Existing trees, shrubs, or other vegetation are damaged in the course of construction.

Performance Guideline: The contractor is only required to make a reasonable and cost effective effort to preserve and protect existing trees, shrubs, other vegetation and landscaping, if any, that he is trying to save. No attempted savings are guaranteed.

Corrective Measure: No contractor action is needed.

Foundation and Slabs - Coverage 1st Year Only
Workmanship and Materials

General

2-1-1 Observation: The foundation is out of square.

Performance Guideline: As measured at the top of the foundation wall, the diagonal of a triangle with sides of 12 feet and 16 feet shall be no more than 1 inch more or less than 20 feet. Remodeling Specific: A contractor and owner may agree to build an addition out of square in order to keep a new exterior wall on line with an existing wall of an out-of-square house.

Corrective Measure: The contractor will make necessary modifications to the foundation to comply with the performance guidelines for squareness to provide a satisfactory appearance. The contractor may square the first-floor deck or walls by cantilevering over the foundation or locating the deck or walls inset from the outside face of the foundation.

Discussion: Squareness is primarily an aesthetic consideration. The corrective measure emphasizes the primarily aesthetic nature of squareness and makes the criterion for correction "a satisfactory appearance." This allows the contractor to make either a structural change or some cosmetic modification as most appropriate. There are many instances in which the squareness of a foundation is not of consequence because subsequent construction provides an opportunity to make corrections.

2-1-2 Observation: The foundation is not level.

Performance Guideline: This guideline applies only when the levelness of the foundation adversely impacts subsequent construction. As measured at the top of the foundation wall, no point shall be more than 1/2 inch higher or lower than any point within 20 feet. Remodeling Specific: The contractor and the owner may agree to build an addition out of level in order to keep the floor of an addition on the same Plane, and the roof ridge on the same line, as those of an existing, out-of-level structure.

Corrective Measure: The contractor will make necessary modifications to any part of the foundation or to subsequent construction to meet the performance guideline for levelness. This can be affected by leveling the sills with shims, mortar, appropriate fillers, or other methods.

Discussion: There are many instances in which the levelness of a foundation is not of consequence because subsequent construction provides an opportunity to make corrections.

Interior Concrete Slab

2-2-1 Observation: There is a crack in a concrete footing.

Performance Guideline: Cracks greater than 1/4-inch in width are considered unacceptable.

Corrective Measure: The contractor shall repair any cracks in excess of the performance guideline.

2-2-2 Observation: A concrete slab within the structure has separated or moved at control (expansion and contraction) joints.

Performance Guideline: Concrete slabs within the structure are designed to move at control joints.

Corrective Measure: Because this is normal, no corrective action is required.

2-2-3 Observation: Efflorescence is present on the surface of the basement floor.

Performance Guideline: This is a typical condition caused by moisture reacting with the soluble salts in concrete and forming harmless carbonate compounds.

Corrective Measure: Because efflorescence is a typical chemical reaction within concrete, no corrective measures are required of the contractor.

Discussion: Efflorescence is evidenced by the presence of a white film on the surface of the concrete. It is a particularly common occurrence where masonry or concrete are in contact with high moisture levels as may be found in basements.

2-2-4 Observation: Concrete floor or slab is uneven.

Performance Guideline: Except for basement floors or where a floor or portion of floor has been designed for specific drainage purposes, concrete floors in rooms designed for habitability shall not have pits, depressions, or areas of unevenness exceeding 3/8 inch in 32 inches.

Corrective Measure: The contractor will correct or repair the floor to meet the performance guideline. Proper repair can be affected by thoroughly cleaning, filling, and troweling the surface level using a latex-fortified cement mixture or other materials designed to fill cracks and bond with concrete.

2-2-5 Observation: The concrete floor slab is cracked.

Performance Guideline: Minor cracks in concrete floor slabs are normal. Cracks exceeding 3/16-inch in width or 1/8-inch in vertical displacement shall be repaired if the slab is in conditioned space or basements or the crack interferes with the installation of finish flooring which is part of the contractor's responsibility.

Corrective Measure: The contractor will repair cracks that do not meet the performance guideline.

Discussion: Repairs can be made by using a material designed to fill cracks in concrete.

2-2-6 Observation: Interior concrete work is pitting or spalling. Pitting is evidenced by concrete that has flaked or peeled from the outer surface. Spalling is evidenced by concrete that has chipped.

Performance Guideline: Interior concrete surfaces shall not pit, spall or disintegrate. Aggregate pops are normal; minor scaling is not controllable. Exterior surfaces may not be warranted.

Corrective Measure: The contractor will repair defective concrete surfaces using materials designed for this purpose. The contractor is not responsible for deterioration caused by salt, chemicals, mechanical implements, or other factors beyond the contractor's control on interior or exterior concrete surfaces.

2-2-7 Observation: The interior concrete slab has a loose or sandy surface.

Performance Guideline: The surface shall not be so loose or sandy that it shows obvious deterioration.

Corrective Measure: The contractor will repair defective concrete surfaces using materials designed for this purpose. The contractor is not responsible for deterioration caused by salt, chemicals, mechanical implements, or other factors beyond the contractor's control on interior or exterior surfaces.

Concrete Block Foundation Walls

2-3-1 Observation: A concrete block foundation wall is cracked.

Performance Guideline: Cracks in concrete block foundation walls shall not exceed 1/4-inch in width.

Corrective Measure: The contractor will repair cracks to meet the performance guideline.

Discussion: Shrinkage cracks are common in concrete block masonry and should be expected in crawl space and basements walls. Cracks may be vertical, diagonal, horizontal, or stepped-in masonry joints. Repairs can be made by using a material designed to fill cracks in concrete.

2-3-2 Observation: A concrete block wall is out of plumb or bowed.

Performance Guideline: Concrete block walls shall not be out of plumb greater than 1 inch in 8 feet when measured from the base to the top of the wall or bowed more than 1 inch in 20 feet when measured horizontally. Remodeling Specific: If tying into an existing foundation that is out of plumb, the contractor and owner will review the existing conditions and scope of work. The contractor will make a reasonable and cost-effective effort to meet the performance guideline while complying with the existing building code.

Corrective Measure: The contractor shall repair any deficiencies in excess of the performance guideline. If the wall is to remain unfinished per contract, and the wall meets building codes as evidenced by passed inspections, then no corrective action is required.

Poured Concrete Foundation Walls

2-4-1 Observation: A poured concrete foundation wall is out of plumb or bowed.

Performance Guideline: Poured concrete walls shall not be out of plumb greater than 1 inch in 8 feet when measured vertically or bow more than 1 inch in 20 feet when measured horizontally. Remodeling Specific: If tying into an existing foundation that is out of plumb or bowed, the contractor and owner will review the existing conditions and scope of work. The contractor will make a reasonable and cost-effective effort to meet the performance guideline while complying with the existing building code.

Corrective Measure: The contractor shall repair any deficiencies in excess of the performance guideline. If the wall is to remain unfinished per contract, and the wall meets building codes as evidenced by passed inspections, then no corrective action is required.

2-4-2 Observation: An exposed concrete wall has pits, surface voids, or similar imperfections in it.

Performance Guideline: Surface imperfections larger than 1 inch in diameter or 1 inch in depth are considered unacceptable.

Corrective Measure: The contractor will repair holes that do not meet the performance guideline.

Discussion: Proper repair can be affected by thoroughly filling the holes and voids in concrete surfaces. The repaired area will not match the color of the surrounding area.

2-4-3 Observation: The basement wall is cracked (horizontal or vertical separation).

Performance Guideline: Cracks in basement walls shall not allow exterior water to leak into the basement. Shrinkage cracks (cracking caused by external or internal restraints as reduction in moisture content develops) are not unusual in concrete foundation walls. Such cracks greater than 1/8 inch in width shall be repaired.

Corrective Measure: The contractor will repair cracks that do not meet the performance guideline when leaks are present or if cracks exceed 1/8 inch in width.

Discussion: Shrinkage cracks are not unusual and are inherent in the drying process. They should be expected in basement walls due to the nature of concrete. Cracks may be vertical, diagonal or horizontal. The only cracks considered under warranty claims are cracks, which permit water penetration or those that exceed 1/8-inch in width.

2-4-4 Observation: A cold joint is visible on exposed poured concrete foundation walls.

Performance Guideline: A cold joint is a visible joint that indicates where the pour terminated and continued. Cold joints are normal and should be expected to be visible. Cold joints should not be an actual separation or a crack that exceeds 1/4-inch in width.

Corrective Measure: The contractor will cosmetically repair any cold joint that exceeds 1/4-inch in width by parging with a material intended for that purpose.

Basement Floor and Walls

Moisture and Leaks

2-5-1. Observation: Dampness is evident on basement wall or floor.

Performance Guideline: Dampness caused by wicking through the basement walls or floor and condensation of water vapor on cool walls and floors are not the responsibility of the contractor.

Corrective Measure: None. Dampness prevention is the responsibility of the owner.

Discussion: The owner's failure to maintain a proper grade (ground level and pitch of said ground) away from the house can contribute to dampness. Condensation of humidity, which is an owner's responsibility, also contributes to dampness.

2-5-2 Observation: The basement leaks.

Performance Guideline: Leaks resulting in actual trickling of water shall be repaired. Leaks caused by landscaping improperly installed by the owner, or by the failure of the owner to maintain proper grades, are not the contractor's responsibility. Walls and floors of new construction may become damp as concrete, mortar, and other materials dry, and dampness alone is not considered a deficiency.

Corrective Measure: The contractor will take such action as necessary to correct basement leaks, except where the cause is determined to result from the owner's actions or negligence. The owner will be responsible for removal and replacement of shrubs, fences and equipment, and other landscaping if they have to be moved so that the contractor may affect the repairs.

Crawl Space

2-5-3. Observation: Flowing or trickling water appears on interior crawl space surfaces.

Performance Guideline: Crawl spaces should be graded and drained properly to prevent water from accumulating deeper than ¼ inch and larger than 9 square feet in the crawl space area. The contractor is not responsible if the exterior grading was provided by the owner or the owner failed to maintain grades established by the contractor.

Corrective Measure: The contractor will take the necessary corrective measures to create positive flow within the crawl space to discharge to the exterior of the structure.

2-5-4. Observation: Condensation is evident on the floor or crawl space surfaces.

Performance Guideline: Condensation in the crawl space shall not result from lack of adequate ventilation as required by code. Condensation resulting from other causes is not the responsibility of the contractor.

Corrective Measure: The contractor will ensure that ventilation meets the appropriate code requirements. Further reduction of condensation is an owner maintenance responsibility.

Discussion: Temporary conditions may cause condensation that cannot be eliminated by ventilation and or a vapor barrier because: Night air gradually cools the interior surfaces of the crawl space. In the morning, moisture picked up by sun-warmed air is carried into the crawl space and condenses on cool surfaces. At night, outside air may rapidly cool foundation walls and provide a cool surface on which moisture may condense. If the house is left unheated in the winter, the floors and walls may provide cold surfaces on which moisture in the warmer crawl space air may condense. Excessive moisture inside a heated house may hit the dew point within or on the colder bottom surface of vapor-permeable floor insulation. The condensation can be reduced by placing a vapor barrier between the insulation and the floor sheathing. If condensation must be entirely eliminated, the owner can do so by sealing and dehumidifying or heating the crawl space, or by heating and dehumidifying the houses.

Columns

2-6-1 Observation: An exposed wood column is bowed or is out of plumb.

Performance Guideline: When installed, exposed wood columns shall not be bow or be out of plumb more than 1/2-inch in 8 feet.

Corrective Measure: Exposed wood columns out of plumb in excess of 1/2-inch in 8 feet when measured vertically shall be replaced or repaired.

Discussion: Wood columns may become distorted as part of the drying process. Bows and other imperfections that develop after installation cannot be prevented or controlled by the contractor.

2-6-2 Observation: An exposed concrete column is installed bowed or out of plumb.

Performance Guideline: Exposed concrete columns shall not be installed with a bow in excess of 1 inch in 8 feet. They should not be installed out of plumb in excess of 1 inch in 8 feet.

Corrective Measure: The contractor shall repair any deficiencies in excess of the performance guideline.

2-6-3 Observation: A masonry column is out of plumb.

Performance Guideline: Masonry columns should not be constructed out of plumb in excess of 1 inch in 8 feet.

Corrective Measure: The contractor shall repair any deficiencies in excess of the performance guideline.

2-6-4 Observation: A steel column is out of plumb.

Performance Guideline: Steel columns shall not be out of plumb in excess of 3/8-inch in 8 feet when measured vertically.

Corrective Measure: The contractor shall repair any deficiencies in excess of the performance guideline.

Wood Floor Framing Floor Systems
Coverage 1st Year Only, Workmanship and Materials

Floor Systems

3-1-1 Observation: Springiness, bounce, shaking, or visible sag is present in the floor system.

Performance Guideline: All beams, joists, headers, and other structural members shall be sized and fasteners spaced, according to the National Forest Products Association span tables or local building codes.

Corrective Measure: The contractor will reinforce or modify, as necessary, any floor, wall, ceiling, or roof not meeting the performance guideline.

Discussion: Deflection may indicate insufficient stiffness in the lumber, or may reflect an aesthetic consideration independent of the strength and safety requirements of the lumber. Joists and rafters are required to meet standards for both stiffness and strength. The span tables allow, under full design loadings, a maximum deflection equal to 1/360 of the span for floor and ceiling joists (3/8 inch in 12 feet), 1/240 for rafters up to 3/12 in pitch (1/2 inch in 12 feet), and 1/180 for rafters over 3/12 in pitch (3/4 inch in 12 feet). Structural members are required to meet standards for both stiffness and strength. When an owner's preference is made known before construction, the contractor and the owner may agree upon a higher standard.

Beams, Columns, and Posts

3-2-1 Observation: An exposed wood column or post is split.

Performance Guideline: Sawn wood columns or posts shall meet the grading standard for the species used. Splits that exceed 3/8-inch in width and more than 4 inches in length at time of installation or that develop during the warranty period are considered unacceptable.

Corrective Measure: The contractor will repair or replace any beam or post that does not meet the guideline. Filling splits is acceptable to have structural members meet the guideline.

Discussion: Some characteristics of drying wood are beyond the control of the contractor and cannot be prevented. Compensation is made in span tables for the probable reduction in strength resulting from splitting caused by drying. Therefore, splitting is primarily an aesthetic concern rather than a structural problem. Checks and splits, which occur during the drying of lumber have the effect of reducing the area in the Plane of shear resistance. Consequently, laboratory data developed for shear parallel to grain are reduced substantially for design purposes in order to accommodate the probability of the occurrence of checks and splits after drying.

3-2-2 Observation: An exposed wood beam is split.

Performance Guideline: Sawn wood beams shall meet the grading standard for the species used. Splits that exceed 3/8-inch in width and 4 inches in length at time of installation or that develop during the warranty period are considered unacceptable.

Corrective Measure: The contractor will repair or replace any sawn wood beam that does not meet the guideline. Filling splits is acceptable to have structural members meet the guideline.

Discussion: Some characteristics of drying wood are beyond the control of the contractor and cannot be prevented. Compensation is made in span tables for the probable reduction in strength resulting from splitting caused by drying. Therefore, splitting is primarily an aesthetic concern rather than a structural problem. Checks and splits, which occur during the drying of lumber, have the effect of reducing the area in the Plane of shear resistance. Consequently, laboratory data developed for shear parallel to grain are reduced substantially for design purposes in order to accommodate the probability of the occurrence of checks and splits after drying.

3-2-3 Observation: An exposed wood beam or post is twisted or bowed.

Performance Guideline: Exposed wood posts and beams shall meet the grading standard for the species used. Posts and beams with bows and twists exceeding 3/4-inch in an 8-foot section shall not be installed, and those that develop bows and twists exceeding 3/4-inch in an 8-foot section are considered unacceptable.

Corrective Measure: The contractor will repair, sister, or replace any beam or post with a defect that exceeds the guideline.

Discussion: Beams and posts, especially those 3 1/2 inches or greater in thickness (which normally are not kiln dried) will sometimes twist or bow as they dry after milling or installation. Twisting or bowing is usually not a structural concern if posts and beams have been sized according to manufacturers' specifications or local building codes.

3-2-4 Observation: An exposed wood beam or post is cupped.

Performance Guideline: Cups exceeding 1/4-inch in 5-1/2 inches are considered unacceptable.

Corrective Measure: The contractor will repair, sister, or replace any beam or post with a defect that does not meet the guideline.

Discussion: Cupped lumber is lumber that has warped or cupped across the grain in a concave or convex shape. Beams and posts, especially those 3-1/2 inches or greater in thickness (which normally are not kiln dried), will sometimes cup as they dry after milling or installation.

Subfloor and Joists

3-3-1. Observation: Floor squeaks or the sub floor appears loose.

Performance Guideline: Squeaks caused by a loose sub floor are unacceptable, but totally squeak-proof floors cannot be guaranteed.

Corrective Measure: The contractor will refasten any loose sub floor or take other corrective action to eliminate squeaking to the extent possible within reasonable repair capability without removing floor and ceiling finishes.

Discussion: Floor squeaks may occur when a sub floor that has come loose from the joists is deflected by the weight of a person and rubs against the nails that hold it in place. The sub floor or joists may be bowed, and the nails also may be expelled from the wood during drying. Movement may occur between the joist and bridging or other floor members when one joist is deflected while the other members remain stationary. Gluing the sub floor is an acceptable method of code compliance in certain jurisdictions. Renailing floor joists with ring-shank nails will also substantially reduce severe floor squeaks. Because the performance guideline requires the contractor to make a reasonable attempt to eliminate squeaks without requiring removal of floor and ceiling finishes, nailing loose sub flooring with casing nails into the carpet surface and countersinking the head is an acceptable practice.

3-3-2. Observation: Sub floor is uneven.

Performance Guideline: Floors shall not have more than a ¼-inch ridge or depression within any 32-inch measurement. Allowable floor and ceiling joist deflections are governed by the local approved building codes. Measurements should not be made at imperfections that are characteristic of the code-approved material used. This guideline does not cover transition points between different materials.

Corrective Measure: The contractor will correct or repair to meet the performance guideline.

3-3-3. Observation: Sub floor is out of square.

Performance Guideline: The diagonal of a triangle with sides of 12 feet and 16 feet along the edges of the floor shall be no more than ½ inch plus or minus 20 feet. Remodeling Specific: The owner and the contractor may agree to build a wood floor out of square in order to match or otherwise compensate for pre-existing conditions.

Corrective Measure: The contractor will make the necessary modifications to any floor not complying with the performance guideline for squareness. The modification will produce a satisfactory appearance and may be either structural or cosmetic.

Discussion: Squareness is primarily an aesthetic consideration. Regularly repeated geometric patterns in floor and ceiling coverings show a gradually increasing or decreasing pattern along an out of square wall. The guideline tolerance of plus or minus ½ inch in the diagonal allows a maximum increasing or decreasing portion of about 3/8-inch in a 12-foot wall of a 12 x 16-foot room. However, a contractor and client may agree to build an addition out of square in order to keep a new exterior wall on line with an existing wall of an out of square house. The corrective measure emphasizes the primarily aesthetic nature of squareness and makes the criteria for correction "a satisfactory appearance." This criterion allows the contractor to make either a structural change, if the defect is discovered in time, or some cosmetic change to hide the defect, if the construction is in the finishing stages when the defect is discovered.

3-3-4 Observation: A floor is out of level.

Performance Guideline: The floor should not slope more than 1/2-inch in 20 feet. Crowns and other lumber characteristics that meet the standards of the applicable grading organization for the grade and species used are not defects. Allowable floor joist deflections are governed by the applicable building codes. Deflections due to overloading by the owner are not the contractor's responsibility. Remodeling Specific: The contractor and the owner may agree to build an addition out of level in order to keep the floor of an addition on the same Plane, and the roof ridge on the same line, as those of an existing, out-of-level structure, or to compensate for some other pre-existing condition.

Corrective Measure: The contractor will make a reasonable and cost-effective effort to modify the floor that does not comply with the performance guideline. Allowances should be allowed for shrinkage, cantilevers, and concentrated loads.

Discussion: Sloped floors have both an aesthetic and functional consideration. Measurements for slope should be made across the room, not in a small area.

3-3-5 Observation: Deflection is observed in a floor system constructed of wood I-joists, floor trusses, or similar products.

Performance Guideline: All wood I-joists and other manufactured structural components in the floor system and its components shall be sized and installed as provided in the manufacturers' instructions and code requirements.

Corrective Measure: The contractor will reinforce or modify as necessary any floor component not meeting the performance guideline.

Discussion: Deflection may indicate an aesthetic consideration independent of the strength and safety requirements of the product. When an owner's preference is made known before construction, a higher standard may be agreed upon in writing by the contractor and the owner.

3-3-6 Observation: Remodeling Specific: Wood flooring is not level at the transition of an existing floor to a room addition floor.

Performance Guideline: Flooring at a transition area shall not slope more than 1/8-inch over 6 inches unless a threshold is added. Overall step-down, unless previously agreed upon with the owner, shall not exceed 1-1/8 inches. Variations caused by seasonal or temperature changes are not a defect.

Corrective Measure: The flooring transition shall be corrected to meet the performance guideline. The contractor may add threshold or transition material, or pull up the flooring and reduce the high spot, or if possible, shim under new framing to bring floor within guideline.

Discussion: All wood members shrink and expand seasonally, with variations in temperature and humidity, and with aging. After installation, 2x dimensional lumber can shrink up to 1/2-inch. If the flooring, sub floor, or underlayment was not purposely overlapped onto the existing floor, the resulting irregularity is not a defect, but a natural result and characteristic of the wood's aging process. The drier the house becomes, the more shrinkage may be experienced. Either the old or the new floors may slope along the floor joist span. Joists in older homes may have deflected under load. This and other conditions may cause a hump at the juncture of the old to new.

3-3-7 Observation: Remodeling Specific: The floor pitches to one side in the door opening between the existing construction and the addition.

Performance Guideline: If the pitch is the result of the floor of the existing dwelling not being level, then in most situations a transition threshold may be the most appropriate and acceptable means of addressing the condition.

Corrective Measure: The contractor will make a reasonable and cost-effective effort to meet the performance guidelines.

Walls
Coverage 1st Year Only, Workmanship and Materials

Rough Carpentry

4-1-1. Observation: Wood framed wall is out of plumb.

Performance Guideline: Wood framed walls shall not be more than 1/4-inch out of plumb for any 32 inches in any vertical measurement. Remodeling Specific: The owner and contractor may agree to intentionally build walls out of plumb to match the existing structure to accommodate or compensate for inaccuracies in the existing structure, and to disregard the performance guideline to match a pre-existing structural condition of the existing structure.

Corrective Measure: The contractor will repair to meet the performance guideline.

4-1-2 Observation: The wall is bowed.

Performance Guideline: Walls shall not bow more than 1/2-inch out of line within any 32-inch horizontal measurement, or 1/2-inch out of line within any 8-foot vertical measurement. Remodeling Specific: If new wall cladding is installed on existing framed walls, the owner and contractor may agree to straighten the wall as part of scope of work, to install new cladding over existing framing, and to disregard the performance guideline to match a pre-existing structural condition of the existing structure.

Corrective Measure: The contractor will repair the wall to meet the performance guideline.

Discussion: All interior and exterior walls have slight variances in their finished surface. On occasion, the underlying framing may warp, twist, or bow after installation.

4-1-3. Observation: Exterior wall leaks because of inadequate caulking or failure of the caulking material.

Performance Guideline: Joints and cracks in exterior wall surfaces and around penetrations shall be properly caulked to prevent the entry of water.

Corrective Measure: The contractor will repair or caulk joints and cracks in exterior wall surfaces, as required to correct deficiencies, one time only during the warranty period. Even when properly installed, caulking will shrink and must be maintained by the owner.

Insulation

4-2-1 Observation: Wall insulation is insufficient.

Performance Guideline: The contractor shall install insulation according to R-values designated in the contract documents or local code, as applicable. Insulation shall be installed according to locally accepted practices.

Windows, Mirrors

4-3-1 Observation: A window is difficult to open or close.

Performance Guideline: Windows should require no greater operating force than that described in the manufacturer's instructions. **Remodeling Specific:** The contractor is not responsible for inoperable windows not covered by the remodeling contract.

Corrective Measure: The contractor will correct or repair the window as required to meet the performance guideline.

4-3-2 Observation: Window grids (muntins) fall or become out of level.

Performance Guideline: Window grids shall not disconnect, fall, or become out of level.

Corrective Measure: Window grids will be repaired or replaced at the contractor's discretion one time only.

4-3-3 Observation: Mirror or glass surfaces are scratched.

Performance Guideline: Glass or mirror surfaces shall not have scratches visible from 10 feet under normal lighting conditions at the time of substantial completion of the project. **Remodeling Specific:** This guideline does not apply to existing windows unless they are part of the remodeling contract or are damaged by the contractor. The owner and contractor should examine existing windows prior to contract execution.

Corrective Measure: The contractor shall replace any scratched glass or mirror surface if noted prior to substantial completion of the project.

4-3-4. Observation: During rains, water appears on interior corner of glazed window Unit.

Performance Guideline: Water leakage from improper installation is unacceptable.

Corrective Measure: The contractor shall repair any deficiencies attributable to improper installation.

Discussion: Leakage at the glazing interface is covered under the manufacturer's warranty.

4-3-5 Observation: Window glass is broken and/or a screen is missing or damaged.

Performance Guideline: Glass should not be broken and screens should not be damaged at the time of substantial completion of the project. Screens required by the contract shall be installed.

Corrective Measure: Broken glass and/or missing or damaged screens reported to the contractor before closing will be installed or replaced. Broken glass and/or screens not reported prior to substantial completion of the project are the owner's responsibility.

4-3-6 Observation: A mirror backing is deteriorating.

Performance Guideline: While looking at the mirror, from 10 feet away there should be no noticeable imperfections in the mirror as a result of damage to the mirror backing at the time of substantial completion of the project.

Corrective Measure: The contractor will replace or repair the mirror.

Exterior Doors

4-4-1 Observation: An exterior door is warped.

Performance Guideline: Exterior doors shall not warp to the extent that they become inoperable or cease to be weather-resistant. A 1/4-inch tolerance as measured diagonally from corner to corner is acceptable.

Corrective Measure: The contractor will correct or replace exterior doors that do not meet the performance guideline.

Discussion: Exterior doors will warp to some degree because of the difference in the temperature between inside and outside surfaces. Warping may also be caused by improper or incomplete finishing of the door. The contractor is not responsible for warpage if painting of doors is not within contractor's scope of work.

4-4-2 Observation: Raw wood shows at the edges of inset panel on exterior door.

Performance Guideline: Wooden panels will shrink and expand because of temperature and/or humidity changes, and may expose unpainted surfaces. This does not constitute a defect.

Corrective Measure: None.

4-4-3 Observation: A wooden door panel is split.

Performance Guideline: A split in a panel shall not allow light to be visible through the door.

Corrective Measure: One time only, the contractor will repair, paint, or stain the split panel that does not meet the performance guideline. Caulking and fillers are acceptable. The repainted area may not match the remainder of the door or other doors on the house.

Discussion: Wooden inserts are loosely fitted into the door to allow the inserts to move; this minimizes splitting of the panel or other damage to the door. On occasion, a panel may become "locked" by paint or expansion of the edges with changes in temperature and humidity and no longer "float" between the rails. This may result in the panel splitting.

4-4-4 Observation: An exterior door sticks.

Performance Guideline: Exterior doors shall operate smoothly, except that doors may stick during occasional periods of high humidity or with variations in temperature.

Corrective Measure: The contractor will adjust or replace the door to meet the performance guideline.

Discussion: Exterior doors may warp or bind to some degree because of the difference in the temperature and/or humidity between inside and outside surfaces. The contractor is not responsible for warpage if painting of doors is not within the contractor's scope of work or if the door is repainted by the owner in a color other than those recommended by the door manufacture.

4-4-5 Observation: An exterior door will not shut completely.

Performance Guideline: Exterior doors shall shut completely.

Corrective Measure: The contractor will adjust or replace the door to meet the performance guideline.

Discussion: Exterior doors may warp or bind to some degree because of the difference in the temperature and/or humidity between inside and outside surfaces. The contractor is not responsible for warpage if painting of doors is not within the contractor's scope of work or if the door is repainted by the owner in a color other than those recommended by the door manufacture.

4-4-6 Observation: The plastic molding on the primary door behind the storm door melts from exposure to sunlight.

Performance Guideline: The plastic moldings behind storm doors should not melt if the storm panel is removed and reinstalled by the owner as a part of normal seasonal maintenance operations (i.e., removed in the spring and reinstalled in the fall).

Corrective Measure: No corrective action is required.

Discussion: Plastic moldings may melt or deform if the exterior door is covered by a storm door panel during a warm season, or if it faces the sun. This is not a defect of the door, but a problem caused by the trapping of heat between the storm panel and the door. The owner is also cautioned to follow the manufacturer's recommendations on painting the moldings with a dark color, with or without the use of a storm panel. Dark colors should be avoided.

4-4-7 Observation: Caulking or glazing on the primary door behind the storm door cracks or peels.

Performance Guideline: Glazing or caulking behind storm doors should not crack or peel if the storm panel is removed and installed by owner as part of seasonal maintenance operations (i.e., removed in the spring and reinstalled in the fall).

Corrective Measure: No corrective measure is required.

Discussion: High temperatures may cause glazing and caulking to harden and/or fail prematurely if the door is covered by a storm panel during a warm season or if it faces the sun. This is not a defect of the door caulking, or glazing, but a problem caused by the trapping of heat between the door and the storm panel. The owner is reminded that dark colors tend to accumulate heat and are more likely to cause problems.

4-4-8 Observation: A door swings open or closed by the force of gravity.

Performance Guideline: Exterior doors shall not swing open or closed by the force of gravity alone. Remodeling Specific: For remodeling projects, this guideline does not apply where a new door is installed in an existing wall that is out of plumb.

Corrective Measure: The contractor will adjust the door to prevent it from swinging open or closed by the force of gravity.

4-4-9 Observation: Gaps are visible around an exterior door edge, doorjamb, and/or threshold.

Performance Guideline: Gaps between adjacent components shall not vary by more than 3/16-inch. Remodeling Specific: This applies unless the existing building is out of square or plumb.

Corrective Measure: The contractor will repair the existing Unit to meet performance guideline.

Discussion: Doors must have gaps at their perimeter to accommodate expansion/contraction due to variations in temperature and/or humidity and to enable the door to operate over a wide range of environmental conditions.

4-4-10 Observation: Exterior door hardware or kick plate has tarnished.

Performance Guideline: Finishes on door hardware or kick plates installed by the contractor are covered by the manufacturer's warranty.

Corrective Measure: The owner should contact the manufacturer.

4-4-11. Observation: Sliding patio door or screen will not stay on track.

Performance Guideline: Sliding patio doors and screens shall slide properly on their tracks at the time the job is accepted. The use, cleaning and maintenance necessary to preserve proper operation are an owner responsibility.

Corrective Measure: The contractor shall repair once during the warranty period.

Discussion: Proper operation should be verified by the owner and the contractor at the time the job is accepted.

4-4-12. Observation: Sliding patio door does not roll smoothly.

Performance Guideline: Sliding patio doors shall roll smoothly at the time the job is accepted. The use, cleaning and maintenance necessary to preserve proper operation are an owner responsibility.

Corrective Measure: The contractor shall repair once during the warranty period.

Discussion: Proper operation should be verified by the owner and the contractor at the time the job is accepted.

4-4-13 Observation: A doorknob, deadbolt, or lockset does not operate smoothly.

Performance Guideline: A doorknob, deadbolt, or lockset should not stick or bind during operation.

Corrective Measure: One time only during the warranty period, the contractor will adjust, repair, or replace knobs that are not damaged by abuse.

Exterior Finish

Wood and Manufactured Siding

4-5-1 Observation: Siding is bowed.

Performance Guideline: Bows exceeding 1/2-inch in 32 inches are considered unacceptable. Remodeling Specific: If new wall covering is installed on existing framed walls, the owner and contractor may agree to straighten out the walls as part of the scope of work. Alternatively, the parties may agree to install new wall covering over existing framing and disregard the performance guideline to match a pre-existing structural condition of the existing structure.

Corrective Measure: The contractor will replace any wood or manufactured lap siding with bows that does not meet the performance guideline, and will finish the replacement siding to match the existing siding as closely as practical.

Discussion: If the siding is fastened by nails driven into studs, expansion caused by changing relative temperatures and/or humidity may cause bulges or waves. Even with proper installation, siding will tend to bow inward and outward in adjacent stud spaces.

4-5-2 Observation: An edge or gap is visible between adjacent pieces of siding or siding panels and other materials.

Performance Guideline: Gaps wider than 3/16-inch or in excess of the manufacture's standard are considered unacceptable. This guideline does not apply to adjacent pieces or panels that have shiplap or similar joints.

Corrective Measure: The contractor will repair gaps that do not meet the performance guideline.

Discussion: Proper repair can be affected by providing joint covers or by caulking the gap. This is important if the gaps were intentionally made for expansion joints. If the siding is painted, the contractor will paint the new caulking to match the existing caulking as closely as practical, but an exact match cannot be ensured.

4-5-3 Observation: Lap siding is not parallel with the course above or below.

Performance Guideline: A piece of lap siding may not be more than 1/2 inch off parallel with contiguous courses in any 20-foot measurement, unless the owner and the contractor have previously agreed to disregard the performance guideline to match a pre-existing condition. Remodeling Specific: The owner and contractor may agree to install siding to match existing conditions on existing structure and to disregard the performance guideline for this item.

Corrective Measure: The contractor will reinstall siding to meet the performance guideline for straightness, and will replace with new siding any siding damaged during removal.

Discussion: For remodeling projects, if the contractor and the owner have agreed that the floor of an addition is to be on a different Plane from an existing floor (e.g., out of level), the siding on the addition may not be parallel and in line with the existing siding.

4-5-4 Observation: Face nails are driven below the surface of the hardboard siding.

Performance Guideline: Siding nails should not be driven below the surface of hardboard siding such that visible fiber of the siding is exposed.

Corrective Measure: The contractor shall repair as necessary to meet performance guideline. The following repairs are appropriate in most instances: If visible fiber of hardboard siding is exposed, paint

surface to coat fiber. If nail is 1/16 to 1/8-inch below the surface, fill or caulk and touch-up paint. If nail is more than 1/8-inch below the surface, fill or caulk and add an additional nail flush to the surface.

Tongue and Groove Wood Siding

4-5-5 Observation: Siding Boards have buckled.

Performance Guideline: Boards that project more than 3/16-inch from the face of adjacent Boards are considered unacceptable.

Corrective Measure: The contractor will repair or replace any Boards that don't meet the performance guideline.

Discussion: Buckling is caused by wood expanding as a result of increased temperature and/or relative humidity. It can be minimized by leaving space between the tongues and grooves to allow room for expansion and by storing the product outside for a few days to allow it to adjust to the ambient conditions prior to installation.

Wood Shake Siding

4-5-6 Observation: Cedar shakes or shingles have "bled" through paint or stain applied by contractor.

Performance Guideline: Resins and extractives bleeding through paint or stain, or blackening of shakes or shingles are unacceptable. This performance guideline does not apply if "natural weathering" or semi-transparent stain, or other similar products, are specified for the job.

Corrective Measure: One time during the warranty period the contractor will clean and treat shakes to provide a reasonable appearance and prevent further bleeding.

Plywood or Other Veneer Siding

4-5-7 Observation: Siding has delaminated (layers have separated from one another).

Performance Guideline: Siding shall not delaminate.

Corrective Measure: The contractor will replace delaminated siding that is not covered under manufacturer's warranty, unless the delaminating was caused by the owner's actions or negligence. The repaired area may not precisely match the original siding.

4-5-8 Observation: Joints between sidings have separated.

Performance Guideline: Joint separations exceeding 3/16-inch are considered unacceptable.

Corrective Measure: The contractor will caulk or repair siding as necessary to fill the joint. The repaired area may not match the original siding precisely.

Discussion: Plywood siding, like all wood products, will expand and contract with changes in temperature and/or humidity.

4-5-9 Observation: Siding is bowed.

Performance Guideline: Bows exceeding 1/2-inch in 32 inches are unacceptable.

Corrective Measure: The contractor will install additional nails in siding to meet acceptable nailing schedules and will replace any siding that does not meet the guideline because of bows.

Discussion: Some waviness in siding is to be expected because of bows in studs. However, proper nailing of siding will straighten most bows.

Aluminum or Vinyl Lap Siding

4-5-10 Observation: Aluminum or vinyl siding is bowed or wavy.

Performance Guideline: Some waviness in aluminum or vinyl lap siding is to be expected because of bows in studs. Waves or similar distortions in aluminum or vinyl lap siding are considered unacceptable if they exceed 1/2-inch in 32 inches.

Corrective Measure: The contractor will correct any waves or distortions to comply with the performance guideline by reinstalling or replacing siding as necessary.

Discussion: This problem is often caused by the siding being nailed too tightly to the house instead of loosely "hung" in the center of the nail slots, or by not allowing adequate room for the siding to expand at the ends.

4-5-11 Observation: Siding color is faded.

Performance Guideline: Any color siding, when exposed to the ultra-violet rays of the sun, will fade and this condition cannot be prevented by the contractor.

Corrective Measure: The owner should contact the siding manufacturer.

Discussion: Color warranties are provided by the siding manufacturer. The owner should contact the manufacturer with questions or claims regarding changes in color of vinyl or aluminum siding. Color and fade imperfections beyond an expected degree may be covered by the manufacturer's warranty, except where siding is shaded differently from the rest of the wall, such as under shutters or behind vegetation.

4-5-12 Observation: Aluminum or vinyl lap siding trim is loose from house.

Performance Guideline: Trim shall not separate more than 1/4-inch from the house.

Corrective Measure: The contractor will reinstall trim or repair separations as necessary to comply with the performance guideline.

4-5-13 Observation: Aluminum or vinyl lap siding courses are not parallel with eaves (the horizontal edge at the low side of a sloping roof) or wall openings.

Performance Guideline: Any piece of aluminum or vinyl lap siding more than 1/2-inch off parallel in 20 feet with contiguous courses, or contiguous break such as a soffit line, is unacceptable. Remodeling Specific: The owner and contractor may agree to disregard the performance guideline to match a pre-existing structural condition.

Corrective Measure: The contractor will reinstall siding to comply with the performance guideline and replace any siding damaged during removal with new siding.

Discussion: Remodeling Specific: If the contractor and the owner agree that the floor of an addition is to be on a different Plane from the existing floor (for example, a pre-existing out of level condition), the siding on the addition may not be parallel and in line with existing siding.

4-5-14 Observation: Aluminum or vinyl lap siding nail shows under window, door, or eave.

Performance Guideline: All facing nails shall be of a color to match the trim they affix. No nail heads in the field of the siding shall be exposed.

Corrective Measure: The contractor will install trim as necessary to cover the nails.

Discussion: Vinyl siding generally should not be face nailed. However, there are appropriate and typical occasions when a single face nail may be needed to reinforce a joint or hold the siding to the wall when it is cut to fit around window frames, doors, roofs, or other obstructions on the wall. In most cases (the only exception would be the top piece on a gable end), vinyl siding should never need to be face nailed when proper accessory products are used. For example, under a window application the trim (J- channel) can be utilized in conjunction with utility trim and snap-punching the top of the modified vinyl siding. If face nailing is the only option, a 1/8-inch diameter hole should be pre-drilled to allow for expansion and contraction.

4-5-15 Observation: Aluminum or vinyl lap siding trim accessory is loose from caulking at windows or other wall openings.

Performance Guideline: Siding trim accessories shall not separate from caulking at windows or other wall openings during the warranty period.

Corrective Measure: The contractor will repair or recaulk as necessary once during the warranty period to eliminate the separation.

4-5-16 Observation: Aluminum or vinyl lap siding is cut crooked.

Performance Guideline: Visible cuts in siding shall be straight, plumb, and neat. Crooked cuts greater than 1/8-inch from true are not acceptable. Remodeling Specific: The owner and contractor may agree to install siding to match conditions on the existing structure and to disregard the performance guideline for this item.

Corrective Measure: The contractor will repair or replace siding, which has visible crooked cuts.

Discussion: Cut edges of vinyl siding should never be visible when proper trim and accessories are used.

4-5-17 Observation: Aluminum or vinyl lap siding is not correctly spaced from moldings.

Performance Guideline: Prescribed spacing between siding and accessory trim is typically 1/4-inch, or should comply with the manufacturer's installation instructions. Remodeling Specific: The owner and contractor may agree to install siding to match conditions on existing structure and to disregard the performance guideline for this item.

Corrective Measure: The contractor will correct to meet the guideline.

Masonry Cement and Veneer Board Siding

4-5-18 Observation: Cement Board siding is cracked or chipped.

Performance Guideline: A cement product, this siding is susceptible to the same characteristic limitations as other cement products. Cracks more than 2 inches in length and 1/8-inch in width are considered unacceptable. Chips or dents not reported at time of substantial completion of the project are not covered.

Corrective Measure: Cracked or chipped cement Board will be repaired or replaced as necessary, as determined by the contractor.

4-5-19 Observation: Cement Board siding is improperly fastened.

Performance Guideline: Siding shall be nailed flush and perpendicular per the manufacturer's instructions. Staples shall not be used.

Corrective Measure: Overdriven nail heads or nails driven at an angle shall be filled with cementitious patching compound to match the existing area as closely as possible.

Discussion: The manufacturer's instructions include guidelines to reduce chipping or cracking of siding.

4-5-20 Observation: Masonry or veneer wall is cracked.

Performance Guideline: Cracks visible from distances in excess of 20 feet or larger than 1/4-inch in width are not acceptable.

Corrective Measure: The contractor will repair cracks in excess of the performance guideline by tuck pointing (removing deteriorated mortar from the surface of the existing wall, and inserting fresh mortar), patching, or painting. The contractor will not be responsible for color variations between original and new mortar.

Discussion: Small hairline cracks resulting from shrinkage are common in mortar (a substance used to join masonry Units, consisting of cementitious materials, fine aggregate and water) joints in masonry construction.

4-5-21. Observation: Exterior cut bricks (less than full) are of different thickness below openings.

Performance Guideline: Cut bricks used in the course directly below an opening shall not vary from one another in thickness by more than 1/4-inch. The smallest dimension of a cut brick should be greater than 1 inch.

Corrective Measure: The contractor will repair the wall to meet the performance guideline.

Discussion: Bricks are cut to achieve required dimensions at openings and ends of walls when it is not possible to match Unit/mortar coursing.

4-5-22 Observation: A masonry or brick veneer course is not straight.

Performance Guideline: No point along the bottom of any course shall be more than 1/4-inch higher or lower than any other point within 10 feet along the bottom of the same course, or 1/2-inch in any length. Remodeling Specific: The owner and contractor may agree to install brick veneer to match conditions on the existing structure and to disregard the performance guideline for this item.

Corrective Measure: The contractor will rebuild the wall as necessary to meet the performance guideline.

Discussion: Dimensional variations of the courses depend upon the variations in the brick selected.

4-5-23 Observation: Brick veneer is spalling.

Performance Guideline: Spalling of newly manufactured brick should not occur and is considered unacceptable. Spalling of used brick is acceptable.

Corrective Measure: The contractor will repair or replace newly manufactured bricks that have spalled. An exact match of brick and mortar cannot be assured.

4-5-24 Observation: Mortar stains are observed on exterior brick or stone.

Performance Guideline: Exterior brick and stone shall be free from mortar stains detracting from the appearance of the finished wall when viewed from a distance of 20 feet.

Corrective Measure: The contractor will clean the mortar stains to meet the performance guideline.

4-5-25 Observation: Efflorescence is present on the surface of masonry or mortar.

Performance Guideline: This is a common condition caused by moisture reacting with the soluble salts in the mortar.

Corrective Measure: No corrective actions are required of the contractor.

Discussion: Efflorescence is evidenced by the presence of a white film on the surface of masonry or mortar. It is a particularly common occurrence where masonry or concrete are in contact with high moisture levels as may be found in basements.

Stucco and Parge

4-5-26 Observation: An exterior stucco wall surface is cracked.

Performance Guideline: Cracks in exterior stucco wall surfaces shall not exceed 1/8-inch in width.

Corrective Measure: One time only, the contractor will repair cracks exceeding 1/8-inch in width. Caulking and touch-up painting are acceptable. An exact color or texture match may not be unattainable.

Discussion: "Stucco" includes cementitious coatings and similar synthetically based finishes.

4-5-27 Observation: The colors of exterior stucco walls do not match.

Performance Guideline: The colors of new exterior stucco walls may not perfectly match the colors of old exterior stucco walls, nor is it expected that exact matches will be attained for the same material that is applied on different days or under differing environmental conditions (e.g., temperature, humidity, etc.).

Corrective Measure: No corrective measure is required. Because of the unique nature of stucco finishes, exact match of color may not be possible.

Discussion: Coloring of stucco is affected by a number of variables. It is impractical to achieve a color match between stucco coatings applied at different times.

4-5-28 Observation: The textures of exterior stucco wall finishes do not match.

Performance Guideline: Texture of new exterior stucco walls applied at different times may not perfectly match the textures of old exterior stucco walls. Remodeling Specific: The texture of new exterior stucco walls may not perfectly match the textures of old exterior stucco walls.

Corrective Measure: No corrective measure is required. Because of the unique nature of stucco finishes, exact match of texture finish may not be possible.

Discussion: "Stucco" includes cementitious coatings and similar synthetically based finishes. Approved samples prior to installation can minimize misunderstandings about color and texture.

4-5-29 Observation: Separation of coating from base on exterior stucco wall.

Performance Guideline: The coating shall not separate from the base on an exterior stucco wall during the warranty period.

Corrective Measure: The contractor will repair areas where the coating has separated from the base.

4-5-30 Observation: Lath is visible through stucco.

Performance Guideline: Lath should not be visible through stucco, nor should the lath protrude through any portion of the stucco surface.

Corrective Measure: The contractor will make necessary corrections so that lath is not visible. The finish colors may not match.

4-5-31 Observation: Rust marks are observed on the stucco finish coat.

Performance Guideline: Rust marks on the stucco surface are considered unacceptable if more than 5 marks measuring more than 1 inch long occur per 100 square feet.

Corrective Measure: The contractor may repair or replace affected subsurface components, or seal the rusted areas and recolor the wall.

4-5-32 Observation: There is water damage to interior walls as a result of a leak in the stucco wall system.

Performance Guideline: Stucco walls should be constructed and flashed to prevent water penetration to the interior of the structure under normal weather and water conditions. Damage to the stucco system caused by external factors out of the contractor's control that result in water penetration is not the contractor's responsibility.

Corrective Measure: If water penetration is the result of a system failure and doesn't result from external factors, the contractor will make necessary repairs to prevent water penetration through the stucco wall system.

Discussion: Water penetration resulting from abnormal external factors, such as windblown moisture or sprinkler systems, are not the contractor's responsibility.

Exterior Trim

4-6-1. Observation: Gaps show in exterior trim.

Performance Guideline: Joints between exterior trim elements, including siding and masonry, shall not result in joints opened wider than ¼-inch. In all cases the exterior trim shall perform its function of excluding the elements.

Corrective Measure: The contractor will repair open joints that do not meet the performance guideline. Caulking is acceptable.

4-6-2 Observation: Exterior trim Board is split.

Performance Guideline: Splits wider than 1/8-inch are considered unacceptable.

Corrective Measure: The contractor will repair splits by filling with a durable filler. Touch-up painting may not match the surrounding area.

4-6-3 Observation: Exterior trim Board is bowed or twisted.

Performance Guideline: Bows and twists exceeding 3/8-inch in 8 feet are considered unacceptable.

Corrective Measure: The contractor will repair defects that do not meet the performance guideline by refastening or replacing deformed Boards. Touch-up painting may not match the surrounding area.

4-6-4 Observation: Exterior trim Board is cupped.

Performance Guideline: Cups exceeding 3/16-inch in 5 1/2 inches are considered unacceptable.

Corrective Measure: The contractor will repair defects that do not meet the performance guideline by refastening or replacing deformed Boards. Touch-up painting may not match the surrounding area.

Paint, Stain, and Varnish

4-7-1 Observation: Exterior painting, staining, or refinishing is required because of repair work.

Performance Guideline: Repairs required under these performance guidelines shall be finished to match the immediate surrounding areas as closely as practical.

Corrective Measure: The contractor will finish repaired areas as indicated.

Discussion: Touch-up painting, staining, or refinishing may not match the surrounding area.

4-7-2 Observation: Exterior paint or stain has peeled, flaked, or physically deteriorated.

Performance Guideline: Exterior paints and stains shall not fail during the warranty period.

Corrective Measure: If exterior paint or stain has peeled, developed an alligator pattern, or blistered, the contractor will properly prepare and refinish affected areas and match the color as closely as practical. Where deterioration of the finish affects more than 50 percent of the piece of trim or wall area, the contractor will refinish the entire wall.

4-7-3 Observation: Exterior paint or stain has faded.

Performance Guideline: Fading of exterior paints and stains is common. The degree of fading depends on environmental conditions.

Corrective Measure: Because fading is a common occurrence in paint and stains, no corrective action is required.

4-7-4 Observation: Varnish or lacquer finishes have deteriorated.

Performance Guideline: Clear finishes used on exterior surfaces may deteriorate rapidly. This is beyond the contractor's control.

Corrective Measure: Heat and sunlight can cause rapid deterioration of clear finishes. Maintenance is the owner's responsibility. No corrective action is required of the contractor.

4-7-5 Observation: There is paint or stain overspray on surfaces not intended for paint or stain.

Performance Guideline: Paint or stain overspray on surfaces not intended for paint or stain that is visible at a distance of 6 feet under normal natural lighting conditions is not acceptable.

Corrective Measure: The contractor shall clean affected surfaces without damaging the surface.

4-7-6 Observation: Cabinet stain is uneven. Cabinet paint is not uniform or is mismatched.

Performance Guideline: Uneven stain color on wood cabinets is considered acceptable and is a result of the natural wood grain. Painted cabinets should appear uniform under normal lighting conditions at a distance of 6 feet.

Corrective Measure: The contractor will repaint or replace painted cabinets that do not meet the performance guideline.

4-7-7 Observation: Mildew or fungus is visible on exterior painted surfaces.

Performance Guideline: Painted or finished surfaces shall be free of observable mildew and fungus at the time of substantial completion of the job. However, mildew or fungus may form on painted surfaces over time because of warmth and moisture.

Corrective Measure: The contractor will remove mildew and fungus before substantial completion of the job. Subsequent mildew or fungus formation is a condition the contractor cannot control. The owner is responsible for future cleaning of the painted item as necessary to prevent or remove mildew and fungus.

ROOFS
Coverage 1st Year Only, Workmanship and Materials

5-1-1 Observation: The roof ridge beam has deflected.

Performance Guideline: Roof ridge beam deflection greater than 1 inch in 8 feet is considered unacceptable. Remodeling Specific: If this is not in the scope of work, the guideline will be disregarded.

Corrective Measure: The contractor shall repair affected ridge beams that do not meet the performance guideline.

5-1-2 Observation: A rafter or ceiling joist bows (up or down).

Performance Guideline: Bows greater than 1 inch in 8 feet are unacceptable. Remodeling Specific: If this is not in the scope of work, the guideline will be disregarded.

Corrective Measure: The contractor shall repair affected rafters or joists that bow in excess of the performance guideline.

Roof Sheathing

5-2-1 Observation: Roof sheathing is wavy or appears bowed.

Performance Guideline: Roof sheathing shall not bow more than 1/2-inch in 2 feet. Remodeling Specific: If new sheathing is installed over existing rafters, the sheathing will follow the bows of the existing rafters. The owner and contractor should agree on whether or not the rafters are to be straightened. If they are not to be straightened, the performance guideline for this item will be disregarded.

Corrective Measure: The contractor will straighten bowed roof sheathing as necessary to meet the performance guideline.

Discussion: In rare instances, the contractor might have to install blocking between the framing members to straighten the sheathing.

Roof Vents

5-3-1 Observation: An attic vent or louver leaks.

Performance Guideline: Attic vents and louvers shall not leak. However, infiltration of wind-driven rain and snow are not considered leaks and are beyond the control of the contractor.

Corrective Measure: The contractor shall repair or replace the roof vents as necessary to meet the performance guideline.

Discussion: Properly installed louvers or vents may at times allow penetration of rain or snow under strong wind conditions and are not deficiencies.

Roof Installation and Leaks

Asphalt Shingles

5-4-1 Observation: The roof or flashing leaks.

Performance Guideline: Roofs and flashing shall not leak under normal conditions, except where the cause is determined to result from ice build-up or the owner's actions or negligence.

Corrective Measure: The contractor will repair any verified roof or flashing leaks not caused by ice build-up, leaves, debris, or the owner's actions or negligence. It is the owner's responsibility to keep the roof drains, gutters, and downspouts free of debris.

5-4-2 Observation: Ice builds up on the roof.

Performance Guideline: During prolonged cold spells ice is likely to build up on a roof, especially at the eaves. This condition naturally can occur when snow and ice accumulates.

Corrective Measure: No action is required of the contractor. Prevention of ice build-up on the roof is a owner maintenance item.

Discussion: In the event ice builds up on the roof and then melts causing damage, this consequential damage is also the owner's responsibility.

5-4-3 Observation: Shingles have blown off.

Performance Guideline: Shingles shall not blow off in winds less than stated in the manufacturer's warranty or applicable building codes.

Corrective Measure: If shingles were not installed properly, they will be repaired or replaced in the affected area.

5-4-4 Observation: Shingles are not horizontally aligned.

Performance Guideline: Shingles should be installed according to the manufacturer's instructions. Remodeling Specific: The owner and the contractor may agree prior to installation that the horizontal line of shingles on the roof of an addition need not line up with those of the existing structure if the floors (and hence, the eaves and ridge) are not to be built on the same Plane.

Corrective Measure: The contractor will remove shingles that do not meet the performance guideline, and will repair or replace them with new shingles that are properly aligned.

Discussion: The bottom edge of dimensional shingles may be irregular; the irregularity is an inherent part of the design.

5-4-5 Observation: New shingles do not match existing shingles.

Performance Guideline: Because of weathering and manufacturing variations, the color of new shingles will not exactly match the color of existing shingles.

Corrective Measure: The contractor is not responsible for precisely matching the color of existing shingles.

5-4-6 Observation: Asphalt shingle edges or corners are curled or cupped.

Performance Guideline: Asphalt shingle edges and corners shall not curl or cup more than 1/2-inch.

Corrective Measure: No corrective action is required of the contractor. Cupping in excess of 1/2-inch should be reported to the manufacturer.

5-4-7 Observation: Asphalt shingles do not overhang the edges of the roof, or hang too far over the edges of the roof.

Performance Guideline: Asphalt shingles shall overhang roof edges by not less than 1/4-inch and not more than 3/4-inch unless the manufacturer's instructions indicate otherwise.

Corrective Measure: The contractor will reposition or replace shingles as necessary to meet the performance guideline.

5-4-8 Observation: Shading or a shadowing pattern is observed on a new shingle roof.

Performance Guideline: Shading or shadowing is a defect only if it results from failure to use shingles of the type specified in the contract.

Corrective Measure: The contractor will replace shingles not conforming to the manufacture's standards.

5-4-9 Observation: Asphalt shingles have developed surface buckling.

Performance Guideline: Asphalt shingle surfaces need not be perfectly flat. Buckling higher than 1/4-inch is considered unacceptable. Remodeling Specific: If an owner elects to re-roof over an existing roof owner must be aware that the new roof will follow the contours of the underlying roof.

Corrective Measure: The contractor will repair or replace the affected shingles to meet the performance guideline.

5-4-10 Observation: Sheathing nails have loosened from framing and raised asphalt shingles.

Performance Guideline: Nails shall not loosen from roof sheathing to raise asphalt shingles from surface.

Corrective Measure: The contractor shall repair all areas as necessary to meet the performance guideline.

Discussion: It is not uncommon for nails to "work themselves out" due to variations in temperature. The contractor can re-drive or remove and replace fasteners that withdraw from the framing. Any resulting holes should be sealed or the shingle should be replaced (a perfect color/shade match cannot be assured).

5-4-11 Observation: Roofing nails are exposed at the ridge or hip of a roof.

Performance Guideline: Nail heads shall be sealed.

Corrective Measure: The contractor shall repair areas to meet the performance guideline.

5-4-12 Observation: Holes from construction activities are found in asphalt shingles.

Performance Guideline: Holes from construction activities shall be flashed or sealed below the asphalt shingle tab to prevent leakage. If the patch is visible from the ground, the shingle should be replaced.

Corrective Measure: The contractor will repair or replace the affected shingles to meet the performance guideline.

5-4-13 Observation: Remodeling Specific: Existing roof shingles are telegraphing through new asphalt shingles.

Performance Guideline: Remodeling Specific: Some telegraphing is common when re-roofing over existing roofing.

Corrective Measure: Because this is a common occurrence, no corrective action is required.

Roll Roofing

5-4-14 Observation: Water is trapped under roll roofing.

Performance Guideline: Water shall not become trapped under roll roofing.

Corrective Measure: If water becomes trapped under roll roofing during the warranty period, the contractor will repair or replace the roofing as necessary to meet the performance guideline.

5-4-15. Observation: Roofing is blistered but does not admit water.

Performance Guideline: Surface blistering of roll roofing is caused by unusual conditions of heat and humidity acting on the asphalt and cannot be controlled by the contractor.

Corrective Measure: None.

5-4-16 Observation: Water is standing on a flat roof.

Performance Guideline: Water shall drain from a flat roof except for minor ponding within 24 hours of a rainfall. Minor ponding shall not exceed 3/8-inch in depth.

Corrective Measure: The contractor will take corrective action to ensure proper drainage of the roof.

Chimney

5-5-1 Observation: A crack in a masonry chimney cap or crown causes leakage.

Performance Guideline: It is common for caps to crack due to expansion and contraction. As a result, leaks may occur.

Corrective Measure: If cracking causes leakage the contractor will repair the cap or crown. Caulking or other sealant is acceptable.

5-5-2 Observation: New chimney flashing leaks.

Performance Guideline: New chimney flashing shall not leak under normal conditions.

Corrective Measure: The contractor will repair leaks in new chimney flashing that are not caused by ice build-up, other common occurrences, or by the owner's actions or negligence.

Discussion: The accumulation of ice and snow on the roof is a natural occurrence and cannot be prevented by the contractor.

Gutters and Downspouts

5-6-1 Observation: The gutter or downspout leaks.

Performance Guideline: Gutters and downspouts shall not leak.

Corrective Measure: The contractor will repair leaks in gutters and downspouts. Sealants are acceptable.

5-6-2 Observation: The gutter overflows during a heavy rain.

Performance Guideline: Gutters may overflow during a heavy rain.

Corrective Measure: The contractor shall repair the gutter if it overflows during normal rains.

Discussion: The owner is responsible for keeping gutters and downspouts free from debris that could cause overflow.

5-6-3 Observation: Water remains in the gutter after a rain.

Performance Guideline: The water level shall not exceed 1/2-inch in depth if the gutter is unobstructed by ice, snow, or debris.

Corrective Measure: The contractor will repair the gutter to meet the performance guideline. The owner is responsible for maintaining gutters and downspouts and keeping them unobstructed.

Discussion: Contractors usually install residential gutters with minimal slope in order to maintain an attractive appearance. Installing gutters with 1/32-inch drop in 1 foot generally will prevent water from standing in the gutters. Even so, small amounts of water may remain in some sections of the gutter for a time after a rain. In areas with heavy rainfall and/or ice build-up, a steeper pitch or additional downspouts may be desirable.

Skylights

5-7-1 Observation: Skylight leaks.

Performance Guideline: Skylights shall be installed in accordance with manufacturer's specifications. Leaks resulting from improper installation are unacceptable. Condensation on interior surfaces is not a leak and not considered a defect.

Corrective Measure: The contractor will repair any improperly installed skylight to meet the performance guideline.

Discussion: Leaks are often caused by other factors such as improper flashing of vents, chimneys or vertical walls. These defects often show up at the skylight opening. Before deeming the skylight to be defective other possible causes should be ruled out by careful examination and a thorough water test.

Plumbing Coverage 1st Year Only, Workmanship and Materials

Note: Remodeling Specific: The contractor is responsible only for areas of the property worked on and specified in the contract, and not for the entire house.

Water Supply System

6-1-1 Observation: Condensation appears on pipes, fixtures and plumbing supply lines.

Performance Guideline: Condensation on pipes, fixtures, and plumbing supply lines may occur at certain combinations of temperature and indoor humidity. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The owner is responsible for controlling humidity in the home.

Discussion: The owner may insulate pipes and supply lines.

Plumbing Fixtures

6-1-2 Observation: A faucet or valve leaks.

Performance Guideline: No faucet or valve shall leak because of defects in material or workmanship. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will repair or replace the leaking faucet or valve.

Discussion: Leakage caused by worn or defective washers or seals is Unit Owner maintenance item.

6-1-3. Observation: Water pipe is noisy.

Performance Guideline: Because of the flow of water and pipe expansion, the water pipe system will emit some noise. However, the pipes should not make the pounding noise called "water hammer" (noise occurring in a water pipe when air is trapped in the pipe).

Corrective Measure: The contractor cannot remove all noises caused by water flow and pipe expansion. However, the contractor will correct the system to eliminate "water hammer."

Plumbing Fixtures

6-2-1 Observation: A plumbing fixture, appliance, or trim fitting is defective.

Performance Guideline: Plumbing fixtures, appliances, and trim fittings shall not be damaged or defective at the time of substantial completion of the project. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: If the fixtures, appliances or trim were supplied by contractor and they are not in accordance with the manufactures guidelines they must be repaired or replaced. If supplied and or installed by the owner no action is required of the contractor. Defective trim fittings, appliances, and fixtures are covered under manufacturers' warranties.

6-2-2 Observation: The surface of a plumbing fixture is cracked or chipped.

Performance Guideline: Cracks, scrapes and chips in surfaces of bathtubs and sinks are considered unacceptable if they are visible from 3 feet away in normal lighting conditions. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: If the fixtures were supplied by the contractor and they do not meet the performance guideline they must be repaired or replaced. If supplied and or installed by the owner no action is required of the contractor. The contractor is not responsible for repairs unless the damage is reported to the contractor prior to substantial completion of the project. Defective fixtures are covered under manufacturers' warranties.

Discussion: Fiberglass and acrylic fixtures often may be repaired.

6-2-3 Observation: A fiberglass tub or shower enclosure base flexes.

Performance Guideline: The tub or showers are to be installed according to the manufacturer's instructions. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor shall repair the base to meet the performance guideline.

6-2-4 Observation: A vanity top is cracked.

Performance Guideline: Vanity tops shall not have cracks at drain connections when installed.
Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor shall repair or replace the vanity top to meet the performance guidelines. Cracks must be noted prior to substantial completion of the project.

6-2-5 Observation: Staining of plumbing fixtures due to high iron content in water.

Performance Guideline: None.

Corrective Measure: None. High iron content in the water supply system will cause staining of plumbing fixtures.

Discussion: Maintenance and treatment of the water is the owner's responsibility.

Electrical
Coverage 1st Year Only, Workmanship and Materials

Fuses and Circuit Breakers

Note: Remodeling Specific: The contractor is responsible only for areas of the property worked on and specified in the contract, and not for the entire house.

7-1-1 Observation: A fuse blows or a circuit breaker trips.

Performance Guideline: Fuses and circuit breakers shall not be tripped by normal usage. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will check wiring circuits and components for conformity with applicable electrical code requirements. The contractor will correct noncompliant elements.

Discussion: Blown fuses and tripped breakers are symptoms of a problem in some part of the electrical system in the home or some consumer product connected to the system. Although defective components are possible, most electrical malfunctions are caused by consumer-owned fixtures and appliances. The consumer should unplug or disconnect fixtures and appliances on the circuit and then replace the fuse or reset the breaker. If the problem recurs, the contractor should be notified.

7-1-2 Observation: A ground fault circuit interrupter (GFCI) or arc fault circuit interrupter (AFCI) trips frequently.

Performance Guideline: Ground fault and arc fault circuit interrupters shall perform as designed. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will install ground fault and arc fault circuit interrupters in accordance with applicable electrical codes. Tripping is to be expected and is not covered unless it is caused by a component failure or incorrect installation.

Discussion: Both ground fault and arc fault circuit interrupters are very sensitive devices and are easily tripped. GFCI's protect outlets in wet areas (for example, bathrooms, kitchens, garages, exterior, etc.). Outlets protected by GFCIs may be connected in series; it may not be readily apparent that an inoperative convenience outlet is the result of a tripped GFCI in another room (and not necessarily in the electrical panel). AFCIs sometimes are installed to protect bedroom circuits. The most common cause of tripping by AFCIs is damaged cords or plugs on Owners' lamps, small appliances, or other devices. AFCIs are usually found in the electrical panel.

7-2-1 Observation: A light fixture is tarnished.

Performance Guideline: Finishes on light fixtures may be covered under the manufacturer's warranty. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: No action is required of the contractor. Owner should contact manufacturer.

7-2-2 Observation: Receptacle or switch covers protrude from the wall.

Performance Guideline: Receptacle or switch covers should not be more than 1/16-inch from the adjoining wall surface. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will adjust the covers to meet performance guideline.

7-2-3 Observation: The owner's 220-volt appliance cord does not fit the outlet provided by the contractor.

Performance Guideline: The contractor shall install electrical outlets required by applicable electrical code. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: No action is required of the contractor.

Discussion: The owner is responsible for obtaining an appliance cord that fits the outlets provided by the contractor.

7-3-1 Observation: A ceiling fan vibrates and/or is noisy.

Performance Guideline: The contractor shall install ceiling fans in accordance with the manufacturer's instructions (including blade balances). Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor shall correct any fan installation not in accordance with the performance guideline if the fan was supplied and installed by the contractor.

7-3-2 Observation: An exhaust fan discharges into attic or crawl space.

Performance Guideline: Fans shall discharge as required by applicable codes. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor shall repair to meet performance guideline.

7-4-1 Observation: A smoke detector "chirps."

Performance Guideline: A smoke detector should not "chirp" at substantial completion of the project. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will repair or replace the smoke detector to eliminate chirping.

Discussion: Most smoke detectors are powered by both the home's electrical power and a backup battery. "Chirping" is an indication that the battery is weak or is not installed. If the chirping occurs on a new smoke detector, the contractor will check the battery, verify that the detector is wired correctly, and replace the device if necessary. Safety officials recommend that Owners change the batteries in smoke detectors semi-annually when daylight-saving time begins and ends.

7-5-1 Observation: Electrical outlets, switches, or fixtures malfunction.

Performance Guideline: All electrical outlets, switches, and fixtures shall operate as designed. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will repair or replace malfunctioning electrical outlets, switches, and fixtures, if supplied and installed by the contractor.

7-5-2 Observation: Carbon monoxide alarm goes off excessively.

Performance Guideline: Carbon monoxide sensors shall be installed in accordance with manufacturer's standards and applicable codes.

Corrective Measure: None. The contractor is responsible to properly install the sensor.

Interior Climate Control
Coverage 1st Year Only, Workmanship and Materials

Note: Remodeling Specific: The contractor is responsible only for areas of the property worked on and specified in the contract, and not for the entire house.

Air Infiltration and Drafts

8-1-1 Observation: Air infiltrates around exterior doors or windows.

Performance Guideline: Some infiltration is usually noticeable around doors and windows, especially during high winds. No daylight shall be visible around the frame when the window or door is closed. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor shall repair to meet the performance guideline.

Discussion: Proper repair can be performed by adjusting or installing weather stripping around doors and windows. In high-wind areas, the owner may elect to have storm windows and doors installed to further reduce drafts.

8-1-2 Observation: A draft comes through an electrical outlet.

Performance Guideline: Electrical outlets and switch boxes on exterior walls may allow cold air to flow through or around an outlet into a room. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: No action is required of the contractor. The owner may elect to install foam insulation pads under switch and outlet plates to help decrease drafts.

Humidity Control and Condensation

8-2-1 Observation: Water, ice, or frost is observed on a window.

Performance Guideline: Windows will be installed in accordance with the manufacturer's instructions and applicable building code, Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: No action is required of the contractor unless the water, ice, or frost is directly attributed to faulty installation (i.e., that deviates from the manufacturer's instructions and/or applicable building code).

Discussion: Condensation usually results from conditions beyond the contractor's control. Moisture in the air can condense into water and collect on cold surfaces, particularly in the winter months when the outside temperature is low. Blinds and drapes can prevent air within the building envelope from moving across the cold surface and picking up the moisture. Occasional condensation (water) in the kitchen, bath, or laundry area is common. It is the owner's responsibility to maintain proper humidity by properly operating heating and cooling systems and allowing moving air within the home to flow over the interior surface of the windows.

8-2-2 Observation: There is moisture between the panes of a double glazed window.

Performance Standard: Moisture between the panes of double glazed windows during the manufacturer's warranty period is unacceptable.

Corrective Measure: The owner should contact the manufacturer.

Air Distribution and Ventilation

8-3-1 Observation: The attic or crawl space is inadequately ventilated.

Performance Guideline: The attic and crawl space shall be ventilated as required by the applicable building code.

Corrective Measure: The contractor will provide for adequate ventilation. The contractor is not responsible for actions by the owner that interfere with the ventilation system.

8-3-2 Observation: There is airflow noise at a register.

Performance Guideline: The register should be correctly installed according to the manufacturer's instructions. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: No action is required unless registers are not installed in accordance with manufacturer's instructions.

Discussion: Under certain conditions, some noise may be experienced with the normal flow of air, even when registers are installed correctly. See the manufacturer's instructions.

8-3-3 Observation: There are gaps between HVAC (Heating, Ventilating and Air Conditioning) vent or register cover and the wall or ceiling.

Performance Guideline: This is a normal condition beyond the contractor's control. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: None.

Discussion: It is the inherent nature of the heating and cooling system to cause vents and registers to bend over time. This can result in gaps occurring between the vent or register cover and the wall. As long as the vent or register is securely attached, this is not a warranty item.

8-3-4 Observation: A condensate drain line is clogged.

Performance Guideline: The contractor will provide unobstructed condensate lines at the time of substantial completion of the project. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor shall unclog any clogged condensate line at the time of substantial completion of the project. Condensate lines will eventually clog under normal use and they must be kept free of all clogs to operate properly. The owner is responsible for maintaining them in proper condition.

8-3-5 Observation: There is condensation on the outside of air handlers and ducts.

Performance Standards: Air handlers and ducts will collect condensation on their exterior surfaces when extreme temperature differences and high humidity levels occur. Condensation usually results from humid conditions within the home that are created by the owner or during the curing process in a new space.

Corrective Measure: Unless the condensation or frost is directly attributed to faulty installation, it usually results from conditions beyond the control of the contractor. No corrective action is required.

Discussion: Condensation usually results from conditions beyond the contractor's control. Moisture in the air can condense (to form water) and collect on cold duct surfaces, particularly in the summer months when the outside humidity is high.

8-5-5 Observation: Kitchen or bath fans allow air infiltration.

Performance Guideline: Bath and kitchen fans shall be installed in accordance with the manufacturer's instructions and code requirements. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: No action is required of the contractor if fans meet the guideline.

Discussion: It is possible for outside air to enter the house through a ventilation fan. The dampers in most fans do not seal tightly. It is possible for the damper to be lodged open due to animal activity (including nesting in the outside opening), or the accumulation of grease, lint, and other debris. Maintenance of ventilating fans is the owner's responsibility.

INTERIOR

Note: Remodeling Specific: The contractor is responsible only for areas of the property worked on and specified in the contract, and not for the entire house.

Coverage 1st Year Only, Workmanship and Materials Interior Doors

9-1-1. Observation: Interior door is warped.

Performance Guideline: Interior doors (full openings) shall not warp in excess of ¼-inch. Remodeling Specific: see Note at beginning of chapter.

Corrective Measure: The contractor will correct or replace and refinish defective doors to match existing doors as nearly as practical during the warranty period.

Discussion: In bathroom or utility areas, exhaust fans or an open window must be used to remove moisture to eliminate or limit warpage of door Units. If customer is responsible for painting the door, the contractor is not responsible if the door is not painted to manufacturer's specifications.

9-1-2 Observation: Bifold doors come off their tracks during normal operation.

Performance Guideline: Bifold doors shall slide properly on their tracks at the time of substantial completion of the project. Cleaning and maintenance necessary to preserve proper operation are owner responsibilities. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: One time only, the contractor will repair any bifold door that will not stay on its track during normal operation.

Discussion: Proper operation should be verified by the owner and the contractor at the time of substantial completion of the project.

9-1-3 Observation: A pocket door rubs in its pocket during normal operation.

Performance Guideline: Pocket doors shall not rub in their pockets during normal operation if they are installed according to the manufacturer's instructions. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: One time only, the contractor will repair the pocket door to meet the performance guideline.

Discussion: Pocket doors commonly rub, stick, or derail due to the inherent nature of the product. It is common, however, for the door to operate against the guides provided by the manufacturer.

9-1-4 Observation: A wooden door panel has shrunk or split.

Performance Guideline: Wooden door panels shall not split to the point that light is visible through the door. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: One time only, the contractor will fill splits in the door panel with wood filler and will match the paint or stain as closely as practical.

9-1-5 Observation: Door rubs on jambs or contractor-installed floor covering, or latch does not work.

Performance Guideline: Doors shall operate smoothly and door latches shall operate correctly.

Corrective Measure: The contractor will repair the door and the door latch as necessary to meet the performance guideline.

9-1-6 Observation: A door edge is not parallel to the doorjamb.

Performance Guideline: When the contractor installs the doorframe and door, the door edge shall be within 3/16-inch of parallel to the doorjamb. Remodeling Specific: Where the contractor installs the door in an existing frame that is out of square, the guideline does not apply. See Note at beginning of chapter.

Corrective Measure: The contractor will adjust the door as necessary to meet the guideline one time.

9-1-7 Observation: A door swings open or closed by the force of gravity.

Performance Guideline: Doors shall not swing open or closed by the force of gravity alone. Remodeling Specific: This guideline does not apply where a door is installed in an existing wall that is out of plumb. See Note at beginning of chapter.

Corrective Measure: The contractor shall repair door operation to meet the performance guideline one time.

9-1-8 Observation: Interior doors do not operate smoothly.

Performance Guideline: Doors shall move smoothly with limited resistance. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor shall repair door operation to meet the performance guideline one time.

Interior Stairs

9-2-1. Observation: Interior stair tread deflects too much.

Performance Guideline: The maximum vertical deflection of an interior stair tread shall not exceed 1/8-inch within a 36-inch span at 200 pounds of static weight.

Corrective Measure: The contractor will repair the stair to meet the performance guideline.

9-2-2 Observation: Gaps exist between interior stair risers, treads, and/or skirts.

Performance Guideline: Gaps between adjoining parts that are designed to meet flush shall not exceed 1/8-inch in width.

Corrective Measure: The contractor will fix the gap with filler or replace parts as necessary to meet the performance guideline.

9-2-3. Observation: Squeaking stair riser or tread.

Performance Guideline: Loud squeaks caused by a loose stair riser or tread are unacceptable, but totally squeak-proof stair risers or treads cannot be guaranteed.

Corrective Measure: The contractor will refasten any loose risers or treads or take other corrective action to eliminate squeaking to the extent possible within reasonable repair capability without removing treads or ceiling finishes.

Discussion: Squeaks in risers or treads may occur when a riser has come loose from the tread, and is deflected by the weight of a person and rubs against the nails that hold it in place. Movement may occur between the riser and the tread or other stairway members when one tread is deflected while the other members remain stationary. Using trim screws to fasten the tread to the riser from above will sometimes reduce squeaking. If there is no ceiling below, gluing or nailing the riser to the tread or shimming will reduce squeaks but the total elimination of squeaks is practically impossible. The performance guideline requires the contractor to make a reasonable attempt to eliminate squeaks without requiring removal of treads or ceiling finishes. Note: Most cellar stairs are not designed to be squeak resistant.

9-2-4 Observation: Gaps exist between interior stair railing parts.

Performance Guideline: Gaps between interior stair railing parts shall not exceed 1/8-inch in width.

Corrective Measure: The contractor will ensure that individual parts of the railing are securely mounted. Any remaining gaps will be filled or parts replaced to meet the performance guideline.

9-2-5. Observation: Interior stair railing lacks rigidity.

Performance Guideline: Interior stair railings shall be attached to structural members in accordance with applicable codes.

Corrective Measure: The contractor will repair any stair railings as necessary to comply with applicable codes.

Trim and Moldings

9-3-1 Observation: There are gaps at non-mitered trim and molding joints.

Performance Guideline: Openings at joints in trim and moldings, and at joints between moldings and adjacent surfaces, shall not exceed 1/8-inch in width at the time of installation.

Corrective Measure: The contractor will repair joints to meet the performance guideline.

Discussion: Separation of trim and moldings in excess of the performance guidelines may be caused by lack of control of indoor relative humidity. Joints that separate under these conditions are not considered defective. It is the owner's responsibility to control temperature and humidity in the home.

9-3-2. Observation: Nails are not properly set or, where puttied, nail holes are not properly filled.

Performance Guideline: Setting nails or filling nail holes are considered part of painting and finishing. After painting or finishing, except stained or natural finished woodwork, nails and nail holes shall not be

readily visible from a distance of 6 feet under normal lighting conditions at the time of substantial completion of the project.

Corrective Measure: Where the contractor is responsible for painting, the contractor shall take action necessary to meet the performance guideline.

9-3-3. Observation: Inside corner is not coped or mitered.

Performance Guideline: Trim edges at inside corners shall be coped or mitered. However, square edge trim may be butted.

Corrective Measure: The contractor will finish inside corners to meet the performance guideline.

9-3-4. Observation: Trim or molding miter edges do not meet.

Performance Guideline: Gaps between miter edges in trim and molding shall not exceed 1/8-inch at time of installation.

Corrective Measure: The contractor will repair gaps that do not meet the performance guideline. Caulking or puttying with materials compatible to the finish is acceptable.

9-3-5 Observation: Interior trim is split.

Performance Guideline: Splits, cracks, and checking greater than 1/8-inch in width are considered unacceptable.

Corrective Measure: One time only, the contractor will repair the affected area to meet the guideline.

9-3-6. Observation: Hammer marks are visible on interior trim.

Performance Guideline: Hammer marks on interior trim shall not be readily visible from a distance of 6 feet under normal lighting conditions.

Corrective Measure: The contractor will fill hammer marks and refinish or replace affected trim to meet the performance guideline. Refinished or replaced areas may not match surrounding surfaces exactly.

Cabinets and Counter Tops

9-4-1 Observation: Cabinets do not meet the ceiling or walls.

Performance Guideline: Gaps greater than 1/4-inch in width are considered unacceptable.

Corrective Measure: The contractor will repair the gap with caulk, putty, or scribe molding, or will reposition/ reinstall cabinets to meet the performance guideline.

Discussion: Remodeling Specific: When installed in rooms with out-of-plumb walls or out-of-level floors and ceilings, "square" cabinets cannot be installed parallel to walls and ceilings and still keep the cabinets on line. For example, if the floor is not level and the installer measures up from it, "snaps" a line on which to place the tops of the wall cabinets, and then plumbs the first cabinet, one corner of the cabinet will leave the line, and the bottom of successive cabinets will not be in line. Similarly, cabinets will not line up with each other if they are installed on a level line, starting against an out-of-plumb wall instead of a plumb wall. The contractor should explain the aesthetic options to the owner and select the best option with the owner.

9-4-2 Observation: Cabinets do not line up with each other.

Performance Guideline: Cabinet faces more than 1/8-inch out of line, and cabinet corners more than 3/16-inch out of line, are considered unacceptable, unless the owner and the contractor agree to disregard the guideline in order to match or otherwise compensate for pre-existing conditions.

Corrective Measure: The contractor will make necessary adjustments to meet the performance guideline.

Discussion: Remodeling Specific: In remodeling projects, many times the rooms are out of square, walls are not plumb, and floors are not level. Cabinets and countertops may have to be shimmed or otherwise adjusted to make the cabinets and countertops fit together properly. Cabinets may not fit flush against the walls on the ends or bottoms and may not fit flat against the floor the contractor should explain the aesthetic options to the owner and select the best option with the owner. In rooms with out of plumb walls or out of level floors and ceilings, "square" cabinets cannot be installed parallel to walls and ceilings and still keep the cabinets on line. For example, if the floor is not level and the installer measures up from it, "snaps" a line on which to place the tops of the wall cabinets, then plumbs the first cabinet, one corner of the cabinet will leave the line, and the bottom corners of successive cabinets will leave the line, and the bottom corners of successive cabinets will not be in line. Similarly, cabinets will not line up with each other if they are installed on a level line, starting against an out of plumb wall instead of being plumbed. The contractor should explain the aesthetic options to the owner and select the best option with the owner.

9-4-3. Observation: Cabinet is warped.

Performance Guideline: Cabinet warpage shall not exceed 1/4-inch as measured from the face frame to the point of furthest warpage, with the door or drawer front in closed position.

Corrective Measure: The contractor will correct or replace doors and drawer fronts as necessary to meet the performance guideline.

9-4-4. Observation: Cabinet door or drawer binds.

Performance Guideline: Cabinet doors and drawers shall open and close with reasonable ease.

Corrective Measure: The contractor will adjust or replace doors and drawers as necessary to meet the performance guideline.

9-4-5 Observation: Cabinet door will not stay closed.

Performance Guideline: The catches or closing mechanisms for cabinet doors shall be adequate to hold the doors in a closed position.

Corrective Measure: The contractor will adjust or replace the door catches or closing mechanisms as necessary to meet the performance guideline.

9-4-6 Observation: Cabinet doors or drawers are cracked.

Performance Guideline: Panels and drawer fronts shall not crack.

Corrective Measure: The contractor may replace or repair cracked panels and drawer fronts. No contractor action is required if the cracked drawer fronts or panels result from the owner's abuse.

Discussion: Paint or stain on the repaired or replaced panel or drawer front may not match the paint or stain on the existing panels or drawer fronts.

9-4-7 Observation: A cabinet door is warped.

Performance Guideline: Cabinet door warpage shall not exceed 1/8-inch as measured diagonally from corner to corner.

Corrective Measure: The contractor may replace or repair warped doors to meet the performance guideline.

9-4-8 Observation: Cabinet doors do not align when closed.

Performance Guideline: Gaps between doors should not exceed 1/8-inch.

Corrective Measure: The contractor shall adjust doors to meet the performance guideline.

9-4-9. Observation: Shrinkage of insert panels of cabinet doors and drawers show raw wood edges.

Performance Guideline: Panels will shrink and expand and may expose unpainted or unfinished surface.

Corrective Measure: None.

Countertops

9-5-1 Observation: High-pressure laminate on a countertop is delaminated.

Performance Guideline: Countertops fabricated with high-pressure laminate coverings shall not delaminate.

Corrective Measure: The contractor will repair or replace delaminated coverings, unless the delamination was caused by the owner's misuse or negligence.

Discussion: Owners should refrain from leaving any liquids near the countertop seams or allowing the surface to become excessively hot.

9-5-2. Observation: The surface of high-pressure laminate on countertop is cracked or chipped.

Performance Guideline: Countertops shall be free of cracks and chips at the time of substantial completion of the job. Cracks or chips occurring after acceptance of the job are the owner's responsibility.

Corrective Measure: The contractor will repair or replace cracked or chipped countertops only if they are reported prior to acceptance of the job.

9-5-3 Observation: Solid surface countertops are visibly scratched.

Performance Guideline: At the time of substantial completion of the project, solid surface countertops shall be free of scratches visible from 6 feet away under normal lighting conditions.

Corrective Measure: The contractor shall repair scratches in the countertop to meet the performance guideline.

9-5-4 Observation: A countertop is not level.

Performance Guideline: Countertops shall be no more than 3/8-inch in 10 feet out of parallel with the floor. Remodeling Specific: For projects where the floor is out of level, the countertop may be installed proportionately out of level.

Corrective Measure: The contractor will make necessary adjustments to meet the performance guideline.

Discussion: Remodeling Specific: In remodeling projects, many times the rooms are out of square, walls are not plumb, and floors are not level. Cabinets and countertops may have to be shimmed or otherwise adjusted to make the cabinets and countertops fit together properly. Cabinets may not fit flush against the walls on the ends or bottoms and may not fit flat against the floor. The contractor should explain the aesthetic options to the owner and select the best option with the owner.

9-5-5 Observation: A tile countertop has uneven grout lines.

Performance Guideline: Grout lines should be straight and fairly consistent in width. However, if working with hand made tiles or tiles with broken edges grout lines may vary in width and straightness.

Corrective Measure: If applicable the contractor shall make corrections as necessary to bring the grout lines into compliance with the performance guideline.

Discussion: Different tiles require different widths of grout lines. Some tiles are designed to have varied-width grout lines.

9-5-6 Observation: Tile countertop grout lines are cracked.

Performance Guideline: Tile grout is a cement product and is subject to cracking. Cracks that result in loose tiles or gaps in excess of 1/16-inch shall be repaired.

Corrective Measure: The contractor will repair the grout lines by adding grout, caulking, or replacing grout one time. New grout may not perfectly match previously grouted areas.

9-5-7 Observation: A granite, marble, stone, or solid surface countertop is cracked at the time of substantial completion of the project.

Performance Guideline: Cracks at the time of substantial completion are considered unacceptable.

Corrective Measure: If the crack is found to be caused as a result of faulty installation or product, the contractor will repair or replace the countertop.

Discussion: Some granite, marble or stone have natural cracks and crevices these are allowed within the Performance Guideline and are not to be considered a defect. Some granite, marble and stones may develop cracks and crevices after substantial completion of the project and are not to be considered defects if properly installed.

9-5-8 Observation: A granite, marble, stone, or solid surface countertop has texture or color variations.

Performance Guideline: Color variations are acceptable. The contractor has no responsibility for countertop texture or color variations when the owner selects the material.

Corrective Measure: No action is required of the contractor.

9-5-9 Observation: A granite, marble, stone, or solid surface countertop is chipped at the time of substantial completion of the project.

Performance Guideline: Chips greater than 1/32-inch in width are considered unacceptable.

Corrective Measure: The contractor will repair or replace affected areas to meet the performance guidelines.

9-5-10 Observation: The surface of countertop tile has unacceptable lippage of adjoining tile.

Performance Guideline: Lippage greater than 1/16-inch is considered unacceptable, except for materials that are designed with an irregular height (such as hand-made tile).

Corrective Measure: The contractor will repair or replace the tile to meet the performance guideline.

9-5-11 Observation: A solid surface or laminate countertop has a bubble, bum, stain, or other damage.
Performance Guideline: Solid surface or laminate countertops shall be free of bubbles, burns, or stains at the time of substantial completion of the project.

Corrective Measure: The contractor will repair or replace the countertop to meet the performance guideline.

Discussion: Solid surface and laminate products may be subject to damage by hot surfaces placed on or near the product. The owner is responsible for maintaining the countertop and protecting it from damage.

Interior Wall Finish

Lath and Plaster

9-6-1 Observation: Cracks are visible on a finished wall or ceiling.

Performance Guideline: Cracks shall not exceed 1/16-inch in width. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: One time only, the contractor will repair cracks exceeding 1/16-inch in width. The contractor will touch up paint on repaired areas if the contractor was responsible for the original interior painting. A perfect match between original and new paint cannot be expected and the contractor is not required to paint an entire wall or room.

Gypsum Wallboard

9-6-2. Observation: Nail pop, blister, or other blemish is visible on finished wall or ceiling.

Performance Guideline: Slight "imperfections" such as nail pops, seam lines and cracks not exceeding 1/16-inch in width are common in gypsum wallboard installations and are considered acceptable. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will repair such blemishes only once during the warranty period. The contractor will touch up paint-repaired areas if the contractor was responsible for the original interior painting. A perfect match between original and new paint cannot be expected, and the contractor is not required to paint an entire wall or room. The contractor is not required to repair defects that are covered by wallpaper or other wall coverings.

Discussion: When drywall has been placed on lumber surfaces which are subject to shrinkage and warpage and which are not perfectly level and plumb, problems often occur through stress and strain placed on drywall during the stabilization of the lumber, which is inherent in the construction of the home. Due to the initial stabilization problem that exists with the new home, it is impossible to correct each defect as it occurs, and it is essentially useless to do so. The entire house will tend to stabilize itself. Some imperfections will not be visible under normal lighting but will become apparent under strong, high or diagonal lighting or strong sunlight. These imperfections are not to be considered defects. Nail and screw pops, showing seam lines and spackle cracks result from wood shrinkage, normal settlement and changes in temperature and humidity. These factors are normal and beyond the contractor's control, they should not be considered defects or unusual.

9-6-3 Observation: Cracked corner bead, excess joint compound, trowel marks, or blisters in tape joints are observed on the drywall surface.

Performance Guideline: Defects resulting in cracked corner bead, trowel marks, excess joint compound or blisters in tape are considered unacceptable. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor shall repair the affected area of the wall to meet the performance guideline one time within the warranty period.

9-6-4 Observation: Joints protrude from the surface.

Performance Guideline: Any joints that are visible from a distance of 6 feet under normal lighting conditions are considered unacceptable. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: One time only, the contractor will repair affected areas.

Discussion: Joints often occur in long walls, stairwells, and areas of two-story homes where framing members have shrunk and caused the drywall to protrude.

9-6-5 Observation: The texture of gypsum wallboard does not match.

Performance Guideline: Any variations that are readily visible from a distance of 6 feet under normal lighting conditions are considered unacceptable. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will repair the affected area to meet the guideline.

Discussion: There will usually be some variation in texture between the wall Board and the joint compound.

9-6-6 Observation: Angular gypsum wallboard joints are uneven.

Performance Guideline: This is a natural condition that occurs with randomly applied materials. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: No action is required of the contractor. This is a common condition.

9-6-7 Observation: Drywall is cracked.

Performance Guideline: Drywall cracks greater than 1/16-inch in width are considered unacceptable. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: One time only, the contractor will repair cracks and touch up paint in affected areas. The texture and paint color may not exactly match the existing texture and paint color.

9-6-8 Observation: Blown or textured ceilings have uneven textures.

Performance Guideline: This is a common condition that occurs with randomly applied materials. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: No action is required of the contractor. This is a common condition.

Paint, Stain, and Varnish

9-6-9 Observation: Interior paint does not "cover" the underlying surface.

Performance Guideline: The surface being painted shall not show through new paint when viewed from a distance of 6 feet under normal lighting conditions. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will recoat affected areas as necessary to meet the guidelines as closely as practical.

9-6-10 Observation: An interior surface is spattered with paint.

Performance Guideline: Paint spatters shall not be readily visible on walls, woodwork, floors, or other interior surfaces when viewed from a distance of 6 feet under normal lighting conditions. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will remove paint spatters to meet the performance guideline.

9-6-11 Observation: Brush marks show on interior painted surface.

Performance Guideline: Brush marks shall not be readily visible on interior painted surfaces when viewed from a distance of 6 feet under normal lighting conditions. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will refinish as necessary to meet the performance guideline and match affected areas as closely as practical.

9-6-12 Observation: Lap marks show on interior painted or stained areas.

Performance Guideline: Lap marks shall not be readily visible on interior painted or stained areas when viewed from a distance of 6 feet under normal lighting conditions. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will refinish as necessary to meet the guideline and match affected areas as closely as practical.

9-6-13 Observation: Interior painting, staining, or refinishing is required because of repair work.

Performance Guideline: A perfect match between original and new paint cannot be expected. Repairs required under these performance guidelines shall be finished to match the immediate surrounding areas as closely as practical. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: Where the majority of the wall or ceiling area is affected, the area will be painted from break line to break line. The contractor is not required to paint an entire room.

Discussion: The contractor is only responsible if he or she painted the home as part of the original contract.

9-6-14 Observation: Resin has bled through the paint on interior trim.

Performance Guideline: This is a common condition that can be expected to occur with natural materials such as wood. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: No action is required of the contractor. This is a common condition.

9-6-15 Observation: Varnish or clear lacquer finishes have deteriorated.

Performance Guideline: Clear finishes on interior woodwork shall not deteriorate during the warranty period.

Corrective Measure: The contractor will retouch affected areas of clear-finish interior woodwork and match the original finish as closely as practical; provided the owner has not used improper cleaning materials, including ammonia, or other improper methods.

Discussion: Finishes on window sills with south facing exposure may deteriorate due to climatic conditions.

Wallpaper and Vinyl Wall Coverings

9-6-16 Observation: The wall covering has peeled.

Performance Guideline: The wall covering shall not peel off the walls. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will reattach or replace the loose wall covering if the contractor installed the covering.

Discussion: Wallpaper applied in high moisture areas is exempted from this guideline because the problem results from conditions beyond the contractor's control.

9-6-17 Observation: Patterns in wall covering are mismatched.

Performance Guideline: Patterns in wall coverings shall match. Irregularities in the patterns themselves are the manufacturer's responsibility. Remodeling Specific: See Note at beginning of chapter. The guideline does not apply if material is installed on existing out-of-plumb walls or where trim is not square with corners.

Corrective Measure: The contractor shall correct the wall covering to meet the performance guidelines.

FLOOR FINISHES Coverage 1st Year Only, Workmanship and Materials

Carpeting

10-1-1 Observation: Carpet does not meet at the seams.

Performance Guideline: It is not unusual for carpet seams to show. However, a visible gap at the seams is considered unacceptable.

Corrective Measure: If the carpet was installed by the contractor, the contractor will eliminate visible gaps at carpet seams.

10-1-2 Observation: Carpeting loosens, or the carpet stretches.

Performance Guideline: When stretched and secured properly, wall-to-wall carpeting installed as the primary floor covering shall not come up, loosen, or separate from the points of attachment.

Corrective Measure: If the carpeting was installed by the contractor, the contractor will restretch or resecure the carpeting, once during the first year, as necessary to meet the guidelines.

10-1-3 Observation: Carpeting is faded or discolored.

Performance Guideline: Fading or discoloration of carpet is a manufacturer's responsibility.

Corrective Measure: No action is required of the contractor.

Discussion: Fading or discoloration may result from the owner spilling liquids on the carpet, exposure to sunlight, or the owner's failure to properly maintain the carpet.

10-1-4 Observation: Dead spots are observed in padding areas below the carpet surface.

Performance Guideline: Carpeted areas shall have full coverage of padding consistently throughout the flooring area.

Corrective Measure: The contractor will repair/replace padding in the affected areas to meet the performance guidelines.

Roll Vinyl and Resilient Tile Flooring

10-2-1 Observation: Nail pops are observed on the surface of resilient flooring.

Performance Guideline: Readily visible nail pops on resilient flooring are considered unacceptable.

Corrective Measure: The contractor will repair the nail pops that are readily visible.

Discussion: The contractor will repair or replace, at the contractor's option, the resilient floor covering in the affected areas with similar materials. The contractor is not responsible for discontinued patterns or color variations when replacing the floor covering.

10-2-2 Observation: Depressions or ridges are observed in resilient flooring because of sub floor irregularities.

Performance Guideline: Readily apparent depressions or ridges exceeding 1/8-inch shall be repaired. The ridge or depression measurement is taken at the end of a 6-inch straightedge centered over the depression or ridge with 3 inches of the straightedge held tightly to the floor on one side of the affected area. Measure under the straightedge to determine the depth of the depression or height of the ridge.

Corrective Measure: The contractor will take corrective action as necessary to bring the affected area within the acceptable tolerance so that the depression or ridge is not readily visible and is not more than 1/8-inch. The contractor will not be responsible for discontinued patterns or color variations when replacing the floor covering.

Discussion: Contractor is not responsible for Unit Owner neglect or abuse or installations performed by others.

10-2-3 Observation: Resilient flooring has lost adhesion.

Performance Guideline: Resilient flooring shall not lift, bubble, or detach.

Corrective Measure: At the contractor's option, the contractor will repair or replace the affected resilient flooring as necessary. The contractor is not responsible for discontinued patterns or color variations when replacing the floor covering.

10-2-4 Observation: Seams or shrinkage gaps show at vinyl flooring joints.

Performance Guideline: Gaps at joints/seams in vinyl flooring shall not exceed 1/16-inch in width. Where dissimilar materials abut, the gaps shall not exceed 1/16-inch.

Corrective Measure: At the contractor's option, the contractor will repair or replace the vinyl flooring as necessary to meet the performance guideline. The contractor will not be responsible for discontinued patterns or color variations when replacing the floor covering.

Discussion: Proper repair can be accomplished by sealing the gap with seam sealer.

10-2-5 Observation: Bubbles are observed on roll vinyl flooring.

Performance Guideline: Bubbles resulting from trapped air and that protrude higher than 1/16-inch from the floor is considered unacceptable.

Corrective Measure: The contractor will repair the floor to meet the guideline.

Discussion: The performance guideline does not apply to perimeter attached vinyl floors.

10-2-6 Observation: The patterns on roll vinyl flooring are misaligned.

Performance Guideline: Patterns at seams between adjoining pieces shall be aligned to within 1/16-inch.

Corrective Measure: The contractor will correct the flooring to meet the performance guideline.

10-2-7 Observation: A resilient floor tile is loose.

Performance Guideline: Resilient floor tiles shall be securely attached to the floor.

Corrective Measure: The contractor will attach loose resilient floor tiles securely to the floor. The old adhesive will be removed if necessary to resecure the tiles.

10-2-8 Observation: The corners or patterns of resilient floor tiles are misaligned.

Performance Guideline: The corners of adjoining resilient floor tiles shall be aligned to within 1/8-inch. Misaligned patterns are not covered unless they result from improper orientation of the floor tiles.

Corrective Measure: The contractor will correct resilient floor tiles with misaligned corners to meet the performance guideline.

10-2-9 Observation: Yellowing is observed on the surface of vinyl sheet goods after installation and before substantial completion of the project.

Performance Guideline: The contractor shall install vinyl flooring per the manufacturer's instructions.

Corrective Measure: Yellowing resulting from a manufacturer's defect or from the owner's misuse or lack of maintenance is not covered by the contractor.

Discussion: Some chemical compounds, such as the tar residue from a recently paved asphalt driveway, may cause a chemical reaction with the flooring material and result in permanent damage to the floor. The owner is responsible for the proper use and maintenance of the floor. Yellowing caused by the owner's improper use of or inadequate maintenance of the floor is not the contractor's or the manufacturer's responsibility.

Wood Flooring

10-3-1 Observation: Gaps exist between strip hardwood floorboards.

Performance Guideline: Gaps between strip hardwood floorboards shall not exceed 1/8-inch in width at the time of installation.

Corrective Measure: The contractor will repair gaps that do not meet the performance guideline.

Discussion: Wood floors are subject to shrinkage and swell due to seasonal variations in the humidity level of home. While Boards may be installed tight together, gaps or separations may appear during heating seasons or periods of low humidity. Gaps or separations that close during non-heating seasons are not considered deficiencies. Unit Owners should be familiar with the recommended care and maintenance requirements of their wood floor. Repeated wetting and drying, or wet mopping, may damage wood finishes. Dimples or scratches can be caused by moving furniture or dropping heavy objects, and certain high heel style shoes may cause indentations. These conditions are not covered by this Warranty. Relative humidity of the home can cause noticeable fluctuations in gaps between floor

Boards. This is a normal phenomenon in spaces that experience significant shifts in humidity. The owner is responsible for maintaining proper humidity levels in the home. Proper repair can be affected by filling the gap.

10-3-2 Observation: Strip hardwood floor Boards are cupped.

Performance Guideline: Cups in strip hardwood floorboards shall not exceed 1/16-inch in height in a 3-inch maximum span measured perpendicular to the long axis of the Board. Cupping caused by exposure to moisture beyond the contractor's control is not covered.

Corrective Measure: The contractor will correct or repair cupped Boards to meet the performance guideline.

Discussion: The owner is responsible for proper maintenance of the floor and for maintaining proper humidity levels in the home.

10-3-3 Observation: Excessive lippage is observed at the junction of prefinished wood flooring products.

Performance Guideline: Lippage greater than 1/16-inch is considered unacceptable.

Corrective Measure: The contractor will repair lippage in the affected areas to meet the performance guideline.

10-3-4 Observation: Voids ("holidays") are observed in the floor finish.

Performance Guideline: Hardwood floor should not become loose from the substrate.

Corrective Measure: The contractor will repair the affected area to meet the performance guideline.

10-3-8 Observation: Unacceptable knots and color variations are observed in strip hardwood flooring.

Performance Guideline: The contractor will install the grade of hardwood specified for the project. All wood should be consistent with the grading stamp as specified.

Corrective Measure: The contractor shall replace any improperly graded wood.

Discussion: Hardwood is a natural product and consequently can be expected to exhibit variations in color, grain, and stain acceptance.

10-3-9 Observation: Splivers or splinters are observed in strip flooring.

Performance Guideline: Splivers or splinters that occur during the installation of the flooring are considered unacceptable.

Corrective Measure: The contractor will repair flooring in the affected areas to meet the performance guideline.

Discussion: Splivers or splinters that occur during installation can be shaved and the area filled prior to sanding and finishing.

10-3-10 Observation: "Sticker bum" is observed on the surface of strip flooring.

Performance Guideline: Discoloration from stacking strips in hardwood flooring is considered unacceptable in certain grades of flooring.

Corrective Measure: The contractor shall repair or replace areas with sticker bum if they are not permitted in the grade of wood specified for the project.

Tile, Brick, Marble, and Stone Flooring

10-4-1 Observation: Tile, brick, marble, or stone flooring is broken or loosened.

Performance Guideline: Tile, brick, marble, and stone flooring shall not be broken or loose.

Corrective Measure: The contractor will replace broken tiles, bricks, marble, and stone flooring, and resecure loose tiles, bricks, marble, and stone, unless the flooring was damaged by the owner's actions or negligence. The contractor is not responsible for discontinued patterns or color variations when replacing tile, brick, marble, or stone flooring.

10-4-2 Observation: Cracks are observed in the grouting of tile joints or at the junctures with other materials, such as a bathtub.

Performance Guideline: Cracks in grouting of ceramic tile joints commonly result from normal shrinkage conditions. Cracks that result in loose tiles or gaps in excess of 1/16-inch shall be repaired.

Corrective Measure: The contractor will repair grouting, if necessary, one time only. The contractor is not responsible for color variations or discontinued colored grout. The owner is responsible for regrouting these joints after the contractor's one-time repair.

Discussion: The use of an elastic substance at junctures between tile and other materials is often more effective than grout.

10-4-3 Observation: There is excessive lippage at adjoining marble or ceramic tile.

Performance Guideline: Lippage greater than 1/16-inch is considered unacceptable, except where the materials are designed with an irregular height (such as hand-made tile).

Corrective Measure: The contractor will repair lippage in the affected areas to meet the performance guideline.

Discussion: Lippage is the vertical distance between floor tiles or marble tiles at the point where they abut one another.

10-4-4 Observation: A grout or mortar joint is not a uniform color.

Performance Guideline: After the grout has cured, any color variation that is readily visible from a distance of 6 feet under normal lighting conditions is considered unacceptable.

Corrective Measure: One time only, the contractor will repair the joint to meet the performance guideline.

Discussion: When grout repairs are done a perfect match between the original grout and new grout cannot be expected. The contractor is not required to re-grout an entire floor, wall or room.

Miscellaneous
Coverage 1st Year Only, Workmanship and Materials

Fireplace and Wood Stove

11-1-1. Observation: Fireplace or chimney does not consistently draw properly.

Performance Guideline: A properly designed and constructed fireplace and chimney shall function correctly.

Corrective Measure: The contractor shall correct as necessary if the problem is caused by a design or construction flaw.

Discussion: High winds can cause temporary negative or down drafts. Negative drafts can also be caused by obstructions such as tree branches, steep hillsides, adjoining homes, and interior furnaces.

11-1-2 Observation: The chimney is separated from the structure.

Performance Guideline: Newly built fireplaces will often incur slight amounts of separation. The amount of separation from the main structure shall not exceed 1/2-inch in any ten-foot vertical measurement.

Corrective Measure: The contractor will repair gaps that do not meet the performance guideline.

Discussion: Proper repair can be affected by caulking unless the cause of the separation is due to a structural failure of the chimney foundation itself. In that case, caulking is unacceptable.

11-1-3 Observation: The firebox paint is damaged by a fire in the fireplace.

Performance Guideline: Heat and discoloration is a common occurrence.

Corrective Measure: No action is required of the contractor.

Discussion: The owner should obtain the proper paint from the manufacturer if he or she chooses to touch up the interior of the firebox for aesthetic reasons.

11-1-4 Observation: A firebrick or mortar joint is cracked.

Performance Guideline: Heat and flames from normal fires can cause cracking.

Corrective Measure: No corrective action is required of the contractor.

11-1-5 Observation: A simulated firebrick panel has cracked.

Performance Guideline: This is a common condition.

Corrective Measure: No corrective action is required of the contractor.

11-1-6 Observation: Rust is observed on the fireplace damper.

Performance Guideline: This is a common condition.

Corrective Measure: No corrective action is required of the contractor.

Concrete Stoops and Steps

11-2-1. Observation: Stoops or steps have settled, heaved, or separated from the house structure.

Performance Guideline: Stoops and steps shall not settle, heave in excess of 1 inch, or separate in excess of 1 inch from the house structure.

Corrective Measure: The contractor will take whatever corrective action is required to meet the performance guideline.

11-2-2 Observation: Water remains on stoops or steps after rain has stopped.

Performance Guideline: Water shall drain off outdoor stoops and steps. Minor amounts of water can be expected to remain on stoops and steps for up to 24 hours after rain.

Corrective Measure: The contractor will take corrective action to ensure proper drainage of stoops and steps.

Garage

11-3-1 Observation: The garage floor slab is cracked.

Performance Guideline: Cracks in concrete garage floor greater than 3/16-inch in width or 1/8-inch in vertical displacement are unacceptable.

Corrective Measure: The contractor shall repair to meet the performance guideline.

Discussion: Proper repair can be affected by thoroughly cleaning, filling, and troweling the surface using latex-fortified cement mixture or other materials designed to fill cracks and bond concrete.

11-3-2. Observation: Garage concrete floor has settled, heaved, or separated.

Performance Guideline: The garage floor shall not settle or heave in excess of 1 inch, or separate in excess of 1 inch from the structure.

Corrective Measure: The contractor will take whatever corrective action is required to meet the performance guideline.

Discussion: The repaired area may not match the existing floor in color and texture.

11-3-3 Observation: Garage doors fail to operate properly under normal use.

Performance Guideline: Garage doors shall operate properly.

Corrective Measure: The contractor will correct or adjust garage doors as required, except where the owner's actions or negligence caused the problem.

Discussion: The contractor is not responsible for the door operation if the owner has installed a garage door opener.

11-3-4 Observation: Garage doors allow the entry of snow or water.

Performance Guideline: Garage doors shall be installed as recommended by the manufacturer. Some snow or water can be expected to enter under normal conditions.

Corrective Measure: The contractor will adjust or correct the garage doors to meet the manufacturer's installation instructions.

Driveways and Sidewalks

11-4-1. Observation: Asphalt driveway develops cracks.

Performance Guideline: This is a normal condition.

Corrective Measure: None.

11-4-2 Observation: Standing water is observed on an asphalt pavement surface.

Performance Guideline: Standing water greater than 1/8-inch in depth shall not remain on the surface 24 hours after a rain. It is not unusual to have some standing water after heavy rains.

Corrective Measure: The contractor shall repair or replace the affected area to meet the guideline if the warranty covers the driveway. Patched areas will generally be noticeable and not blend in with the rest of the driveway.

11-4-3 Observation: Exterior concrete flat work is pitting or spalling. Pitting is evidenced by concrete that has flaked or peeled from the outer surface. Spalling is evidenced by concrete that has chipped.

Performance Guideline: Exterior concrete surfaces shall not pit, spall or disintegrate. Aggregate pops are normal; minor scaling is not controllable at all.

Corrective Measure: The contractor will repair defective concrete surfaces using materials designed for this purpose. The contractor is not responsible for deterioration caused by salt, chemicals, mechanical implements, or other factors beyond the contractor's control.

Wood Decks

11-5-1 Observation: A wood deck is springy or shaky.

Performance Guideline: All structural members in a wood deck shall be sized, and fasteners spaced, according to appropriate building codes and manufacturers' instructions.

Corrective Measure: The contractor will reinforce or modify, as necessary, any wood deck not meeting the performance guidelines.

Discussion: Deflection may indicate insufficient stiffness in the lumber, or may reflect an aesthetic consideration independent of the strength and safety requirements of the lumber. Structural members are required to meet standards for both stiffness and strength. When an owner's preference is made known before construction, the contractor and the owner may agree upon a higher standard.

11-5-2 Observation: The spaces between decking Boards are not uniform.

Performance Guideline: The spaces on opposite sides of individual deck Boards shall not differ in average width by more than 3/16-inch at the time of substantial completion of the project, unless otherwise agreed upon by the owner and the contractor.

Corrective Measure: One time only, the contractor will realign or replace decking Boards to meet the performance guideline.

Discussion: The spaces will naturally tend to change over time because of shrinkage and expansion of individual Boards. The contractor is only responsible for correct spacing at the time of substantial completion of the project.

11-5-3 Observation: The railings on wood decking contain slivers in exposed areas.

Performance Guideline: Railings on wood decks shall not contain slivers longer than 1/8-inch in exposed areas at the time of substantial completion of the project.

Corrective Measure: One time only; the contractor will repair railings as necessary to remove slivers prior to substantial completion of the project. Repair of slivers after that time is an owner maintenance responsibility.

Discussion: Slivers can develop when unprotected wood weathers. The proper finishing of wood surfaces helps prevent slivers from forming.

11-5-4 Observation: A wood deck is out of level.

Performance Guideline: No point on the deck surface shall be more than 1/2-inch higher or lower than any other deck surface point within 10 feet on a line parallel to the house, or in proportional multiples of the preceding dimensions (unless a slope is incorporated in the design). Remodeling Specific: The owner and contractor may agree to intentionally build a wood deck out of level in order to match or compensate for inaccuracies in the existing structure.

Corrective Measure: The contractor will repair the deck as necessary to meet the performance guideline.

Discussion: A slope of approximately 1/8-inch per foot is desirable in the perpendicular direction to shed water and prevent ice build-up.

11-5-5 Observation: Wood decking Boards are split, warped, or cupped.

Performance Guideline: At the time of substantial completion of the project, splits, warps, and cups in wood decking Boards shall not exceed the allowances established by the official grading rules issued by the agency responsible for the lumber species specified for the deck Boards.

Corrective Measure: The contractor will replace decking Boards as necessary to meet the performance guidelines

11-5-6 Observation: A wood deck has stain color variations.

Performance Guideline: Stain color variations are not acceptable if they result from improper stain application or failure to mix the stain properly. Stain color variations resulting from other causes-such as weathering or varying porosity of the wood used to build the deck-are common and are not covered by this guideline.

Corrective Measure: The contractor will restrain the affected area to meet the performance guideline.

11-5-7 Observation: A nail head protrudes from a wood decking Board.

Performance Guideline: Nail heads shall not protrude from the floor of the wood deck at the time of substantial completion of the project.

Corrective Measure: The contractor will refasten nails whose heads protrude from the floor of the deck so that the heads are flush with the surface.

Discussion: Nails should be driven flush when the deck is installed, but they may pop from the deck over time as the wood shrinks and expands.

11-5-8 Observation: Nails on a wood deck are "bleeding."

Performance Guideline: Nail stains extending more than 1/2-inch from the nail and readily visible from a distance of more than 3 feet are not acceptable.

Corrective Measure: The contractor will eliminate nail stains to meet the performance guideline.

Discussion: This guideline does not apply if "natural weathering" or semi-transparent stains are specified.

11-5-9 Observation: A wood deck railing lacks rigidity.

Performance Guideline: Wood deck railings shall be attached to structural members in accordance with applicable building codes.

Corrective Measure: The contractor will repair wood deck railings as necessary to comply with applicable building codes.

Landscaping
Coverage 1st Year Only, Workmanship and Materials

Note: Moving or protecting Plants, trees, shrubs, and any other landscaping items prior to and during construction are the responsibility of the owner and must be dealt with before construction begins. Other handling of these items must be specified in the contract to designate the responsible party.

12-0-1 Observation: Tree stumps have been left in a disturbed area of the property.

Performance Guideline: If tree stumps were on the property in the disturbed area prior to the substantial completion of the project, the contractor is responsible for their removal.

Corrective Measure: The contractor will remove the stumps from the area.

12-0-2 Observation: Dead shrubs, Plants, trees, or sod Planted in disturbed area of property.

Performance Guideline: Any shrub, Plant, tree, or sod Planted by the contractor as part of the landscape package that are alive as of the acceptance of the project and die after that acceptance are not the responsibility of the contractor.

Corrective Measure: None.

12-0-3 Observation: Grass seed does not germinate.

Performance Guideline: Germination is dependent on certain climatic conditions, which are beyond the contractor's control.

Corrective Measure: The contractor is only responsible for seeding per the supplier's instructions.

Discussion: After installation, proper lawn and landscape care are the owner's responsibility.

12-0-4 Observation: Outdoor Plants moved during work die after substantial completion of the project.
Performance Guideline: Plants that must be physically transported during the work shall be moved, maintained, and replanted by the owner.

Corrective Measure: No action is required of the contractor.

Discussion: The contractor shall not be responsible for delays in the schedule when Plants are moved by the owner.

Systems: First and Second Years
Plumbing System
Coverage 1st and 2nd Year, Systems

Note: Remodeling Specific: The contractor is responsible only for areas of the property worked on and specified in the contract, and not for the entire house.

Water Supply System

13-1-1 Observation: The water supply system fails to deliver water.

Performance Guideline: All on-site service connections to the municipal water main or private water supply are the responsibility of the contractor. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will repair the water supply system if the failure results from improper installation or failure of materials and if the connections are a part of the construction agreement. Conditions beyond the control of the contractor that disrupt or eliminate the water supply are not covered.

13-1-2 Observation: Pipes leak.

Performance Guidelines: No leaks of any kind shall exist in any soil, waste, vent, or water pipe.

Corrective Measure: The contractor will make repairs to eliminate leakage.

13-1-3 Observation: Water in plumbing pipes freezes, and the pipes burst.

Performance Guideline: Drain, waste, vent, and water pipes shall be adequately protected to prevent freezing as required by the applicable plumbing code for normally anticipated cold weather and in accordance with the design temperatures established by the American Society of Heating, Refrigerating, and Air-Conditioning Engineers (ASHRAE). Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will correct situations not meeting the applicable code. The owner is responsible for draining or otherwise protecting pipes and exterior faucets exposed to freezing temperatures.

Discussion: Leaks occurring due to owner's neglect and consequential damage are not contractor's responsibility. The owner is responsible to maintain suitable temperature in the home to prevent pipes from freezing and bursting. Homes which are periodically occupied such as summer homes, or where there will be no occupancy for an extended period of time must be properly winterized or periodically checked to insure that a reasonable temperature is maintained.

Sanitary Sewer or Septic System
Coverage 1st and 2nd Year, Systems

13-2-1 Observation: Septic system fails to operate properly.

Performance Guideline: Septic system shall function adequately during all seasons, under climatic conditions normal or reasonable anticipated (based on local records) for the location of the home. Septic system shall be designed and installed to comply with applicable, approved code requirements.

Corrective Measure: Contractor will repair, or otherwise correct, a malfunctioning or non operating system, if failure is caused by inadequate design, faulty installation, or other cause relating to actions of the builder or contractors or subcontractors under the contractor's control. Contractor will not be responsible for system malfunction or damage which is caused by owner negligence, lack of system maintenance, or other causes attributable to actions of the owner or other owner's contractors, not under the control of the contractor, including, but not necessarily limited to: the addition of fixtures, items of equipment, appliances or other sources of waste or water to the plumbing system served by the septic system; and damage, or changes, to the septic system installation or surrounding soil conditions critical to the system's functioning.

13-2-2 Observation: Sewers, fixtures, or drains are clogged.

Performance Guideline: Sewers, fixtures, and drains shall drain. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will not be responsible for sewers, fixtures, and drains that are clogged because of the owner's actions or negligence. If a problem occurs, the owner should consult the contractor for corrective action. If defective installation is the cause, the contractor is responsible for correcting the problem. If the owner's actions or negligence is the cause, the owner is responsible for correcting the problem.

Discussion: With respect to septic systems, owner actions that constitute negligence under this guideline include but are not limited to the following:

- Connection of sump pump, roof drains, or backwash from a water conditioner into the system.
- Placement of nonbiodegradable items into the system.
- Use of a food waste disposer not supplied or approved by the contractor the contractor.
- Placement of surfaces not permeable to water over the disposal area of the systems.
- Allowing vehicles to drive or park over the disposal area of the system.
- Failure to pump out the septic tank periodically, as required.
- Use, which exceeds the system's design standards.

Heating, Ventilating and Air Conditioning (HVAC) System
Coverage 1st and 2nd Year, Systems

Note: Remodeling Specific: The contractor is responsible only for areas of the property worked on and specified in the contract, and not for the entire house.

Heating System

14-1-1 Observation: The heating system is inadequate.

Performance Guideline: The heating system shall be capable of producing an inside temperature of 70 degrees Fahrenheit, as measured in the center of each room at a height of 5 feet above the floor under local, outdoor winter design conditions as specified in the ASHRAE Handbook: Fundamentals. National, state, or local energy codes shall supersede this performance guideline where such codes have been locally adopted. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will correct the heating system to provide the required temperature in accordance with the performance guideline or applicable code specifications. The contractor will re-balance a warm air system once during the first heating season. However, the owner will be responsible for balancing the system thereafter and for adjusting dampers and registers and for making other minor adjustments.

Discussion: For new living spaces created by remodeling jobs, heating guidelines may not apply to areas where living space has been created without resizing the HVAC system.

Central Air-Conditioning System

14-2-1 Observation: Cooling of rooms is inadequate.

Performance Guideline: If air-conditioning is installed by the contractor, the cooling system shall be capable of maintaining a temperature of 78 degrees Fahrenheit, as measured in the center of each room at a height of 5 feet above the floor under local outdoor summer design conditions as specified in the ASHRAE Handbook: Fundamentals. In the case of outside temperatures exceeding 95 degrees Fahrenheit, the system shall keep the inside temperature 15 degrees Fahrenheit cooler than the outside temperature. National, state, or local codes shall supersede this guideline where such codes have been locally adopted. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will correct the cooling system to provide the required temperature in accordance with the performance guideline or applicable code specifications. The contractor will re-balance an air-conditioning system once during the first cooling season. However, the owner will be responsible for balancing the system thereafter and for adjusting dampers and registers and for making other minor adjustments.

Discussion: For new living spaces created by remodeling jobs, heating guidelines may not apply to areas where living space has been created without resizing the HVAC system.

14-2-2 Observation: There is a refrigerant leak.

Performance Guideline: Refrigerant lines and fittings shall not leak during normal operation. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will repair leaking refrigerant lines and recharge the air-conditioning Unit unless the damage was caused by the owner's actions or negligence.

Ventilation System Coverage 1st and 2nd Year, Systems

14-3-1 Observation: The ductwork is separated or detached.

Performance Guideline: Ductwork shall remain intact and securely fastened. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will reattach and secure all separated or unattached ductwork.

14-3-2 Observation: The ductwork makes noises.

Performance Guideline: Ductwork will be constructed and installed in accordance with applicable mechanical code requirements. When metal is heated, it expands, and when cooled, it contracts. The resulting "ticking" or "crackling" sounds generally are to be expected and do not constitute a defect. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: Unless the duct is not in compliance with the local code, no corrective action is required.

14-3-3 Observation: The ductwork produces excessively loud noises commonly known as "oil canning."

Performance Guideline: The stiffening of the ductwork and the thickness of the metal used shall be such that ducts do not "oil can." The booming noise caused by oil canning is considered unacceptable. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will correct the ductwork to eliminate noise caused by oil canning.

14-3-4 Observation: The air handler or furnace vibrates.

Performance Guideline: These items shall be installed in accordance with the manufacturer's instructions and applicable codes. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: If installed incorrectly; the contractor will correct the items according to the manufacturer's instructions and code requirements.

Discussion: Under certain conditions some vibrating may be experienced with the normal flow of air, even when air handlers and furnaces are installed correctly. See the manufacturer's instructions.

Electrical System
Coverage 1st and 2nd Year, Systems

Note: Remodeling Specific: The contractor is responsible only for areas of the property worked on and specified in the contract, and not for the entire house.

15-1-1 Observation: Wiring fails to carry its designed load.

Performance Guideline: Wiring shall be capable of carrying the designed load for normal residential use. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will verify that wiring conforms to applicable electrical code requirements. The contractor will repair wiring not conforming to code.

15-1-2 Observation: Electrical outlets, switches, or fixtures malfunction.

Performance Guideline: All electrical outlets, switches, and fixtures shall operate as designed. Remodeling Specific: See Note at beginning of chapter.

Corrective Measure: The contractor will repair or replace malfunctioning electrical outlets, switches, and fixtures, if supplied and installed by the contractor.

Major Structure

Load-Bearing Portions of the Home

16-1-1 Observation: The failure of any of the following load bearing portions of the home: foundation systems and footings, beams, girders, lintels, columns, structural walls and partitions, floor systems, and roof framing systems. (Note: load-bearing portions do not include, for example: roofing and sheathing,

drywall and plaster, exterior siding, brick or stone or stucco veneer, floor covering material, wall coverings, non-load bearing walls and partitions, concrete floors in attached garages and basements that are built separately from foundation walls or other structural elements of the home, electrical systems, plumbing systems, heating or cooling systems, ventilation systems, appliances, fixtures and items of equipment, paint, doors and windows, trim, cabinets, hardware or insulation.)

Performance Guideline: The failure of these load-bearing portions of the home shall not affect their load bearing functions, making the home unsafe, unsanitary or unlivable.

Corrective Measure: The contractor will repair or replace the defective item(s), or will pay the owner the reasonable cost of such repair or replacement. The contractor's total liability is limited to the amount specified in the Limited Warranty. The choice as to repair, replacement or payment is solely that of the contractor.

Repair of defective item(s) is limited to (1) the repair of damage to the load-bearing portions of the home, which are necessary to restore their load-bearing function; and (2) the repair of those items of the home damaged by the material defect, which make the home unsafe, unsanitary or otherwise unlivable.

In the event any Unit Owner shall convey his or her Unit to the Board of Managers in accordance with Section 339-x of the Real Property Law or in the event the Board of Managers shall purchase any Unit at a foreclosure sale in accordance with the By-Laws, title to such Unit or the rights to the lease of such Unit shall be held by the Board of Managers or its designee on behalf of all of the other Unit Owners.

In order to carry out the provisions of this Paragraph each Unit Owner shall, upon becoming such, be deemed to have granted an Irrevocable Power of Attorney, coupled with an interest to the Board of Managers and to the Board of Directors of The Residences, North Hills Homeowners Association, Inc. and their successors to acquire title or lease any such Unit under whatever terms the Board of Managers (or the Board of Directors if the Board of Managers delegates such authority and powers to the Board of Directors) may in its sole discretion deem proper and to sell, lease, sublease, mortgage, vote or otherwise deal with such Unit under such terms as the Board of Managers in its sole discretion shall deem proper. Article 14. – Person to Receive Service of Process.

Service of process on the Unit Owners in any action with relation to the Common Elements shall be made upon the Secretary of State as the agent of the Board of Managers of the Condominium. The post office address to which the Secretary of State shall mail a copy of any process against this Condominium served upon him as agent for service of this Condominium during the period the Declarant controls the Board of Managers is: RXR North Hills Phase I Owner LLC, 625 RXR Plaza, Uniondale, New York 11556. Once the Declarant no longer controls the Board of Managers, the Board of Managers must notify the Secretary of State that the post office address to which the Secretary of State shall mail a copy of any process against this Condominium served upon him as agent of this Condominium is: Board of Managers, The Residences North Hills, Phase I Condominium, at the offices of The Residences North Hills, Phase I Condominium located at the Property in North Hills, New York or such other address as the Board of Managers of the Condominium selects.

Article 15. – Amendment of Declaration.

The dedication of the property to Condominium Ownership herein shall not be revoked or the property withdrawn from Condominium Ownership unless eighty (80%) percent of the Unit Owners in number and in Common Interest and the first mortgagees, if any, of each of these same Units agree to such revocation or removal of the property from the Plan by duly recorded instruments

The provisions of this Declaration may be modified or amended by an instrument executed by the Board of Managers upon a vote of sixty-six and two-thirds (66 2/3%) percent of the Unit Owners in number held at a duly-called meeting of the Unit Owners, provided however, that (i) No amendment shall change any Condominium parcel, nor a Unit Owner's proportionate share of the Common Charges, nor the voting rights appurtenant to any Unit, unless all of record owner(s) in number and Common Interest thereof and the first mortgagees, if any, of each of these same Units agree to such revocation by recorded instrument; (ii) No amendment shall be passed which shall impair or prejudice the rights and priorities of mortgagees; (iii) Notwithstanding any provision contained herein to the contrary, no amendment, modification, addition or deletion of, to or from this Declaration, the By-Laws or any rules and regulations shall be effective in any way against Declarant or its designee or any Unsold Unit, as long as the Declarant owns an Unsold Unit in the Condominium unless the Declarant has given its prior written consent thereto. This provision is not subject to amendment

There shall be a presumption for a period of 60 days subsequent to the recording of the amendment that the vote of the Unit Owners was made at a duly called meeting and that the requisite voting percentage was obtained. After the 60 day period such presumption will be deemed conclusive.

The Declarant, its successors, assigns and Purchasers of undeveloped or unsold Units shall have the right without vote or consent of the Unit Owners, the Board of Managers or the holders of Unit mortgages to execute or (on its request) to require the Board of Managers to execute and record in the Office of the Clerk of Nassau County and elsewhere, if required by law, an amendment or amendments to this Declaration (together with such other documents, Plan and maps as may be required to effectuate the same) to reflect (i) the certification by a registered architect or professional engineer, certifying that the Floor Plans filed as part of an amended Declaration are an accurate copy of portions of the Plans of the Building and fully and fairly depict the layout, location, designation and approximate dimensions of the Units as built, or (ii) utility easements, or (iii) technical corrections to this Declaration to conform to other documents including but not limited to the Offering Plan or as-built Plans (iv) to amend Schedule B of this Declaration to conform the Model type, square footage and type and number of rooms and any other required information for a specified Unit, so long as the appurtenant percentage of Common Interest does not change for said Unit, or (v) to reallocate parking spaces, if applicable, or (vi) the carrying out of other provisions of the Offering Plan of The Residences North Hills, Phase I Condominium

Notwithstanding the foregoing, this Declaration may not be amended without the consent of a Permitted Mortgagee if such amendment would increase the obligations of such Permitted Mortgagee or decrease its rights.

This Declaration may not be amended, except by the Declarant, without the written consent of the members of the Association.

Any amendment to this Declaration shall not take effect until it is recorded in the Office of the Clerk of Nassau County

Regardless of any other provision of this Declaration, no action for partition or division of the Common Elements shall be brought nor shall this Plan of Condominium Ownership be terminated where such partition, division or termination will result in a violation of Then existing local zoning and building laws and codes.

Article 16. – Changes in the Declarant -Owned Units.

For any Unit owned by the Declarant or its designee(s), if not prohibited by the New York Condominium Act (as the same may be amended), the Declarant or its designee(s) shall have the right, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit mortgages, to:

- (i) make alterations, additions, or improvements in, to and upon the Unit;

(ii) change the layout or number of rooms in the Unit,

(iii) change the size and/or number of such Units by subdividing a Unit, combining separate Units (including those resulting from any subdivision or otherwise) into one or more Units, altering the boundary walls between any Unit or otherwise; and

(iv) reapportion among such Units affected by such change in size or number, subdivision, combination or alteration, their appurtenant interests in the Common Elements; provided, however, that the Declarant or its designee(s) shall comply with all rules, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board of Managers and all other Unit Owners harmless from any liability arising therefrom.

In accordance with law, the Common Elements appurtenant to each Unit as expressed in this Declaration shall have a permanent character and shall not be altered without the consent of all Unit Owners affected. Written consents will be obtained from Unit Owners, if any, who are adversely affected as a result of the above changes. Contract vendees, if any pursuant to Purchase Agreements with Declarant or its designees for a Unit adversely affected as result of the above changes, shall have the right to rescind their Purchase Agreements and receive a refund of any Down Payment. The above changes, if made, will be disclosed in an amendment to the Offering Plan for the Property. For purposes, of this paragraph, the above changes shall not be considered adverse changes if made in the Offering Plan

Unit Owners in the Condominium hold title to their respective Units subject to the benefits, rights, privileges, easements, burdens, covenants, and restrictions as described herein, in the By-Laws and any agreement of record recorded prior or subsequent to this Declaration.

Article 17. – Covenants Running with the Land.

(a) All provisions of this Declaration, the By-Laws and the Rules and Regulations (true copies of which are annexed hereto and made a part hereof), including, without limitations, the provisions of this paragraph shall, to the extent applicable and unless otherwise expressly herein and therein provided to the contrary, be perpetual and be construed to be covenants running with the land and with every part thereof and interest therein, and all of the provisions hereof and thereof shall be binding upon and inure to the benefit of the owner of all or any part thereof, or interest therein, and his heirs, executors, administrators, legal representatives, successors and assigns, but the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public. All present and future Owners, tenants and occupants of the Units shall be subject to and shall comply with the provisions of this Declaration, the By-Laws and the Rules and Regulations, as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into a lease or the entering into occupancy of any Unit shall constitute an

agreement that the provisions of this Declaration, the By-Laws and Rules and Regulations, as they may be amended from time to time, are accepted and ratified by such owner, tenant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease thereof.

(b) If any provision of this Declaration or the By-Laws is invalid under, or would cause this Declaration and the By-Laws to be insufficient to submit the Property to the provisions of, the New York Condominium Act, such provision shall be deemed deleted from this Declaration or the By-Laws, as the case may be, for the purpose of submitting the Property to the provisions of the New York Condominium Act but shall nevertheless be valid and binding upon and inure to the benefit of the Owners of the property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the land and with every part thereof and interest therein under other applicable law to the extent permitted under such applicable law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the land. If any provision which is necessary to cause this Declaration and the By-Laws to be sufficient to submit the Property to the provisions of the New York Condominium Act is missing from this Declaration or the By-Laws, then such provision shall be deemed included as part of this Declaration or the By-Laws, as the case may be, for the purposes of submitting the Property to the provisions of the New York Condominium Act.

Article 18. – Covenant of Further Assurances.

Any party subject to the terms of this Declaration, whether such party is a Unit Owner, a lessee or sublessee of a Unit Owner (if permitted), or the occupant of a portion of a Unit, a member of the Board of Managers, an officer of the Condominium, or otherwise shall, at the expense of any such other party requesting the same, execute, acknowledge and deliver to such other party such instruments, in addition to those specifically provided for herein, and take such other action, as such other party may reasonably request to effectuate the provisions of this Declaration or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction.

If any Unit Owner or the Board of Managers or any other party who is subject to the terms of this Declaration fails or refuses to execute, acknowledge or deliver any instrument, or fails or refuses within ten (10) days after request therefor, to take any action that the Board of Managers, any Unit Owner, or other party is required to take pursuant to this Declaration at the request of Declarant or Declarant's designee, then Declarant or Declarant's designee, as the case may be, is hereby authorized as attorney-in-fact for the Board of Managers, such Unit Owner, or other party, which power shall be deemed to be coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of the Board of Managers,

such Unit Owner, or other party, and such document or action shall be binding on the Board of Managers, such Unit Owner, or other party, as the case may be.

Article 19. – Covenants and Restrictions.

(b) No alteration, addition or change to any part of the Common Elements may be made and no structure or other improvement (including landscaping) may be built or placed on any portion of the Common Elements or Limited Common Elements without the written consent of the Board of Managers as provided for in the By-Laws. The provisions of this paragraph shall not apply to Declarant.

(c) No Unit Owner shall make any structural addition, alteration or improvement (of either a temporary or permanent nature) in or to their Unit, or any Limited Common Element, without the prior written approval of the Board of Managers. The Board of Managers shall have the obligation to answer any written request by a Unit Owner for approval of a proposed structural addition, alteration or improvement in such Unit Owner's Unit within sixty (60) days after such request is received, and failure to do so within the stipulated time shall constitute an approval by the Board of Managers of the proposed addition, alteration or improvement. No Unit Owner shall make any structural addition, alteration or improvement in or to any Unit or any Limited Common Element without first (1) obtaining and maintaining during the course of such work such insurance as the Board of Managers may reasonably prescribe and providing the Board with a certificate of insurance prior to the commencement of the work, (2) executing and delivering to the Board of Managers an agreement, in form and substance reasonably satisfactory to the Board, setting forth the reasonable terms and conditions under which such alteration, addition or improvement may be made, including, without limitation, the days and hours during which any such work may be done, (3) executing and delivering to the Board of Managers an agreement indemnifying and holding harmless the Board of Managers, its members and officers, and all Unit Owners of the Condominium from and against any liability, cost or expense arising out of or connected to such work and (4) obtaining all approvals, as necessary, from the Village of North Hills and/or the Town of North Hempstead or any other governmental agency. In the event the Board of Managers chooses to have the proposed addition, alteration or improvement reviewed by an independent architect or engineer, the Unit Owner shall pay the charges of such architect or engineer. The Unit Owner shall also bear the cost of any increased taxes or insurance premiums resulting from the alterations, additions or improvements. All electrical work shall be performed by a licensed electrician. All plumbing work shall be performed by a licensed plumber.

Any application to any Department of Nassau County, the Village of North Hills, the Town of North Hempstead, or any other governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be completed by the Unit Owner and executed by the Board of Managers to any contractor, subcontractor or materialmen on account of such addition, alteration or improvement or to any person having any claim for injury to person or damage to property arising therefrom.

These provisions shall not apply to Units owned by the Declarant or its designee:

(i) Any interior alterations or improvements made to a Unit shall be made in accordance with all applicable rules, regulations, permits and zoning ordinances of any governmental agencies having jurisdiction thereof.

(ii) Any Unit Owner who mortgages their Unit shall notify the Board of Managers providing the name and address of the mortgagee.

(iii) The Board of Managers shall, at the request of the mortgagee of the Unit, report any unpaid Common Charges and unpaid Maintenance Charges (due to the Homeowners Association) due from the Unit Owner of such Unit.

(iv) No nuisances shall be allowed upon the property nor shall any use or practice be allowed which is a source of annoyance to residents or which interferes with the peaceful possession and proper use of the property by its residents

(v) No immoral, improper, offensive or unlawful use shall be made, of the property nor any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed

(vi) Regulations promulgated by the Board of Managers concerning the use of the property shall be observed by the Unit Owners, provided, however, copies of such regulations are furnished to each Unit Owner prior to the time the said regulations become effective.

(vii) The Common Charges and Maintenance Charges shall be paid when due.

Article 20. – Administration.

The administration of the Condominium, and parcel of land described herein shall be in accordance with the provisions of this Declaration and with the provisions of the By-Laws which are made a part of this Declaration and are attached hereto as **Schedule "C"**. (e) make any other changes required by the Village of North Hills, the Town of North Hempstead, Nassau County or other Municipal Agency.

In no event, however, shall Declarant or such designee be entitled to use any portion of the Common Elements or Common Areas in such a manner as will unreasonably interfere with the use of the same or of any Unit for its permitted purposes.

quorum, at a special meeting of Managers duly called for this purpose, shall choose a successor or successors, who shall hold office for the unexpired term in respect to which such vacancy occurred. In the event of the failure to hold any election of the Board of Managers at the time designated for the annual election of the Board of Managers or in the event that the Board of Managers shall not have filled any such vacancy, a special meeting of the Unit Owners to elect a new Board of Managers or to fill such vacancy or vacancies may be called in the manner generally provided for the calling of special meetings of the Unit Owners. If the vacancy occurs with respect to any member of the First Board of Managers (see Section 4 of this Article III) or any other manager who has been designated by the Declarant, the Declarant shall have the sole right to choose such Manager's successor to fill the unexpired portion of the term.

Section 6. Powers.

(a) The property and business of the Condominium shall be managed by its Board of Managers, which may exercise all such powers of the Condominium and do all such lawful acts and things as are not by Statute or by the Declaration or by these By-Laws, directed or required to be exercised or done by the Unit Owners personally. This provision is not subject to amendment. These powers shall specifically include, but not be limited to, the following items:

1. To determine and levy monthly Assessments ("Common Charges") to cover the cost of Common Expenses, payable in advance. The Board of Managers may increase the monthly Common Charges or vote a special Common Charge in excess of that amount, if required; to meet any additional necessary expenses, but said increases can only be assessed among the Unit Owners pro-rata according to their respective Common Interest,

2. To collect, use, and expend the Assessments collected to maintain, care for and preserve the Units, Buildings, and other Common Elements;
3. To make repairs, restore or alter any Units or the Common Elements after damage or destruction by fire or other casualty or as a result of condemnation or eminent domain proceedings;
4. To enter into and upon the Units when necessary and at as little inconvenience to the Unit Owners as possible in connection with the maintenance, care, and preservation of the property;
5. To open bank accounts on behalf of the Condominium and to designate the signatories to such bank accounts;
6. To insure and keep insured the Common Elements and Units in accordance with Article VII of these By-Laws;
7. To collect delinquent Common Charges by suit or otherwise, to abate nuisances and to enjoin or seek damages from the Unit Owners of the property for violations of the house rules or rules and regulations herein referred to;
8. To make reasonable rules and regulations and to amend the same from time to time, and such rules and regulations and amendments shall be binding upon the Unit Owners when the Board has approved them in writing. A copy of such rules and all amendments shall be delivered to each Unit;
9. To employ and terminate the employment of employees and independent contractors and to purchase supplies and equipment, to enter into contracts, and generally to have the powers of a manager in connection with the matters hereinabove set forth, except that the Board may not terminate employees of the Manager;
10. To bring and defend actions by or against more than one Unit Owner and pertinent to the operation of the Condominium and to levy special Common Charge Assessments to pay for the cost of such litigation;
11. To acquire Units in foreclosure or as a result of abandonment and to take any or all steps necessary to repair or renovate any Unit so acquired and to vote as a Unit Owner, offer such Unit for sale or lease or take any other steps regarding such Unit as shall be deemed proper by the Board of Managers;
12. To make additions, alterations, or improvements to the Common Elements of the Community, the cost of which addition, alteration, or improvement does not exceed \$50,000. The Board of Managers may make additions, alterations or improvements to the Common Elements costing in excess of \$50,000 only with the approval of a majority of the Unit Owners. While the Declarant is in control of the Board of Managers, the Board may make additions, alterations, or improvements to the

Common Elements costing in excess of \$100,000 or enter into service or maintenance contracts the duration of which will extend more than one (1) year after the Declarant loses control of the Board of Managers, only with the approval of a majority of the Unit Owners, excluding the Declarant, voting at a duly held meeting of the Unit Owners;

13. To borrow money on behalf of the Condominium when required in connection with the operation, care, upkeep and maintenance of the Common Elements, provided, however, that (i) the consent of at least sixty-six and two-thirds (66-2/3%) percent in number of all Unit Owners, obtained at a meeting duly called and held for such purpose in accordance with the provisions of these By-Laws, shall be required for the borrowing of any sum in excess of \$50,000 and (ii) no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interest in the Common Elements without the written consent of the Owners of said Unit.

14. To act as an agent for one (1) or more Unit Owners to file a single complaint and bring a special proceeding on behalf of Unit Owners who wish to contest the real estate tax Assessments of their Unit pursuant to Section 339-y(4) of the New York Property Law. In such event, the Board could retain counsel on behalf of such Unit Owners and charge each Unit Owner for whom it is acting a pro rata share of expenses, disbursements and legal fees, the payment for which would be secured by a lien on each Unit. The Board of Managers is not obligated to perform such services and it is necessary to obtain the written authorization of the Unit Owners;

15.

(a) To grant utility or other easements over or to the Common Elements as may, at any time, be required for the benefit of the Condominium and the Unit Owners without the necessity of the consent thereto, or joinder therein, by the Unit Owners or any mortgagee (except that if the granting of such easement impairs the ability of one or more Unit Owners who have the right to use such Common Elements to the exclusion of any other Unit Owner, the consent of all such affected Unit Owner shall be required in writing before such easement shall be granted).

(b) The Board of Managers may, by resolution or resolutions passed by a majority of the whole Board, designate one or more committees, each of such committees to include at least one (1) manager which, to the extent provided in said resolution or resolutions, shall have and may exercise the powers of the Board of Managers in the management of the business affairs of the Condominium and may have power to sign all papers which may be required, provided the said resolutions shall specifically so provide. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Managers. Committees established by resolution of the Board of Managers shall keep regular minutes of their proceedings and shall report the same to the Board as required.

(c) Notwithstanding anything to the contrary contained in these By-Laws, for a period ending not more than five (5) years after the closing of title to the first Unit

or whenever the unsold Units constitute less than twenty-five (25%) percent of the Common Interest, whichever is sooner, the Board of Managers may not, without the Declarant's prior written consent: (i) make an addition, alteration or improvement to the, Common Elements or to any Unit, costing cumulatively more than \$5,000, the foregoing not to include necessary repairs and maintenance work, or (ii) assess any Common Charges for the creation of, addition to, or replacement of all or part of a reserve, contingency or surplus fund, in excess of the reserve for contingencies contained in the Condominium budget for the First Year of Operations, (iii) hire any employee in addition to the employees referred to in the Plan of Condominium Ownership, or (iv) enter into any service or maintenance contract for work not covered by contracts in existence on the date of closing of the First Unit, or (v) borrow money on behalf of the Condominium, (vi) reduce the services or maintenance set forth in the Condominium budget for the First Year of Operations, or (vii) charge any special Common Charge Assessment for a non-budgeted item unless required by law, municipal agency, emergency or for the health and safety of the Condominium; or (viii) increase the Common Charges of the Condominium more than ten (10%) percent from the prior year's budget, unless documentation is provided to the Declarant in the nature of a financial statement, bids from contractors or verified increases in utility rates, evidencing the need for an increase greater than ten (10%) percent, or (ix) utilize Condominium funds or assess the Declarant in order to commence a lawsuit against the Declarant or any of its principals

However, at no time may Declarant exercise veto power over expenses in the budget or over expenses required to (i) comply with applicable laws or regulations, (ii) to remedy any notice of violation, or (iii) to remedy any work order by an insurer

The provisions of this paragraph may not be amended without the written consent of Declarant

Section 7. Repairs and Maintenance. All maintenance, repairs and replacements to the Common Elements of the Buildings including but not limited to exterior walls, roof and roof members as well as all maintenance, repairs and replacements to any public utility lines as are located in the Common Elements and serve one or more Units, and all exterior maintenance shall be the obligation and responsibility of Board of Managers

All maintenance (including electrical and plumbing repairs in the Units and painting and decorating of the inside of the Units), repairs and replacements to the Units including, doors and repairs to any heating/air conditioning system servicing a single Unit, pipes, wires and conduits located within or without a single Unit other than as set forth above shall be made by the respective Unit Owners at their own expense.

All maintenance, repairs and replacements associated with a Limited Common Element appurtenant to a Unit; (except for minor repairs, general cleaning and snow removal from the balconies or terraces that are a Limited Common Element and any individual house connections to the sanitary sewer) shall be the sole responsibility of the Board of Managers of the Condominium and the cost thereof shall be a Common Expense of the respective Board of Managers.

The Board of Managers and their agents, employees and contractors shall have a right of access to any Unit and to all portions of all Common Elements, limited or not, for the purpose of carrying out any of its obligations under these By-Laws or the Declaration of the Condominium.

All replacements, repairs, painting or maintenance, whether made by the Unit Owner or by the Board of Managers to the doors, windows, or the exterior surface of the Building, including roofs, or to any generally visible portion of the Common Elements shall be carried out in such a manner so as to conform to the materials, style and color initially provided by the Declarant.

In the event that a Unit Owner fails to make any maintenance or repair which maintenance or repair is necessary to protect any of the Common Elements or any other Unit, the Board of Managers shall have the right to make such maintenance or repair (after the failure of the Unit Owner to do so after 10 days written notice, or written or oral notice of a shorter duration in the event of any emergency situation) and to charge the Unit Owner for the cost of all such repairs and/or maintenance. In the event that the Board of Managers charges a Unit Owner for repairs or maintenance to Unit Owner's Unit or for repairs to any Common Element restricted in use to such Unit Owner, and the Unit Owner fails to make prompt payment, the Board of Managers shall be entitled to bring suit thereon and, in such event, the Unit Owner shall be liable for the reasonable Attorney's fees and costs of such suit or proceeding together with interest on all sums due.

Section 8. Compensation. Managers and officers, as such, shall receive no compensation for their services.

Section 9. Meetings.

(a) The first meeting of each Board newly elected by the Unit Owners shall be held immediately upon adjournment of the meeting at which they were elected, provided a quorum shall then be present, or as soon thereafter as may be practicable. The annual meeting of the Board of Managers shall be held at the same place as the Unit Owners meetings, and immediately after the adjournment of same, at which time the dates, places and times of regularly scheduled meetings of the Board shall take place.

(b) Regularly scheduled meetings of the Board may be held without special notice.

(c) Special meetings of the Board may be called by the President on two (2) days notice to each manager either personally or by mail or telegram. Special meetings shall be called by the President or Secretary in a like manner and on like notice on the written request of at least three (3) managers.

(d) At all meetings of the Board, a majority of the managers shall be necessary and sufficient to constitute a quorum for the transaction of business, and an act of the majority of the managers present at any meeting at which there is a quorum shall be the act of the Board of Managers, except as may be otherwise specifically provided by statute or by the Declaration or by these By-Laws. If a quorum shall not be present at any meetings of managers, the managers present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

(e) Before or at any meeting of the Board of Managers, any Manager may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Manager at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all the Managers are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

(f) Members of the Board may participate in a meeting by means of a conference telephone call or similar communications equipment by means of which all persons participating in such meeting can hear each other and such participation shall constitute presence at such meeting

Section 10. Annual Statement. The Board of Managers shall furnish to all Unit Owners and their mortgagees and shall present annually (within five (5) months of the end of each fiscal year) and when called for by a vote of the Unit Owners at any special meeting of the Unit Owners, a statement of the business conditions and affairs of the Condominium, including a balance sheet and profit and loss statement verified by an independent public accountant and a statement regarding any taxable income attributable to the Unit Owner and a notice of the holding of the annual Unit Owners meeting.

Section 11. Fidelity Bonds. The Board of Managers shall require that all officers and employees of the Condominium handling or responsible for Condominium funds shall furnish adequate fidelity bonds. The premiums on such bonds shall be a common expense.

Section 12. Management Agent. The Board of Managers shall employ for the Condominium a Management Agent under a term contract or otherwise at a compensation established by the Board, to perform such duties and services as the Board shall authorize, including, but not limited to, all of the delegable duties of the Board listed in this Article. While Declarant is in control of the Board of Managers it will not enter into contracts which bind the Condominium for a period of more than two (2) years (except cable television agreements and Management Agreement) after the recording of the Declaration unless the contract provides that it may be cancelled by the Condominium upon ninety (90) days notice. Notwithstanding the foregoing, the Manager is anticipated to be The Ritz-Carlton Hotel Company, LLC under the Ritz-Carlton brand, 10400 Fernwood Road, Bethesda, Maryland 20815 and 4445 Willard

Avenue, Suite 800, Chevy Chase, Maryland 20815 under a contract for a term of twenty years to manage the Condominium, which terms and conditions are binding upon the Condominium.

Section 13. Liability of the Board of Managers, Officers and Unit Owners. No Member of the Board of Managers or officer of the Condominium shall have any personal liability to the Condominium or to any Unit Owner for damages for any breach of duty in his or her capacity as a Member of the Board or officer, provided that this provision does not eliminate or limit the liability of a Member of the Board or officer if a judgment or other final adjudication adverse to him or her establishes (a) that his or her acts or omissions were in bad faith or involved intentional misconduct or a knowing violation of law, or (b) that he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled.

The Condominium, through the Unit Owners, shall indemnify, to the fullest extent permitted by law any person made, or threatened to be made, a party to an action or proceeding, whether civil or criminal, including an action by or in the right of the Condominium to procure a judgment in its favor or an action other than one by or in the right of the Condominium and including an action by or in the right of any corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit Plan or other enterprise, which any Member of the Board or officer of the Condominium served in any capacity at the request of the Condominium, by reason of the fact that he, his testator or intestate, was a Member of the Board or officer of the joint venture, trust, employee benefit Plan or other enterprise in any capacity, provided that no indemnification may be made to or on behalf of any Member of the Board or officer if a judgment establishes that his or her acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he or she personally gained in fact a financial profit or the advantage to which he or she was not legally entitled.

The Unit Owners shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provision of the Declaration or of these By-Laws. It is intended that the Members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium (except as Unit Owners). It is understood and permissible for the original Board of Managers, who may be members of or be employed by the Declarant, to contract with the Declarant and affiliated corporations and entities without incurring any liability for self-dealing. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers or out of the aforesaid indemnity in favor of the Member of the Board of Managers shall be limited to such proportion of the total liability thereunder as his or her interest in the Common Elements bears to the interest of all of the Unit Owners in the Common Elements. Every agreement made by the Board of Managers or by the Manager or by the manager on behalf of the Condominium shall provide that the Members of the Board of Managers, or the

Manager, or the manager, as the case may be, are acting only as agent for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners).

Each Unit Owner's liability pursuant to this Section shall be limited to such proportion of the total liability thereunder as his or her interest in the Common Elements bears to the interest of all Unit Owners in the Common Elements.

Section 1. Elective Officers. The officers of the Condominium shall be chosen by the Board of Managers and shall be a President, a Vice President, a Secretary and a Treasurer. The Board of Managers may also choose one (1) or more Assistant Secretaries and Assistant Treasurers and such other officers as in their judgment may be necessary. Section 1. Definition. Whenever under the provisions of the Declaration or of these By-Laws, notice is required to be given to the Board of Managers, any manager or Unit Owner, it shall not be construed to mean personal notice; but such notice may be given in writing, by mail, by depositing the same in a post office or letter box in a postpaid sealed wrapper, addressed to the Board of Managers, such manager or Unit Owner at such address as appears on the books of the Condominium.

Section 2. Service of Notice-Waiver. Whenever any notice is required to be given under the provisions of the Declaration, or of these By-Laws, a waiver thereof, in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed the equivalent thereof.

ARTICLE VI. FINANCES

Section 1. Checks. All checks or demands for money and notes of the Condominium shall be signed by the President and Treasurer or by such other officer or officers or such other person or persons as the Board of Managers may from time to time designate.

Section 2. Assessments. The Board of Managers shall, from time to time, but at least annually, fix and determine the budget representing the sum or sums necessary and adequate for the continued operation of the Condominium and shall send a copy of the budget and supplement to the budget to every Unit Owner and mortgagee. They shall determine the total amount required, including the operational items such as insurance, repairs, reserves, improvements, maintenance of the Common Elements and other operating expenses as well as charges to cover any deficits from prior years.

The total annual requirements shall be assessed as a single sum against all Units and prorated against each of said Units according to the respective Common Interest appurtenant to such Units. This proration of Assessments shall remain constant regardless of the percentage of the building square footage included in each Unit or the Common Elements restricted to the use of the Unit Owner of said Unit.

Said Assessments shall be payable monthly or such other manner as ordered by the Board of Managers and shall be referred to as Common Charges. Special Common Charge Assessments, should such be required, shall be levied and paid in the same manner as hereinabove provided for regular Assessments.

The Unit Owner agrees to pay promptly when due the monthly Common Charges and all special Common Charge Assessments assessed against the Unit Owner's own Unit. In the event any Unit Owner fails to make payment of the Unit Owner's Common Charge payment; the Unit Owner who owns such Unit shall be obligated to pay (a) a "late charge" of \$150 for such Common Charges which remain unpaid for more than fifteen (15) days from their due date (although nothing herein shall be deemed to extend the period within which such amounts are to be paid) and (b) interest at the rate of two (2%) percent per month (but in no event in excess of the maximum rate theretofore collected on such amounts) computed from the due date thereof, and (c) all expenses, including, without limitation, attorney's fees paid or incurred by the Board or by any Manager in any proceeding brought to collect such unpaid Common Charges or in an action to foreclose the lien on such Unit Owner's Unit arising from said unpaid Common Charges in the manner permitted by applicable law. All such "late charges," interest and expenses shall be added to and shall constitute Common Charges payable by such Unit Owner.

In addition, in the event of a default in payment of Common Charge Assessments by any Unit Owner, the Board, at its sole option, may declare the Common Charge Assessment on said Unit Owner's Unit for the balance of the fiscal year immediately due and payable. Prior to making any such Declaration following a default the Board shall

send notice to the delinquent Unit Owner and the mortgagee, if any, of such Unit giving the Unit Owner a five (5) day grace period in which to make the late payment

The Board may take action to collect any Common Charges due from any Unit Owner which remains unpaid ninety (90) days from its due date by way of foreclosure of the lien on such Unit in accordance with Section 339 of the Real Property Law or otherwise.

No Unit Owner shall be liable for any Common Charges which accrue against his Unit subsequent to a sale, transfer or other conveyance by him of his Unit in accordance with these By-Laws and the Declaration. A Purchaser of a Unit (other than a mortgagee or a Purchaser at a foreclosure sale) shall be liable for the payment of all Common Charges assessed against the Unit and unpaid at the time of the purchase.

Notwithstanding the foregoing, for a period of time in Declarant's sole discretion, Declarant may choose to pay the entire actual costs of operation of the Condominium (payment of all items set forth in the Condominium Budget, excluding reserves and contingencies) in which case the Common Charges will be set by the Declarant controlled Board of Managers at zero and Unit Owners who have closed will not be required to pay Common Charges until such time as Declarant, in its sole discretion, ceases paying all of the actual condominium expenses (payment of all items set forth in the Condominium Budget, excluding reserves and contingencies) at which time all Unit Owners will begin to pay Common Charges based upon the condominium budget and the Unit Owner's percentage of Common Interest. Once Common Charges are collected by the Board of Managers from any Unit Owner, Declarant will then pay Common Charges for all of the Unsold Units based upon the condominium budget and the percentage of Common Interest for the Unsold Units.

Section 3. Foreclosures of Liens for Unpaid Common Charges. The Board shall have the power to purchase any Unit at a foreclosure sale resulting from any action brought by the Board to foreclose a lien on the Unit because of unpaid Common Charges. In the event of such purchase, the Board shall have the power to hold, lease, mortgage, vote, sell or otherwise deal with the Unit. A suit to recover a money judgment for unpaid Common Charges shall also be obtainable separately without waiving the lien on the Unit. The Board of Managers of each Condominium will be responsible for the payment of Association Common Maintenance Charges by each Unit Owner of the Condominium that is delinquent in Maintenance for more than thirty days. Any amount paid by the Board of Managers of the Condominium to the Association on behalf of a delinquent Unit Owner shall be subject to a Lien by the Board of Managers against the Unit Owner and enforceable by the Board of Managers against the delinquent Unit Owner.

Section 4. Statement of Common Charges. Upon the written request of any Unit Owner or his mortgagee, the Board shall promptly furnish such Unit Owner or his mortgagee with a written statement of the unpaid Common Charges due from such Unit Owner

Section 5. Liability for Utilities. Any utility, including gas and electricity, consumed in the Units shall be an expense of each individual Unit Owner, except water charges are paid by Unit Owners through Common Charges.

Section 6. Operating Account. There shall be established and maintained a cash deposit account to be known as the "Operating Account," into which shall be deposited the operating portion of all monthly and special Assessments as fixed and determined for all Units. Disbursements from said account shall be for the general need of the operation including, but not limited to, wages, repairs, improvements, maintenance and other operating expenses of the Common Elements and for the purchase, lease, sale or other expenses resulting from the purchase or lease of Units.

Section 7. Other Accounts. The Board shall maintain any other accounts it shall deem necessary to carry out its purpose:

Section 8. Delegate to Homeowners Association. The Board of Managers shall have the right to delegate and appoint the Association to act in place of the Board of Managers to carry out any or all of the provisions of this Article VI of the By-Laws which powers shall not be exercised by the Association without the approval or authorization of the Board of Directors of the Association or a duly constituted committee thereof. The Board of Managers may give the Association or its officers such power of attorney as the Board of Managers deems appropriate to carry out the provisions of this Section 8. The Board of Managers shall retain the power to withdraw such delegation and/or appointment of the Association.

ARTICLE VII. INSURANCE AND INSURANCE TRUSTEE

Section 1. Insurance to be Carried by the Board. The Board of Managers shall be required to obtain and maintain, to the extent obtainable, the following insurance: fidelity insurance covering all officers, Board members, employees and the Manager or agents who handle funds of the Condominium; fire insurance with extended coverage, water damage, vandalism and malicious mischief endorsements, insuring all of the Buildings in the Condominium (but not including furniture, furnishings or other personal property supplied or installed by Unit Owners), together with all heating, air-conditioning and other service machinery, contained therein, covering the interest of the Condominium, the Board of Managers and all Unit Owners and their mortgagees, as interest may appear, in an amount equal to the full replacement value of the Building. Each of such policies shall contain a New York standard mortgagee clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee hereinafter set forth; and such other insurance as the Board of Managers may determine. All such policies shall provide that adjustment of loss shall be made by the Board of Managers with the approval of the Insurance Trustee and that the net proceeds thereof, if \$40,000 or less, shall be payable to the Board of Managers, and if more than \$40,000 shall be payable to the Insurance Trustee.

The fire insurance will commence with the closing of title to the first Unit in an amount as required by the mortgagee of such Unit and such amount will be increased upon the closing of title to all Units and until the first meeting of the Board of Managers following the first Unit Owners meeting, such amount shall be at least in the sum as reflected in the proposed budget for the First Year of Operations of the Condominium. All policies of physical damage insurance shall contain waivers of subrogation and of any reduction of pro rata liability of the insurer as a result of any insurance carried by Unit Owners or of the invalidity arising from any acts of the insured or any Unit Owners, and shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days prior written notice to all of the insured, including all mortgagees of Units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof together with proof of payment of premiums, shall be delivered to all mortgagees of Units at least ten (10) days prior to expiration of then current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Managers shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the Buildings, including all of the Common Elements appurtenant thereto for the purpose of determining the amount of fire insurance to be effected pursuant to this Section.

The Board of Managers shall also be required to obtain and maintain, to the extent obtainable, commercial general liability insurance in such limits as the Board of Managers may from time to time determine, covering each member of the Board of Managers, the Manager and each Unit Owner. Such public liability coverage shall also cover cross liability claims of one insured against another. Until the first meeting of the Board of Managers following the first annual Unit Owners meeting, such commercial general liability insurance shall be a minimum of \$1,000,000 covering all claims for bodily injury and for property damage arising out of one occurrence. Such commercial general liability insurance shall commence on the closing of title to the first Unit.

Unit Owners shall procure, obtain and maintain, at their sole cost and expense the following insurances:

(a) Property and casualty insurance coverage on the Unit Owner's real property, including improvements and betterments, or personal property located within the boundaries of the Unit and elsewhere, such as within the Common Elements or Limited Common Elements areas. The coverage shall be in an amount not less than the full replacement cost of such property and any improvements and betterments and personal property of the Unit Owner including, but not limited to, decorative paint, venetian plaster, cabinetry, plumbing fixtures, kitchen and other appliances, floor covering materials such as wood and stone flooring, works of art, window treatments, furniture, collectibles, electrical fixtures, air conditioner or heating equipment, water heaters, water filters, built-in cabinets and countertops, and window treatments, including curtains, drapes, blinds, hardware and similar window treatment components, plumbing fixtures, kitchen and other appliances, floor covering materials such as wood and stone flooring, or replacements of any of the foregoing which are located within the

boundaries of a Unit and serve only one Unit and all air conditioning compressors that service only an individual Unit, whether or not located within the Unit boundaries, as well as Limited Common Elements appurtenant to the Unit, and

(b) General liability insurance for bodily injury and property damage in an amount of not less than One Million dollars (\$1,000,000) per occurrence.

Each insurance policy issued to a Unit Owner shall be without rights of subrogation against the Condominium and the Manager. All real property, including improvements and betterments, or personal property located within the boundaries of an Owner's Unit which is excluded from the coverage to be provided by the Condominium shall be insured by the individual Unit Owner. The Condominium and the Manager shall not be responsible for any claims, losses, injuries or damages that result from the acts or omissions of the Unit Owners, their agents, invitees or guests that occur on the Common Elements or for claims, losses, injuries or damages that occur within the Unit when used, occupied or rented by the Unit Owner.

If the Unit Owner does not purchase, produce and maintain evidence of liability insurance required as set forth herein, the Board of Managers, in good faith, purchase the insurance coverage and charge the reasonable premium cost to the Unit Owner as an assessment to the Unit and Unit Owner covered by said insurance.

In no event shall the Board of Managers be liable to any person either with regard to its decision not to purchase the insurance, or with regard to the timing of its purchase of the insurance or the amounts or types of coverages obtained.

Each insurance policy issued to a Unit Owner providing such coverage shall be without rights of subrogation against the Condominium and the Manager. The Condominium and the Board of Managers shall not be responsible, for any claims, losses, injuries or damages that result from the negligent acts or omissions of the Unit Owners, their agents, invitees or guests that occur on the Common Elements for claims, losses, injuries or damages, that occur within the Owner's Unit when used, occupied or rented by the Unit Owner.

All real or personal property located within the boundaries of the Units which are excluded from the coverage to be provided by the Condominium shall be insured by the individual Unit Owner.

The Board of Managers shall have the right, without vote of the Unit Owners, to transfer the cost of the insurance applicable to the Condominium from being part of the Common Charges of the Condominium so that it becomes part of the budget and maintenance charges of The Residences, North Hills Homeowners Association.

Section 2. The Insurance Trustee. A New York Bank or Trust Company shall be the Insurance Trustee and shall constitute a common expense of the Condominium. In the event the Insurance Trustee resigns or fails to qualify, the Board of Managers shall

designate a new Insurance Trustee which shall be a bank or trust company located in the State of New York

Section 3. Restoration or Reconstruction After Fire or Other Casualty. In the event of damage to or destruction of the buildings as a result of fire or other casualty (unless seventy-five (75%) percent or more of the Units are destroyed or substantially damaged and seventy-five (75%) percent or more of the Unit Owners do not duly and promptly resolve to proceed with repair or restoration), the Board of Managers shall arrange for the prompt repair and restoration of the buildings (including any damaged Units, and any kitchen or bathroom fixtures initially installed therein by the Declarant, any heating, air conditioning or other service machinery which is covered by insurance but not including any wall, ceiling or door decorations or coverings or other furniture, furnishings, fixtures or equipment installed by Unit Owners in the Units), and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a common expense and the Board of Managers may assess all the Unit Owners for such deficit as part of the Common Charges.

If seventy-five (75%) percent or more of the Units are destroyed or substantially damaged and seventy-five (75%) percent or more of the Unit Owners do not duly and promptly resolve to proceed with repair or restoration, the Property shall be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common in which event the net proceeds of sale, together with the net proceed of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration then the excess of such insurance proceeds) shall be divided by the Board of Managers or the Insurance Trustee, as the case may be, among all the Unit Owners in proportion to their respective Common Interests, after first paying out of the share of each Unit Owner the amount of any unpaid liens on his or her Unit, in the order of the priority of such liens,

ARTICLE VIII. HOUSE RULES

Section 1. In addition to the other provisions of these By-Laws, the following house rules and regulations together with such additional rules and regulations as may hereafter be adopted by the Board of Managers shall govern the use of the Units and the conduct of all residents thereof.

Section 2. All Units shall be used for residential purposes only. All rentals (if permitted) are subject to local zoning ordinances and must comply with the requirements contained in the By-Laws under Article XIV. See Article XI, Section 2 for Leasing Requirements. Notwithstanding the foregoing, Declarant intends to, and shall be permitted to maintain a sales office on the Phase I Property and/or the Phase II Property after all of the Units are sold in the Phase I Condominium.

Section 3. Unit Owners of a Unit, members of their families, their employees, guests and their pets shall not use or permit the use of the premises in any manner which would be illegal or disturbing or a nuisance to other Unit Owners, or in such a way as to be injurious to the reputation of the Condominium.

(b) All the repairs to internal installations of the Unit located in and servicing only that Unit, such as telephones and sanitary installations shall be at the Unit Owner's expense.

Section 7. No Unit Owner may make any alterations to any part of the Common Elements nor may any structure or other improvement (including landscaping) be built or placed on any portion of the Common Elements or Limited Common Elements without the written consent of the Board of Managers. No Unit Owner shall make any structural addition, alteration or improvement (of either a temporary or permanent nature) in or to his Unit, or any Limited Common Element, without the prior written approval of the Board of Managers. The Board shall have the obligation to answer any written request by a Unit Owner for approval of a proposed structural addition, alteration or improvement in such Unit Owner's Unit within sixty (60) days after such request is received, and failure to do so within the stipulated time shall constitute an approval by the Board of Managers of the proposed addition, alteration or improvement.

No Unit Owner will make any structural addition, alteration or improvement in or to any Unit or any Limited Common Element without first (1) obtaining and maintaining during the course of such work such insurance as the Board of Managers may reasonably prescribe and providing the Board with a certificate of insurance prior to the commencement of the work, (2) executing and delivering to the Board of Managers an agreement, in form and substance reasonably satisfactory to the Board of Managers, setting forth the reasonable terms and conditions under which such alteration, addition or improvement may be made, including, without limitation, the days and hours during which any such work may be done, (3) executing and delivering to the Board of Managers an agreement indemnifying and holding harmless the Board, its members and officers, and all Unit Owners of the Condominium from and against any liability, cost or expense arising out of or connected to such work and (4) obtaining all approvals, as necessary, from the Village of North Hills, the Town of North Hempstead or any other

governmental agency.

In the event the Board of Managers chooses to have the proposed addition, alteration or improvement reviewed by an independent architect or engineer, the Unit Owner shall pay the charges of such architect or engineer. The Unit Owner shall also bear the cost of any increased taxes or insurance premiums resulting from his alterations, additions or improvements.

Any application to any department of Nassau County, the Village of North Hills, the Town of North Hempstead or any other governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be completed by the Unit Owner and executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

These provisions shall not apply to Units owned by the Declarant or its designee

Notwithstanding the foregoing, until a Permanent Certificate of Occupancy for the building in which the Unit is located has been obtained, no Unit Owner may perform work or cause work to be performed in the Unit Owner's Unit without Declarant's prior written consent, which consent may be granted or withheld in Declarant's sole and absolute discretion.

In special locations, such as a corner abutting a parapet wall, plantings may be contained in masonry or hollow tile walls which shall be at least three inches from the parapet and flashing, with the floor of drainage tiles and suitable weep holes at the sides to draw off water. Such masonry planting beds shall not, however, rest directly upon the surface of such terrace or balcony, but shall stand on supports of at least two inches above such surface. It shall be the responsibility of the Unit Owner to maintain

Section 37. Any costs incurred by the Board of Managers to remedy or cure any violation of these By-Laws, the Rules and Regulations as herein or hereafter established, shall be an additional common expense charged to the violator in addition to the One Hundred Dollar (\$100) fine(s) levied upon the violator. Fines may be levied against a Unit Owner's tenant, and the Unit Owner shall be jointly and severally liable with his or her tenant for the payment of same.

The Board has the authority to promulgate rules regarding use of and access to the Storage Bins. Neither the Sponsor nor the Board will be responsible for any damage to items placed in Storage Bins. Unit Owners who place items in Storage Bins do so at their own risk.

This Article VIII shall not apply to the Declarant unless required: (a) to comply with applicable laws or regulations, or (b) to remedy any notice of violation.

ARTICLE IX: DEFAULT

In the event a Unit Owner does not pay any sums, charges or Assessments required to be paid when due, as determined by the Board of Managers, the Board of Managers, acting in behalf of the Board shall notify the Unit Owner and the mortgagee, if any, of such Unit. If such sum, charge or Assessment shall remain unpaid for ninety (90) days after the giving of such notice, the Board may foreclose the lien encumbering the Unit as a result of the non-payment of the required monies as set forth in the Declaration (subject to the lien of any first mortgage), in the same manner as the foreclosure of a mortgage. In the event the Owner of a Unit does not pay the Common Charge Assessment required to be paid by him on its due date, the Board of Managers may collect said fees and take such action as is provided in the By-Laws and said Unit Owner shall be liable for the Condominium's reasonable costs and reasonable attorney's fee incurred by it incident to the collection or enforcement of such lien.

Section 1. Creation of the Lien and Personal Obligation. Each of Phase I Developer and Phase II Developer, for each Unsold Unit then subject to the Declaration owned by it within the Community, hereby covenants, and each Unit Owner of any Unit by acceptance of a deed for such Unit, whether or not it shall be expressed in any such deed or other conveyance, shall be deemed to covenant and agree, to pay to the Association such Common Maintenance Charges as hereinafter provided. All sums assessed by the Association but unpaid, together with such interest thereon and the cost of collection thereof as is hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property owned by such Unit Owner against which each such Common Maintenance Charges is made. Each such Assessment, together with interest thereon and cost of collection thereof, as hereinafter provided shall be a personal obligation of the person who was the Unit Owner of such property at the time when the Common Maintenance Charges fell due.

Section 2. Purpose of the Assessment. The Common Maintenance Charges levied by the Association shall be used exclusively for the purpose of maintaining the Association Common Areas and those common elements of the Condominiums lying outside the Condominium building perimeters, including, without limitation, landscaping, signage and sidewalks, in accordance with the Declaration and to provide related services and for the improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Association Common Areas, including, without limiting the foregoing, the payment of taxes on the Association Common Areas (if any), insurance on the Association Common Areas, all roadways, walkways and parking areas located within the Community, snow removal except for snow removal from any terrace or balcony appurtenant to a Unit.

Section 3. Common Maintenance Charges. The Board of Directors shall, from time to time, but at least annually, fix and determine the budget representing the sum or sums necessary and adequate for the continued operation of the Association and shall send a copy of the budget and any supplement to the budget to each Unit Owner prior to assessing the Unit Owners with respect to Common Maintenance Charges. The Board of Directors shall determine the total amount required, including operational items such as insurance, repairs, reserves, maintenance and other operating expenses, as well as charges to cover any deficits from prior years and capital improvements approved by the Board of Directors. The total annual requirements and any supplemental requirements shall be allocated among, assessed to and paid by the Unit Owners as follows:

- a. After the closing of title of the first unit in a Condominium, each Unit Owner in such Condominium shall pay an equal portion of the Common

Maintenance Charges. Phase I Developer's and Phase II Developer's respective obligations for the Common Maintenance Charges on Unsold Units will be limited to the difference between the actual operating costs of the Association, including reserves, for the Association Common Areas, and the Common Maintenance Charges levied on the Unit Owners who have closed title on their Units ("Deficiency Contribution"). Phase II Developer shall not be required to contribute toward Common Maintenance Charges until there has been the closing of a sale of a Unit at Phase II Condominium, unless, the Association is separately assessed for real property taxes, and in such case, Phase II Developer shall contribute toward said real property taxes. The above notwithstanding, Phase II Developer shall be required to contribute toward the Association's annual expenses incurred for security and insurance premiums.

b. Such Common Maintenance Charges paid by said Unit Owners are to be based on a full occupancy budget of all Units and Unsold Units, constructed or not yet constructed, then subject to the Declaration. In no event, however, will Phase I Developer or Phase II Developer be required to make a Deficiency Contribution in an amount greater than it would otherwise be liable for if it were paying full Common Maintenance Charges on Unsold Units for the Unsold Units, constructed or not yet constructed, then subject to the Declaration. In the event the Common Maintenance Charges exceed the amount contributed by the Unit Owners who have closed title plus the maximum amount that Phase I Developer and Phase II Developer are obligated to contribute, the additional Common Maintenance Charges are to be pro-rated equally among the Unit Owners who have closed title and the Unsold Units still owned by Phase I Developer and Phase II Developer. The amount of any deficiency obligation on the part of Phase I Developer and/or Phase II Developer shall not include uncollected Common Maintenance Charges from Unit Owners. Surplus funds in the Association budget from prior years, except Reserve Funds, shall first be applied against any Deficiency Contribution of. The funding of any Reserve Fund is to commence upon the completion of the item for which the Reserve Fund is to be established. The sum due to the Association from each individual Unit Owner shall constitute a Common Maintenance Charge of the Board of Directors and unpaid Common Maintenance Charges shall constitute liens on the individual Units and the personal obligation of the Unit Owner, subject to foreclosure as hereinafter provided.

Section 4. Due Dates; Duties of the Board of Directors. All Common Maintenance Charges shall be payable monthly in advance as ordered by the Board of Directors. The Board of Directors shall fix the date of commencement and the amount of the Common Maintenance Charges against each Unit and shall prepare a roster of the Units and Common Maintenance Charges applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Unit Owner. Upon the written request of a Unit Owner or its mortgagee, the Board of Directors shall promptly furnish such Unit

Owner or its Mortgagee with a written statement of the unpaid Common Maintenance Charges due from such Unit Owner.

Section 5. Effect of Non-Payment of Assessment. The Personal Obligation of the Unit Owner; The Lien, Remedies of the Association. If a Common Maintenance Charge is not paid on the date when due, as fixed by the Board of Directors, then such Common Maintenance Charge shall become delinquent and shall, together with such late charges and interest thereon and cost of collection thereof as hereinafter provided thereupon, become a continuing lien on the Unit Owner's Unit and binding upon his or her heirs, devisees, personal representatives and assigns. Such lien shall be prior to all other liens except: (a) tax or Assessment liens on the Unit by the taxing subdivision of any governmental authority, including but not limited to State, County, Village and School District taxing agencies; (b) all sums unpaid on any first mortgage of record encumbering the Unit; and (c) all unpaid Common Charges of the Unit Owner to the Unit Owner's Condominium. The personal obligation of the Unit Owner who was the owner of the Unit when the Common Maintenance Charges fell due to pay such Common Maintenance Charges, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

Section 6. Late Charges and Interest. In the event any Unit Owner fails to make payment of a Common Maintenance Charge, the Unit Owner who owns such Unit shall be obligated to pay (a) a "late charge" of \$150.00 for such amounts which remain unpaid for more than fifteen (15) days from their due date (although nothing herein shall be deemed to extend the period within which such amounts are to be paid) and (b) interest at the rate of 2% per month (but in no event in excess of the maximum rate permitted by law) on such unpaid amounts (less any "late charges" theretofore collected on such amounts) computed from the due date thereof, and (c) all expenses, including, without limitation, attorney's fees paid or incurred by the Board or by any Manager in any proceeding brought to collect such unpaid Common Maintenance Charge or in an action to foreclose the lien on such Unit Owner's Unit arising from said unpaid Common Maintenance Charge in the manner permitted by applicable law. All such "late charges", interest and expenses shall be added to and shall constitute Common Maintenance Charges payable by such Unit Owner. The Board of Directors (on behalf of the Unit Owners) shall have the right to bring an action to foreclose a lien on a Unit in the event the Unit Owner is in default in the payment of Common Maintenance Charges. A suit to recover a money judgment for unpaid Common Maintenance Charges shall also be maintainable, at the option of the Board of Directors, without foregoing or waiving the lien securing such charges. In the event of a foreclosure sale of a Unit by the mortgagee of a Unit or by the Board of Directors of its lien on any Unit for unpaid Common Maintenance Charges, if the net proceeds of the foreclosure sale (after deduction of all legal fees, advertising costs, brokerage commissions and other costs and expenses incurred therewith) shall be insufficient for the

payment of such unpaid Common Maintenance Charges, or if a Unit is acquired by a mortgagee or Purchaser in foreclosure, the owner of such Unit prior to foreclosure sale shall remain liable for the payment of all unpaid Common Maintenance Charges which accrued prior to such sale.

ARTICLE VII. ARCHITECTURAL CONTROL.

No building, terrace, balcony, fence, sign, statuary, wall or other structure, or change or alteration to the exterior of the building or the Unit or color of the Units or in the landscaping shall be commenced, erected, replaced, repaired or maintained, nor shall any exterior addition to, or change or alteration thereto, be made until the plans and specifications showing the nature, kind, shape, height, materials, color and locations of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors or by an architectural or landscaping committee composed of three or more representatives appointed by the Board of Directors as detailed in the Association By-Laws. In the event that the Board of Directors or its designated committee fails to approve or disapprove such design and location within sixty (60) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. The provisions of this Paragraph shall not apply to either Phase I Developer or Phase II Developer.

If the insurance proceeds are less than sufficient to cover, or exceed, the cost of repairs and restoration, the deficit or surplus, as the case may be, will be borne equally by all Unit Owners as a Common Maintenance Charge or shared equally by all Unit Owners, except that the amount of any surplus payable to any Member pursuant to this Section 2 shall be lessened by the amount of any unpaid Common Maintenance Charge against such Unit Owner.

Any subsequent Purchaser from the first mortgage lender is subject to all the terms of Article XIV.

Section 5. Non- Applicability to Developer. The terms of Section 2 of this Article XIV shall not be applicable to (a) Phase I Developer, or Phase I Lender if Phase I Lender takes title to the Phase I Property then owned by Phase I Owner or (b) Phase II Developer, or Phase II Lender if Phase II Lender takes title to the Phase II Property then owned by Phase II Owner as the case may be.

necessarily incurred as a result of such action or proceeding, or any appeal therein, if such Director or Officer acted in good faith, for a purpose which he reasonably believed to be in the best interests of the Association and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his or her conduct was unlawful.

Section 2. Indemnification of Employees and Agents. The Association may, to the extent authorized from time to time by the Board or by a duly organized committee of the Board, provide indemnification to employees or agents of the Association who are not Officers or Directors of the Association with such scope and effect as determined by the Board, or such committee.

Section 3. Indemnification of Others. The Association may indemnify any person to whom the Association is permitted by applicable law to provide indemnification or the advancement of expenses, whether pursuant to rights granted pursuant to, or provided by, the New York Not-For-Profit Corporation Law or other rights created by (i) a resolution of the Members, (ii) a resolution of Directors, or (iii) an agreement providing for such indemnification, it being expressly intended that these By-Laws authorize the creation of other rights in any such manner.

I have been involved in Condominium consulting work for Sponsor/developers since June 1985. In addition to preparing certifications of budgets for submission to the New York State Department of Law, I have been actively involved in the day to day management as a consultant with the Sponsors until such times as management was turned over to the Unit Owners of more than fifty (50) condominium developments in the metropolitan area since 1985.

I have reviewed the Schedule(s) and investigated the facts set forth in the Schedule(s) and the facts underlying it with due diligence in order to form a basis for this certification. I also have relied on my experience in managing residential buildings.

I certify that the projections in Schedules B and B-1 appear reasonable and adequate under existing circumstances, and the projected income appears to be sufficient to meet the anticipated operating expenses for the projected first year of Condominium operation.

I certify that the Schedule(s):

(ii) affords potential investors, Purchasers and participants an adequate basis upon which to found their judgment concerning the first year of Condominium and Homeowner's Association operation;

(iii) does not omit any material fact;

(iv) does not contain any untrue statement of a material fact;

(v) does not contain any fraud, deception, concealment, or suppression;

3.3 SPONSOR shall not object to the release of the escrowed funds to (a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an amendment to the Plan or (b) all Purchasers after an amendment abandoning the Plan is accepted for filing by the Department of Law.

3.4 If there is no written agreement between the parties to release the escrowed funds, ESCROW AGENT shall not pay the funds to SPONSOR until ESCROW AGENT has given Purchaser written notice of not fewer than ten (10) business days. 3.2.4 Termination of CC&Rs. In the event that any of the CC&Rs expire or are earlier terminated for any reason, and such expiration or early termination could (in

the opinion of Manager) materially interfere with Manager's ability to perform its duties and obligations or materially impair its rights and powers hereunder, then Manager may, at Manager's option, terminate this Agreement, such termination to be effective as of thirty (30) days after the date of delivery of a written notice of termination given by Manager to the Condominium and to the Homeowners Association, or such later date as Manager may specify in such notice.

The Management Fees and the costs and expenses incurred by Manager in the performance of the Management Services shall be deemed Common Expenses of the Condominium and Common Expenses of the Homeowners Association, provided the same are incurred by Manager consistent with the applicable Budgets or as otherwise permitted by this Agreement. Manager may hire and employ vendors and outside contractors to perform services related to any audit of the finances of the Condominium and the Homeowners Association and the filing of tax returns and related documents with appropriate governmental authorities, the cost thereof being a reimbursable cost to Manager (subject to the Budget, and otherwise in accordance with this Agreement) and allocated to the Homeowners Association and the Condominium, as appropriate.

4.1 Financial Services. Manager shall provide the following services of a financial nature, consistent with the Condominium Budget and the Homeowners Association Budget, at the expense of the Condominium and the Homeowners Association:

4.1.1 Budgets

(a) For each Fiscal Year during the Term, Manager shall, during the ninety (90) day period prior to the commencement of such Fiscal Year (or earlier, if required by the Condominium Instruments or the Homeowners Association Instruments) (i) prepare and submit to the Board of Managers Condominium a proposed Condominium Budget, and (ii) prepare and submit to the Homeowners Association a proposed Homeowners Association Budget, in each case for such Fiscal Year satisfying the requirements of the Condominium Instruments, the Condominium Act, the New York Codes, Rules and Regulations, and the Homeowners Association Instruments, including budgetary line items for the Condominium's costs and expenses arising under the CC&Rs and for the Reserve Account, the Homeowners Association's costs and expenses arising under the CC&Rs and for the Reserve Account, and an amount for Working Capital for the Condominium (equal to Five Hundred Dollars (\$500) per condominium unit) and the Homeowners Association (equal to One Thousand Dollars (\$1,000) per condominium unit), as applicable; provided that the Budgets for the first Fiscal Year shall be prepared by Manager on the basis of the Preliminary Budgets, updated to reflect the final configuration of the Units, the Common Elements and other components of the Condominium and the Homeowners Association, and also modified as may be necessary or appropriate in order for Manager to perform Management Services in light of the Board of Managers and Board of Directors' anticipated needs as of the Commencement Date. The proposed Budgets shall reflect all ratable and special allocations of Common Expenses among the Unit Owners (including special allocations for Limited Common Elements) that are authorized or required under the Condominium Instruments, the Condominium Act and the Homeowners Association Instruments, as applicable. The Board of Managers shall Approve the Condominium Budget in a duly called meeting (acting in accordance with the Condominium Instruments and the Condominium Act. The Board of Directors shall Approve the Homeowners Association Budget in a duly called meeting (acting in accordance with the Homeowners Association Instruments). Once a Budget has been Approved by the Board of Managers and the Board of Directors, as applicable, such Budgets shall form the basis for which all expenditures for the Condominium and the Homeowners Association shall be made for such fiscal year. In the event Manager anticipates a need to make additional expenditures, Manager shall discuss such needs with the Board of Managers and/or the Board of Directors, as the case may be, and shall jointly consider the need for revisions to the Approved Budgets. In that regard, Manager shall continuously monitor the Budgets, and should Manager find it necessary to revise the Budgets during the course of the Fiscal Year, whether due to a change in the real estate market, operations, unforeseen capital requirements or for any other reason, Manager will be required to promptly submit such revisions for the balance of the Fiscal Year to the Board of Managers and/or the Board of Directors, as the case may be, setting forth in writing the reasons for such revisions and/or the measures to be taken to correct such variance. Manager shall distribute or cause to be distributed a copy of the Budgets to all Unit Owners, in accordance with the Condominium Instruments, the Condominium Act, the New York Codes, Rules and Regulations, and the Homeowners Association, and shall notify each Unit Owner of the Condominium's

regular Assessment ("Common Charges"), Special Assessments (as defined in Section 4.1.2 below) and the Maintenance Charges of the Homeowners Association arising under the Budgets.

(b) If the Board of Managers or the Board of Directors and Manager are unable to agree on the Budgets prior to the commencement of any Fiscal Year or as to any revision of the Budget, and until an agreement is reached (or referred to the Expert, in the event of a disagreement between the Board of Managers or the Board of Directors and Manager), the Condominium or the Homeowners Association shall be operated on the basis of the provisions of the proposed Budgets then in effect which have been Approved by the Board of Managers or the Board of Directors, and as to other portions of the proposed Budgets which have not been Approved, on the basis of the actual expenditures for the prior Fiscal Year, with the following modifications (each of which shall be deemed to be an Approved modification to the last Approved Budgets):

(i) Manager shall have the right to expend for Common Expenses amounts which are increased by the CPI (or such comparable index as may be utilized in substitution for or as successor to the stated index), but not in excess of ten percent (10%) of the budgeted amount previously adopted, compounded per Fiscal Year since the Fiscal Year of the last applicable Approved Budgets (provided, however, that there shall be no limit on expenditures made to correct conditions which could reasonably result in a threat to the health or safety of the Unit Owners, their Permitted Users or a significant risk of damage to the Condominium or to the Homeowners Association).

(ii) Manager shall have the right to expend such amounts for taxes, insurance and utilities as are actually required to operate the Condominium and the Homeowners Association and otherwise required by the terms hereof.

(iii) Manager shall have the right to expend from the Reserve Account up to the entire amount to be dedicated to Reserve Account Obligations during such ensuing Fiscal Year as it reasonably deems necessary or appropriate to cause the Condominium Buildings and the Common Elements (including Furniture and Equipment therein) to comply with Ritz-Carlton Standards.

(iv) Manager shall have the right to expend the amount for employee wages and benefits that are contained in the proposed Budgets (or proposed revision thereof) submitted for such Fiscal Year.

(v) Manager shall have the right to expend such amounts in the proposed Budgets over which there is no disagreement between the Board of Managers and/or the Board of Directors and Manager.

(vi) Manager shall have the right to make allocations of Common Expenses based upon its good faith interpretation of the requirements of the

Condominium Instruments, the Homeowners Association Instruments and the Condominium Act.

(c) Upon any disagreement over the proposed Budgets (or proposed revision thereof) with respect to any Fiscal Year, any of the Board of Managers, the Board of Directors or Manager shall have the right to refer the matter to an Expert. The Expert shall make a non-binding recommendation (which recommendation shall be in writing) as to the appropriate Budgets necessary to maintain the Ritz-Carlton Standards for the Fiscal Year in dispute. The Expert's fees and expenses shall be shared (a) fifty percent (50%) by Manager, and (b) (i) fifty percent (50%) by the Condominium involved in such dispute, or (ii) fifty percent (50%) if the dispute involves the Homeowners Association. In the event that the parties do not accept the Expert's recommendation or otherwise fail to resolve their disagreement over the proposed Budget, then Manager shall have the right to terminate this Agreement pursuant to Section 3.2.10 within the time period specified therein; provided that Manager has the right to terminate only as long as the amount in dispute in the Budget is material.

(d) With respect to the first Fiscal Year, promptly following Manager's receipt and approval of Approved Plans reflecting the final configuration of the Units and the Common Elements (no later than the Commencement Date), Manager shall submit the respective Budgets to the Board of Managers and the Board of Directors; and the Board of Managers and the Board of Directors agree to respond to such Budgets within ten (10) days thereafter, either Approving said Budgets or specifying where revisions are required. Manager shall consider the Board of Managers and/or the Board of Directors revisions in good faith, but shall not be required to incorporate the Board of Managers and/or the Board of Directors revisions if Manager believes they would be detrimental to operating the Condominium and/or Homeowners Association in accordance with the Ritz-Carlton Standards or otherwise as required under this Agreement. If not Approved, the parties shall each thereafter cooperate to address the Board of Managers and the Board of Directors objections, but if no agreement is reached within ten (10) days after the Board of Managers and the Board of Directors of the Homeowners Association initial response, the matters in dispute shall be referred to the Expert. Pending resolution of the Board of Managers and the Board of Directors objections, Manager shall have the right to expend amounts as proposed in its Budgets submitted to the Board of Managers and the Board of Directors pursuant to this paragraph. Once the Budgets for such period have been Approved by the Board of Managers and the Board of Directors, they shall form the basis for which all expenditures for the Condominium and Homeowners Association shall be made, subject to modification as contemplated by clause (i) through (vi) of this Section 4.1.1(b).

4.1.2 Special Assessments for Common Elements and Association Common Areas. Manager shall be authorized to collect against the Unit Owners, in accordance with and subject to the Condominium Instruments, the Condominium Act, the New York Codes, Rules and Regulations, and the Homeowners Association Instruments, any Special Assessments (herein "Special Assessment") adopted by the Board of Managers of the Condominium or the Board of Directors of the Homeowners Association for the costs of: (a) major or extraordinary

repairs, alterations, improvements, renewals, replacements or additions to the Common Elements and Association Common Areas, including those (i) necessary to comply with any Applicable Law, regulation, or order, (ii) necessary for the continued safe and orderly operation of the Condominium and/or the Homeowners Association, or (iii) necessary to maintain the Common Elements and Association Common Areas to the Ritz-Carlton Standards and in compliance with the CC&Rs generally; (b) removing Hazardous Materials (and all contaminated soil and containers) discovered at any time on any portion of the Common Elements and Association Common Areas or the Condominium or the Homeowners Association, correcting the violation of any Environmental Law pertaining to the Common Elements and Association Common Areas, and taking all other necessary steps to remedy any such problem in accordance with all Environmental Laws; (c) repairing, rebuilding or replacing the Common Elements and Association Common Areas, as a result of a fire, casualty, or any other similar cause, whether or not covered by insurance proceeds, to the extent such repairing, rebuilding and/or replacing is required by, or has been Approved by the Board of Directors and/or the Board of Managers in accordance with, the Condominium Instruments and/or the Homeowners Association Instruments; or (d) altering, repairing, rebuilding, or replacing the Common Elements and Association Common Areas in the event of a complete or partial taking in any eminent domain, condemnation, compulsory acquisition or like proceeding of any competent authority, whether or not covered by the proceeds of such action or proceeding due and payable to the Condominium and the Homeowners Association, to the extent such repairing, rebuilding and/or replacing is required by, or has been Approved by the Board of Managers or the Board of Directors, in accordance with the Condominium Instruments or the Homeowners Association Instruments. Special Assessments shall be deemed additional Common Charges under the Condominium Instruments and Maintenance Charges under the Homeowners Association Instruments. The costs of collection shall be a Common Expense of (as applicable) the Condominium or Homeowners Association, subject to its right of reimbursement against the Unit Owner(s) in accordance with the Condominium Instruments and/or the Homeowners Association Instruments.

4.1.3 Special Charges. Manager shall be authorized, subject to Approval of the Board of Managers and the Board of Directors to collect a special charge (herein, "Special Charge") against any Unit Owner, as and to the extent permitted in the Condominium Instruments, the Condominium Act or the Homeowners Association Instruments, for (a) repair or replacement of all or any part of the Common Elements of the Condominium or Association Common Areas caused, in the opinion of the Board of Managers or the Board of Directors, as applicable, by the negligence or misuse of a Unit Owner, or his or her Permitted Users; or (b) violation of the provisions of the Condominium Instruments or Homeowners Association Instruments that require the removal of property or that increases the costs and expenses of maintenance and repair of the Condominium or the Homeowners Association by Manager, or increases in insurance rates. Special Charges shall be deemed additional Common Charges or Maintenance Charges, under the Condominium Instruments or under the Homeowners Association Instruments, as applicable. The costs of collection shall be a Common Expense of the Condominium and/or the Homeowners Association, as applicable, subject to its right of

reimbursement against the particular Unit Owner(s) who have caused the imposition of such Special Charge(s) in accordance with the Condominium Instruments and/or the Homeowners Association Instruments.

4.1.4 Collection of Assessments. Manager shall be authorized to collect from the Unit Owners, on behalf of the Board of Managers and Board of Directors, all regular Common Charges, Maintenance Charges, Special Assessments and Special Charges (including special allocations for Common Expenses with respect to Limited Common Elements) that may be due under the Condominium Instruments, the Condominium Act and/or the Homeowners Association Instruments in accordance with collection guidelines as adopted by the Board of Managers and/or the Board of Directors from time to time and the requirements or restrictions of the Condominium Instruments, the Condominium Act, the New York Codes, Rules and Regulations, and the Homeowners Association Instruments. Manager may file a lien for non-payment on behalf of the Condominium and/or the Homeowners Association against a Unit Owner should such Unit Owner fail to pay such Common Charges, Maintenance Charges, Special Assessments and Special Charges, and take such other appropriate action, either in its name as agent or in the name of the Condominium and/or the Homeowners Association. The Condominium and/or the Homeowners Association may satisfy charges of record or privileges on payment and render statements as to the current status of a Unit Owner's account. The costs of collection, to the extent not paid by a Unit Owner, shall be a Common Expense of the Condominium or the Homeowners Association, as applicable, subject to its right of reimbursement against the Unit Owner(s) in accordance with the Condominium Instruments and the Homeowners Association Instruments.

4.1.5 Bank Accounts. Manager shall establish and maintain segregated bank accounts, on behalf of the Board of Managers and Board of Directors, and shall deposit or invest funds collected from Unit Owners and all other amounts collected by Manager in connection with the performance of its duties under this Agreement in such accounts. Receipt of the foregoing funds by Manager shall not constitute income to it for income tax purposes, since these funds are received and held in a custodial capacity only. Any costs and expenses incurred to open and maintain such accounts shall be a Common Expense of the Condominium and the Homeowners Association.

4.1.6 Disbursements. Manager shall disburse from the bank accounts of the Condominium and the Homeowners Association amounts required for the payment of all Common Expenses of the Condominium and the Homeowners Association incurred consistent with the provisions of Section 4.1 or as otherwise permitted by this Agreement, the Condominium Instruments or the Homeowners Association Instruments.

4.1.7 Financial Reports. Manager shall, within ninety (90) days after the end of each Fiscal Year, or as soon thereafter as reasonably practical, prepare and distribute annual reports to the Board of Managers and Board of Directors and to each Unit Owner in accordance with the Condominium Instruments and Homeowners Association Instruments or as

required by Applicable Law. To the extent that third party consultants are necessary to produce such reports, the cost and expense thereof shall be a Common Expense of the Condominium and the Homeowners Association. Manager shall make such records available to the Condominium and the Homeowners Association's accountant without charge, in order for the accountant to prepare certified financial statements annually.

4.1.8 Books and Records. Manager shall keep and maintain, or cause to be kept and maintained, books and records for the Condominium and the Homeowners Association in accordance with generally accepted accounting principles. The books of accounts and other records for the Condominium and the Homeowners Association shall be available to the Board of Managers and Board of Directors, Unit Owners and the holders, insurers and guarantors of Mortgages pertaining to any Unit, as applicable, at all reasonable times for examination, inspection and transcription. Manager has the authority to charge a reasonable fee to cover the Condominium's and the Homeowners Association's costs to provide any transcription or reproduction of the records of the Condominium and the Homeowners Association, except that no fees shall be charged to companies or agents who have been employed or contracted to perform work for or on behalf of the Condominium or Homeowners Association. Such inspections shall be conducted without unreasonable disruption to the operations of Manager.

4.1.9 Filing of Returns. Manager shall execute and file returns and other instruments and do and perform all acts required of an employer under the Federal Insurance Contributions Act, the Federal Unemployment Tax Act, the United States Internal Revenue Code of 1986, as amended from time to time, and the Income Tax Act with respect to wages paid by the Manager, and under any similar Federal, State or Municipal law now or hereafter in force.

4.2 Administrative Services. Manager shall provide the following services of an administrative nature:

4.2.1 Board of Managers and Board of Directors Meetings. Manager shall assist in scheduling and holding the meetings of the Board of Managers and the Board of Directors, including the preparation and mailing of notices of meetings, in accordance with the provisions of the Condominium Instruments, the Condominium Act and the Homeowners Association Instruments as the case may be. Manager shall prepare the agenda for all meetings, assist in the conduct of the meetings and oversee the election of the Board of Managers and the Board of Directors. Manager shall circulate minutes of any such meeting as prepared by the secretary of the Board of Managers and the Board of Directors, in accordance with the requirements of the Condominium Instruments and Homeowners Association Instruments.

4.2.2 Condominium Records. Manager shall keep all records of the affairs of the Condominium and the Homeowners Association, including minutes of meetings, correspondence and modifications of the Condominium Instruments and the Rules and Regulations which shall at all times be the property of the Condominium and the Homeowners

Association, as the case may be. Manager shall make such records available during normal business hours, or under other reasonable arrangements, for inspection by such parties as may be authorized to inspect the same pursuant to the Condominium Instruments and the Homeowners Association Instruments. Manager may charge a reasonable fee (to cover the Condominium and the Homeowners Association's costs) for any transcription or reproduction of the records of the Condominium and the Homeowners Association. Manager shall comply with the requirements of the Condominium Act and the New York Codes, Rules and Regulations with respect to the location and availability of such records.

4.2.3 Rules and Regulations. Manager may, from time to time, suggest amendments to the Rules and Regulations, as Manager deems advisable, for the use and occupancy of the Units the Common Elements, or the Association Common Areas and will consult the Board of Managers as to the Condominium and the Board of Directors as to the Association Common Areas prior to adoption of any amendments to the Rules and Regulations proposed by others. All such amendments shall comply with applicable requirements of the Condominium Instruments, the Homeowners Instruments, the Condominium Act, and the New York Codes, Rules and Regulations. Upon request, Manager shall provide to any Unit Owner a copy of the Rules and Regulations as adopted by the Board of Managers and the Board of Directors, as applicable, and amended or modified from time to time in accordance with the Condominium Instruments and the Homeowners Instruments. Manager shall use its reasonable efforts to enforce the Rules and Regulations.

4.2.4 Roster of Unit Owners. Manager shall use reasonable efforts to maintain, in accordance with the Condominium Act, a complete and accurate roster of Unit Owners, setting forth their names and mailing addresses. Manager may furnish a copy of the roster to one or more of the Unit Owners, but only at the express written direction of the Board of Managers or the Board of Directors delivered in accordance with any applicable requirements set forth in the Condominium Instruments or the Homeowners Association Instruments. Manager shall collect from the Person(s) receiving such roster a sum equal to the cost of reproduction and the other administrative costs attendant to such reproduction.

4.2.5 Maintenance of Records. Manager shall maintain records sufficient to describe its services hereunder, including financial books and records sufficient to identify the source of all funds collected by it in its capacity as Manager, and disbursement thereof. Such records shall be kept in accordance with sound accounting practices and will be kept at the office of Manager. Any independent or external audit or other financial report required by the Board of Managers, the Board of Directors, the Condominium Instruments, the Condominium Act or the Homeowners Association Instruments shall be obtained by Manager at the direction of the Board of Managers and the Board of Directors, but shall be prepared by accountants selected by the Board of Managers and the Board of Directors. The cost thereof shall be a Common Expense of the Condominium and/or the Homeowners Association, as applicable.

4.2.6 Employment of Consultants. As a Common Expense of the Condominium or the Homeowners Association, as the case may be, Manager shall retain and employ such attorneys, accountants and other professionals and experts whose services may be reasonably required to effectively perform the Management Services, and Manager shall employ same on such basis as it deems most beneficial to the Condominium and the Homeowners Association.

4.3 Operating Services. Manager shall provide the following operating services in respect of the Condominium:

4.3.1 Licenses and Permits. Manager shall maintain, either (a) in its own name or as agent for the Board of Managers and Board of Directors, or (b) in the Condominium and the Homeowners Association's name, as may be required by the applicable authorities, all licenses and permits required to be obtained by the Condominium and the Homeowners Association and the Manager in connection with the management and operation of the Condominium and the Homeowners Association. The Board of Managers and the Board of Directors shall execute and deliver any applications and other documents and otherwise cooperate to the fullest extent with Manager in applying for, obtaining and maintaining such licenses and permits. The cost of obtaining and maintaining any of the foregoing licenses or permits, including satisfaction of any requirements therefore, shall be a Common Expense of the Condominium and the Homeowners Association, as the case may be.

4.3.2 Compliance with Laws. Manager shall use its reasonable efforts to operate the Condominium and the Homeowners Association in compliance with all applicable governmental laws, regulations, ordinances, orders and requirements, subject to the limitations set forth in Section 4.8. In addition, the Manager shall use its reasonable efforts to operate the Condominium and the Homeowners Association with respect to all Unit Owners in compliance with (a) the terms and conditions of the Condominium Instruments and the Homeowners Association Instruments, (b) the requirements of any insurance carrier insuring all or any part of the Common Elements or the Association Common Areas, (c) the CC&Rs, and (d) any third-party contracts entered into by or on behalf of the Condominium and the Homeowners Association. Manager, with the consent of the Board of Managers and the Board of Directors, shall have the right to contest any governmental law, regulation, ordinance, order and requirement, unless failure to comply promptly with any such law, regulation, ordinance, order and requirement would or might expose the Manager, the Condominium or the Homeowners Association, as the case may be, to any criminal liability or to substantial civil penalty unless the party affected thereby consents to such action. Manager shall not, however, be responsible for the compliance of the Condominium, the Homeowners Association or any equipment therein or related thereto with the requirements of any building codes or with any statutes, ordinances, laws, rules or regulations (including those relating to the existence and disposal of solid, liquid, and gaseous wastes, and toxic substance or Hazardous Materials) of governments or agencies, or any public authority or official thereof having jurisdiction over it, unless such non-compliance is directly attributable to the willful misconduct of Manager. However, Manager shall promptly

notify or forward to the Board of Managers or the Board of Directors, as the case may be, any complaints, warnings, notices or summonses received by Manager relating to any such matters. The Board of Managers and Board of Directors authorize Manager to disclose the ownership of the Condominium Units to any such officials. The Board of Managers and Board of Directors agree to indemnify, defend and hold Manager, its representatives, servants, and employees, harmless from all loss, cost, expense and liability whatsoever that may be imposed on them by reason of any present or future violation or alleged violation of such laws, ordinances, rules or regulations unless such violation was directly attributable to the willful misconduct of Manager. The cost of compliance with laws, ordinances, rules and regulations incurred by Manager shall be a Common Expense of the Condominium or the Homeowners Association, as the case may be.

4.3.3 Management Supplies. Manager shall, on behalf of and as Common Expenses of the Condominium and the Homeowners Association, buy and maintain sufficient inventories of all consumable items used in the administration or operation of the Condominium and the Homeowners Association, including cleaning materials, stationery and similar items, to the extent consistent with the Budgets.

4.3.4 Investigation of Accidents. Manager shall, on behalf of the Board of Managers and Board of Directors, investigate, or have others investigate all accidents, estimate the cost to repair any damage or destruction to the Common Elements and Association Common Areas, and make written reports to the Board of Managers and the Board of Directors as to all material claims for damages relating to the ownership, operation and maintenance of the Common Elements and Association Common Areas as such claims shall become known to Manager. Manager shall prepare all reports required by any insurance company to be filed in connection therewith, and may hire any necessary consultants pursuant to Section 4.2.6.

4.3.5 Service Contracts. Manager shall, on behalf of and as a Common Expense of the Condominium or the Homeowners Association (but only to the extent said costs and expenses are reasonably consistent with the provisions of Section 4.1.1), engage such third parties as Manager deems advisable to provide such services as may be necessary or desirable for the operation and maintenance of the Common Elements and Association Common Areas, in accordance with the terms of the Condominium Instruments or the Homeowners Association Instruments, as the case may be, and this Agreement. Manager shall administer any contracts for such services on behalf of the Board of Managers and Board of Directors. Manager shall not be precluded from executing agreements or granting concessions or licenses to itself or to any Affiliate. To the extent not prohibited by the Condominium Act, New York Codes or Rules and Regulations, entering into any contract, agreement, concession or license by Manager with itself or an Affiliate of Manager shall not be considered to be self-dealing; provided that such contract, agreement, concession or license complies with the provisions of Section 13.11. Manager shall prepare an annual summary of any service contracts with Affiliates of Manager that result in a direct economic benefit to Manager or such Affiliate which exceeds the costs of providing

services under such contract. Such summary shall be delivered at the same time as the annual financial report required under Section 4.1.7.

4.3.6 Approvals Under the Condominium Instruments. Manager shall have no authority to grant or deny any approvals required to be obtained by any Unit Owner or Member from the Condominium or the Homeowners Association, as the case may be, or the Board of Managers or the Board of Directors as applicable, under the Condominium Instruments or the Homeowners Association Instruments. Manager shall process applications for Unit Owners who apply to the Board of Managers to sell or sublet, and the fees for such services (including obtaining credit reports, if requested by the Board of Managers) will be charged to and payable by the applicable Unit Owner.

4.3.7 Compliance with Ancillary Documents. Consistent with the Budgets, and subject to the Condominium Instruments, and the Homeowners Association Instruments, as applicable, and Applicable Law, Manager shall use reasonable efforts to see that the Condominium and the Homeowners Association complies with, and enjoys all of the benefits of, all agreements affecting the Condominium and/or the Homeowners Association, as applicable, including the CC&Rs or other agreements to which the Condominium and the Homeowners Association is a party. Manager is authorized to act on behalf of the Board of Managers and Board of Directors as applicable in regard to all such agreements, subject to any applicable requirements of the Condominium Instruments and Homeowners Association Instruments. Additionally, Manager, on behalf of the Board of Managers and Board of Directors, as applicable, is authorized to act or give such approvals or consents as may be required of the Condominium and the Homeowners Association under such documents, provided that notice of such action, approval or consent, if material, shall be given to the Board of Managers and/or the Board of Directors. As and to the extent that compliance incurs costs and expenses, such costs and expenses shall be a Common Expense of the Condominium and the Homeowners Association. The cost and expense of any employees employed directly by the Condominium and the Homeowners Association shall be included as a Common Expense of the Condominium or the Homeowners Association.

4.4 Personnel

4.4.1 Employees of Manager and Others. In the performance of the Management Services, Manager shall directly employ such personnel as Manager deems reasonably necessary for delivery of the Management Services, as well as use the services of vendors and third parties to supply such personnel. Manager shall be responsible to supervise the selection, hiring, and work of such personnel, as well as the selection and hiring of vendors and third parties. Manager shall have sole discretion to hire, terminate and promote its personnel, or terminate vendors or third parties supplying personnel. Manager shall have full responsibility to supervise, direct and train all personnel, to fix their compensation (consistent with local standards for similar positions in luxury condominiums), and generally to establish and maintain all employment policies and practices, provided that Manager's employment

policies and practices shall comply with all Applicable Laws, regulations and orders of any competent government authority. The Board of Managers and the Board of Directors shall have no right to supervise or direct any personnel of or employed by Manager, and the Board of Managers and the Board of Directors agrees not to attempt to so supervise or direct. The Board of Managers and the Board of Directors and Manager shall fully cooperate with each other to implement and carry out the provisions of this Section 4.4.1. The cost and expense of all personnel directly employed by Manager shall be included as a Common Expense of the Condominium and the Homeowners Association, as applicable, and the cost and expense of such vendors and third parties shall also be included as a Common Expense of the Condominium and the Homeowners Association, as applicable.

4.4.2 Representatives of Condominium and Homeowners Association.

The Board of Managers and Board of Directors shall have the right to retain one or more Persons to serve as representative(s) of each of the Condominium and the Homeowners Association in its dealings with Manager and/or governmental agencies and public authorities; provided that no such Person shall perform any Management Services whatsoever, or otherwise interfere with Manager's rights or Manager's performance of its duties under this Agreement, without the prior written consent of Manager, which consent may be withheld in Manager's sole and absolute discretion. The cost and expense of any Persons retained by the Condominium and the Homeowners Association shall be included as a Common Expense of the Condominium and the Homeowners Association, as applicable.

4.4.3 Termination.

In the event this Agreement is terminated and Manager ceases to act as the manager of the Condominium, nothing herein shall prevent the Condominium and the Homeowners Association from extending offers of employment under Section 4.4.1 to employees of Manager whose employment is being terminated by Manager effective as of the termination of this Agreement. Manager represents that it is prepared to take all steps reasonable and appropriate pursuant to its normal transition procedures to coordinate a smooth transition in order to avoid any successor liability to Condominium and the Homeowners Association with respect to Manager's employees, including any WARN Act liability (provided Condominium and the Homeowners Association have taken all necessary steps to avoid WARN Act liability, including giving Manager sufficient advance notice of such termination).

4.5 Other Services. Manager shall provide the following additional services:

4.5.1 Inspections.

Manager shall make periodic physical inspections of the Common Elements and Association Common Areas and render reports and make recommendations to the Board of Managers and shall make periodic physical inspections of the Association Common Areas and render reports and make recommendations to the Board of Directors, concerning the Common Elements and the Association Common Areas respectively.

4.5.2 Emergencies

(a) Manager shall have the right to enter any of the Units as necessary, without prior notice, for emergency repairs to prevent damage to the Condominium Building, the Association Common Areas, any Unit or any element of the Common Elements, and for the purpose of abating any unlawful or prohibited activity; provided that, except in cases involving manifest danger to public safety or property, Manager shall make a reasonable effort to give notice to the Unit Owner of any Unit to be entered into for such purposes.

(b) In the event that Manager has actual knowledge of an emergency situation or condition in any Unit which requires emergency repairs that are authorized under clause (a) above, then Manager shall promptly contact an emergency repair technician from a list of technicians which has been Approved by the Board of Managers and the Board of Directors and shall supervise such technician's performance of the required emergency repairs; provided that Manager may select any technician on the Approved list; and provided, further, that the scope of the repairs shall be limited to making the emergency situation or condition safe.

(c) Without limiting the applicability of the indemnification provisions set forth in Section 9, the Board of Managers and Board of Directors acknowledge and agree that Manager shall have no liability or responsibility to the Condominium and the Homeowners Association or any Unit Owner or Member as a direct or indirect result of Manager's actions hereunder, for any damage or loss sustained by any of them in, to or about any property, real or personal, including any loss of use or interruption of occupancy or commercial operations in, of or on any Unit. The cost and expense of taking any such action shall be included as a Common Expense of the Condominium and the Homeowners Association, as applicable, and allocated in accordance with the Condominium Instruments and the Homeowners Association Instruments, as applicable.

4.5.3 Repair and Maintenance of Common Elements and Association Common Areas. Manager shall, as a Common Expense of the Condominium and the Homeowners Association, cause the Common Elements and Association Common Areas to be maintained, repaired, and replaced in accordance with the Condominium Instruments and Homeowners Association Instruments, as applicable, consistent with the Ritz-Carlton Standards and the provisions of the CC&Rs.

4.5.4 Insurance. Manager shall, as Common Expenses of the Condominium and the Homeowners Association, as applicable, procure and keep in force all insurance and bonds required to be procured and maintained by this Agreement as set forth in Section 12.

4.6 All Other Acts. Manager shall perform all such other and further acts and things (a) as may (in its reasonable opinion) be necessary or advisable from time to time to fulfill

the terms of this Agreement, and (b) as otherwise delegated to it or authorized by action of the Board of Managers and/or the Board of Directors or under the Condominium Instruments and Homeowners Association Instruments, as applicable.

4.7 Frequency of Services. Manager shall perform the Management Services as often as may be specified above; however, if no time frame is specified in this Section 4, then Manager shall perform the Management Services as often as it deems reasonably necessary and appropriate for the specified services, applying prudent management practices.

4.8 Ritz-Carlton Rights

4.8.1 Ownership of the Ritz-Carlton Rights. The Board of Managers and Board of Directors acknowledge that Manager and its Affiliates are the sole and exclusive owners of all rights, title and interest of every kind and nature in and to the Ritz-Carlton Rights and all the goodwill associated with the Ritz-Carlton Rights. The Board of Managers and Board of Directors further acknowledge that neither they nor any Unit Owner shall have any rights or interest whatsoever in any of the Ritz-Carlton Rights.

4.8.2 Rights to Use Ritz-Carlton Rights. So long as Manager manages the Condominium and the Homeowners Association, and this Agreement is in effect, the Condominium project may be known as "The Ritz-Carlton Residences, North Hills," or by such other name as may be approved by the Condominium and the Homeowners Association and Manager (the "Approved Name"). However, Manager and the Condominium and the Homeowners Association expressly agree that none of the Unit Owners the Condominium nor the Homeowners Association shall have any right, title or interest in or to the Ritz-Carlton Marks.

Any use of the Approved Name shall be limited to (i) signage on or about the Condominium and which may also include the Ritz-Carlton Marks, in form and style approved by Manager, in its sole discretion, and (ii) use of the Approved Name by the Condominium, the Homeowners Association, the Board of Managers, the Board of Directors, the Unit Owners to identify the address of the Condominium, the Homeowners Association or the Units. Any other use of the Approved Name or the Ritz-Carlton Marks is strictly prohibited. No use of the Approved Name or any of the Ritz-Carlton Marks whatsoever shall be permitted should this Agreement terminate for any reason. Any use of the Approved Name or any of the Ritz-Carlton Marks on signage by the Unit Owners, the Board of Managers or the Board of Directors or anyone else, which in the sole discretion of Manager is likely to cause confusion or to dilute or disparage the Ritz-Carlton Marks or the Ritz-Carlton Rights, or to harm in any manner the image or reputation of Manager or of any Affiliate, is strictly prohibited. See also Section 2.4 hereof.

4.8.3 Removal of Ritz-Carlton Rights. Within fifteen (15) days after any expiration or termination of the Term of this Agreement, the Board of Managers and Board of

Directors shall remove from the Condominium any signs or other indicia of any connection with the Ritz-Carlton Rights or the Ritz-Carlton Marks at the Condominium and the Homeowners Association's cost. Manager shall have the right to seek injunctive or other relief in a court of competent jurisdiction to enforce the foregoing provisions, and if such enforcement shall be necessary, the Homeowners Association shall bear all of Manager's costs, including attorneys' fees, of such enforcement. If the Condominium and the Homeowners Association fails to complete such action within such fifteen (15) day period, Manager shall have the right to take such action as it may consider necessary to remove from the Condominium any signs or other indicia of any connection with the Ritz-Carlton Rights or the Ritz-Carlton Marks at the Condominium and the Homeowners Association's costs and risk.

4.8.4 Survival. The provisions of this Section 4.8 and the enforceability thereof shall survive the expiration of this Agreement.

4.9 Office and Ancillary Spaces. If requested by Manager, the Condominium and the Homeowners Association will provide or make available to Manager (a) a reasonable amount of space within the Property to be used by Manager as an office or offices to assist Manager in providing the Management Services, and (b) a reasonable amount of space on each floor of the Condominium to facilitate delivery of Concierge Services as hereinafter described, so long as such space is determined at the design review phase, unless Manager requests such space at a later phase, in which case the Condominium and the Homeowners Association will make reasonable efforts to provide such space. The office space and the other ancillary spaces will be provided at no cost to Manager.

5. CONCIERGE SERVICES

Manager shall provide the Concierge Services to the Unit Owners as described below:

5.1 Base Concierge Services. For purposes of this Agreement, "Base Concierge Services" means hotel-type concierge services (such as arranging for seamstress, laundry, dry cleaning and transportation services by third party providers), valet, day porter and business center services. Manager shall provide Base Concierge Services to Unit Owners as a Common Expense; provided that all third party service charges shall be billed directly to the Unit Owner using such services. There will be no reduction in the Management Fees due to the cessation for any reason of any Base Concierge Services, so long as reasonably similar services continue to be provided.

5.2 Additional Services. Subject to the Management Services to be provided by Manager in accordance with Section 4 of this Agreement, Manager agrees to make available to each Unit Owner certain additional hotel-type services (excluding Base Concierge Services) for which no price list is established, such as housekeeping services (collectively, "Additional Services"). Each Unit Owner will pay Manager directly for all costs and expenses associated with providing and billing for the Additional Services to that Unit Owner, on a monthly basis.

Manager shall charge no profit or additional fee for Additional Services provided that Manager shall have no responsibility for costs and expenses thereof.

5.3 Valet Parking Services. Manager may provide valet parking services at the garage located in the Condominium Building to the Unit Owners, their guests, visitors and invitees. Manager shall have the right to retain a third party garage operator on behalf of the Condominium and the Homeowners Association to provide valet parking and related garage services, in accordance with Section 4.4.1. Parking services shall be provided at the Condominium and the Homeowners Association's cost as a Common Expense. The distribution and assignment of parking spaces in the garage among Unit Owners shall be determined in accordance with the Condominium Instruments.

5.4 Revision of Services/Termination of Services. Manager shall have the right to revise from time to time the Additional Services. Additionally, Manager shall have the right to terminate Additional Services to any Unit Owner that fails to pay Manager on a timely basis. Failure of any Unit Owner to pay for any Concierge Services shall not permit Manager to terminate this Agreement.

5.5 Unit Owners' Responsibility. A Unit Owner shall be directly liable to Manager for payment for Additional Services provided to that Unit Owner, or such Unit Owner's Permitted Users. Nothing in this Agreement, in the Condominium Instruments or Homeowners Association Instruments is intended to prevent or shall be used by the Condominium or Homeowners Association to prevent Manager from seeking direct recovery from any delinquent Unit Owner. Manager shall not be obligated to provide Additional Services to any Unit Owner that fails to pay accrued charges for such services or otherwise abuses the use of those services. Any such charges which are not timely paid by a Unit Owner shall be included as a Common Expense of the Homeowners Association or Condominium, subject to the Homeowners Association or Condominium's right under the Homeowners Association Instruments or Condominium Instruments, as the case may be, to seek reimbursement from the Unit Owner.

5.6 Commencement of Concierge Services. In no event shall Manager be required to provide any of the Concierge Services described in this Section 5 prior to the Commencement Date.

6. FEES; ADVANCES; RESERVE ACCOUNTS

6.1 Management Fees. In consideration of Manager providing the Management Services and Concierge Services (as provided for under this Agreement), Manager shall be entitled to receive from the Condominium and the Homeowners Association and the Condominium and the Homeowners Association shall be obligated to pay to Manager Management Fees (the "Management Fees") with regard to each Unit, including any Unit owned by the Developer or any other Affiliate of Midtown North Hills LLC.

(a) The Management Fees for the Condominium shall be Three Hundred Dollars (\$300) per Unit per annum and the Management Fees for the Homeowners Association shall be One Thousand Two Hundred Dollars (\$1,200) per Unit subject to escalation in accordance with Section 6.1(b). No consolidation of Units following the Commencement Date, whether pursuant to the Condominium Instruments, Homeowners Association Instruments or otherwise, shall serve to relieve the Condominium and/or the Homeowners Association from responsibility for payment of Management Fees for each Unit. By example, if two Units are combined and treated as a single Unit by a Unit Owner subsequent to the Commencement Date, the Condominium and the Homeowners Association shall still be responsible to pay to the Manager two Management Fees for the consolidated Unit of two prior Units.

(b) Beginning with the Fiscal Year commencing on the first January 1 following the Commencement Date, the aggregate amount of the Management Fees shall be adjusted and increased annually by the CPI (or such comparable index as may be utilized in substitution for or as successor to the stated index); provided that for each of the Fiscal Years thereafter, the amount of any increase for such Fiscal Year shall not exceed five percent (5%) of the aggregate amount of the Management Fees for the immediately preceding Fiscal Year. Any annual adjustment to the aggregate amount of the Management Fees shall take effect on the first day of the Fiscal Year.

(c) One twelfth (8.3333%) of the annual Management Fees shall be paid monthly, in advance, on or before the first day of each calendar month during the Fiscal Year. The first payment of the Management Fees under this Agreement shall be due and owing and shall be paid to Manager on the Commencement Date; provided that if the Commencement Date is on a date other than the first day of a calendar month, then the amount of this first payment shall be prorated to reflect payment for less than a full calendar month. There will be no reduction in the Management Fees due to the cessation for any reason of any Base Concierge Services; and the Board of Managers and Board of Directors shall be solely responsible for supplying at its sole cost and expense any substitute services desired by the Condominium and the Homeowners Association and the Unit Owners, including any related equipment.

6.2 Advances and Reimbursements. All costs and expenses incurred by Manager in providing the Management Services shall be reimbursed to Manager by the Condominium and the Homeowners Association, as applicable, no later than the tenth (10th) day of the month following the month in which such costs and expenses were incurred and billed, provided the same are consistent with the Budget. Manager may reimburse itself for such costs and expenses from the Condominium and the Homeowners Association's funds, as applicable, maintained in any of its bank accounts, other than a Reserve Account. Manager shall not be required to perform any act or duty under this Agreement involving an expenditure of money unless there shall be sufficient funds therefore in the bank accounts of the Condominium and the Homeowners Association. If at any time the funds in the bank accounts of the Condominium and the Homeowners Association are not sufficient to pay the Common Expenses incident to this Agreement, Manager shall have the right, but not the obligation, to advance such sums as it

deems necessary. In case of such advancement, Manager shall be entitled to reimburse itself from the Condominium and/or the Homeowners Association funds for the amount of the advances, together with interest thereon at the Interest Rate from the date of the advance by Manager. Nothing in this Agreement shall require Manager to expend any of its own funds (including its remuneration and expenses payable hereunder) for any matter herein or otherwise in respect of the Condominium or the Homeowners Association. Manager shall not commingle the monies of Condominium One, Condominium Two and the Homeowners Association and Manager shall not reimburse itself from Condominium accounts for the obligations of Homeowners Association operations.

6.3 Reserve Account. Pursuant to the Condominium Instruments and the Homeowners Association Instruments, the Condominium and the Homeowners Association are required to establish one or more monetary reserve accounts (a "Reserve Account") for repairs, replacements and purchases of Common Elements and Association Common Areas and other obligations in accordance with the Condominium Instruments and the Homeowners Association Instruments (including the Board of Managers and Board of Directors' obligations under the CC&Rs), the cost of which is normally capitalized under generally accepted accounting procedures ("Reserve Account Obligations"). Manager shall establish in the Condominium One, Condominium Two and/or Homeowners Association's name one or more Reserve Accounts, each as a separate interest-bearing bank account for those reserves specified in the Budget required by the Condominium Instruments and Homeowners Association Instruments, in a bank designated by the Condominium and/or the Homeowners Association and Approved by Manager. The Reserve Account shall only be available for use by Manager to cover the cost of Reserve Account Obligations. Subject to timely receipt of all assessments, Manager shall timely deposit into the Reserve Account the amount required under the Budget to be set aside for the Reserve Account.

6.3.1 Sales Proceeds. The proceeds from the sale of Furniture and Equipment no longer needed for the operation of the Common Elements or the Association Common Areas shall be deposited into the Reserve Account. At the end of each Fiscal Year, any amounts remaining in the Reserve Account shall be carried forward to the next Fiscal Year and shall be in addition to the amount to be deposited in the Reserve Account in the next Fiscal Year.

6.3.2 Proceeds Shortfall. If the contributions for the Reserve Account provided for in this Section 6.3 prove insufficient to cover Reserve Account Obligations, the Condominium and/or the Homeowners Association shall provide the additional required funds.

7. ENFORCEMENT RIGHTS

7.1 Charges. Manager is authorized to take all action on behalf of the Condominium and the Homeowners Association, consistent with Applicable Law, including the Condominium Act, the Condominium Instruments, the New York Codes, Rules and Regulations, and the Homeowners Association Instruments, to bill and enforce collection of Common

Charges, Maintenance Charges, Special Assessments and Special Charges from Unit Owners may file a lien on behalf of the Condominium or the Homeowners Association against a Unit should the Unit Owner of that Unit or Member fail to pay Common Charges, Maintenance Charges, Special Assessments or Special Charges, and take such other appropriate action for purposes of collection, in the name of the Condominium and the Homeowners Association. Manager may satisfy any such liens on payment and render statements as to the current status of a Unit Owner's account. Any Special Assessments and Charges against a Unit Owner shall be limited to the Unit owned by the defaulting Unit Owner and shall not be filed so as to encumber the Unit owned by any non-defaulting Unit Owner. The Condominium or the Homeowners Association, as the case may be, shall aid and assist Manager in any reasonable manner requested by Manager in the collection of Common Charges, Maintenance Charges, Special Assessments and Special Charges.

7.2 Conditions to Manager's Obligations. Manager's obligations under this Agreement shall be subject to: (a) the execution and delivery by the parties thereto, and filing and recordation in all appropriate places of official record, of the Condominium Instruments, the Homeowners Association Instruments and the CC&Rs, all in form and substance reasonably satisfactory to Manager; (b) receipt by Manager at least sixty (60) days prior to the projected Commencement Date (or if not obtainable by then, as soon thereafter as legally obtainable) of all licenses, permits and other approvals and instruments necessary for the management and operation of the Condominium and the Homeowners Association and the Common Elements and Association Common Areas; (c) the representations and warranties made by the Board of Managers and Board of Directors in Section 10 shall be complete, accurate and valid; and (d) the execution of this Agreement by the Developer on behalf of the Board of Managers and Board of Directors and Manager and their assumption hereof. Upon request, Manager will advise the Board of Managers and Board of Directors as to the status of the foregoing conditions from time to time prior to the Commencement Date.

8. REMEDIES

8.1 Remedies. Upon the occurrence of an Event of Default by the Condominium and the Homeowners Association, Manager may, in addition to any other remedy given it by agreement or in law or in equity, bring an action against the Condominium or the Homeowners Association, as applicable, for damages (excluding consequential and punitive damages), specific performance, injunctive relief and/or such other rights and remedies as it may have. All of such rights of Manager on default shall be cumulative, and the exercise of one or more remedies shall not be deemed to exclude or constitute a waiver of any other or additional remedy. Termination of this Agreement for any reason shall not affect the Condominium and/or the Homeowners Association's obligations (including the payment of the Management Fees and all costs and expenses incurred by Manager in the performance of the Management Services as provided in Section 4), that have accrued as of the date of termination, and those obligations which, from the context hereof, are intended to survive termination of this Agreement. Without

limiting the foregoing, the provisions of Section 4.3.2, Section 4.8, 9, Section 13.16 and Section 13.17 shall survive the termination of this Agreement.

9. **INDEMNIFICATION**

9.1 **Indemnity.** The Board of Managers and Board of Directors, as applicable, agree that they shall defend, indemnify and hold harmless Manager from and against any and all costs, damages, claims, liabilities and expenses (including reasonable attorney's fees) arising from any claim by any Person relating to the Condominium, the Homeowners Association or any part thereof (including the Condominium, any Unit and the Common Elements and Association Common Areas), or directly or indirectly arising out of any defect or alleged defect in design or construction, or any death, injury to person, or property damage occurring on or about the Condominium, the Homeowners Association or any part thereof, or the conduct or operation of the Condominium or the performance of Manager's duties or services hereunder and the same is not directly attributable to willful misconduct or fraud of Manager. If any proceeding shall be brought or threatened against Manager with respect to any matter for which Manager is entitled to indemnity pursuant to the preceding sentence, Manager shall promptly notify the Board of Managers and Board of Directors in writing and the Board of Managers and Board of Directors, as applicable, shall assume the defense thereof, including the employment of counsel Approved by Manager and the payment of all costs of litigation. Notwithstanding the preceding sentence, Manager shall have the right to employ its own counsel and to determine its own defense of such action in any such case, but the fees and expenses of such counsel shall be at the expense of Manager unless (i) the employment of such counsel shall have been authorized in writing by the Condominium or the Homeowners Association, as applicable, or (ii) the Condominium or the Homeowners Association, as applicable, after due notice of the action, shall not have employed counsel satisfactory to Manager to have charge of such defense, in either of which events the reasonable fees and expenses of counsel for Manager shall be borne by the Condominium and/or the Homeowners Association. The Condominium and/or the Homeowners Association shall not be liable for any settlement of any such action effected without its consent, provided that such consent is not unreasonably withheld or delayed. The provisions of Section 9.1 and Section 9.2 shall survive the termination of this Agreement.

9.2 **Limitation on Liability.** Manager assumes no liability whatsoever for (a) any acts, omissions or conduct of the Developer, Condominium the Homeowners Association, any current or Board of Directors or Board of Managers, any current or previous Unit Owners (including their Permitted Users), or any previous management of any of the foregoing Persons; (b) any failure of or default by any Unit Owner in the payment of any Assessment or other charges due to the Condominium and/or the Homeowners Association or in the performance of any obligations owed by any Unit Owner to the Condominium and the Homeowners Association; (c) violations of environmental or other regulations that may become known during the period this Agreement is in effect provided, however, such violation is not directly attributable to the willful misconduct or fraud of Manager; and (d) any and all claims or damages or injuries to persons or property by reason of any cause whatsoever, either in or about

the Condominium and/or the Association Common Areas, the Common Elements or any Unit, unless such claim results from the willful misconduct or fraud of Manager.

9.3 Standard of Care. Except for a breach by Manager of Manager's express obligations under the provisions of this Agreement, Manager shall have no liability for the performance or nonperformance of any acts by Manager or for any omissions of Manager not directly attributable to Manager's willful misconduct or fraud. Condominium and the Homeowners Association recognize that the multitude of the tasks imposed upon Manager and the complexity of some matters is such that a competent and successful performance of Manager's obligations from an overall viewpoint could be achieved, notwithstanding the fact that an employee of Manager might be negligent in the performance of one or more particular activities and accordingly, Board of Managers and Board of Directors each waives any and all claims against Manager based upon negligence or gross negligence.

9.4 Waiver. The Board of Managers and Board of Directors hereby waive and release Manager from and against any liability with respect to any representations or defects, any proper termination of any condominium agreement or Homeowners Association agreement to which Manager or any of its Affiliates is a party (including this Agreement), or any claims whatsoever, relating to the marketing, development, sale or construction of any Unit, the Common Elements and Association Common Areas, the Condominium, the Homeowners Association or any part thereof.

10. REPRESENTATIONS AND WARRANTIES OF THE CONDOMINIUM AND THE HOMEOWNERS ASSOCIATION

To induce Manager to enter into this Agreement, the Board of Managers and Board of Directors each hereby makes the following representations and warranties as of the date hereof:

10.1 Authority. The execution of this Agreement is permitted by the Condominium Instruments and Homeowners Association Instruments, and this Agreement has been duly authorized, executed, and delivered and constitutes the legal, valid and binding obligation of the Condominium and the Homeowners Association enforceable in accordance with the terms hereof. The terms and conditions of this Agreement comply with the Condominium Instruments and Homeowners Association Instruments.

10.2 No Claims. There is no claim, litigation, proceeding or governmental investigation pending (or as far as is known to the Condominium and the Homeowners Association, threatened) against or relating to the Condominium and the Homeowners Association, the properties or business of the Condominium and the Homeowners Association or the transactions contemplated by this Agreement, which does or may reasonably be expected to materially and adversely affect the ability of the Condominium and the Homeowners Association to enter into this Agreement or to carry out its obligations hereunder, and there is no basis for

any such claim, litigation, proceeding or governmental investigation, except as has been fully disclosed in writing to Manager.

10.3 No Conflicting Agreements. Neither the consummation of the actions contemplated by this Agreement to be performed by the Condominium and/or the Homeowners Association, nor the fulfillment of the terms and conditions of this Agreement, conflicts with or will result in the breach of any of the terms or conditions of, or constitutes a default under, any agreement, indenture, instrument or undertaking to which the Condominium and /or the Homeowners Association is a party or by which it or its assets is bound.

11. REPRESENTATIONS AND WARRANTIES OF MANAGER

To induce the Condominium and the Homeowners Association to enter into this Agreement, Manager hereby makes the following representations and warranties as of the date hereof:

11.1 Authority. This Agreement has been duly authorized, executed, and delivered and constitutes the legal, valid and binding obligation of Manager enforceable in accordance with the terms hereof.

11.2 No Claims. There is no claim, litigation, proceeding or governmental investigation pending (or as far as is known to Manager, threatened) against or relating to Manager, the properties or business of Manager or the transactions contemplated by this Agreement, which does or may reasonably be expected to materially and adversely affect the ability of Manager to enter into this Agreement or to carry out its obligations hereunder, and there is no basis for any such claim, litigation, proceeding or governmental investigation, except as has been fully disclosed in writing to the Condominium and the Homeowners Association.

11.3 No Conflicting Agreements. Neither the consummation of the actions contemplated by this Agreement to be performed by Manager, nor the fulfillment of the terms and conditions of this Agreement, conflicts with or will result in the breach of any of the terms or conditions of, or constitutes a default under, any agreement, indenture, instrument or undertaking to which Manager is a party or by which it or its assets is bound.

12. INSURANCE

12.1 Property Insurance. Commencing with the Commencement Date, the Board of Managers and Board of Directors shall separately procure and maintain the following insurance (or Manager shall procure and maintain the following insurance if (i) Condominium and the Homeowners Association requests in writing, at least sixty (60) days prior to the Commencement Date, that Manager procure and maintain the following, (ii) the Condominium Building and Association Common Areas satisfies the then-current insurability criteria under

Manager's insurance program, and (iii) Manager approves such request, in its sole and absolute discretion, at the Condominium and the Homeowners Association's sole cost and expense):

C. Flood insurance, to the extent such coverage is excluded or sub-limited from the property insurance required under Section 12.1.A and the Condominium Building or Association Common Areas is located in whole or in part within an area identified as having a special flood hazard. Such coverage to the extent available at commercially reasonable rates, terms and conditions, shall be for not less than twenty-five percent (25%) of the replacement cost of the Condominium Building and Association Common Areas, in excess of the application of a reasonable deductible. In no event shall flood insurance coverage be less than the maximum amount available under the National Flood Insurance Program (or successor program) for such coverage;

D. Insurance for loss or damage caused by earth movement, to the extent such coverage is excluded from the property insurance required under Section 12.1.A, and to the extent the Condominium Building and/or Association Common Areas is located in an "earthquake prone zone" as determined by the authority or by the insurance industry. Such

coverage, to the extent available at commercially reasonable rates, terms and conditions, shall be for not less than the probable maximum loss of the Condominium Building and/or Association Common Areas or the aggregate probable maximum loss if insured under a blanket program, less a reasonable deductible;

E. Terrorism insurance, to the extent such coverage is excluded or sub-limited from the property insurance required under Section 12.1.A. Such coverage, to the extent available at commercially reasonable rates, terms and conditions, shall be for not less than the probable maximum loss of the Condominium Building and/or Association Common Areas or the aggregate probable maximum loss if insured under a blanket program, less a reasonable deductible.

G. Such other property insurance as is customarily maintained by Manager at similar condominium developments.

H. All insurance procured by the Condominium and the Homeowners Association hereunder shall be obtained from reputable insurance companies of recognized responsibility and financial standing reasonably acceptable to Manager. Any premiums and deductibles under said policies shall be subject to the reasonable approval of Manager. Such premiums and deductibles (net of any credits, rebates and discounts) shall be paid as Common Expenses of the Condominium and the Homeowners Association, as applicable.

I. All such policies of insurance shall be carried in the name of Developer until all Condominium Units are sold in all Condominium Regimes, with Manager as an additional insured unless Manager procures such insurance on behalf of the Condominium or the Homeowners Association, in which event Manager shall be the named insured and shall name the Condominium and the Homeowners Association as an additional insured. Any property losses thereunder shall be payable to the respective parties as their interests may appear. Each Mortgage granted by the Condominium and the Homeowners Association shall contain provisions to the effect that proceeds of the insurance policies required to be carried by the Condominium and the Homeowners Association under Section 12.1 shall be available for repair and restoration of the Condominium Building and/or the Association Common Areas.

J. If the Condominium and the Homeowners Association procure the insurance described in Section 12.1.A, the Condominium and the Homeowners Association shall

All such certificates of insurance shall, to the extent obtainable, state that the insurance shall not be cancelled, non-renewed or materially changed without at least thirty (30) days prior written notice to the certificate holder.

K. Each of Condominium and the Homeowners Association and Manager hereby waives its rights of recovery and its insurer rights of subrogation from the other party or any of its Affiliates (and its respective directors, officers, shareholders, agents and employees) for loss or damage to the Condominium, and any resultant interruption of business regardless of the cause of such property or business interruption loss.

L. All premiums for the insurance required in this Section shall be allocated by Manager among the Budgets as Common Expenses of the Condominium and the Homeowners Association in accordance with the Condominium Instruments and the Homeowners Association Instruments, including special allocations where required.

M. In the event Board of Managers and Board of Directors elects to have Condominium Building and Association Common Areas insured under Manager's property insurance program and Manager approves such participation pursuant to the first (1st) paragraph of Section 12.1, the Condominium and Association Common Areas shall be insured under Manager's property insurance program until such time as Condominium, Homeowners Association or Manager shall provide written notice to the other of its intent to discontinue such participation in accordance with the following:

(i) If Condominium and/or the Homeowners Association elects to remove the Condominium Building and/or Association Common Areas from Manager's property insurance program and to procure their own property insurance, the Condominium and the Homeowners Association shall provide Manager written notice of such decision at least ninety (90) days prior to the next renewal date of coverage under Manager's property insurance program (which is currently April 1st of each calendar year). If the Condominium and/or the Homeowners Association fails to timely provide such notice, but the Condominium and the Homeowners Association nevertheless procure their own property insurance for the Condominium Building and/or Association Common Areas, the Condominium and the Homeowners Association shall pay to Manager an amount equal to ten percent (10%) of the annual premium under Manager's property insurance program to cover all fixed costs and expenses incurred by Manager for the placement of such property insurance. If the Condominium and the Homeowners Association elects to exit Manager's property insurance program in the middle of a coverage year (i.e., prior to the end of a coverage year), (i) the premiums under each of Manager's property insurance program and the Condominium and the Homeowners Association's replacement property insurance program will be prorated as of the date on which Manager receives and approves certificates of insurance evidencing the Condominium and the Homeowners Association's replacement property insurance coverage and

its compliance with the requirements of this Section 12.1, and (ii) the Condominium and the Homeowners Association shall pay to Manager the amount described in the immediately preceding sentence. If the Condominium and the Homeowners Association elect to exit Manager's property insurance program pursuant to the foregoing provisions (ergo why the election shall be made jointly), the Condominium and the Homeowners Association may elect to again have the Condominium and the Homeowners Association participate in Manager's property insurance program only upon Manager's prior approval, which Manager may withhold in its sole and absolute discretion.

(ii) If Manager elects to remove the Condominium Building and/or Association Common Areas from Manager's property insurance program, Manager shall provide Condominium and/or Homeowners Association written notice of such decision at least ninety (90) days prior to the next renewal date of coverage under Manager's property insurance program (which is currently April 1st of each calendar year). Following such notice, Condominium and/or Homeowners Association shall proceed to procure insurance for the Condominium Building and/or Association Common Areas pursuant to Section 12.1 effective as of the expiration date of the current coverage. Condominium and/or Homeowners Association may subsequently seek to have the Condominium Building and/or Association Common Areas participate in Manager's property insurance program; however such participation shall be subject to the requirements of the first (1st) paragraph of Section 12.1.

12.2 Operational Insurance

Commencing with the Commencement Date and thereafter during the Term, Manager shall procure and maintain the following:

A. Commercial general liability insurance against claims for bodily injury, death or property damage occurring in conjunction with Manager's operation of the Condominium and the Homeowners Association, and automobile liability insurance on vehicles operated in conjunction with the operations of the Condominium and the Homeowners Association, with a combined single limit for each occurrence of not less than One Hundred Million Dollars (\$100,000,000);

B. Workers' compensation coverage as may be required under Applicable Laws covering all of Manager's employees at the Board of Managers and Board of Directors, and employer's liability insurance of not less than One Million Dollars (\$1,000,000) per accident/disease;

C. Fidelity bond coverage in an amount not less than Two Million Dollars (\$2,000,000) covering Manager's employees at the Board of Managers and Board of Directors; and

D. Employment practices liability insurance covering all of Manager's employees at the Condominium and the Homeowners Association, to the extent available at commercially reasonable rates and terms, in an amount not less than Two Million Dollars (\$2,000,000);

E. Such other insurance in amounts as Manager, in its reasonable judgment, deems advisable for protection against claims, liabilities and losses arising out of or connected with the operation of the Condominium and the Homeowners Association.

F. All insurance procured by Manager pursuant to Section 12.1 (if Manager procures such insurance) and Section 12.2 may be obtained by Manager through blanket insurance programs, with shared aggregate coverage levels, sub-limits, deductibles, conditions, and exclusions based on industry conditions and based on what is available at commercially reasonable rates, terms and conditions. The blanket program may apply to one or more insured locations which may incur a loss for the same insured event, which could result in the exhaustion of coverage prior to the resolution of all claims arising from such event. In addition, industry conditions may cause policy terms, conditions, sub-limits, conditions or exclusions to result in coverage levels less than the amounts prescribed in Section 12.1 and Section 12.2. Such conditions and limitations shall not constitute a breach of Manager's insurance procurement obligations hereunder. The insurance procured under Section 12.2 may include an "Insurance Retention." Insurance Retention shall mean the deductibles or risk retention levels; however, the Condominium's and the Homeowners Association's responsibility for such deductibles or risk retention levels shall be limited to the Condominium's and Homeowners Association's per occurrence limit for any loss or reserve as established for the Condominium and the Homeowners Association, which limit shall be the same as other similar condominiums participating in the blanket insurance programs.

G. All insurance required under Section 12.2 shall be carried in the name of Manager. The insurance required under Section 12.2.A shall include the Condominium and the Homeowners Association, and the holders of any Mortgages specified by the Condominium and the Homeowners Association in writing, as additional insureds.

H. Manager, upon request, shall deliver to the Condominium and the Homeowners Association and to a Unit Owner certificates of insurance evidencing the insurance coverages required under Section 12.2.A (and the insurance coverages required under Section 12.1.A, if Manager procures such insurance) and any renewals thereof. All such certificates of insurance shall, to the extent obtainable, state that the insurance shall not be cancelled or materially reduced without at least thirty (30) days prior written notice to the certificate holder.

I. All insurance premiums, costs and other expenses, including any Insurance Retention, shall be treated as Common Expenses of the Condominium and the Homeowners Association. All charges under the blanket programs shall be allocated to the

Condominium and/or to the Homeowners Association on a reasonable basis. Any losses and associated costs and expenses that are uninsured shall be treated as a cost of insurance and shall also be treated as a Common Expense.

J. Upon termination of this Agreement, Manager shall establish from funds in the Reserve Account a reserve in an amount determined by Manager, based on loss projections, to cover the amount of any Insurance Retention and all other costs and expenses that will eventually have to be paid by any of the Condominium, the Homeowners Association or Manager with respect to pending or contingent claims, including those that arise after termination, for causes arising during the Term. If the Reserve Account is insufficient to meet the requirements of such reserve, the Condominium and/or the Homeowners Association shall deliver to Manager, within ten (10) days after receipt of Manager's written request therefore, the sums necessary to establish such reserve; and if the Condominium and/or the Homeowners Association fails to timely deliver such sums to Manager, Manager shall have the right (without affecting Manager's other remedies under this Agreement) to withdraw any necessary amounts from the bank accounts referenced in Section 4.1.5 or from any other funds of the Condominium and/or the Homeowners Association held by or under the control of Manager.

12.3 Insurance Proceeds. All proceeds of property damage insurance obtained by the Condominium and the Homeowners Association, when collected, shall be deposited with the Manager, in a trust account in a bank or trust company Approved by (i) Manager, and (ii) the Condominium or the Homeowners Association, as applicable. Subject to the limitations set forth in the Condominium Act, such insurance proceeds shall be used to the extent necessary for the repairing, rebuilding, and replacement of the Condominium and the Association Common Areas and any other related improvement or improvements, together with replacing any Common Elements, including Furniture and Equipment, required in the operation of the Condominium and the Homeowners Association, all such proceeds being pledged and dedicated by the parties for that purpose. Any Mortgage on the Condominium or the Association Common Areas and any Mortgage on any Unit shall contain provisions to the effect that all such proceeds shall be available for that purpose.

12.4 Condominium and the Homeowners Association's Insurance. The Condominium and the Homeowners Association shall, throughout the Term of this Agreement, provide and maintain, at their sole expense, commercial general liability insurance in amounts not less than a combined single limit of Ten Million Dollars (\$10,000,000) for each occurrence, providing coverage for claims for personal injury, death and property damage occurring at the Condominium or in connection with the business of the Condominium and the Homeowners Association. Such insurance shall be obtained from reputable insurance companies of recognized responsibility and financial standing reasonably acceptable to Manager. Any premiums and deductibles under said policies shall be subject to the reasonable approval of Manager and shall be paid as a Common Expense of the Condominium and the Homeowners Association. Manager shall be named as additional insured on the insurance described in this Section 12.4.

12.5 Unit Owner's Insurance. The Condominium shall require that each Unit Owner obtain, with regard to its Unit, adequate insurance to protect the Unit Owner's improvements and betterments, personal property and personal liability associated with its activities in accordance with the Condominium Instruments. The Condominium shall provide a certificate of insurance evidencing such insurance from each Unit Owner within ten (10) days after receipt by the Condominium of a request from Manager for such insurance certificates.

13. MISCELLANEOUS

13.1 Further Assurances. The Condominium, the Homeowners Association and Manager shall execute and deliver all other appropriate supplemental agreements and other instruments, and take any other action necessary to make this Agreement fully and legally effective, binding, and enforceable as between them and as against third parties.

13.2 Waiver. The waiver of any of the terms and conditions of this Agreement on any occasion or occasions shall not be deemed a waiver of such terms and conditions on any future occasion.

13.3 Successors and Assigns. This Agreement shall be binding on and inure to the benefit of the Condominium, the Homeowners Association and Manager and their respective successors and permitted assigns.

13.3.1 Assignment by Manager. Manager shall have the right to assign its rights and obligations under this Agreement without the consent of the Condominium or the Homeowners Association (a) to any Affiliate so long as said Affiliate continues to have the benefit of the Ritz-Carlton Rights and Ritz-Carlton Marks, or (b) to any assignee that is not an Affiliate but that acquires all or a substantial part of the assets of Manager (including all or a substantial part of the Ritz-Carlton Rights and Ritz-Carlton Marks) and assumes its obligation under this Agreement. In such latter event, Manager's liability hereunder shall terminate on the effective date of such assignment, but in the event of any assignment to an Affiliate, Manager shall continue to be liable under this Agreement to the same extent as though such assignment had not been made. Manager may assign its rights to receive the Management Fees or portions thereof to any Person as security for indebtedness. If Manager elects to assign its rights and obligations under this Agreement to an Affiliate in connection with restructuring Manager's interest under this Agreement for income tax or other tax related purposes, the Condominium and the Homeowners Association shall cooperate with Manager, at no cost or expense to the Condominium or the Homeowners Association, in effectuating such restructuring. Manager shall promptly notify the Condominium and the Homeowners Association in writing of any assignment made pursuant to this Section 13.3.1. Except as hereinabove provided, Manager shall not assign its rights or obligations under this Agreement without the Approval of Condominium and the Homeowners Association, which approval shall be granted or denied in the sole discretion of the Condominium and the Homeowner's Association.

13.3.2 Assignment By Condominium and the Homeowners Association.

Neither the Condominium nor the Homeowners Association shall assign all or any portion of this Agreement without the approval of Manager, which approval may be withheld for any reason.

13.4 Governing Law. This Agreement is executed pursuant to, and shall be construed under and governed exclusively by, the internal laws of the State of New York.

13.5 Expert Decisions. Where a matter is referred to an Expert for determination, the following provisions shall apply to such Expert's determination, except as may be otherwise expressly provided in this Agreement:

(a) Except as may be provided in Section 4.1.1, the decision of the Expert shall be final and binding on the parties and shall not be capable of challenge, whether by arbitration, in court or otherwise.

(b) Each party shall be entitled to make written submissions to the Expert within thirty (30) days of the Expert being selected, and if a party makes any submission it shall also provide a copy to the other party and the other party shall have the right to comment on such submission. The parties shall make available to the Expert all books and records relating to the issue in dispute and shall render to the Expert any assistance requested of the parties. The costs of the Expert and the proceedings shall be borne as directed by the Expert unless otherwise provided for herein.

(c) The terms of engagement of the Expert shall include an obligation on the part of the Expert to:

(i) notify the parties in writing of his decision within forty-five (45) days from the date on which the Expert has been selected (or such other period as the parties may agree or as set forth herein);

(ii) apply the standards applicable to first-class residential condominiums in accordance with the Ritz-Carlton Standards; and

(iii) establish a timetable for the making of submissions and replies.

13.6 Amendments. This Agreement may not be modified, amended, surrendered or changed, except by a written instrument executed by each of the parties hereto.

13.7 Estoppel Certificates. The Condominium, the Homeowners Association and Manager agree, at any time and from time to time, as requested by the other party on not less than thirty (30) days prior written notice, to execute and deliver to the other a statement

goods and services for the Condominium and/or the Homeowners Association with third parties that have other contractual relationships with Manager, Marriott International, Inc. and their Affiliates, so long as the prices and terms are competitive with those obtainable from unrelated vendors or are the subject of competitive bidding. In determining, pursuant to the foregoing, whether such prices and/or terms are competitive, they will be compared to the prices and/or terms which would be available from reputable and qualified parties for goods and/or services of similar quality, and the goods and/or services which are being purchased shall be grouped in reasonable categories, rather than being compared item by item. Any dispute as to whether prices and/or terms are competitive shall be referred to the Expert as provided in Section 13.5. The prices paid may include overhead and the allowance of a reasonable return to Manager and its Affiliates (or companies in which Manager has an ownership interest if such interest is not sufficient to make such a company an Affiliate). The Condominium and the Homeowners Association each acknowledge and agree that, with respect to any purchase of goods or services pursuant to this Section 13.11 and subject to the foregoing qualification that prices and/or terms are competitive, Manager and its Affiliates may retain for their own benefit any allowances, credits, rebates, commissions and discounts received with respect to any such purchases. In any instance in which Manager or an Affiliate receives an Unrestricted Rebate with respect to any purchase, sale, lease or other procurement or provision of goods or services for or to the Condominium and/or the Homeowners Association, such Unrestricted Rebate (or allocable portion thereof, based on a reasonable allocation formula, to the extent that such Unrestricted Rebate also applies to the purchase, sale, lease or other procurement or provision of goods or services for or to other condominiums, homeowners associations or third parties) shall be treated as follows: (i) first, the amount of such Unrestricted Rebate shall be applied against any procurement fees or costs incurred in connection with the purchase, sale, lease or other procurement or provision of goods or services for or to the Condominium and Homeowners Association (which fees and costs shall be allocated to the Condominium and the Homeowners Association on a reasonable basis to the extent such fees and costs also apply to the purchase, sale, lease or other procurement or provision of goods or services for or to other condominiums, homeowners association or third parties), and (ii) second, any remaining amount of such Unrestricted Rebate shall be reimbursed to the Condominium or the Homeowners Association (which reimbursement shall be treated as a reduction of the applicable Common Expenses). For purposes hereof, the term "Unrestricted Rebate" shall mean a rebate, payment or other enrichment received by Manager or an Affiliate with respect to the purchase, sale, lease or other procurement or provision of goods or services for or to the Condominium or the Homeowners Association, where Manager or such Affiliate is entitled to return such rebate, payment or enrichment to the Condominium or Homeowners Association for or to which the goods or services were purchased, sold, leased, procured or provided. The term "Unrestricted Rebate" shall not include any allowances, payments or other enrichments received by Manager or an Affiliate with respect to the purchase, sale, lease or other procurement or provision of goods or services for or to the Condominium or the Homeowners Association, where Manager or such Affiliate is not entitled to return such allowances, payments or enrichments to the Condominium or the Homeowners Association for or to which the goods or services were purchased, sold,

leased, procured or provided or is required by a third party to utilize or allocate such allowances, payments or enrichments in a specific manner.

13.12 Entire Agreement. This Agreement constitutes the entire agreement between the parties relating to the subject matter hereof, superseding all prior agreements or undertakings, oral or written; provided that this Agreement does not supersede any existing or future development or licensing agreement between Manager and the Developer.

13.13 Extraordinary Events. Notwithstanding anything else in this Agreement, if any party's failure to comply with, perform, or satisfy any representation, warranty, covenant, undertaking, obligation, standard, test, or condition set forth in this Agreement is caused in whole or in part by any Extraordinary Event(s), such failure shall not constitute a default under this Agreement (unless the failure is a failure to procure or maintain insurance coverages specified in this Agreement or to make any monetary payments required by this Agreement), and such failure (except regarding insurance coverages and monetary payments) shall be excused for as long as the failure is caused in whole or in part by such Extraordinary Event(s); provided that if such failure would (but for this Section 13.13) constitute an Event of Default (after expiration of any applicable cure period) attributable to one party, and if the Extraordinary Event causing such failure has continued for a period of ninety (90) days or more, then the other party may, at its option, cancel this Agreement and the Term hereof upon thirty (30) days' written notice.

13.14 Interpretation. No provisions of this Agreement shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured or dictated such provision.

13.15 Notices. Any notice, statement or demand required to be given under this Agreement shall be in writing, and at the option of the party giving notice, be (i) personally delivered, or (ii) transmitted by certified or registered mail, return receipt requested, postage prepaid, or (iii) by Federal Express or other recognizable overnight courier, or (iv) by confirmed facsimile (provided that a confirmatory copy is thereafter sent by certified or registered mail or recognizable overnight courier), addressed:

The Condominium, the Homeowners Association and Manager each agree that on giving of any notice, it shall use its reasonable efforts to advise the other by telephone that a notice has been sent hereunder. Such telephonic advice shall not, however, be a condition to the effectiveness of notice hereunder.

13.16 Confidentiality. The parties agree that the matters set forth in this Agreement and statements, reports, projections other information relating to the operation of the Condominium are strictly confidential, and each party and the Unit Owners will make every effort to ensure that the information is not disclosed to any outside person or entities (including the press) without the prior written consent of the other party, except as required by Applicable Law and as may be reasonably necessary to obtain licenses, permits, insurance and other approvals necessary for the refurbishment, repair or operation of the Condominium. The provisions of this Section 13.16 shall survive the expiration or earlier termination of this Agreement. A copy of this Management Agreement may be included in the Offering Plans for The Residences, North Hills Condominium One, The Residences, North Hills Condominium Two, and The Residences, North Hills Homeowners Association, Inc.

13.17 Brokerage. Each of the parties hereby represents and warrants to the other that it has not engaged any broker, consultant or similar Person in connection with the subject matter of this Agreement. Each party shall indemnify, defend, and hold harmless the other party from and against all damages, costs, liabilities and expenses (including reasonable attorneys' fees) based on or arising from any third party claim based on an alleged brokerage, consultancy or similar engagement by the indemnifying party or by any of its Affiliates. Any payment from a party to a broker, consultant or similar Person shall be borne exclusively by such party. The provisions of this Section 13.17 shall survive the termination of this Agreement.

[SIGNATURES FOLLOW ON NEXT PAGE]

IN WITNESS WHEREOF, Manager and the Developer, on behalf of itself and the Condominium and the Homeowners Association, acting by and through their proper and duly authorized directors, partners, officers or other representatives, have each duly executed this Agreement as of the date first written above.

EXHIBIT D
DESCRIPTION OF PHASE I

**Approval of Incentive Zoning Permit,
Subdivision and Site Plan and
Architectural Review**

BOARD OF TRUSTEES
VILLAGE OF NORTH HILLS

Case No. 04-26iz Application of Midtown North Hills LLC for an incentive zoning permit, pursuant to Village Local Law 1-2004, for enhanced development with respect to premises known on the Nassau County Land and Tax Map as Section B, Block A, Lots 51, 302, 502, 702A, 785 and 882, and located east of New Hyde Park Road, south of the Long Island Expressway South Service Road and north of the Northern State Parkway

Approval of Incentive Zoning
Permit, Subdivision and Site
Plan, Architectural Review

The proposed project involves an incentive zoning permit application and applications for site plan and subdivision approval for the development of 244 luxury condominium units on a 16.382 acre site. Of the proposed 244 units, there would be 16 one-bedroom units, 149 two-bedroom units, 39 three-bedroom units and 40 four-bedroom units. On May 24, 2006, the Board of Trustees issued a conditional approval for the incentive zoning permit for this project.

The current configuration of "The Residences at North Hills" includes the grouping of 10 buildings in pairs with a common lobby area located between each pair of buildings. The proposed buildings are four stories in height with a pitched mansard roof. The buildings are configured around a central courtyard and promenade entrance road from the South Service Road of the Long Island Expressway ("LIE"). Sidewalks, extensive landscaping and water features (e.g. ponds) are proposed throughout the site.

The proposed project would provide 602 parking spaces, below-grade, under the residential structures and the community center with interconnections provided between each pair of buildings. All wastewater generated by the project would be conveyed off-site via the public sewer system for treatment and disposal at the Bay Park Sewage Treatment Plant ("STP").

The proposed project would have access to the Long Island Expressway South Service Road, and to New Hyde Park Road. The applicant has submitted a proposed alternative access plan which would provide for the ingress and egress via New Hyde Park Road to be at a signalized intersection, using an access route to be shared with a proposed office building project to be located on property at the northeast corner of New Hyde Park Road and the South Service Road.

The Board of Trustees issued a "positive declaration" for the subject action, which addressed the potential impacts associated with the proposed construction of The Residences at North Hills. The "positive declaration," and the ensuing public scoping process, identified the areas of environmental concern to be studied in the State

58294.0v.5

1

Environmental Quality Review Act (SEQRA) process. The positive declaration set forth the following as reasons supporting its issuance:

1. *The subject property is situated within the North Hills Special Groundwater Protection Area (SGPA), which is a Critical Environmental Area (CEA), and the potential impacts to the SGPA require assessment. A consistency analysis with the Long Island Comprehensive Special Groundwater Protection Area Plan is necessary.*
2. *The proposed action will result in the removal of approximately 3.6 acres of predominantly oak-tulip forest. The potential impact to such forest and associated ecological resources should be assessed.*
3. *The proposed project involves significant demolition on the property. The impacts of such demolition, including the potential for the presence of hazardous materials should be evaluated.*
4. *Implementation of the proposed action will increase density, and the effect of such increased density on neighborhood character must be evaluated.*
5. *The development of an additional 234 residential units¹ in this area may result in adverse traffic impacts, and these potential impacts must be analyzed.*
6. *The increased demand for community services (e.g., fire protection, police protection, schools, water district, sewer district, recreational facilities) resulting from the proposed residential development must be assessed.*
7. *As the buildings are proposed to be four stories in height and would be located in an area that is highly visible to a large number of viewers, the visual impacts of such development must be examined.*
8. *As the subject site is located in an archaeologically-sensitive zone, as identified by the New York State Office of Parks, Recreation and Historic Preservation, the potential for the presence of such resources must be investigated, and the impact of the proposed project on such resources (if encountered) must be evaluated.*
9. *There are several projects proposed or recently-approved and/or constructed in the immediate vicinity of the subject parcel (i.e., Chatham at North Hills and The Bristol). The cumulative impact of such development must be evaluated.*

The applicant prepared several successive versions of a Draft Environmental Impact Statement (DEIS), which were reviewed by the Village with the assistance of its consultants. All but the final version of the DEIS were rejected by the Village as incomplete and/or inadequate. A DEIS ultimately was accepted by the Board of Trustees on August 11, 2005, and a Notice of Completion was issued in accordance

¹ The unit count was changed to 244 subsequent to issuance of the Positive Declaration.

with SEQRA. A combined public hearing on the DEIS and on the applications for the incentive zoning permit, site plan approval and subdivision approval was held on August 30, 2005, and written comments on the DEIS were accepted through September 12, 2005, also in compliance with SEQRA. Based upon the comments received during the public comment period on the DEIS, the applicant revised the proposed site plan to eliminate site access which had been proposed from New Hyde Park Road.

After completion of the DEIS stage of review, and receipt of public comments, the applicant prepared several successive versions of a proposed Final Environmental Impact Statement (FEIS), which were submitted to the Board of Trustees. With the exception of the last such submission, the FEIS submissions by the applicant were found incomplete and/or inadequate by the Village. Pursuant to 6 NYCRR §617.11(a) and 6 NYCRR §617.12(a)(2)(iii), a complete FEIS was accepted for filing by the Board of Trustees on March 3, 2006, and was made available for public consideration through March 14, 2006.

The Village published all required notices pursuant to SEQRA throughout the SEQRA review process, and all interested and involved agencies, including the New York State Department of Transportation (DOT), the New York State Department of Environmental Conservation (DEC), the Nassau County Department of Public Works (DPW), the Nassau County Department of Health (DOH), and the Nassau County Planning Commission (NCPC), were provided with all required notice of the SEQRA review proceedings. On several occasions, comments were received from the DOT and DPW, or the DEC, after the expiration of the time during which such comments were required to be submitted, but the applicant and the Village considered all such comments regardless of late filing.

On March 20, 2006, in order to permit additional time for review of the application by the NCPC, the Village transmitted to the NCPC a full statement of the application, without the Village's Findings Statement. This submission included the application papers, the DEIS, and the FEIS, and also included copies of additional correspondence received by the Village after the conclusion of the applicable comment periods. These materials were transmitted to NCPC with an explanation that this submission was not intended to constitute a submission pursuant to General Municipal Law §239-m, in that the submission did not include the Village's SEQRA Findings Statement, and that the formal submission would be made after the issuance of that Findings Statement. The transmittal also explained that the purpose of the early submission was to permit the NCPC to have additional time to review a complex and detailed application.

On April 19, 2006, the Board of Trustees held another public hearing, with respect to the applications for an incentive zoning permit, a subdivision plan and a site plan. Those hearings were not concluded at that meeting, but were continued to May 17, 2006.

Also on April 19, 2006, after extensive study of the applicant's submissions and the information gathered during the SEQRA review process, including input from the Village's environmental and planning consultant and its traffic consultant, the Village

Board of Trustees issued its Findings Statement pursuant to SEORA. On April 20, 2006 that Findings Statement was transmitted to NCPC, at which time NCPC was advised that the Village's submission, consisting of the March 20, 2006 submission and the April 20, 2006 submission, was considered submission of a full statement of the application pursuant to General Municipal Law §239-m.

On May 11, 2006, the NCPC adopted a resolution to "deny" the subject application. Although General Municipal Law §239-m only permits the NCPC to make a recommendation to the Village with respect to the subject application, and authorizes the NCPC to recommend denial of a referred application, the NCPC purported to deny the application rather than to recommend to the Village that the Village deny the application. Be that as it may, the Village considers the NCPC resolution to be a recommendation that the Village deny the application, and is proceeding in accordance with that interpretation.

On May 17, 2006, the Board of Trustees held another public hearing with respect to the subject applications for an incentive zoning permit, and subdivision plan and site plan approvals. At that hearing, the Board heard extensive comment with respect to those applications, and with respect to the content of NCPC Resolution 9131-06. The Board also was presented with an alternative access plan submitted by the applicant for Board consideration, which also included site plan revisions with respect to the parcel proposed to be subdivided for the Manhasset Lakeville Water District.

At the conclusion of the public comments and other comments at the May 17, 2006 public hearing, the Board adopted a resolution to close the public hearing with respect to the application for an incentive zoning permit but to continue the public hearings with respect to the subdivision plan and site plan. Those hearings continued to, and including, October 18, 2006, on which date those hearings were closed.

On May 24, 2006, the Board issued a conditional approval with respect to the subject application for an incentive zoning permit pursuant to Village Local Law 1-2004 (Village Code §215-14). Subsequent thereto, the Board has held further hearings, and the applicant has made amendments to the application consistent with the Findings Statement and to meet the conditions therein stated.

In making the current determination, the Board has taken into consideration all of the information received by the Board in the application process, including the application and any revisions, the DEIS, the FEIS, the Findings Statement, the comments and correspondence received by the Board throughout the review process through and including October 18, 2006, and the personal knowledge of the Board members gained through their many years of residence in the community.

The Incentive Zoning Law

Village Code §215-14, enacted in May 2004 pursuant to the Village's general zoning authority, and authorized pursuant to New York Village Law §7-703, authorized an application to be made to the Village Board of Trustees for certain enhanced

development of property within parameters set out in that Code provision. That law made no substantive change with respect to the zoning of any property in the Village, and its effect was limited to an authorization of, and the establishment of procedures for, an application to the Board of Trustees for an incentive zoning permit which would permit enhanced development of property.

Because that local law by itself had no substantive zoning effect with respect to any property or development, and did no more than authorize an application to the Board of Trustees, the Board of Trustees concluded that the law could have no environmental impact, and required no SEQRA review prior to its adoption. The Board transmitted that proposed law to the NCPC for a recommendation pursuant to General Municipal Law §239-m, and the NCPC recommended that the Board take such action as it deemed appropriate in that the NCPC had no position with respect to the adoption of that law. The Board proceeded to adopt that law, and this application ensued.

Whether or not to grant such a permit is within the discretion of the Board of Trustees. Village Code §215-14 as originally adopted vested in the Board of Trustees the authority to grant such permits, as transferred to the Board of Trustees all other authority regarding subdivision and site plan applications, and approval of buildings, customarily vested in the Village Planning Board and Architectural Review Board. The period of time during which that transfer of authority was to remain in effect was later extended by Village Local Law 2-2004.²

Pursuant to Village Code §215-14, the Board of Trustees may issue an incentive zoning permit in its sole discretion, upon a determination that the permit is authorized and warranted under the standards set forth in that section.

The various types of incentives which the Board of Trustees may grant as part of an incentive zoning permit are enumerated in Village Code §215-14(C), and the instant application requests one or more of those incentives.

Village Code §214-15(C) requires that an incentive zoning application also include a plan for provision of community amenities. The Board of Trustees is the sole

² This local law made no change in the substantive zoning provisions applicable in the Village, and merely extended until 2008 the period of time in which the powers of the Planning Board and Architectural Review Board were transferred to the Board of Trustees. As such, it did not constitute a zoning law which required referral to the Nassau County Planning Commission. The Board of Trustees performed SEQRA review with respect to this law, issued a negative declaration, and adopted the law. The adoption of this law has been found proper, and the law has been sustained, in the March 2, 2006 determination of Supreme Court, Nassau County, in "Long Island Drinking Water Coalition, Inc. et al. v. Board of Trustees, et al.", index number 013512-05. That litigation since has been discontinued, with prejudice, and without any determination adverse to any action taken by the Village. Furthermore, the Village has enacted Local Law 2-2006 which extends indefinitely the authority of the Board of Trustees with respect to such incentive zoning applications.

judge whether such plan is "acceptable, feasible, adequate, or in a form acceptable to the Board". In the case of the instant application, the applicant has elected to present a plan which involves the payment of a cash amount to the Village, to be placed in a trust fund to be used only for community amenities as may be determined from time to time by the Board of Trustees.

Village Law §7-703, which authorizes the Village to create an incentive zoning system, also contains various requirements for such system. Pursuant to Village Law §7-703, the Board of Trustees must make certain findings as part of adoption of such an incentive zoning law, and the Board of Trustees here did so. Local Law 1-2004 contains the following findings by the Board of Trustees:

"A. The Board of Trustees of the Village of North Hills hereby finds that properties located in the area of the Village bounded by New Hyde Park Road, the Northern State Parkway, the Long Island Expressway South Service Road, and Shelter Rock Road, and presently zoned R-3, are uniquely situated within the Village. Accordingly, the Board of Trustees concludes that it would be reasonable and appropriate to permit within such district uses which are appropriate to that locale, taking into account the current uses, and the characteristics of the said properties and the area in which those properties are located.

B. As part of such consideration the Board of Trustees recognizes the various factors relevant to development and use of those properties for single family residential uses, as presently permitted by the Village zoning regulations, and finds that enhanced development of those properties may be permissible and appropriate, provided that such development is accompanied by community amenities, pursuant to Village Law §7-703, as may be determined by the Board of Trustees as permitted by New York State law.

C. The Board further finds that the Residential R-3 District contains adequate resources, environmental quality and public facilities (including transportation, water supply, waste disposal and fire protection) to permit the authorization of incentive uses, and development as specified in this section for property located within the said zoning district. Under appropriate circumstances, and with appropriate conditions, such R-3 District property may be compatible with the development otherwise permitted in the Residential R-3 District, and in conformity with the Board's conclusions as to the appropriate plan for use and development of property in the Village.

D. Within reasonable constraints to preserve the existing character of the Village, and consistent with other uses of property permitted in the Village, the Board further finds that it would be beneficial as part of the Residential R-3 District to encourage the construction of residential development, with density and other characteristics different than those presently permitted. The Board further finds that there exists property within the Residential R-3 zoning district which is potentially available for such enhanced development. The Board also finds and concludes that the authorization of incentive uses and enhanced development pursuant to this law will not have any impact on the potential development of affordable housing in the Village.

E. It would serve the health, welfare and public safety to provide incentives, as authorized by Village Law §7-703, in the Residential R-3 District, to adopt regulations as to

such incentive uses of property in such district, and to facilitate and encourage the construction of residential development within the Residential R-3 District. The health, welfare and public safety will be furthered by enacting this legislation to provide a comprehensive regulatory scheme for the use and development of properties in the Residential R-3 District, and to provide community amenities pursuant to such State enabling legislation in connection with any authorization for such development.

In adopting Village Code §215-14, the Board of Trustees followed the procedures customarily applicable to adoption of zoning legislation, as required by Village Law §7-703(3). Local Law 1-2004, which enacted Village Code §215-14, also contains all findings and conclusions which are required by Village Law §7-703 as a prerequisite to adoption of an incentive zoning law.

The Review Process

As mandated by Village Law §7-703, and by Village Code §215-14, the Village has performed extensive SEQRA review, and has held public hearings with respect to the incentive zoning permit application.

In the course of the SEQRA review, the Village extensively studied various environmental impacts which could potentially result from the project as proposed, including impacts of other known, or reasonably anticipated projects in the vicinity. In this regard, it should be noted that in the course of the SEQRA study for this project, this Board has considered the impacts not only of this project, but the cumulative impacts of other pending projects in the area. The only such project is the Chatham II development which was approved by the Village prior to the conclusion of the SEQRA study for the subject development. In addition, the Board took into consideration the effects and impacts of the completed Bristol at North Hills project, which is also in the vicinity of the subject property, and the X-Cell commercial office building project which has been approved by the Village previously but which has not yet been constructed. The Village is aware of no other pending or impending projects in the vicinity of the subject property which also should be included in such a study, and a consideration of the properties involved in the subject application, combined with knowledge of the other area properties, conclusively demonstrates that no other such future projects can be expected.

The subject property is part of a total area of approximately 74 acres located in an area circumscribed by the Northern State Parkway, the Long Island Expressway South Service Road, Shelter Rock Road and New Hyde Park Road. With the exception of the property included in the subject application, the only other properties located within that area are the following existing developments or approved projects: Chatham I condominiums, Chatham II condominiums, Bristol at North Hills assisted living facility, X-Cell commercial office property (not yet constructed, but approved), and a small parcel owned by the Village and used as a site for a cellular communications pole. The only other property located adjacent to or in proximity to the subject property are the Long Island Expressway and Northern State Parkway rights of way, the Shelter Rock Road and New Hyde Park Road rights of way, and an existing office building located

across New Hyde Park Road to the west of the subject property. Thus, study of the impacts of the subject proposed project, together with the impacts of those other existing or pending uses, constitutes a complete study of the entire area there being no other properties for which development applications are known or could reasonably be anticipated.

Also as part of the Village's SEQRA study, the Village gave considerable attention to water supply and quality, demands upon municipal services, traffic impacts, noise impacts, visual impacts, and various other environmental concerns all enumerated in the final scope issued by the Village, and expanded upon at great length in the DEIS and FEIS. It is beyond cavil that the Village took the required "hard look" at those various impacts and potential or imagined impacts.

Having done so, it then became the obligation of the Village to issue a Findings Statement, which is a summary of the conclusions reached by the Board, as lead agency, based upon its consideration of those extensive studies, and the varying opinions received with respect to some of those subjects from the applicant's expert consultants, the Village's expert consultants, and members of the public or interested groups or public agencies. In the final analysis, it is the obligation of the Board to issue Findings which are reasonable, and not arbitrary, taking into account those various facts and opinions brought to the Board's attention during the SEQRA process.

In conclusion of that process, the Board issued its Findings Statement on April 19, 2006. That extensive document summarized the conclusions reached by the Board after completion of the SEQRA study process. Generally speaking, those conclusions were that the subject project would generate some adverse environmental impacts, but that with two significant exceptions all such impacts were either mitigated by the project conditions proposed by the applicant, or would be mitigated by conditions to be imposed by the Board in granting any approval for the subdivision and site plan for the project. In light of such conclusions, the Board issued a conditional approval of the incentive zoning permit on May 24, 2006, and clearly noted that final approval of the project would require resolution of those issues, as well as any others which might arise during the continuing review process with respect to the subdivision and site plan approvals.

The incentive zoning permit previously approved by the Board did not constitute final building approval for the project. Rather, the incentive zoning permit constituted authorization to proceed with the development approval process for a particular development or type of development, based upon a determination that doing so would meet the requirements and conditions of Village Code §215-14. The applicant is still required to obtain from the Village subdivision approval and site plan approval, as well as architectural approvals, in order to obtain the required permits for actual construction. In addition, the applicant must also obtain permits or approvals from other public agencies, including the Nassau County Department of Health, the Nassau County Department of Public Works and the New York State Department of Transportation. This determination deals with, and concludes, the Village's actions with respect to the subdivision and site plan approval for the project.

The Nassau County Planning Commission Resolution

Pursuant to General Municipal Law §239-m, the Village is required to refer to the NCPC various land use applications under consideration by the Village, including land use applications such as the subject application for an incentive zoning permit. Also pursuant to that statute, the NCPC may make a recommendation to the Village with respect to the decision to be made on such referred applications, and in doing so may recommend modification or denial of the application. Should NCPC recommend modification or denial, the Village nevertheless may act contrary to that recommendation, but doing so requires a supermajority concurring vote of at least four members of this five member Board of Trustees.

As noted above, the content of Resolution 9131-06 was the subject of extensive testimony and comment at the May 17, 2006 public hearing with respect to the incentive zoning permit application. In determining whether to act contrary to that resolution, the Board members may consider all relevant matter, including the comments received at the public hearing on the incentive zoning permit application.

After consideration of that information, and for the reasons set forth hereinafter, the Board elected on May 24, 2006 to act contrary to that NCPC recommendation to deny the incentive zoning permit application. For those same reasons, the Board now elects to act contrary to the NCPC recommendation with respect to the subdivision and site plan portions of the applications. In the interest of brevity, the Board will not reiterate those reasons in this resolution, and for that purpose it instead incorporates the discussion of those matters in the May 24, 2006 resolution, as it set forth in full herein.

The Incentive Zoning Approval

The Board notes that revisions to the subdivision and site plan have fully satisfied the conditions of the incentive zoning permit approval granted on May 24, 2006. Accordingly, the Village considers that approval now to be unconditional, and re-issues it here in that manner.

The Subdivision and Site Plan Approval And Architectural Review

The Board of Trustees, exercising the powers of the Village Planning Board, and of the Architectural Review Board, as provided by law, has conducted public hearings on this application, notice of which hearings was duly given as provided by law, and

The application contains minor variations and omissions of information required for such applications by Chapter 179 of the Code of the Village of North Hills, which variations and omissions are insignificant, and consist of information not required in this instance for protection of the public health, safety or general welfare, and

The application includes numerous items for which variances from Chapter 215 of the Code of the Village of North Hills would be required, and such variances are authorized and have been granted by the incentive zoning approval heretofore granted for this project, and

The Board of Trustees has given consideration to the said application and the requirements of law for such applications, and the information provided to the Board at the many public hearings held with respect to this application and project, and

It is the determination of the Board of Trustees that improvements should be installed as a condition precedent to the approval of the site plan application, including the following: (1) street rights-of-way shall be graded between property lines; (2) traveled ways within the boundaries of the site shall be paved in accordance with the requirements of law and cross-sections shown on the application; (3) sidewalks, curbs and driveway aprons shall be installed on all streets as shown on the application, in accordance with law; (4) water mains shall be installed, as shown on the application and in accordance with the specifications of any public agency or private water company which will be responsible for supply of water to the area shown on the application; (5) storm drains and catch basins, including impounding and recharge basins, if any, of size and design as shown on the application and as approved by the Nassau County Commissioner of Public Works shall be installed; (6) street signs and monuments shall be installed, as directed by the Village Code Official.

The Board hereby waives and varies the requirements of Chapter 179 of the Code of the Village of North Hills to the extent that application content required by law may not have been submitted to the Village of North Hills as part of this application.

The Board hereby grants those variances from the requirements of the Chapter 215 of the Code of the Village of North Hills as indicated on the application and plans, and which are within the scope of the authority of the Board to grant

The application for final site plan approval and subdivision approval is hereby granted, subject to the terms and conditions set forth herein, and subject to compliance by the applicant with all applicable laws and regulations.

The site improvements (excluding landscaping and lighting, and the recreational facility) to be installed in said site shall be as heretofore set forth herein, and as required by law and as shown on the said application and plans. In lieu of completion of such public improvements prior to the approval of this application, the applicant may furnish to the Village of North Hills, within ninety (90) days (or such longer period as may be authorized by the Board of Trustees), a surety company bond or cash deposit to secure to the Village the actual construction and installation of such improvements, in approved form, said improvements to be completed within two (2) years after the date of the surety company bond, such bond to be in the sum of \$4,000,000.00, which total sum this Board deems sufficient to cover the full cost of the construction and installation of such site improvements, including labor and materials, and such bond to be in a form approved by the Village Attorney, and from a surety

company authorized to do business in the State of New York. Additional performance bonds shall be required and filed, under the same terms and conditions, in the amount of \$2,500,000.00 for landscaping and lighting, and \$12,000,000.00 for the recreational facility.

Should the applicant apply for an extension of time to complete any of the required improvements and/or extension of the term of the surety bond, there may be imposed an increase in the face amount of said surety bond as determined by the Board at the time of such application.

The applicant, and its successors in interest, shall comply with the following conditions, as recommended by the Village Superintendent of Building Department, and by the Village's landscape consultant, Land Design Associates.

1. prior to construction of the sewer system, supply copy of Nassau County Department of Public Works permit for sewer connection.
2. prior to construction of curb cut, supply copies of Nassau County Department of Public Works permits for road openings.
3. comply with items in letter from Land Design, dated August 4, 2006, or submit new plan to be reviewed and approved by Board of Trustees.

The approval of this application is tentative, and shall not become final until delivery of the surety bond or cash deposit hereinbefore referred to, to the Village Clerk-Treasurer of the Village of North Hills, and the approval as to form and manner of execution of said bond by the Village Attorney of the Village of North Hills, and upon payment to the Village Clerk-Treasurer of five (5) per cent of the first \$10,000 and three (3) per cent of the sum in excess of \$10,000 of the amount of all the surety bonds required hereunder pursuant to Village Code Chapter 179, which amount is hereby determined to be the reasonable costs of inspection of the required improvements and utilities or of their estimated cost, when not installed prior to approval of the application.

Pursuant to Village Code Chapter 179, the applicant shall file with the Village Clerk-Treasurer a written guarantee that the construction and installation of improvements shall be made in good and workmanlike manner.

The applicant shall file written statements as required by Village Code Chapter 179.

In lieu of a contribution to the Village park and recreation capital reserve fund, and as a condition of this approval, the applicant shall be required to pay to the Village the sum of \$21,000,000.00 as proposed in the applicant's proffer (as amended by letter dated June 29, 2005), in lieu of any other community amenity to be provided by the applicant. The Board hereby determines that a suitable community amenity is not immediately feasible, or is otherwise not practical at this time, and that in lieu of such amenity the applicant should make payment to the Village in an amount determined by the Board. The Board hereby further determines that payment in the foregoing amount is the appropriate amount for this payment, taking into account the impact of the

proposed development upon the community and the value of the approved incentives to the applicant. Such payment shall be made within fifteen (15) days after the adoption of this resolution, or within fifteen (15) days after the expiration of the period of time provided for the institution of an Article 78 proceeding seeking judicial review of this resolution or any part thereof, or any other proceeding which is an integral part of this approval, or if such litigation is timely commenced, within fifteen (15) days after the final determination of such litigation in favor of the Village and the applicant and the expiration of any time to appeal therefrom, whichever last occurs. Upon receipt of such payment, the Village Treasurer shall deposit the same in a trust fund to be used by the Village Board of Trustees exclusively for specific community amenities authorized by the Board of Trustees.

This approval shall not become effective until the applicant has filed with the Village a map registration certificate from a New York State title insurance company, in a form satisfactory to the Village Attorney

This approval shall not become effective unless within sixty (60) days of the date hereof the applicant shall record with the Nassau County Clerk a declaration of covenants and restrictions, executed by such persons, and in such form, as approved by the Village Attorney prior to recording, which declaration shall incorporate such of the conditions of this approval as, in the opinion of the Village Attorney, are necessary to memorialize such conditions for the information of future owners of the subject property and for the protection of the interests of the Village.

Upon completion of the foregoing conditions, and compliance with the applicable provisions of the Site Development Code, and payment of all required fees, the Board shall enter on the original application the approval of the Village of North Hills, as provided in the Site Development Code

In the event during the course of construction the Village Department of Engineering and Building, or other appropriate Village official, determines that silt is accumulating or being caused to be deposited in any area where such deposit is not appropriate or necessary, the applicant shall take such steps as may be directed by the Village for remedy of such conditions.

The subject property shall not be used in whole or in part for any commercial business operated on the property, other than a business operated solely for the convenience of and service to persons residing on the property and their guests. The property shall be used and operated only for residential condominium use, and shall not be used as a hotel or any other facility to provide housing or other accommodations to transients. The restaurant and health spa, and any other similar facilities, located on the property shall be open and available only to residents of the property and their guests. No activities, events, or facilities on the site shall be open to the general public without the prior permission of the Village of North Hills

The construction and development of the subject property shall be in all respects in conformance with the following plans which have been filed as part of the application process for this project
